# FOREWORD

---

The theme of this year's Zenith has been taken from the president's policy of national recovery. It has been our purpose to carry through this idea in the making of our book.

We have spent many pleasant hours in compiling this 24th volume of the Zenith. As the national recovery administration has had many obstacles to surmount, so we have had our difficulties in the building of this book.

It is our sincere hope that this book may bring you many hours of enjoyment throughout the following years.

## SENIOR CLASS HISTORY

TWELVE years ago, the class of 1934 began its voyage through the sea of knowledge. Miss Russel and Mrs. Bailey were the guiding lights as our ship proudly left the shore.

Every year has seen our ship in a different harbor. We have added many new passengers and have lost many old ones. The way has had its stormy passages, but we hope we have successfully weathered every storm. The members of our crew have always lent a helping hand whenever they could.

In our freshman year we began our big drive toward home. Our members were represented in football, basketball and baseball. We had other members on the debate team, in the glee club and many more in the Four Square Club.

As sophomores, we won the Inter-class basketball trophy, and were represented on the championship debate team. Many more joined the glee clubs, and two boys entered the Hi-Y club.

The junior year saw many of our crew represented as stars in athletics. The Junior Play "Romance Hunters" proved the dramatic ability of our crew. We had some of the parts in the operetta "South in Sonora". Debate and golf found more members shining as stars.

Now as seniors, the crew has put forth its greatest effort, and as a result, we have outshone all our past performances. Every athletic activity had a senior star, every dramatic presentation possible had a senior performer. The golf team had four seniors included, the glee clubs, and both the Girl Reserves and the Hi-Y club had their share of senior leaders. In our classes we have had many outstanding seniors.

Now as we enter the home port, we hope we have left behind us many records and many ideals for the underclassmen to follow.

## JUNIOR CLASS HISTORY

THE class of nineteen hundred and thirty-five began its schooling in the little wooden schoolhouse under the tutorship of Miss Russell and Mrs. Bailey. From this humble beginning we progressed through all the stages of elementary learning to receive the finishing touches from Miss Saunders. Since we have graduated to the high school building we have grown up mentally and physically and we are now the proud possessors of the largest room in the high school.

As a class we are perhaps not the best in any one line of endeavor. We have our share of good athletes, our share of good students, and more than our share of real pals. Our class is well represented in the glee clubs and in the other school organizations.

The Juniors are looking forward to our last year in high school with pleasurable anticipation and with the hope that we may do our part as Seniors as well as this year's graduates. We hope that we may be able to leave a mark for succeeding classes to aim at.

## SOPHOMORE CLASS HISTORY

**W**E were started on the first two quarters of our school life by Miss Russell and Mrs. Bailey. There were not many happenings of importance during these quarters.

Our interests in sports and school activities began to develop during the third quarter. Members of our class have participated in such activities as Girl Scouts, Campfire Girls, Boy Scouts, Four Square, and the Girls' Athletic Association. Many of our boys acquired the honor of being on the football and basketball teams, while several others were stars on the track team.

Now, at the beginning of the fourth quarter, as sophomores, we are granted the privilege of partaking of the high school activities such as: Boys' and Girls' Glee Clubs, Girl Reserves, Debate, *Echo* Staff, and Orchestra.

We are looking forward with great anticipation to the future. In due course of time we know that the responsibility of leading in all school activities will be ours. We trust that we shall be prepared for the occasion and be able to hold high the standard of Chagrin Hi.

## FRESHMEN CLASS

WHEN school started this year, thirty-eight Freshmen gathered in Room 11 under the guardianship of Miss Gifford. We increased our enrollment with Margaret Hileman and Ernest Rufener. Several of our former companions did not return to school, and several took up school life elsewhere.

The work was different from that of earlier years and therefore it took several days to "settle down."

Officers were elected and the class was organized as follows: Donald Wrentmore, President; Gordon Bates, Vice President; Marjorie Black, Secretary; Edward Hammon, Treasurer. Green and white were chosen as our class colors and our class flowers are "Lilies of the Valley."

