Foreword

Here is the fruit of our toil. Into this work is woven the moments of many hours, and here is fashioned the labor and hearts of many. It has been work inspired by the hope that because of it some good will come. If this can be, what matters it if time meant for rest has been spent for labor? This work has indeed been pleasant for those who brought it into being. We hope this book will furnish many happy hours for its readers.

Dedication

It is the aim and policy of each graduating class to recognize in their annual year book, THE ZENITH, some individual or group of persons, who have rendered signal service to the high school.

The Class of 1930 hereby dedicates this ZENITH to T. D. Henshaw, A. R. Mountjoy, and H. B. Pugsley, who as former members of the Board of Education, have taken a great interest in the welfare of our public schools, and performed their duties with honor and credit to our community.

Senior Class History

IN September, 1917, thirtyfive small children wended their way to the little white school-building. Miss Alice Russell greeted them with a cheerful word and smile.

The next six years followed with work and play. Our wisdom increased under the teachings of Miss Collacott and Miss Sanders. The number of students in our class rose and fell as the mercury in a thermometer does.

Under Miss Kanavel's guiding hands, we progressed greatly in our two short years of Junior High.

We organized and had our first Freshman party, which was a big success. When we were Sophomores, we "started things going": Basketball, Friendship, Debate, and many other organizations.

The next year we presented our Junior play—"Oh, Kay!"—in a very creditable way. At the close of the year we entertained the Seniors with the annual Junior-Senior Banquet. In the year 1928-1929, the girls won the class basketball tournament. We have acquired some new members: Eloise Sargent, Nellie Neldon, Dorothy Bundy, and Neil Kilby.

THE SENIORS

Seniors, step in front of all,
On the stairway, in the hall.
And defeating every foe,
Making everything a "go".

Behind, we leave the trophies,
And banners of our victories.
You'll realize when we are gone
The honors for Chagrin we've won.

'TIS TRUE THAT

*The Annual is a great invention:—
The Seniors get all the fame;
The Publisher all the money,
And the Editor all the blame.*

Junior Class History

OUR class now consists of thirty-seven members. Some have withdrawn; others have joined us.

When we entered Room 15, we found a jolly school-master beaming at us. He was Mr. Schaal, who accepted the responsible position of taking charge of a fun-loving group—The Juniors!

There are among us some promising debaters, actors, singers, and musicians. Our boys have represented our class with distinction on the football and basketball teams. They have exhibited their athletic prowess in track also.

Next year we shall assume the role of "Dignified Seniors" and strive toward the highest ideals during our last year as students in Old Chagrin High.

Sophomore Class History

MOST of our class started school life with Miss Russell as our teacher. As we progressed, we became more and more outstanding, even taking part in an Operetta while in the Fourth Grade. Several of our members dropped out, but there was always someone who came along and filled the vacancy.

What a day in history for us when we came to the High School Building as seventh graders! The next year as eighth graders we were lucky enough to have Miss Neff as teacher and how she made us shine in our studies and athletics! As Freshmen we shall never be excelled by any other class—thanks to Mr. Kearney. Now we are Lordly Sophomores and the best class in school. Don't you think so?

