The Editor.

SENIORS

SENIOR CLASS HISTORY

The class of 1935, through its years of school from the first to the twelfth grade, has always occupied a distinguished place in the scholastic scene. Our members have excelled as students, athletes, actors, debaters, musicians, and artists.

The championship basketball team of 1935 counts among its stars four of our members. Also many seniors were on the football and track teams.

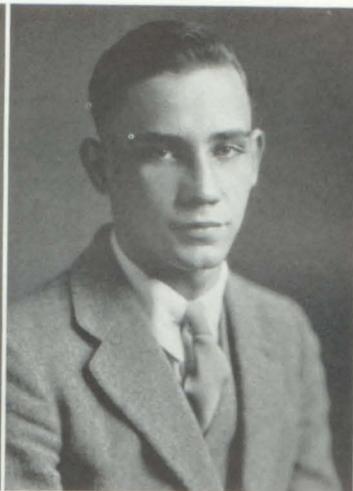

Our debut in dramatics came when as fourth graders several of our class had parts in the operetta. Since that time we have successfully presented senior and junior plays and have had leading parts in the operettas.

Although there was no interschool debate this year, in previous years our classmates have been among the mainstays of the debate team.

We only hope that through our extra-curricular activities and our high scholastic standing, we have been of service to our school and have set a high level to be maintained by future seniors.

JUNIOR CLASS HISTORY

The class of nineteen hundred and thirty-six, like so many other classes of Chagrin High, had its humble beginning under the tutorship of Miss Alice Russell and Mrs. Frances Bailey.

The first eight years were passed rather uneventfully with the addition and loss of several students. During the first two years of high school this class received honors for its athletic and scholastic progress. Now, as juniors, we find ourselves among the leaders in scholastic, athletic, dramatic, and musical events.

This class, when it leaves the school, will leave behind it more than mere memories of athletic and scholastic progress; it will leave behind many friendships and the memory of an unselfish, wholesome spirit.

THE SOPHOMORE CLASS HISTORY

Most of the "Class of '37" started on their twelve year journey under the guidance of Miss Pugsley and Mrs. Bailey.

Each year either a new face becomes familiar in our midst, or an old member quietly drops out, but not to be forgotten. This year several joined us, and a few left us to finish their school career in new surroundings.

The sophomore class was grieved at the loss of a dear classmate and friend, Glenn Hern, who met with a fatal accident Feb. 4, 1935. Glenn had been with most of us from the first grade. He was a loyal member of the class and shall never be erased from our memories.

As the seniors of last year left the various clubs, football field, basketball floor, and other outside activities, the sophomores of this year filled most of the positions. Not all the sophomores are new members to the clubs and squads, but they are ascending higher each year, patiently waiting to assume the title of "Dignified Seniors."

You will all hear more of the "Class of '37" in years to follow, so stop! look! and listen!

CAROL'S HUSBAND FEW MONTHS BEFORE

FRESHMAN CLASS HISTORY

Our class progressed through the first six grades successfully and then entered junior high school. There, several of our classmates started to contribute their part to the orchestra, Echo Staff, Girls' Athletic Association, and the Boy and Girl Scout Organizations. But not much notice was taken of us until we entered senior high school as freshmen.

We organized early in the year and elected officers. We chose as our class motto "To the stars through difficulties." Our class colors are royal blue and gold, and our flower is the white rose.

Like every class we have our scholars, our athletes, and our musicians. We hope our ambitions and enthusiasm will accomplish something great for the glory of Chagrin "Hi." H. J. C. '38