The annual bagrush between the Sophomores and Freshmen was a victory for the former. The Freshmen accepted the defeat gracefully and hope to do better next year.

Most of the Freshmen boys went out for various sports and made a real start for later years.

# ZENITH

---

*(Continued from page 29)*

The girls formed a Junior Girls' Glee Club, which some of the eighth grade girls joined.

Just before Christmas vacation, we gave a play for chapel entitled "Mimi Lights the Candle."

As Freshmen, we have been sampling the courses offered by our high school and are looking forward to the time when we shall be able to order according to our own tastes.

## EIGHTH GRADE HISTORY

**E**IGHT years ago the class of '38 started on its long journey in the search of knowledge. Mrs. Bailey and Miss Pugsley were our guides. Many times on our journey we have taken on new seekers for knowledge.

We have four more years to continue our search before we reach our goal. Our earnest desire is that we may all be together at the end of our long journey when our diplomas furnish us proof that the quest has been successfully completed.

N. F. '38

## SEVENTH GRADE

**H**AVING eighty-one pupils, the seventh grade of 1933-34 is the largest class for several years in the Chagrin Falls High School.

When we started in October we had six new pupils: Ruth Coney, Joe Knotts, Wallace Hileman, Gordon Barr, Jack Cover, and Chester Vancurren. In the meantime, Chester Vancurren and Eleanor and Warren Mileander have left us, and Robert Bagley, Annette Morris, and Helen Yunkas have joined us. Several of the original members of our first grade class are still continuing their school life here.

We seventh graders have discovered that we have several new subjects: guidance, home economics, and manual training are some pupils' favorites. Of course, we have new teachers, but we have become used to them now.

Although the ways of this building differ slightly from those of the grade school, we feel entirely at home within its friendly walls.

## BOYS' GLEE

THE Boys' Glee Club resumed their work this year with twenty-eight members under the able direction of Mrs. Fouts. At the beginning of the year elections were held and James Wrentmore was elected president; Robert Hunt, vice president; Hubert Bezdek, secretary treasurer; and David Sawyer, librarian.

We sang at one or two Chapel programs, and at Christmas time, we sang in the park around the Christmas tree. In February we began practicing for the operetta, *Melinka of Astrakhan*, which was presented by the Boys' and Girls' Glee Clubs on April 6-7. The combined Glee Clubs sang at the Annual Commencement exercises in June.

This year we will lose nine members of the Glee Club, five of whom had singing parts in the operetta.

## SUBSTITUTE TEACHERS

### MRS. KEARNEY

Mrs. Kearney, during the absence of Miss Neff, took the Junior High classes. Although it seemed as though Miss Neff's position would be a hard one to fill, Mrs. Kearney was able to fill it. During the 18 weeks Miss Neff was absent, Mrs. Kearney made many friends among the students.

Although absent from the teaching profession for several years, Mrs. Kearney came back and taught the classes in fine shape. Her students liked her method of teaching and wish to thank her for her untiring efforts during this period.

### MRS. HENSLEY

The high school students want to thank Mrs. Hensley for her efforts during the absence of Miss Nunvar. Although Mrs. Hensley had not taught school for a long time, she gave her time to the high school students while Miss Nunvar was ill.

Mrs. Hensley was well liked among her students. The classes enjoyed her teaching and her good humor. She had a smile for everyone, and was always willing to help a student whenever possible.

### MRS. LEWIS

When Miss Bacon left Chagrin for Houston, Texas, Mrs. Lewis replaced her in the office. Miss Bacon had been in the school's employ for a year and a half.

Mrs. Lewis, a former commercial teacher, took Miss Bacon's place and filled it satisfactorily. She is well-liked by the student body, and we hope she will continue in this position. She always has a smile for everyone, no matter what the day or the weather. The student body wish to thank her for her help in the office.

## GIRLS' GLEE CLUB

THE fall season opened with 39 members in the Girls' Glee Club. The officers were elected soon after.