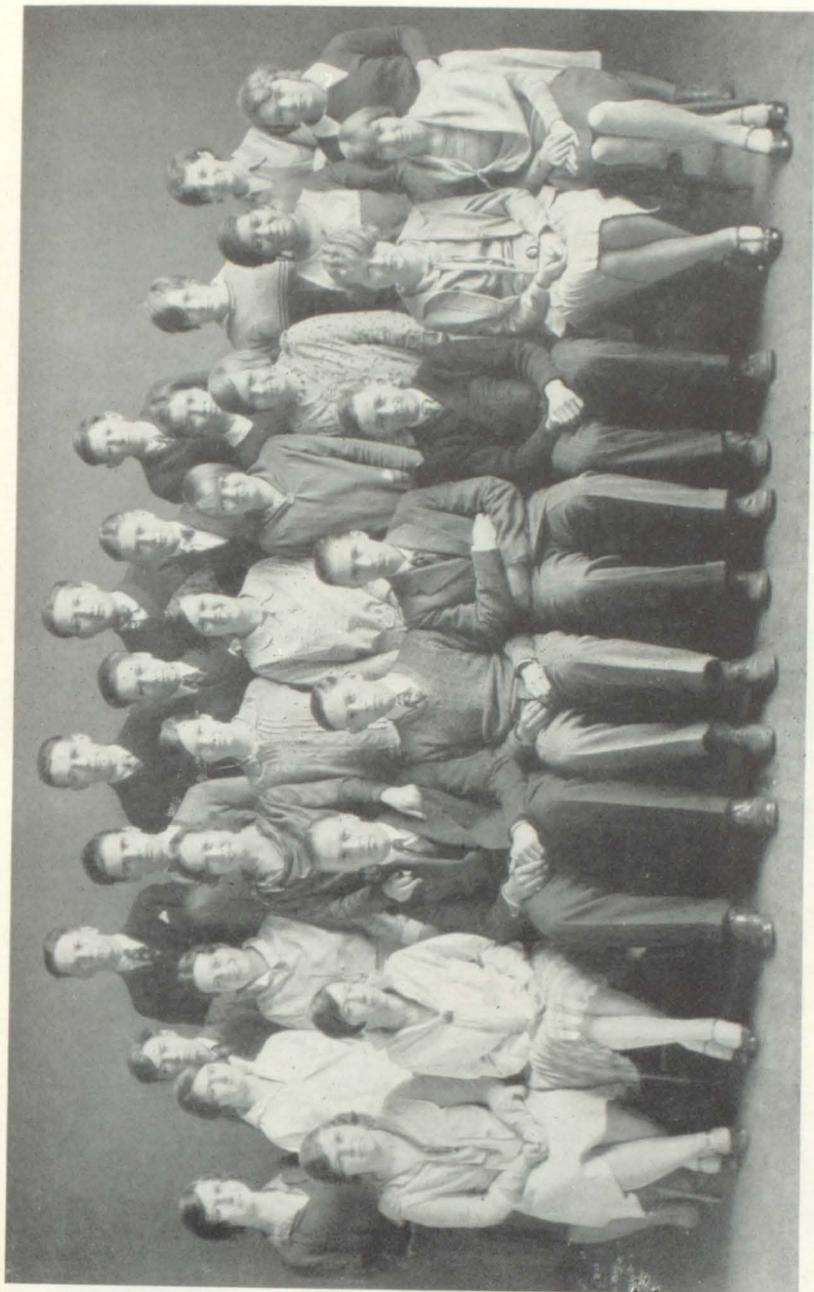

We are little in words but great in deeds.

OUR HANGAR

THE landing-field of C.F.H.S. has a good many hangars—but notice particularly hangars 12 and 14 for they are those of the Class of '33.

In the hangars, always waiting to help crippled ships or any who want help, are Mechanics Lehti and Butler.

The hum of the planes of the officers can be heard over the field guiding the other members of the corps. In another part, we see the sky-writing and artistry of our aviators. If you listen closely you will hear the musical hum of some of the planes and the rhythmic hum of the poet's planes. My! that plane came a bit too close for comfort, didn't it? But don't be afraid, we have some of the best stunt planes on the field.

There has been some controversy between our corps and the corps of the Class of '32; but we have a larger membership than any other corps, so you will find that very often the Green and White will come out ahead.

THE first year of Junior High was an eventful one, for it brought many privileges to us. It really seemed a great treat to be able to attend the Senior High Chapel. It made us feel as if we were a part of the Senior High. A few social events seemed to make our school work more worth while. We really felt as though the Seniors acted natural instead of stuck-up.

The Junior High have taken much interest in Woodworking, Home Economics and Physical Education in the past year. The Junior High seem to have the best athletes in the school as they have won the championship in basketball for the past two years. The boys also brought home the cup this year for track. Some of the eighth grade pupils have taken a special interest in General Science.