EIGHTH GRADE

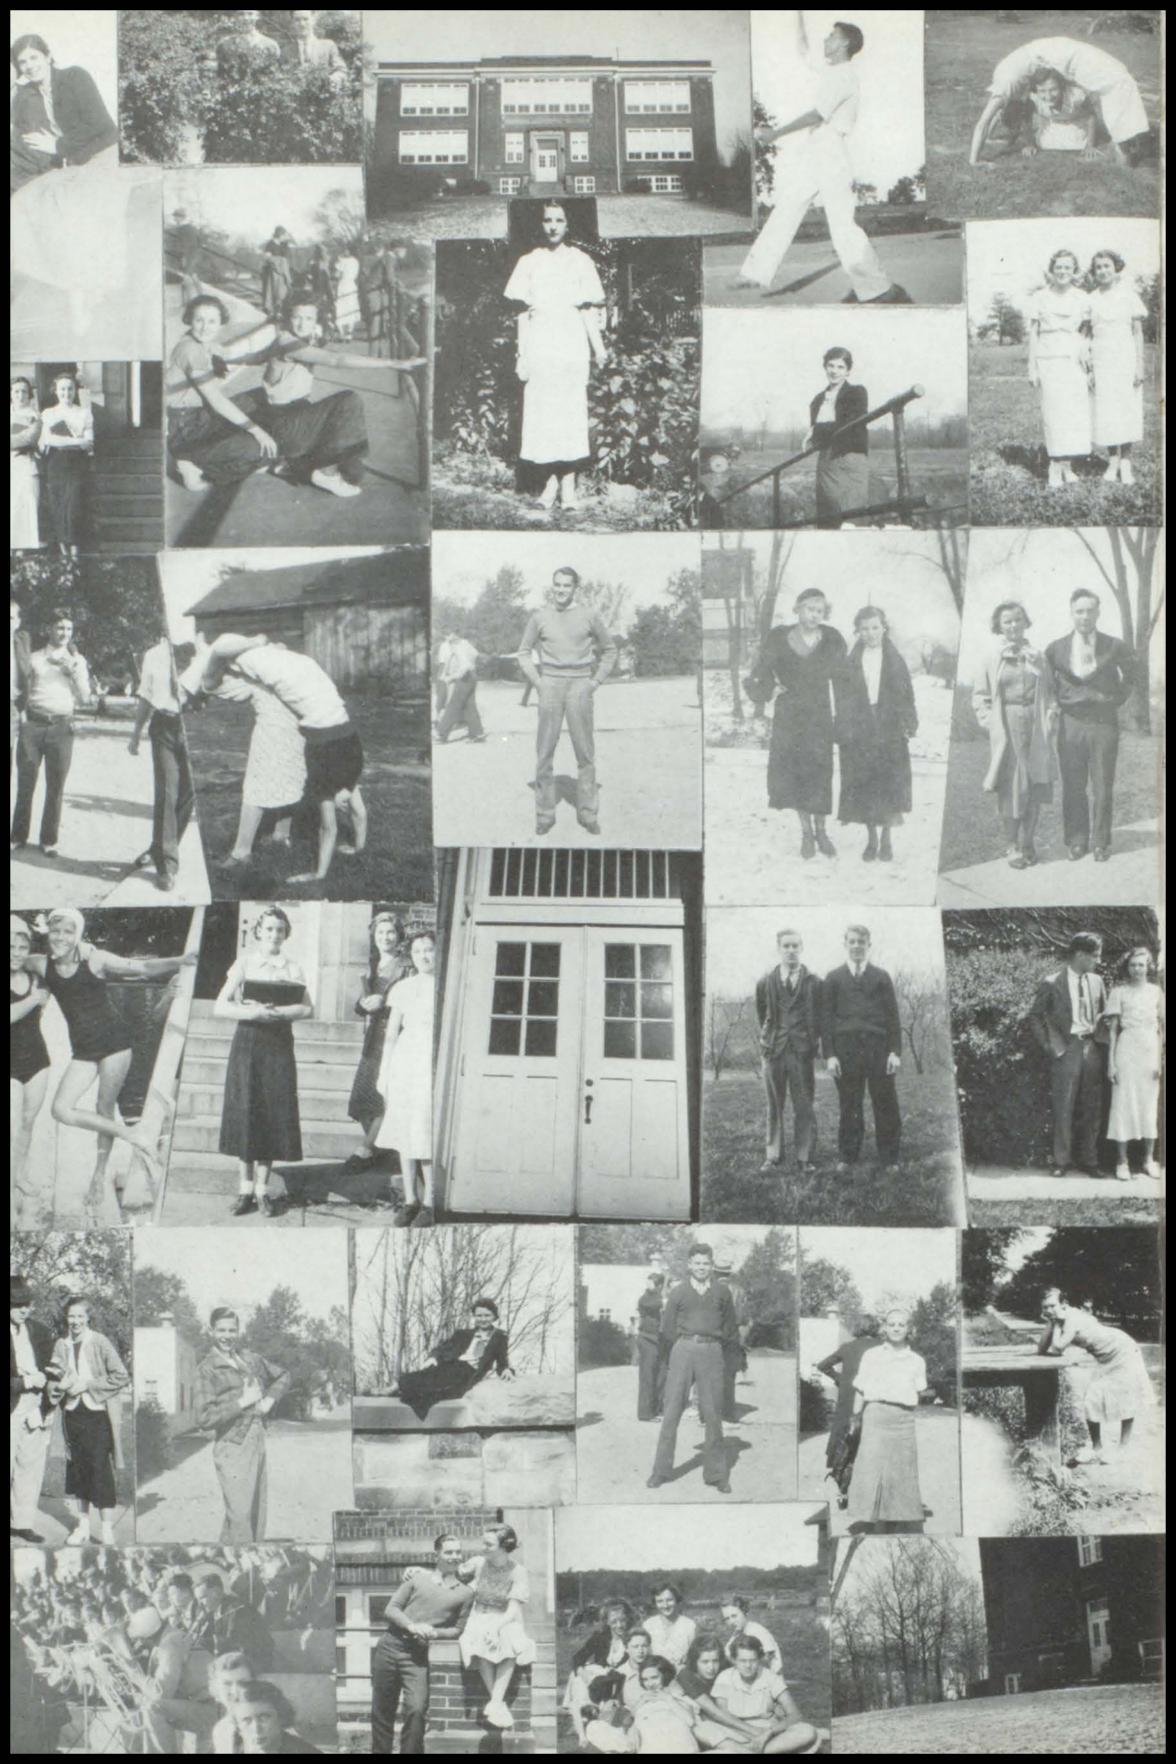

Sixty-eight members make this eighth grade one of the largest eighth grades in the history of the school. This class entertained the entire student body in a chapel program last fall with a short play entitled "The Hick Honeymoon."