The first appearance the girls made was singing carols at the Warrensville Sanitarium.

Soon after, with the aid of the Boys' Glee, they started on the operetta, "Melinka of Astrakan," it proving a great success.

The last place for the girls to sing was at commencement.

## GIRLS' ATHLETIC ASSOCIATION

THE Girls' Athletic Association was started in 1933, as a group of girls, who would manage the Girls' Sports and try to bring about a better interest in sports as a whole.

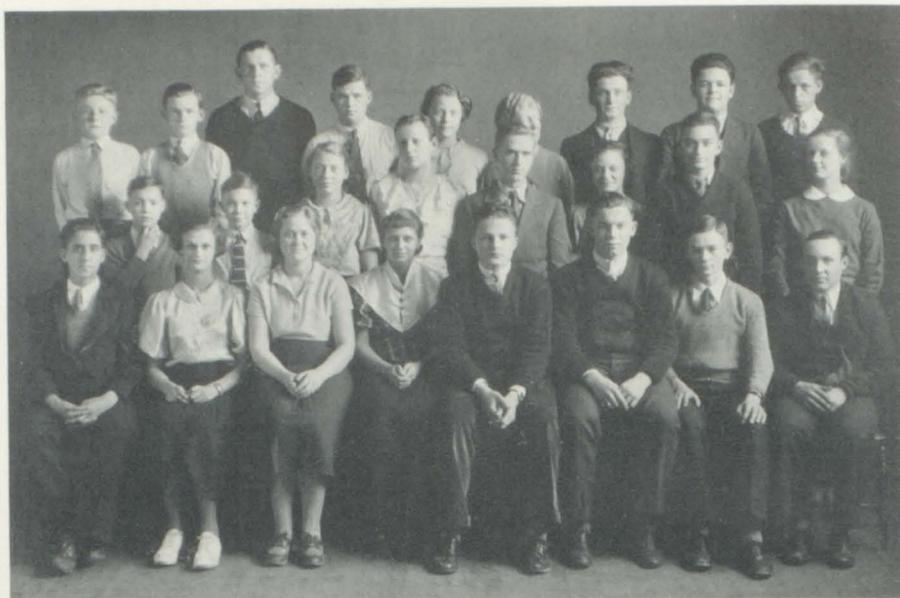

The members, of which there are fifteen, were allowed to join as soon as they received their seals.

The officers of the club for 1933-34 are as follows:

LUCRETIA SHIPPEY -----*President*  
BETTY MOODY -----*Secretary*  
NELLIE KULSCAR -----*Treasurer*

Each sport is taken care of by a certain girl and points are kept of the girls who take part in each sport. As soon as a girl receives 300 points she is allowed to join the association.

**F**ORT ASTRAKHAN is placed in command of Melinka, daughter of General Ivanoff, and her aides Vaska and Waska, following a wager with her father that women can manage and defend the fort as well as men. If she succeeds, she is to receive a trip to America; but if she fails, she must marry Captain Michael.

General Ivanoff supposedly leaves for Moscow with Sophia, the aviatrix. Corporal Ivan is also in love with Melinka, but is spurned by her. Gordon King, a salesman from United States, appears at the fort and presses his attention. Bobo, a radical Bolshevik, wants to destroy everything and almost succeeds.

The entrance on the scene of Mary Strongfort, King's sister, and two salesmen, A. B. Cohen and Chin Chin, causes a lot of confusion but everything turns out all right in the end.

The grand finale brings a landslide of proposals and acceptances. Corporal Ivan and Mary, Gordon and Melinka, Captain Michael and Sophia, and also General Ivanoff and Dean Campbell. A. B. Cohen and Chin Chin do not secure an order but they gain valuable experience.

## HI-Y CLUB

AT the beginning of the school year the club had only seven members. The first few meetings were devoted to the election of new members. At a later meeting the club elected Rev. Mitchell as our spiritual advisor. At that time he gave a very interesting talk.

As usual the club had its Round Table activities which, we hope, were helpful to some of the boys.