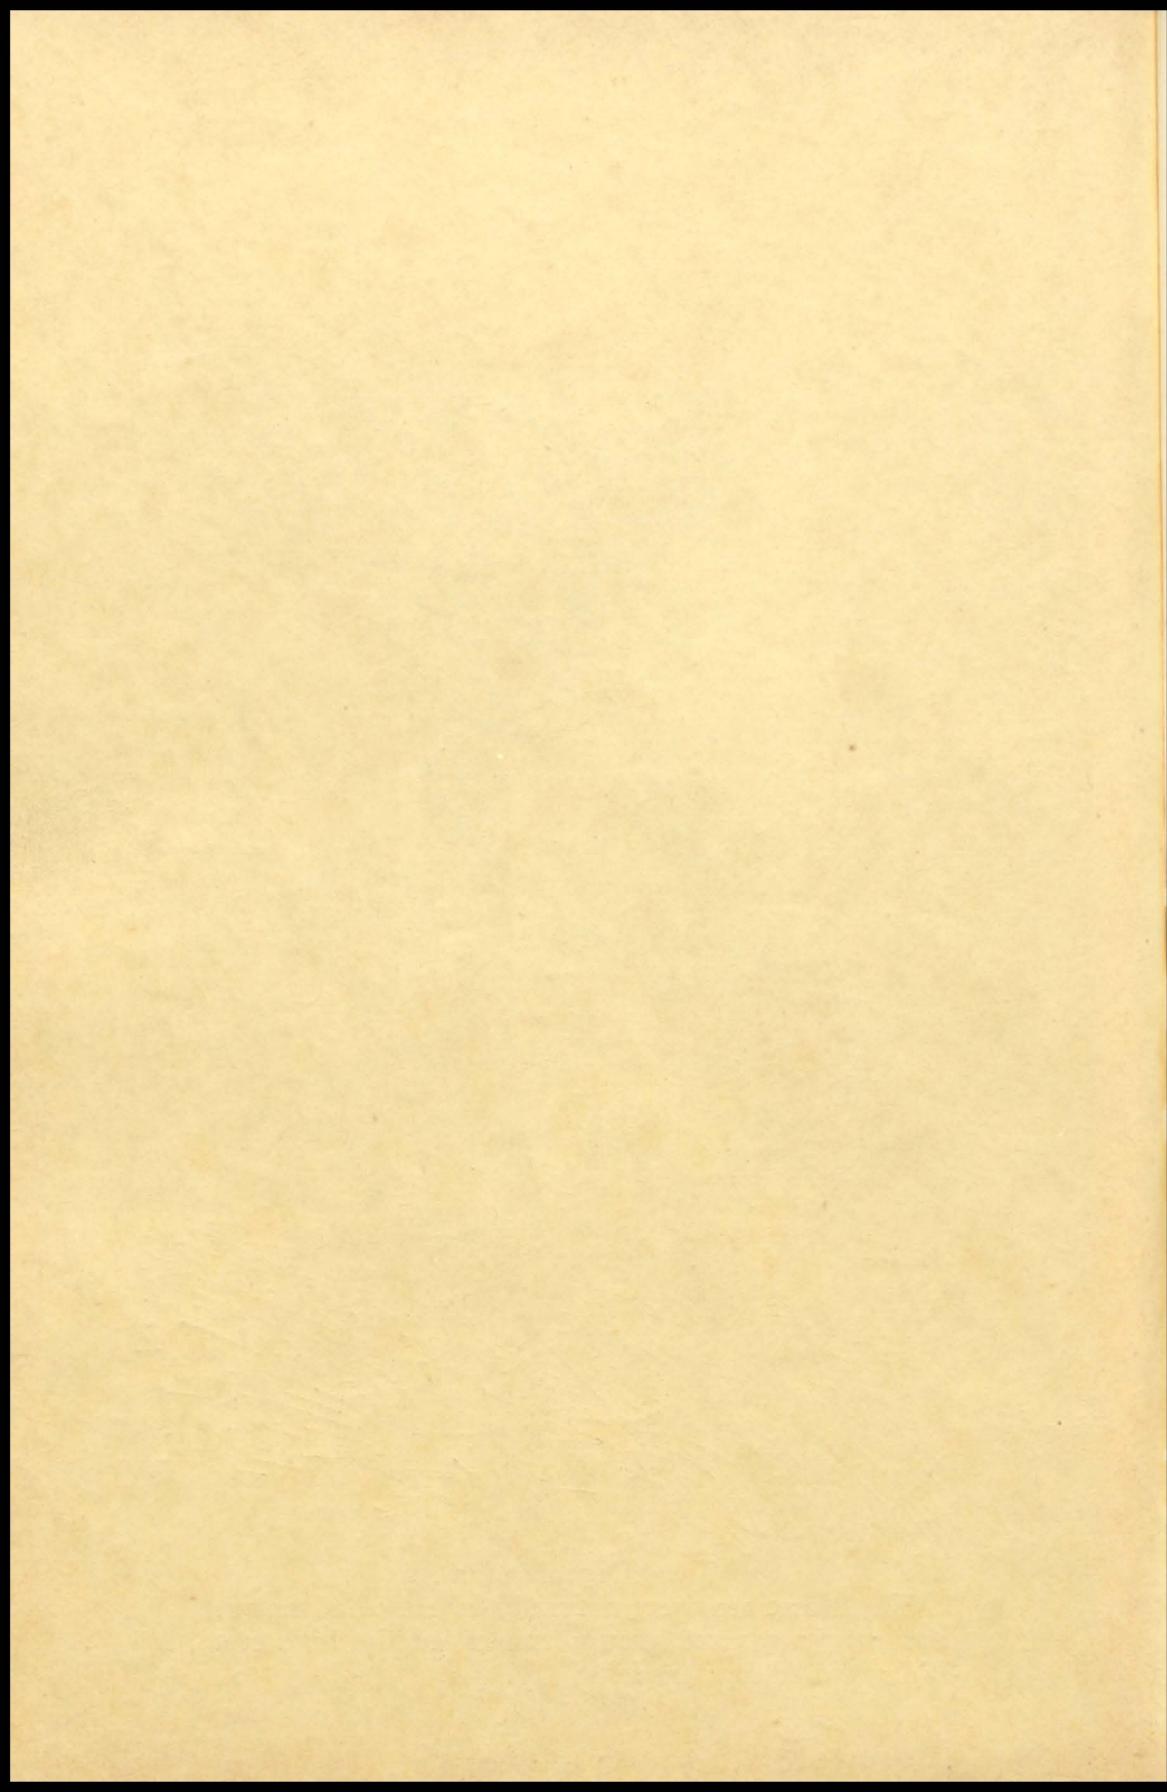

Miss Wilder, Miss Gifford and Miss Neff are the Junior High Home Room teachers. The Junior High wishes to take this opportunity to thank them for the patience and kindness they have shown us during the past year. We will be leaving them behind.

Football

A GAIN we briefly summarize our football season. After the annual plea, made by Coach Gurney, for an unlimited supply of football fellows, approximately 32 young men enthusiastically donated their services to the advancement of the football career of Chagrin High.

The results of most of the games played may make the football idea appear to have been a useless undertaking this year, but the fact that the principles of clean athletics were practiced convinces us that the past season was morally a success.

We look forward with high hopes to the success of the on-coming teams. The schedule and scores of the games were as follows:

Football 1929

C. F. H. S.	12	Sept. 20	Orange	6
*C. F. H. S.	0	Sept. 27	Willoughby	45

THE SUBS

The success of a team depends upon the spirit of its subs, and enough cannot be said of the spirit shown by Small, Simmons, Walling, L. Robinson, Kelly, Manlove, A. Blair, R. Blair, R. Neldon,

Law, Kent, and Matthews. The framework of next year's team will no doubt be constructed from these men, and if they display the same sort of fight that they did this season, the team can be nothing but a success.

COACH GURNEY

This is Coach Gurney's fourth year in Chagrin. He has always been the same cheerful and helpful Coach to the boys. Coach tells us that we are bound to have a good team next year, having thirteen letter men back. By standing for hard fighting and clean play, Coach has installed into the hearts of all his boys a love, respect, and comradeship which can be forgotten by neither Coach nor player.