SEVENTH GRADE

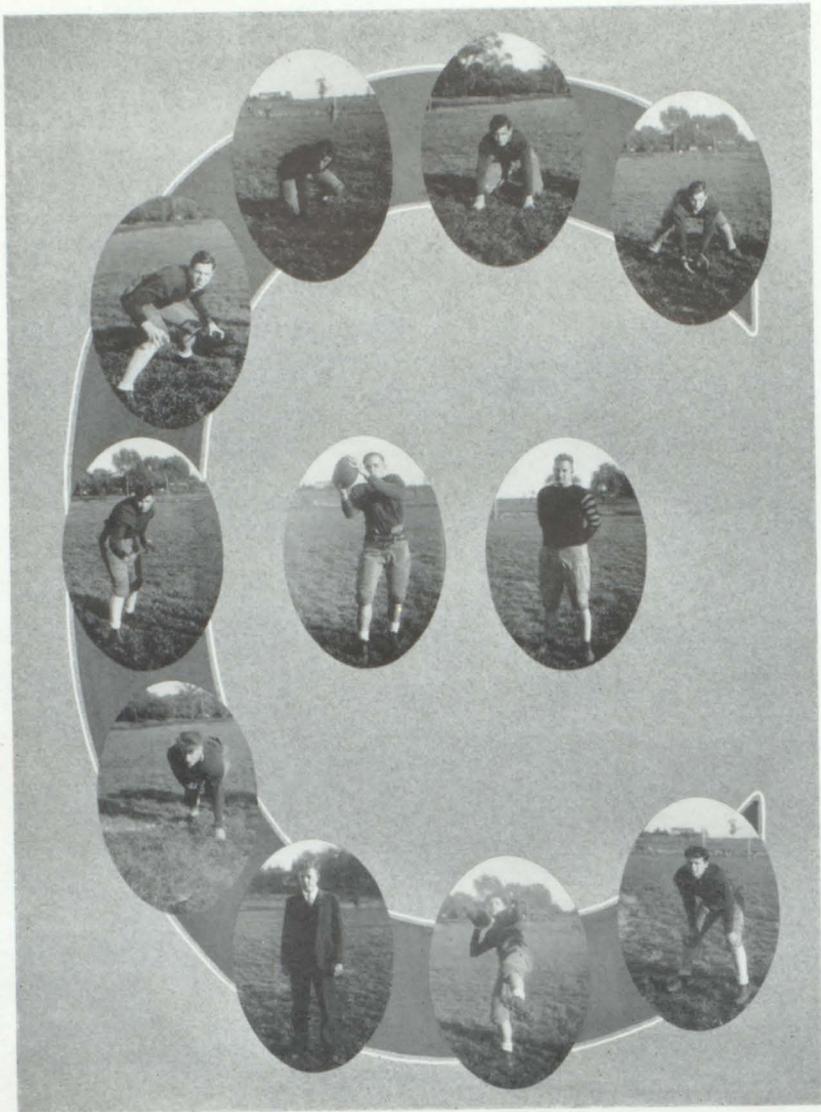

The seventh graders are the newest addition to our student body. Although they have not yet become completely adjusted to high school life, they have shown much promise and should develop into a superior group.