## GOLF CLUB

WITH Mr. Zuber acting as supervisor, the Golf Club began its second year at Chagrin Hi.

The group of 26 students chose David Sawyer, president; Arthur Wells, vice president; and Richard Crotty as secretary-treasurer.

The first meetings were devoted to the learning of the rules, and various strokes. Professionals from nearby courses visited the club and aided the members in their playing.

Mr. Zuber is offering a cup for the winner of competitive play among the club members. The winner of the cup for 3 years in succession is to be given the cup for himself. This will create plenty of competition during the golfing season.

Plans were made for the formation of a Golf Team to play with teams from other schools. Chagrin will enter the league of students that Mr. Sigler, professional at Grantwood Golf Course, has started.

## ECHO

SOON after school had started this year a group of high school students met and decided to publish the *Echo*. With some of the staff of the previous year to explain some of the technicalities, they edited their first paper. Editors were chosen for various lengths of time, and an attempt was made to give each one a chance to edit the paper.

In spite of the fact that the members of the staff received no scholastic credits for their work, they feel they have learned a great deal about writing.

They wish to take this opportunity to thank Miss Lehti for the time that she has devoted to the paper.

The first meeting of the year was held at "The Rocks." This was a get-together for all old members and a welcome to new ones. Around fifteen new girls were entered on the club roll call.

## DEBATE CLUB

THE Debate Club this year was composed of eight members. On the Affirmative side were George Ober, Raymond Dellner, Norma Sheer, and Jane Riddle. On the negative side were David Sawyer, Bernard Duffey, Fred Parmelee, and Mary Catherine Fast.

The first debate of the year was at Solon. There, our Affirmative team was defeated by Mayfield's Negative team. The second debate was held at Orange. At Orange, Chagrin's Negative triumphed over the Mayfield Affirmative team.

The last debate of the year was a dual debate. That is, Chagrin's Affirmative team debated the Orange Negative team at Orange, while at the same time Chagrin's Negative debated the Orange Affirmative team at Chagrin. These debates were non-decision debates and were of the open forum type.

The team also held a debate before the student body at a Chapel program. This debate was also a non-decision debate.

The subject for this year was: Resolved, that the United States should adopt the British System of broadcast control.

## A. A. BOARD

THE Athletic Association Board this year was composed of Mr. Zuber, Mr. Sands, Mr. Gurney and two student representatives, Lillian Stenman and James Wrentmore. Mr. Lewis acted as treasurer and bookkeeper.

At the begining of the year, we owed debts to many different firms. At the close of our school term, we are practically out of debt. This is conclusive evidence that quite a lot has been accomplished by the board this year.

As a result of good attendance at all of our football games, we were able to pay for all the new uniforms and footballs that were purchased at the beginning of the season. We sponsored a few dances and one play "Uncle Tom's Cabin" which aided a great deal in closing out all of our outstanding bills.

## FOOTBALL GAMES

Mentor 13—Chagrin 0

CHAGRIN opened the season at Mentor. The Orange and Black were defeated only after a bitter struggle by a much stronger and larger team. Art Wells, Chagrin's new quarterback, certainly showed his ability to play football.

Brecksville 12—Chagrin 6

The first County game as well as our first home game ended in a defeat. Highlights of the game were the 50 yard run by Nundorf and the 83 yard run of Rengle, both resulting in scores for Brecksville. A pass, Wells to Robinson, scored for Chagrin.

Chagrin 2—John Adams 0

The two teams were very evenly matched. John Adams was forced to make a safety early in the game, giving Chagrin her only score. Wells was the Chagrin star in this game.

Independence 7—Chagrin 6

Dad's Day at Chagrin. Chagrin outplayed Independence in all but the last minutes of the game. The game was the second consecutive victory for Independence over Chagrin.

Chagrin 7—Orange 6

Chagrin did not get started until the third quarter. From then on it was Chagrin's game not only in scoring but also in actual playing.