ROBERT GILMORE—"Bob" *Halfback*

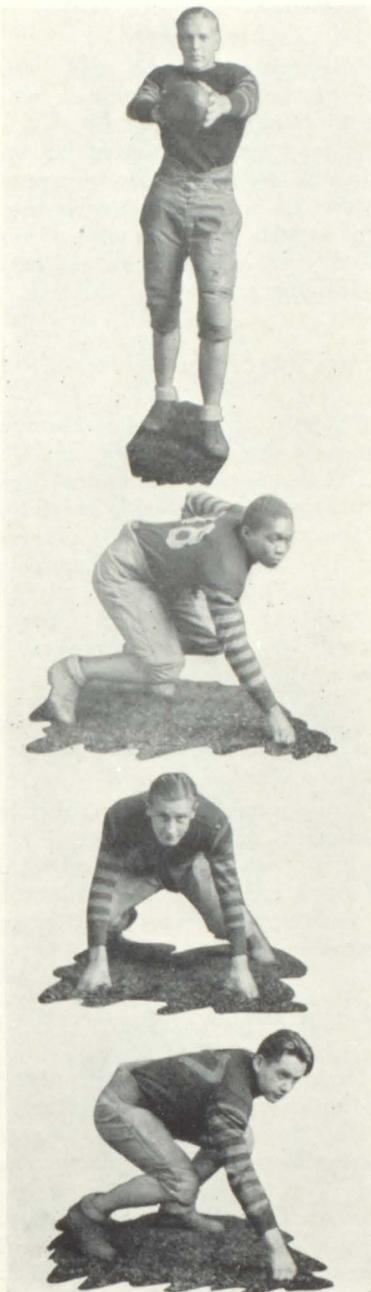

He could always be depended on to sneak through the opponent's line for the needed yardage. "Bob" was a fine blocker and was also a good broken field runner and a fast end runner. We will be greatly benefited by having "Bob" with us next year.

ROBERT REITZ—"Bob" *Guard—Tackle*

"Bob" rendered his service this season alternately through Guard and Tackle. He always proved able to "get through" and "get his man" without regard for the interference.

EDWIN KERMODE—"Blondy" *Tackle*

"Blondy" was the only Senior who was a regular. He had the distinction of playing every minute of every game this year. Edwin was elected Honorary Captain at the end of the year. Our only regret is that he will not be back next year.

GORDON BRADLEY—"Gordie"
End

"Gordie" held up the right end of the line in a very favorable manner. He was a bear-cat on defense, and a better punter could not be found. He was also exceptionally good on receiving passes. We are lucky to have him with us two more years.

WILLIAM ROBINSON—"Bill"
Halfback

"Bill" proved to be a very spectacular player, tearing through the line for great gains. He excelled in returning punts, and he certainly showed great ability in tackling. "Bill" was picked for a position on the News All-County Team. With his unusual ability in the backfield, "Bill" should greatly strengthen the team in 1930.

ERNEST SZITAR—"Ernie"
Guard—Halfback

"Ernie" could well be called our "Utility Man". He played End, Halfback, Guard, and Quarterback, and played each one as if that were his regular position. He was a good punter. He was the only Senior, with the exception of Kermode, who earned a letter. It will be hard to find a player to fill "Ernie's" place.

PERRY NELDON—"Bright Eyes"
Halfback

He fits into almost any position on the team and can be depended upon to give his best wherever he is playing. Perry started the season as a linesman, but found his best place in the backfield. He will be a great asset to the team for two more years.

Zenith

ERWIN WATERTON—"Bud"
End—Guard

His grit and fight made him one of the most dependable men on the line. He was always to be found on the bottom of the pile, with his arms wrapped around an opposing player's legs. We expect to hear more from "Bud" next year, for he will help in forming the core of the line.

GEORGE SELIGA—"Sleepy"
Halfback

"Sleepy" proved himself very adequate in substituting for the halfback positions. Running back punts appeared to be his specialty in the games in which he played. He was the only Freshman to receive a letter. He had plenty of fight and spirit, and George should "go big" for three more years.

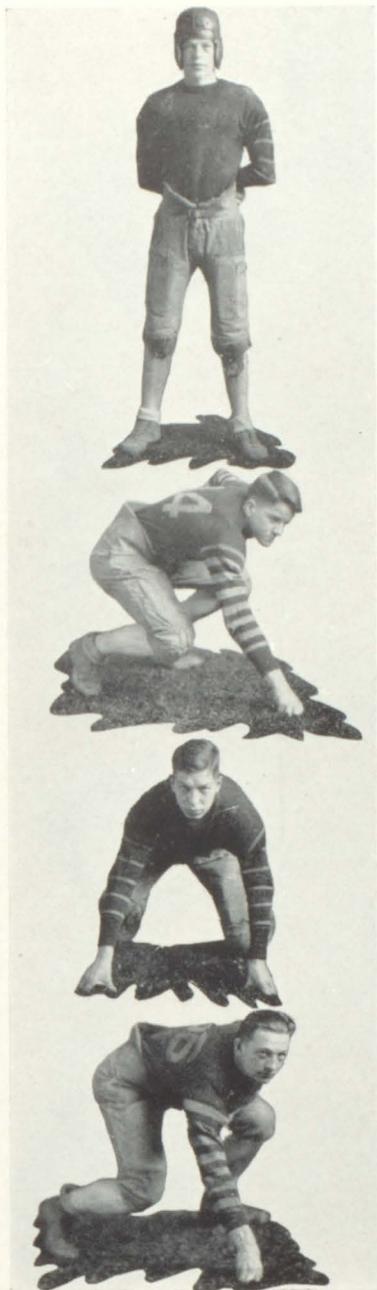

GEORGE CONANT—"Peenie"
Tackle—Guard

A never spectacular, but always consistent player, George. He could be counted on for splendid offensive and defensive. He will be another welcome addition to next year's squad.

RALPH BJORKSTROM—"Jerkie"
Center

He was one of the heaviest men on the team and when he got mad—Oh Boy!—his specialty was tearing through the opposing center. He and Kermode were the only ones to play every quarter. "Jerkie's" remaining year should prove profitable for C. F. H. S.