JOHN WILBER—“Johnny”—Center

“Johnny” had the misfortune to receive an injury to his leg early in the season but was scrappy enough to return to the lineup and fill his position nobly. He is the only four-year man graduating and will be missed greatly by next year’s team.

WILBERT REITZ—“Bill”—Tackle

“Bill” is a two-year man and a mighty good one at that. He could really get behind the line and throw the opposing backs for a loss. Although forbidden to play the Orange game due to an injury received at Independence, he continued the rest of the year. Because of his wonderful ability and scrap, his shoes will be hard to fill next year.

DOUGLAS RUCH—“Doug”—Senior Manager.

On an athletic team there is always someone who must receive orders from the coach and give them to busy assistants. A lot depends upon this between man. He must see that the footballs are in shape, that the field is lined correctly, that someone carries the water bucket, and that duties of this type are carried out. This year we were assured that in Doug Ruch Chagrín had a very capable man at the head of its managerial staff.

PERCY COBBLEDICK — “Perce”—Guard

“Perce” has been on the squad for three years and has received his letter for the second time. Although Percy received a broken nose, he carried on. His ability to hold that line will be greatly missed by the next year’s eleven.

CLOYD PEALER—“Peewee”—Half-back

Cloyd was a three letter man and did a great job in his halfback post. He did all the punting, his never-say-die spirit was an example for the younger players. At the end of the year he was elected honorary captain by the members of the squad.

JAMES CATHAN—“Jim”—Tackle

“Jim” is a one-year man. His lack of experience handicapped him at the beginning, but he was soon capable of filling his position, or any other position on the line like a veteran. Jim’s weight and determination will be missed next year.

COACH GURNEY

Starting his ninth year at Chagrín, Coach called the first practice for September 4. He is a man who would sacrifice everything for his team. Being handicapped by several injuries, the team’s results made the football year appear useless, but Coach continued to instill into them that “never-say-die” spirit and clean sportsmanship. He stuck by the team to the end. We that are leaving feel a deep regret in our hearts and leave Coach and his future teams “Good luck and best wishes.”

WILLIAM GREEN — “Bill”—Half-back

“Bill” is a letter man for the first time this year. He was well on the road to success when he received a severe injury to his spine, which injury slowed him down for quite a while, but he was soon back in the harness and ready to go. His loyalty and plucky spirit will be missed when the reins are tightened up next year.

NELSON WAIT—"Jake"—Tackle

"Jake" was just getting a good start this season when he was advised to retire due to injuries to his legs. Jake is a two-year letter man and will be a loss to next year's team.

SANFORD BRONFIELD — "Si" — Tackle

"Si" received his letter for the second time. On the line Si could be depended upon to take out his man and was "plenty" fast at getting through and blocking punts. He was also down on many a safety man receiving a punt, and when he hit 'em he hit hard. His fighting spirit should be a great help to next year's team.

ELDON NOBLE—Guard

At the beginning of the season Eldon was, as you'd say in athletic terms, a green man, but he took orders like a veteran and before the season was far advanced he showed improvement. His determination to work increased his experience, and by the end of the season it was found that his "never-say-die" spirit would be missed by next year's eleven.

DANIEL McFARLAND — "Dan"—End.

"Dan" was handicapped a little because of inexperience and lack of weight, but he was always in the game and fighting. He worked hard, and no matter how hard the work seemed, he never gave up. "Dan" is a junior this year, so we can look forward to his playing a tough "end" for Chagrin next year.

PAUL BOTTOMY—Halfback

Paul is a three-year man. Although he did not start the season because of an injured knee, he was soon in the harness and working as hard as ever. Paul was a good passer and could be counted upon for a gain around end at any time. His experience and ability will be a great help to next year's team.