Mayfield 19—Chagrin 0

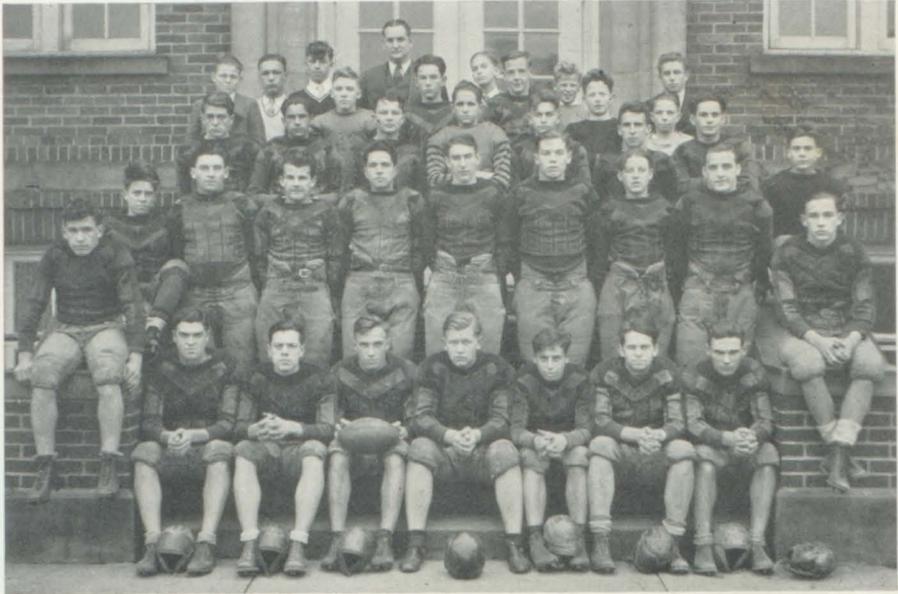

Mayfield was held scoreless during the first period, but scored in the second and last period. They made 13 points in the last period to give them their victory. Last year Mayfield came out on top, also, this making their second straight victory over Chagrin.

Hudson High School 0—Chagrin 7

Hudson refused to try to gain ground and punted continually. Bottomy scored Chagrin's touchdown with Venchiarutti making the extra point. The game was played in about four inches of snow. Western Reserve Academy 0—Chagrin 0.

This was the third meeting with the Academy. The series of games has resulted in one victory for the Orange and Black and two ties—14-14 and 0-0. This was the last game for the seniors and they certainly played their best.

COACH GURNEY.

Coach has completed his eighth season as football coach at Chagrin. The members of the squad who are leaving wish Coach and C. H. S. greater success next year and in the following seasons.

Coach Gurney started practice September 5, 1933. There were 25 boys, including seven lettermen, on hand to open the practice. By the time school opened there were 33 members on the squad. The seven lettermen who began the season's practice were: Robinson, End; Ker-mode, Fullback; Edic and Reitz, Guards; Wrentmore, Center; Wilber, Tackle; and Bottomy, Quarterback.

NORMAN EDIC—"Norm"—Tackle.

Norman is a two year letterman playing tackle for both years. He is a consistent and steady player, making many tackles behind the opponents' line for losses. His playing is going to be missed next year.

WALTER REITZ—"Pete"—Guard—  
—Captain.

"Pete" rightfully earned the title of honorary captain this year. He played one of the hardest positions on the team, and played it in fine shape. He is a two year letterman, and his position will be a hard one to fill. In every game he played, his fighting spirit dominated. His spirit and also his ability to get through and down his man were outstanding. It took a mighty hard and furious opponent to make any headway through "Pete's" side of the line.

HENRY VENCHIARUTTI—"Hank"  
—Halfback.

"Hank" is a one year man. He could be depended upon to hit the line and slide through for many yards. He was slow getting started, but later found his stride and stayed there. The team of "34" will certainly miss him.

RICHARD ROBINSON — "Dick"—  
End.