HOWARD WRENTMORE—"Howie"
End

"Howie" held up the left end of the line this past year in great style. He exhibited considerable ability in getting around the opposing line, as well as making some real "tackles". He will also be fighting for dear old C. F. H. S. next year.

KENNETH BLAIR—"Tim"
Quarterback

Holding down the biggest job on the team we find "Tim" giving it both the brains and brawn necessary for such a position. Due to his fighting spirit and willingness to sacrifice everything for the good of the team, he was appointed captain in five of the games.

GALE OBER—"Galileo"
Guard

Gale was a cool, steady player and a hard tackler. It was almost impossible to get through him. Had he started with the experience that he ended with, he would, no doubt, have been a star. Gale will help to bolster up next year's line.

ARMOND BRONDFIELD—"Si"
Fullback

"Si" backed up the line in great manner and was also a good passer and punter. "Si" showed us some more of his great "tearing through the line" ability in the Mayfield game. With his weight and spirit he should be an outstanding player during the 1930 season.

RICHARD CAVANAGH—"Dick"
Manager

"Dick", "The man with the fuel", was our capable student manager. He handled all the arrangements in fine shape.

Basketball Write-Ups

OSCAR MAKI—"Ozzy"

Center and Guard

Oscar's long arms and height helped greatly "on the jump" and getting the ball from the backboard. Oscar also proved to be a wonderful guard.

WILLIAM ROBINSON—"Bill"

Forward

"Bill" sure had the other teams guessing with his dribbling and floor work. He was an excellent shot also. Bill will be back next year to play for C.F.H.S.

ROBERT GILMORE—"Bob"

Forward

"Bob" worked in well with "Bill" at forward, besides being pretty fair at long shots. "Bob" has one more year at Chagrin.

HOWARD WRENTMORE—"Howie"

Guard

"Howie" proved himself an expert at bringing the ball up. His dribbling and long shots helped us to score more than once. "Howie" will be back for one more year.

GORDON BRADLEY—"Gordy"

Guard

"Gordy" had a bit of tough luck this year—being indisposed for a few games with an injured foot. He helped a great deal when able to play, however.

ELMER TYLER—"Tug"

Guard

"Tug" played on the "B" team at the beginning of the season but he proved to be such a good guard that he was promoted to the first team. "Tug" has lots of "fight" in him and he is expected to help Chagrin materially next year.

GEORGE SELIGA—"Sleepy"

Forward

"Sleepy" came up from the Junior High team to the "B" team and before the season was over was playing with the varsity. Seliga earned his medal on his shooting qualities. Seliga is only a Freshman and has three more years at Chagrin.

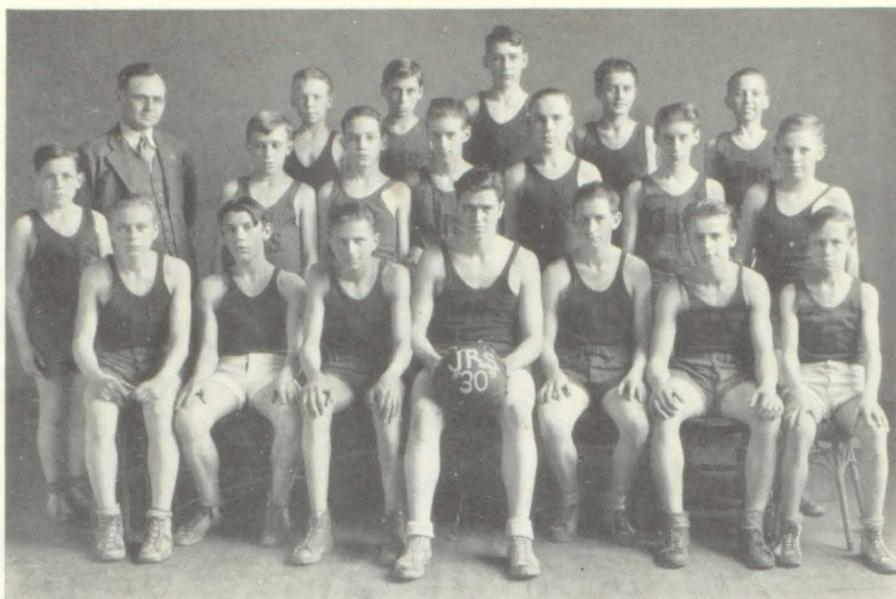

CHEER LEADERS

We also had four of the classiest cheer leaders ever turned out by C. F. H. S. Always on the job, Eleanor, Marion, Melvin, and Howard succeeded in swaying the crowd to hearty cheers for the heroes. We are all proud for the parts they played in making the Athletic season a success.

Glee Club Officers

LOIS TUTTLE, *Glee Accompanist*

Although this was Lois' first year as accompanist, her success was phenomenal.

CAROL STROUD, *Girls' Glee President*

Carol was our Secretary-Treasurer last year and has risen to the presidency this year. She did her bit in keeping the Girls' Glee Club together.

Girls' Glee Club

THE Girls' Glee Club under the supervision of their director, Mrs. Fouts, began the year's work by singing at the Warrensville City Farm and the Rebekkah Lodge during the Christmas season. Soon after the Christmas vacation they began working on the annual Operetta, which was successfully presented early in the spring.

Everything was quiet for awhile when before they knew it May Concert time had come 'round and soon afterwards many of them were singing for the last time in the Club—at Commencement.