WILLIAM BENBOW—"Bill"—End

"Bill" started the season as fullback but soon found that, although he was a good man for hitting the line, he belonged on the end where he starred last year. It wasn't long before he was in his old stride again and going strong. Bill earned his letter for the second time this year. He will be a great asset to next year's team.

FRANKLIN STONEMAN—End

Although this was "Frank's" first year on the varsity, he showed real stuff. He was always down under punts, and Brecksville and Independence will remember that they have to step to leave him behind. He was a good pass receiver as well as blocker. He will be a valuable asset to the squad next year.

FOWLER NOBLE — "Blizz" — Halfback

"Blizz" who has earned his letter for the first time, is a junior this year. He was a man that could be called on to hit the line at any time. He was also an excellent pass receiver. "Blizz" was a cool player but also a very scrappy one. His "never-say-die" spirit should help carry the team to success next year.

ZENITH

ROY BLACK—*Tackle*

Although this was his first year of football, it didn't seem to hold Roy back. He was working hard from the beginning to the end. Before long he was in the lineup and scrapping like a veteran. His spirit and initiative should be a great help to next year's squad.

NORVEL HILL—*Fullback*

People attending the Brecksville game will well remember Norvel because of the long run he made in the second half. He was "relief" punter and could be called on at any time to take the job. He was also a good man to "buck" the line. He should be a great help in the coming year.

ROBERT ALLSHOUSE — "*Red*" — *Halfback*

"Red" was another new man to earn his letter as a freshman. He was fast and could go around the ends or hit the line. He played safety man on defense, and was a man that could really bring back punts. His plucky spirit which matches his red hair should help the Chagrin eleven to success in the years he has ahead of him.

SUBS

A football team is not any better than its substitutes. The fellows that work hard every night and take the bumps are the real basis of a good team. As this year's subs are usually next year's regulars, we can feel assured that next year's team will have the fight and spirit that make a successful team. We wish to express our appreciation of the spirit and

loyalty shown by Charles Carpenter, Andrew Eloff, Monty Fisher, Paul Foster, Edward Hammon, Donald Lambert, Thomas McDermott, Charles Ramsey, Ronald Shutts, Donald Wrentmore, and William Stanton.

GEORGE ROWE—*Center*

George, being a sophomore this year, was handicapped by inexperience, but when he got started he really carried the mail. He showed Brecksville a few lessons in centering they won't forget. He should be a great asset to the future teams at Chagrin.

RAYMOND WANTZ—"*Ray*"—*Tackle*

"Ray" is a junior this year who has really earned his letter. There is always a time when a scrappy player is needed, and at such a time Ray could always be called upon. He showed scrap and courage right up to the end. His loyalty and dependability should help to carry Chagrin's colors on top next year.

HAMILTON DAVIS — "*Ham*" — *Tackle*

"Ham" was a new man this year, but he was soon acquainted and fitted in well with the players as well as with his classmates. He was a steady player and cool-headed; but when he tackled, somebody was sure to know it. He kept the opposing team worried; after they had tried him a few times, they decided to move around him if possible. His consistent playing and good sportsmanship should be a great help to the next year's team.

BASKETBALL RESUME

When Coach Gurney made the call for basketball players this year about thirty-five men turned out. When the squad was picked there were about sixteen players left and these were to represent Chagrin throughout the year. They started the season with a "bang" by beating Brecksville 21 to 15.

Things looked rather dark when we took the second defeat of the year from Solon. However, the team found new life and walloped N. Royalton on their own floor, and then coasted through the season by beating Independence and Orange.

In his years at Chagrin, Coach Gurney has turned out many good teams, tying for first place several times and other years taking second place. This is the second championship basketball team. The first was in 1931.

A banquet was given by the mothers showing their appreciation of the team's good work. Mr. L. F. Harris gave the team gold basketballs and Mr. Bohner presented "Coach" with the championship cup which had the names of the A-team engraved on it.

All in all it was a very successful year and we wish Coach and his future teams all the luck in the world.

PAUL BOTTOMY—*Forward*

Paul played his second year on the varsity and did very nobly. He could always be counted on to do his part and never failed. He was a good shot and will be a great help to next year's team.

PERCY COBBLEDICK—*Guard*

Percy was a very consistent player. He was always playing hard, and opposing forwards found that he was not easy to get away from. He was very good on long shots as Independence and North Royalton will well remember. "Perce" will be missed a lot by next year's team.