"Dick" is the only graduate who is a four year letterman. He played guard on the 1930 Championship team. As a center in 1931 he was elected to the "All County" team. In 1932 he played as end and later in the backfield. During his senior year he played end, and was a good pass receiver. His size and fight will be a great loss to the coming team. He received honorable mention for "All Scholastic."

JAMES WRENTMORE — "Jim"—  
Center.

"Jim" held down the center position for two full seasons. He showed plenty of fight in opening the line. His ability as a center will be mighty hard to replace. He is a two year letterman. He was honored by receiving honorable mention for "All County."

RICHARD CROTTY—Manager.

"Dick" picked out his manager squad from the underclassmen and proceeded to give his best efforts and his time to the squad. His helpers were Douglas Ruch, Raymond Brown, Hubert Marti, and Harvey Rosen-green.

ARTHUR WELLS—"Art".

Art's first and only year on the squad was a success. He was a great ball carrier and could be counted on for long gains. Art graduates this year, and it is going to be hard to find a backfield man as scrappy as he to fill the gap he will leave. He surely earned his letter.

# ZENITH

---

NELSON WAIT—"Jake"—Tackle.

"Jake" has been on the squad for two years. During the first year he did not play enough to get his letter, but this year he played in every game and showed he had the proper spirit. He should be a big help in holding the line next year.

CLOYD PEALER—"Pee-wee"—Half-back.

Pealer has been a member of the squad for two years, earning his letter in the second. He is a good blocker as well as a punter. His ability should be an asset to the coming team.

PERCY COBBLEDICK — "Perce"—Guard.

Percy has been on the squad for two years, stepping into a regular position as guard. Percy is a good blocker. He has another year, and he should be a big help to the 1934 squad.

PAUL BOTTOMY—Quarterback.

Paul has already played two years and is only a sophomore. He is a very capable quarterback and should prove one of the best Chagrin has ever had in the next two years.

WILBERT REITZ—"Bill"—Guard.

"Bill" has only been on the squad one season, but showed that he has the spirit of the game in him. He was a good blocker in running interference. He has one more year of football ahead of him, and his spirit and fight will be a great asset to the coming team.

JOHN WILBER—"Johnny"—Tackle.

"Johnny" is a three year man who has one more year ahead of him. Many things are expected from him in the coming year.

GLENN KERMODE—Fullback.

Glenn is a two year letterman; last year he played as tackle. He shifted into the backfield this year. He certainly showed plenty of fight and scrap during the games. His shoes are going to be hard to fill next year.

WILLIAM BENBOW—"Bimbo"—End.

"Bimbo" has only played one year, and, as he is only a sophomore, he has two more years ahead of him. He is a consistent tackler and pass receiver. He should be a big help next year.

SANFORD BRONDFIELD — "Si"—Tackle.

"Si" has been on the squad for two years, earning his letter during his Sophomore year. He has two more years of football ahead of him in which to accomplish a great deal.

## THE SUBSTITUTES.

The "subs" certainly deserve a great deal of credit, for they came to practice every night and gave the rest of the squad plenty of opposition in scrimmage. They made the team what it is by their efforts. Without a group of subs no team can be successful. The boys who sat on the bench all season and who practiced every night will be the next year's team.

# BASKETBALL

---

# ZENITH

---

COACH GURNEY began the basketball season with an entirely new team. Playing as the B-Team last year the squad went through the season undefeated by any high school team in the county. Dick Robinson was the only letterman to come back to the squad. He played on the varsity two seasons ago.

A new idea was tried out this year to give the teams an even chance on the different sized floors at home and away from home. Each county game was played twice, at home and away from home. This not only gives the teams an even chance but makes us a better schedule.

## CHAGRIN FALLS HIGH SCHOOL BASKETBALL, 1933-1934 A Team

THE A team was composed of three Seniors, four Juniors and one Sophomore. The team was not inexperienced, having played in the county league as the B team last year. The team won seven and lost seven of their games, scoring 293 points to their opponents 271 points. Pealer led the scoring with 74 of the team's points.