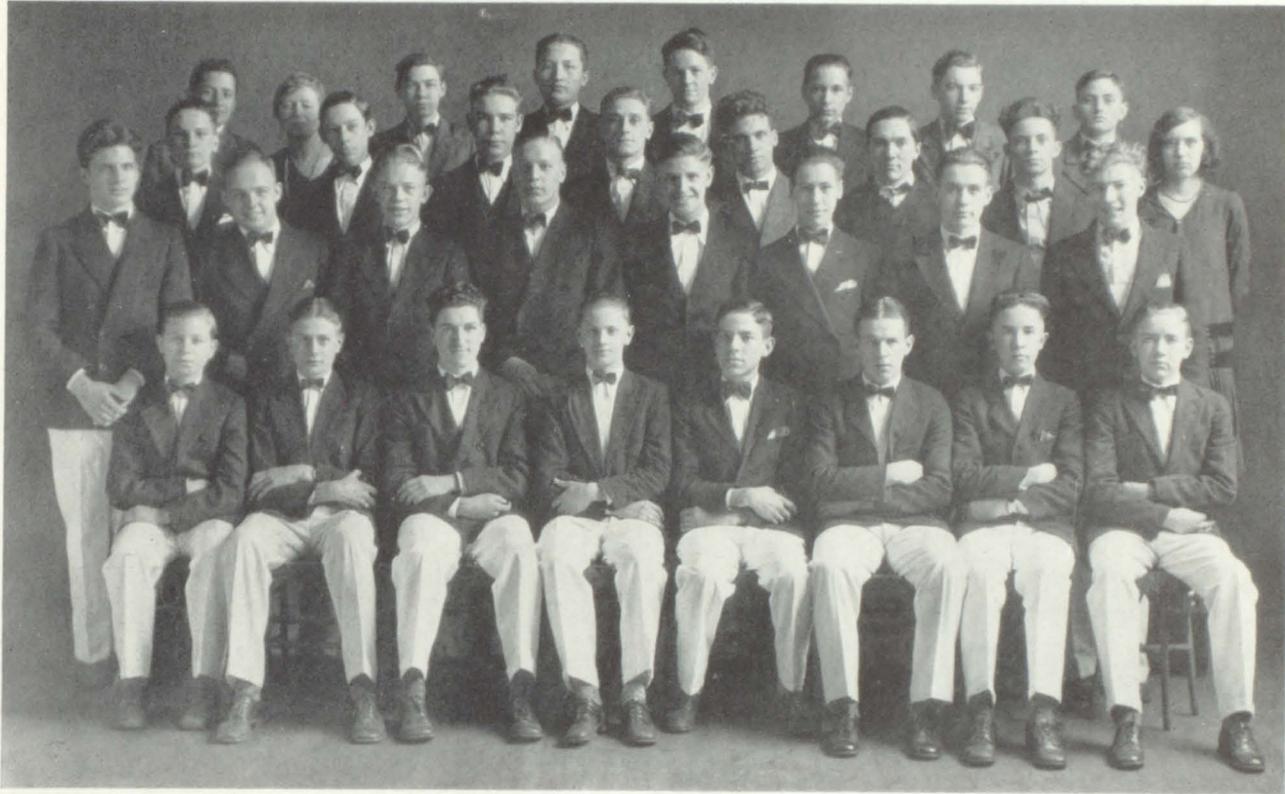

The success of the Club was due to Mrs. Fouts, to whom we hereby extend our sincere thanks and appreciation for her guidance.

Orchestra

THE orchestra this year, under the direction of Mrs. Zoe Long Fouts, has been a complete success.

The organization is probably the largest that has ever performed under the baton of the experienced leader. It is composed of some twenty-nine or thirty young musicians of which the bulk is represented by the violins. Mr. Albert Freeman is to be given much credit for the proficiency of these violinists.

This group of young musicians has played at the Minstrel Show, the Junior Play, the Operetta, the Senior Play and several other occasions of importance.

Every member will return next year except one violinist, Margaret Judd. Everybody will be full of pep and ambition to develop an even better High School Orchestra.

THE STORY

Fair-day in Bagdad is marked by the arrival of various visitors, among them being Mrs. J. Horace McCann, the new American Consul with her daughter Elsa and her daughter's friend Anne. Lord Archie Fitzgibbons, an old friend, is also present, and a little later comes Henrietta Whipstitch. On being presented to the Caliph and his daughter Jewel, they learn that an assassin is abroad who carries a bomb concealed in a camera, and for this reason all persons with cameras are to be shot immediately.

Dick Taylor arrives by airplane from Hollywood accompanied by his two mechanics Bob and Bill. They are anxious to find a lovely girl, known only as the Belle of Bagdad, in order to engage her as a moving picture star. They hope to identify her by some small photographs which they carry, and also by an amulet she wears. But in order to make sure, they bring a large camera with them to make pictures of all prospects.

Dick meets Jewel, who welcomes him cordially, but the two mechanics meet Ali Ben Mustapha, the Chief of Police, who sees their camera and orders them to be executed forthwith. In order to escape, Bill and Bob resort to disguise, first as Dervishes, and afterwards as members of the Caliph's bodyguards. In this latter disguise, they manage to capture the real assassin, and in return for their valor the Caliph orders Jewel to present Dick with the sacred amulet. This serves to identify Jewel as the Belle. Bill and Bob are freed in time to couple with Elsa and Anne, while Henrietta finds solace in the companionship of Ali Ben Mustapha.

THE Twentieth Volume of the Zenith, the Chagrin Falls Year Book, contains a number of important changes. We hope that our readers will derive many hours of enjoyment from this annual, and keep it as a memory of High School Days in Chagrin.