BERNARD DUFFEY—*Senior Mgr.*

Work without glory is the lot of a manager, but Bernard bore up well and performed his varied duties without a grumble. He was really behind the team and contributed much to its success.

CLOYD PEALER—*Forward*

A basketball team cannot win a championship without scores and to Cloyd fell a large share of the burden. He responded by scoring 120 points and led the squad in scoring. Shooting from any angle of the floor and from any distance, Cloyd was a consistent crack shot. At the close of the basketball season Cloyd was chosen as forward on the All-Tournament Team. His scrappy play and timely shooting will be greatly missed when Coach Gurney begins molding his next year's team.

COACH T. C. GURNEY

Coach Gurney has coached athletic teams at Chagrin for many years. He always has a friendly and helpful relationship with his "boys", and they in turn admire him.

If this year's squad has gained some measure of success and fame, much of the credit is due Coach Gurney—a great basketball mentor.

VERNON GIFFORD—*Guard*

Vernon was elected honorary captain for the season. He was an excellent guard, and his work at the "pivot" position couldn't be excelled. He was very cool-headed but always ready to go into action. Next year's team will feel a heavy loss as players like Vernon are hard to find.

GEORGE OBER—*Center*

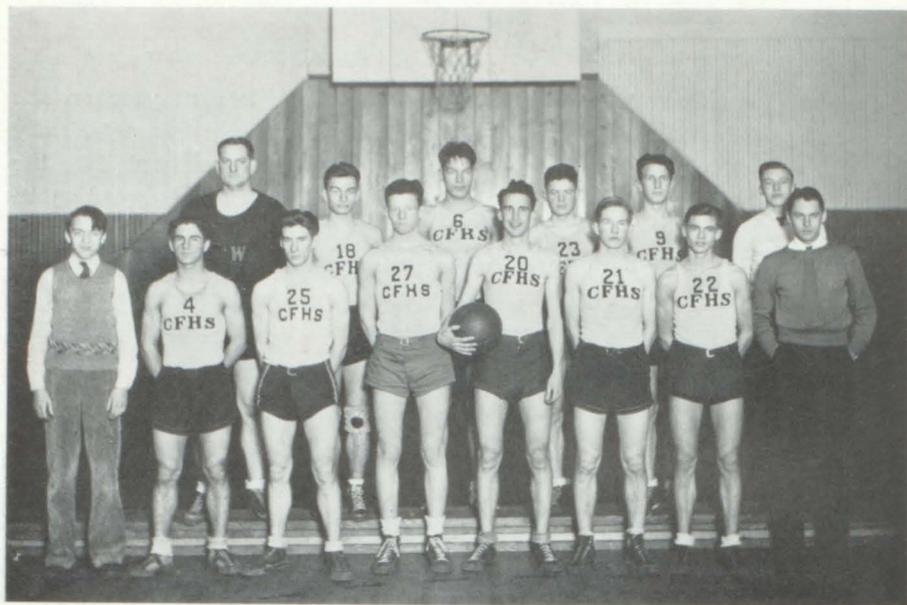

Playing his first year on the varsity, George hit his stride early in the season, and kept it to the finish. He was a very good guard on defense and worked well with the team on offense. He will be greatly missed when the call is answered next year.

NORMAN McCAA—*Forward*

"Shorty" was a sort of utility man playing either forward and playing it well. He could always be called upon and depended upon in the time of need. He should help the team a great deal in winning another championship.

Back Row: Coach Gurney, Hill, Raikula, Allshouse, McFarland, Mgr. Foster.
Front Row: Mgr. Ettinger, Noble, Green, Davis, Scott, Wrentmore, Hammon, Mgr. Hodgson.

B TEAM

The B-team upheld the record of previous years by coasting through the season undefeated. Although they lost three games to teams outside of the league, and by far their superiors, they always put up a good fight. The B-team usually is the basis of the following year's A-team. We can therefore count on a lot from them next year and wish them the best of luck.

GIRLS' GLEE CLUB

When the Girls' Glee Club of 1934-5 met for the first time this year, they elected Marjorie Langstaff, president; Rachael Church, secretary-treasurer; and Esther Schultz and Kathryn Fast, librarians. At the beginning of the year there were forty members, but, because of several resignations, the number diminished to about thirty-five.

The Club took part in the Christmas chapel and sang over the radio. The Girls', combined with the Boys' Glee Club, helped to make the operetta "And It Rained" a success. They expect also to sing at graduation as their last performance this year.