## CHAGRIN FALLS HIGH SCHOOL BASKETBALL, 1933-1934 B Team

THERE were about fifteen fellows on the B team this season. The squad should give some very good players to the A team next year. McCaa and Cobbledick lead the scoring for the B team with 47 points each. Art Wells was third with 41 points.

The team won six and lost eight of the games of the season. The total number of points scored by Chagrin was 217 as against the opponents 236.

The squad will be practically intact next season as Art Wells, who was a very good player, is the only one to leave the squad.

NORMAN EDIC—*Guard*:

Norm certainly earned his letter this season by his excellent playing. It was his first and only season on the A team. The gap left by his graduation is going to be mighty hard to fill.

RICHARD ROBINSON — *Guard-Center-Captain*:

Dick was the only letter man to return to the squad. He has been a letterman for three years. Dick was elected captain by the squad and he certainly deserved it by his fine playing. His fine work will certainly be missed by next year's squad.

EDWARD SPRAGUE—*Center*:

Eddie is another Senior who played his first year on the team. Eddie could certainly cover his man. Coach will have a mighty hard time to fill his place.

PAUL BOTTOMY—*Guard*:

Paul has two more years of basketball ahead of him. His excellent playing was a great help to the squad. He will be a great help to the coming squads.

OLIVER RICHARDSON—

*Forward*:

Snooky played on the B team last year and he certainly showed that he could play basketball. This year he was one of the leading scorers on the squad. He is a one year letterman. It will be mighty hard for anybody to fill his shoes and to play as fine a game of basketball as he did.

CLOYD PEALER—*Forward*:

Cloyd is a Junior and has one more year of basketball ahead of him. He earned his first letter as a Junior. Cloyd will be a great asset to the coming team. He led the scoring for the season with a total of seventy points.

VERNON GIFFORD—*Forward*:

Vernon played on the B team last year and certainly received plenty of experience. He is a Junior and has one more year of basketball ahead of him. He will be a great help to the coming team.

RICHARD CROTTY—*Mgr.*

Dick picked out several very good assistants in Robert Hodson, Hubert Marti and Bernard Duffy.

## TRACK 1934

About 45 boys reported for the first practice of the Track season of 1934. At first practice was held in the high school gym due to cold weather.

At the C. A. C. meet held in the Cleveland Public Auditorium on March 27, Franklin Stoneman won second place in the 50 yard dash, William Benbow, 4th in the high hurdles, Richard Robinson tied for 4th in the shot put, George Ober tied for 2nd place in the high jump.

Chagrín won the annual triangular meet with Mayfield and Orange. Our Junior High team won the Junior high cup the same day. Chagrín now has permanent possession of the trophy, having won it three times, Mayfield twice, and Orange once.

At the Mentor Relays, May 5, 1934, in which the Class "B" schools of the district participated, Chagrín was well represented by Richard Veltman who finished in second place in the High Jump, Norvil Hill, fourth place in the Pole Vault, Richard Veltman fifth in the Broad Jump. Chagrín finished fourth in the 440 relay (Pealer, Bottomy, Benbow, Stoneman). In the mile relay Chagrín finished third.

## THE GOLF TEAM

THIS year the school entered a team in the Grantwood Scholastic League. This league is composed of eight schools in the Cleveland Golf District. These schools are of various size and had different rankings.

Chagrín, one of the smallest schools entered, finished the season with one victory and four defeats. Although this seems a rather poor average, the team from Chagrín was playing schools that were much larger than they. Chagrín scored 34 points before its last match with Garfield Heights. This last match was played too late to be written in the Zenith. The scorers for Chagrín were Dave Sawyer with 16 points, Dick Crotty with 15 points, Norm Edic with two points, and Jim Wrentmore with one point.

The Chagrín victory came as an upset. Chagrín was picked to be defeated by Aurora, but the Chagrín boys turned the tables and won 17 to 15.

At the end of the school season, the boys played a match to decide the winners of the trophies presented by Mr. Zuber and Mr. L. F. Harris.

