## CLASS & REUNION NOTES

Class of 1955 – The Class of 1955 had its 60<sup>th</sup> Reunion the weekend of August 14-16, 2015. It began with an informal gathering Friday evening at Gamekeeper's Wine Bar in the middle of a very busy village. Saturday began with lunch at Gamekeeper's Tavern patio, followed by a tour of the Chagrin Falls Schools Tom Mattern Historical Room. Saturday evening the class gathered at the rustic and beautiful Pine Lake Trout Club in Bainbridge. There were lots of hugs, talk, laughter and reminiscing. On Sunday, the reunion came to a close with a breakfast gathering at Yours Truly in the heart of the village. Our next gathering will be our 65<sup>th</sup> in the summer of 2020. Go Tigers!

Class of 1961 – The Class of '61 will be having a reunion dinner Saturday, Sep. 10, 2016, at South Franklin Circle. Additional activities may be added over that weekend. More info to follow. Please be sure Bill Meyer has your current e-mail and postal addresses. You can contact Bill at [parlin\\_bill@yahoo.com](mailto:parlin_bill@yahoo.com), 207-691-9842, or 3720 Duck Ave., Key West, FL 33040. Brenda Hellekson is continuing to fight cancer, and would love to hear from old friends ([brenhellekson@gmail.com](mailto:brenhellekson@gmail.com)).

Class of 1965 – The CF Class of 1965 50<sup>th</sup> Reunion - 50<sup>th</sup>!! Seriously? We could hardly believe that our classmates clad in light blue and dark blue robes received their diplomas 50 YEARS AGO! Other than minor shape and hair color changes, we all agreed that we looked just the same. (Does this bring our eyesight into question?) But we were glad to be elderly, vertical, alive, grey, recognizable (with name tags), and cleverly humorous.

We began with a gathering at the Aurora Inn, where we greeted each other with excitement, smiles, questions of now, and questions of

the distance and time since the last reunion. We found Coach Wyville and Coach Piai, bringing back sports team memories and those of an excellent education from our teachers at CFHS. We found instant comradery, some realizing that, because of Facebook, we already knew too much. We were grateful that our spouses and friends attending with us were patient.

The next morning we met at our old high school, or at least, the building with a semblance of our old school. Fortunately we were led by Brian McKenna, the person in the know about alumni, and when we sat in his classroom, formerly used by Mr. Richmond, we knew that education delivery has changed radically. Brian demonstrated Google Education to us, which we found pretty dazzling. We were in awe of the weight room behind the familiar gym, and in the statistics on the success of the students' graduation rate and collage admittance. One highlight was the alumni room, where memorabilia is displayed from eras even older than ours, and where we spotted some items and pictures from the early 60's. Such memories, at this point, all good!

That evening we met at the venerable Pine Lake Trout Club, the perfect place for friendships to renew and

memories to flow. Our class sponsor Mr. Stanton, Math Teacher Extraordinaire, attended with his wife and demonstrated that he remembered amazing facts about his past students. We thanked Steve Thomas and Karen Swaye Blewitt for their organization and service to our class. To the sounds of the bagpipes played by Jamie Krider, class president Larry Welker read the names of our classmates who had passed away. We considered the events of our times that helped mold who we had become: the beginning of the Vietnam war, the effects of Sputnik, cigarette smoking, birth control pills, beer, the Beatles... and it was a great time to grow up! Chagrin Falls was a dome of security where we felt safe.

Finally, we shared brunch at Barbie McConnell Erdelack's house, with food prepared and provided by Robin Strickler Bamberger. In this beautiful, relaxing Chagrin forest setting, we felt joyous renewing our lifelong friendships. We felt the closeness of a group of people who had shared so much, and knew that this reunion was priceless. We felt proud and fortunate to be part of the Class of '65. We began thinking about our 55<sup>th</sup>, but knowing it might never be this good again.