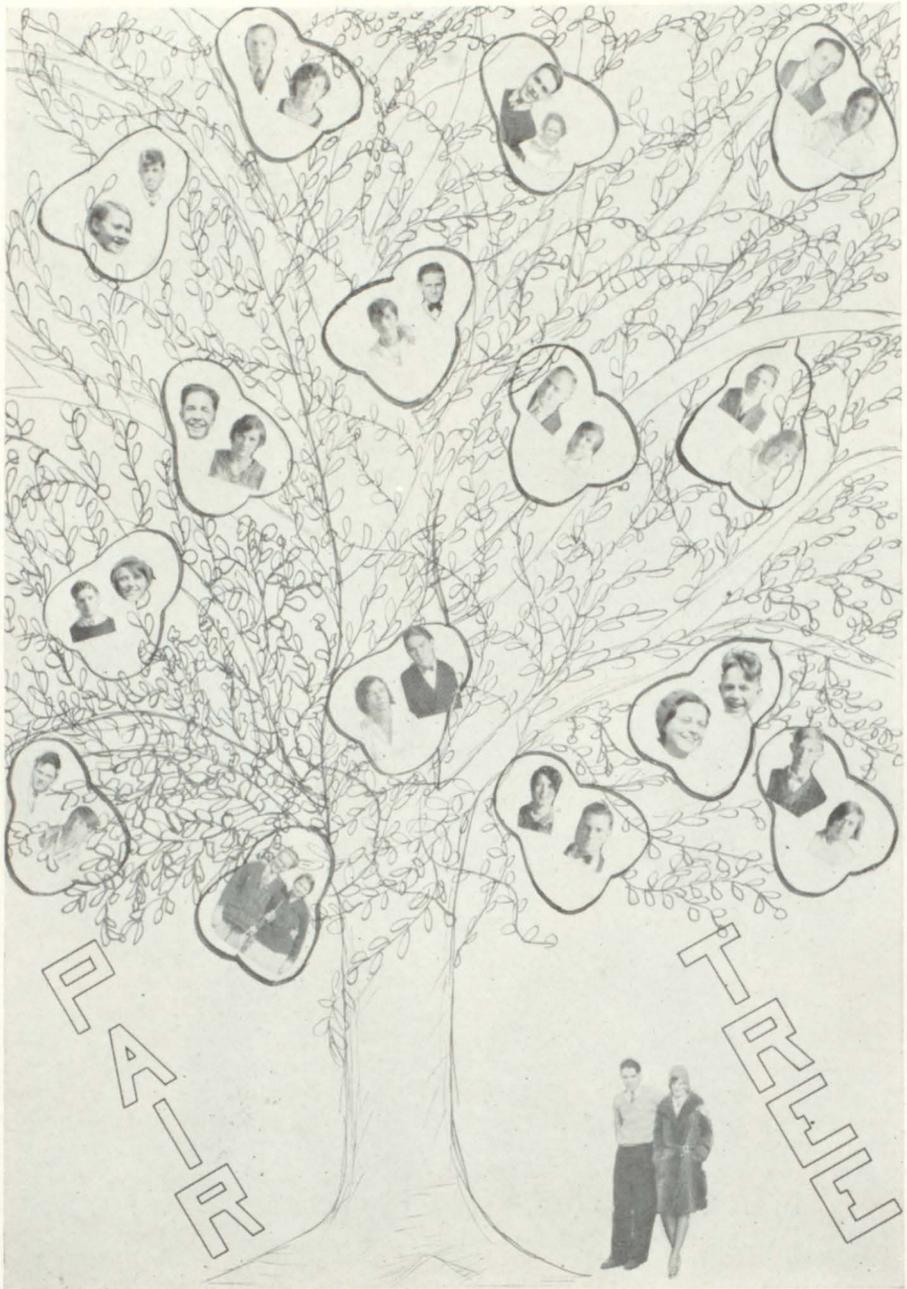

Since the Staff this year was reduced considerably, the members of the Staff have been obliged to do double duty.

I wish to take this opportunity to thank the members for the diligence and co-operation which they and others who have helped in compiling this edition have shown. I also wish to thank Mr. Sands and Miss Ames at this time, for their untiring help and advice.

Echo Staff

BY the end of this very busy and interesting year, there were thirty industrious members on the Staff of the Echo. The entire year was filled with hard work, "bumps" and good times. No small amount of interest was displayed by the staff, school, and town.

The latter part of the year was made more interesting by the study of important phases of journalism. At the beginning of the second semester, the Staff tackled headlines with gusto; after making many mistakes, the staff finally came through with a paper showing marked improvement in appearance.

A "Take It or Leave It" party was given in honor of Gale Ober, the winner of the Contribution Contest. This unique party proved to be an outstanding social success.

Pins were ordered during the latter part of the year. They are small gold scrolls with "Echo" and "C. F." inscribed on them.

There was a decided increase in the number of staff members and the size of the paper. Miss Wilder, our inestimable advisor, was always there to help us with our many problems. Thus the Echo for this year could not be anything but a faithful advocate of Chagrin Falls High School life.

A. A. Board

IN the year 1915 the first Constitution of the A. A. Board was framed. The board is composed of ten student members and one faculty member. The Freshman and Sophomore Classes are represented by two members respectively. The Senior, as well as the Junior Class, has three representatives.

This year the Board had a successful year. It was handicapped at the beginning of the year by a deficit of three hundred and twenty-three dollars. By January this debt was paid in full.

The Class representatives are:

Thespian Club

THE Thespian Club, which was named after Thespis, the reputed founder of the Greek drama, was organized by Miss Nunvar, the second semester this year, for the purpose of encouraging dramatics and public speaking.