## THE JUNIOR PLAY

FOR the Junior play this year the class of "35" selected "Watch Your Step," a three act mystery farce. It was presented April 27th with great success. Miss Nunvar directed the production and Ruth Matthews was the business manager.

The play takes place in a deserted sanitarium in the middle of the winter. A detective, disguised as a poet, with his friend, a true man about town, and his valet comes to the sanitarium in search of two desperate jewel thieves. Three girls also go there to try and scare the man about town into marrying one of them. Then the jewel thieves appear and so does their erstwhile feminine accomplice, who is determined to save the rest from the clutches of the thieves.

From this beginning a hair-raising and funny bone-tickling plot unravels. In the end, the jewel snatchers are caught, but so are the detective and his friend because they fall in love.

The players were:

Fairfax Kerry— <i>an extremely modern poet</i>	.....	Douglas Scott
Phil Van Buskirk— <i>a heart broken young clubman</i>	.....	George Ober
Jerry— <i>Kerry's Cockney man servant</i>	.....	Bernard Duffey
Hillside Annie— <i>half-crazed caretaker of the sanitarium</i>	.....	Betty Walker
Phyllis Mortimer— <i>a society vamp</i>	.....	Frances Fosdick
Carolyn Verdeen— <i>a very modern and cynical woman</i>	.....	Janet Kent
Nifty Garrett— <i>an internationally known crook</i>	.....	Arthur Bates
Numb Burke— <i>his henchman</i>	.....	Nelson Wait
Lucy— <i>a woman with a past</i>	.....	Marcella Johnson

## SENIOR PLAYS

THE annual presentation of the senior class of Chagrin Falls High School was given on February 21st. They presented three one-act plays under the direction of Miss Nunvar.

The titles of the plays showed a great variety of dramatics. A comedy, "Grandma Pulls The String;" a character play, "Early Frost;" and a mystery playlet, "A Dispatch Goes Home" completed the evening performances.

### "Grandma Pulls the String:"

Grandma Blessington	-----	Frances Stroud
Mrs. Cummings (her daughter)	-----	Harriet Brown
Hildegarde Cummings	-----	Martha Greed
Julia Cummings	-----	Nellie Huggett
Nona Cummings Beaver	-----	Laurene Green
William Thornton	-----	Robert Hunt

Mrs. Cummings is the mother of the three young ladies. The oldest daughter, Nona, is married while Julia, the next oldest, is very much in love with a certain young gentleman by the name of Bill Thornton. Young sister, Hildegarde, and grandma, Mrs. Blessington, are certain that Bill is going to propose to Julia on a certain evening. They felt that it must be done in the right way. The evening is filled with many embarrassing moments for Julia and Bill, but rather amusing to the onlookers. In the end, Grandma manages to "pull the string."

### "Early Frost"

Amy	-----	Dorothy Baird
Ira	-----	Howard Baldwin
Lillie	-----	Betty Moody

Most of us who live in the cities and towns little realize the great tragedy of an early frost, but to Lillie and Ira it meant the education of their daughter, Amy.

This play shows how nature, in a few hours, can either make or break a person. The struggles of human beings against the great forces of nature, are brought out in this character presentation.

### "A Dispatch Goes Home"

Sir Percival Whittersby	-----	David Sawyer
Lady Lydia Whittersby	-----	Dorothy Greenaway
Ahmed	-----	Hubert Bezdek
Traveler	-----	James Wrentmore

This playlet contained murder, mystery, and mirth. Sir Percival is a representative of the British Empire, and with Lady Lydia, has taken a temporary residence outside El Fezid.

There have been numerous murders around El Fezid, including the murder of a bank messenger, but Sir Percival and Lady Lydia feel safe because, Ahmed, their servant and trusted follower of the powerful Sheik Ibrahim, is guarding them.

That evening, a traveler comes to Sir Whittersby's home and begs food and rest; later he is permitted to enter. As it so happens, the traveler turns out to be a detective and Lady Lydia and her husband are saved from death. Ahmed, the trusted servant, proves to be the murderer, and most plays end, the villain, Ahmed is caught.