Members of the club presented a modern one-act play called "Sham" during one meeting. The club also sponsored two one-act plays for the benefit of the baseball team.

Meetings were held every Tuesday during activity periods. One meeting was set aside for instruction, and the next for program.

The officers are as follows:

Eleanor Brown	President
Herbert Small	Vice President
Howard Wrentmore	Treasurer

Debate Club

WITH the advent of the 1929-'30 Debate season, a new system was introduced; namely, that of informal debating.

This type of debating was an improvement, for it relieved the tenses of formal debating and created a friendly spirit among schools.

The year, as a whole, was not entirely successful; if one considers only decisions. New debaters, however, were given experience and preparation for next year.

The teams appreciated the able coaching of Mr. Sands, our instructor of oratory.

The personnel of the teams was as follows:

Grace Thayer
Donald Sherman
Elizabeth Harper

The decisions were as follows:

Friendship Club

THE first "get-together meeting" of the club was held in the assembly hall early in the fall in the form of a party for the girls interested in joining the club. This was soon followed by the Recognition Service, to which the mothers were invited.

The year had begun! During the football season, the club had concessions at two of the games. The annual Style Show, a success as usual, was held in the fall rather than in the spring as had been customary. During the Thanksgiving vacation the club gave a dance that everyone agreed was the "best yet". At Thanksgiving and Christmas time baskets of food were given to several families. A New Year's dance was also sponsored by the club.

The second semester was started with a "Pot Luck" supper given in the cafeteria. Many interesting and instructive meetings followed. The Mother and Daughter Banquet and the Senior Farewell meeting brought to a close the year's program. We wish to express our gratitude to Miss Gifford and Mrs. Donley, our advisors, for all the help they have given us.

The cabinet, which is composed of the leaders and chairmen of committees, did more than its share in making the year a happy and successful one.

The members of the cabinet are:

Elizabeth Harper	President
Eleanor Brown	Vice President
Rebecca Gaither	Secretary
Nella Kent	Treasurer
Margaret March	Program Chairman
Helen Rood	Service Chairman
Dorothy Bundy	Social Chairman

Nella K.—“Can you tell me the date, sir?”

Mr. Sands (absent-mindedly)—“Sorry, but I forgot to wind up my calendar.”

Don't worry if your job is small
And your rewards are few;
Remember that the mighty oak
Was once a nut like you.

Donald Sherman: So I have to take ether, do I? How long will it be before I know anything?

Doctor: Now, you know you mustn't expect too much of ether.

Paul: Do you want to marry a one-eyed man?

Ruth: Don't be silly. Why?

Paul: Then let me carry your umbrella.

Interviewer: Are you one of those girls who watch the clock?

Olga (with dignity): No sir; I have a wrist-watch.

Mr. Schaal: Name a liquid that won't freeze.

Nellie N.: Hot water.

Oscar: Where are my overshoes?

Margaret J.: Here they are; I had my violin in one of them.

John: My brother thinks a football coach has four wheels.

Howard: Ha, ha! And how many wheels has the bally thing?

Herbert S.: We have the safest railway in the world where I came from. A collision on our line is impossible.

Stranger: Impossible! How do you make that out?

H. S.: Why, we've only got one train.

Margaret Seibert (in grocery): Is that the head cheese over there?

Salesman: No, ma'am, that's one of his assistants.

Be High Hat

Don't say “lousy”—say “pediculous.”

P. S. It means the same thing.

Can you Imagine?

Ruth Hoopes without a date?
 Ellen Rodgers a brunette?
 Ruth Dean being very prim?
 Oscar Maki in knee breeches?
 Grace Thayer getting E's in her studies?
 Thomas Walling flirting?
 Neil Kilby making eyes at a certain Senior girl?
 Eloise Sargent without a Junior for an escort?

GORGIE, PORGIE, HEPPLER PIE

Gorgie, Porgie, Hepple Pie,
 He vas en awfool beshfool guy,
 Ven de girls vood Pust Office play,
 He'd greb his het end run away.

Howard W.—“This quarter's no good; it won't ring.”
 Wendell B.—“Waddy want for two bits—Chimes?”

Business Man: I suppose you are on the football team?

Charles Drake: Well, yes, I do the aerial work.

Business Man: What's that?

Charles: I blow up the footballs.

Wendall Burton, whose car broke down, stopped at a farmhouse to borrow a monkey wrench. The farmer, a Swede, replied: "No sir, my brother, Olie, he bane got a sheep rench, and my uncle got a cattle rench but none of us got da monkey wrench."

Fred Getten: When I dance with you I feel as though I were treading on clouds.

Eloise: Don't kid yourself, those are my feet!

Secret of Success

"Push," said the Button.

"Never be led," said the Pencil.

"Take pains," said the Window.

"Always keep cool," said the Ice.

"Be up-to-date," said the Calendar.

"Never lose your head," said the Match.

Editor: This line is devoted to Philip.

Rebecca: To Philip who?

Editor: To Philip Space.

Miss Nunvar—"Please follow the work on the board."

Bud W.—"Where is it going?"

Soapily Said

"May I hold your PALMOLIVE?"

"Not on your LIFEBOY, IVORY for me."

Mr. Sands—"What makes you so late?"

L. Henry—"I fell down stairs, sir."

Mr. Sands—"That ought not to have taken you so long."

THE END

Thank heaven it's over, the proofs are read,
We've worried and worked till we're nearly dead.
But good or bad, at least we are through
And now with its failures on its head
We hand it wearily over to you.
Knock, if you think to knock's a sign
That your critical sense is keen and fine,
We're just so glad that the blamed thing's done,
That we wouldn't fuss with another line;
For you or any one.