BOYS' GLEE

When the Boys' Glee, under the direction of Mrs. Fouts, met the first week of school, they elected Cloyd Pealer, president; Nelson Wait, secretary-treasurer; Chase Heene, first librarian; and Donald Wrentmore, second librarian.

They sang with the Girls' Glee at the Christmas chapel and, combined with the girls, helped make the operetta "And It Rained" a success. Raymond Dellner, Thomas Cathan, Cloyd Pealer, William Stanton, and David Wilmot had the leading boys' parts.

The Chagrin Falls High School Orchestra, under the direction of Mrs. Fouts and Mr. Freeman, has finished another successful year. The orchestra members wish to thank the directors for their efforts in making this past year an unusually beneficial one.

The orchestra consisted of twenty members; however it will lose five of its members in the senior class this year. They are as follows: Vernon Gifford, James Cathan, Janet Kent, John Wilbur, and Florence Seibert. J. K. '35

Standing: Lippert, Muggleton, Sawyer, G. Leininger, Mrs. Fouts. *Seated:* Cathan, Gifford, Seibert, Clemens, Parmelee, Wilson, Hubay, Stafffield, Kent, Church, Jones, Hill, Cathan, J. Leininger, Wrentmore, Wilbur.

ECHO STAFF

Early in September a group of students interested in the publication of the Echo met with Miss Neff for the purpose of organizing. Ruth Matthews was appointed editor for the first semester, with Frances Fosdick as her assistant.

The purpose of the Echo of 1934-35 was three-fold: first, to print news; secondly, to be a record of activities; thirdly, to create a friendly rivalry between the classes. The staff tried to its utmost to follow this aim, and in spite of the mistakes that they made, they feel that they have learned a great deal from their experiences.

At the beginning of the second semester, the staff reorganized, Frances Fosdick becoming editor, and Betty Ettinger assistant editor. At this time Rachael Church, Frederick Parmelee, David Wilmot, Harold Fast, and Dorothy Ann Flor resigned from the staff. Jean Wallace, Charles Hubay, Joe Lieninger, Nelson Wait, and Hilda Cathan joined the group then, to take up the duties of those who had resigned.

Credit is due Miss Neff for the time and interest she gave to the group as their faculty advisor.

*Second Row: Mr. Sands, Mr. Gurney, Mr. Baker.
First Row: Pealer, Benbow.*

A. A. BOARD

At the beginning of the year, as in previous years, the students elected two members from the student body to represent them on the A. A. Board. Mr. Sands, Mr. Gurney, and Mr. Baker were also members of the board. A Hallowe'en carnival and several dances were sponsored to raise funds to finance athletics.

The A. A. Board did well in clearing the way financially and has a good start for the coming season.

THESPIAN CLUB

A group of public speaking students interested in dramatics met one day early in September for the purpose of organizing a club. At this meeting the name "Thespian Club" was selected, and the officers, Vernon Johnson, president; Bernard Duffey, vice president; and Frances Fosdick, secretary-treasurer, were elected. It was decided that the purpose of the club was to be the study of drama. At the regular meetings held every two weeks, a group presented readings of various important one act plays. Following the presentation, the entire club discussed and criticised the play. In this way a great deal of knowledge was gained in an interesting manner.

The group sponsored the production of Oscar Wilde's popular play "The Importance of Being Earnest." Thus the public was able to see a sample of the club's work. F. O. F. '35

Back Row: Heene, Stanton, Hubay. *Second Row:* Hill, Wince, Miss Nunvar, Kent, Dellner, Ruch. *First Row:* Scott, Duffey, Johnson, Fosdick, Matthews.

THE GIRL RESERVES

The Girl Reserve Club of Chagrin Falls was organized in 1922 by Miss Hanna and this year was launched on its twelfth year of existence.

Outstanding among our meetings was a tea given in honor of Miss Eldridge, the new Y.W.C.A. secretary. This and many other interesting meetings constituted our program for this year.

HI-Y CLUB

This year the Hi-Y Club was completely reorganized, and a new constitution was drafted and adopted. This was published in last year's *Zenith*.

Mr. Kearney was asked to be faculty advisor for the school year 1934-35 and has filled this position very capably.

Many new members were initiated into the good times of the club by going on an overnight hike last June. The club went to Mr. Riddle's farm on the upper Chagrin River.

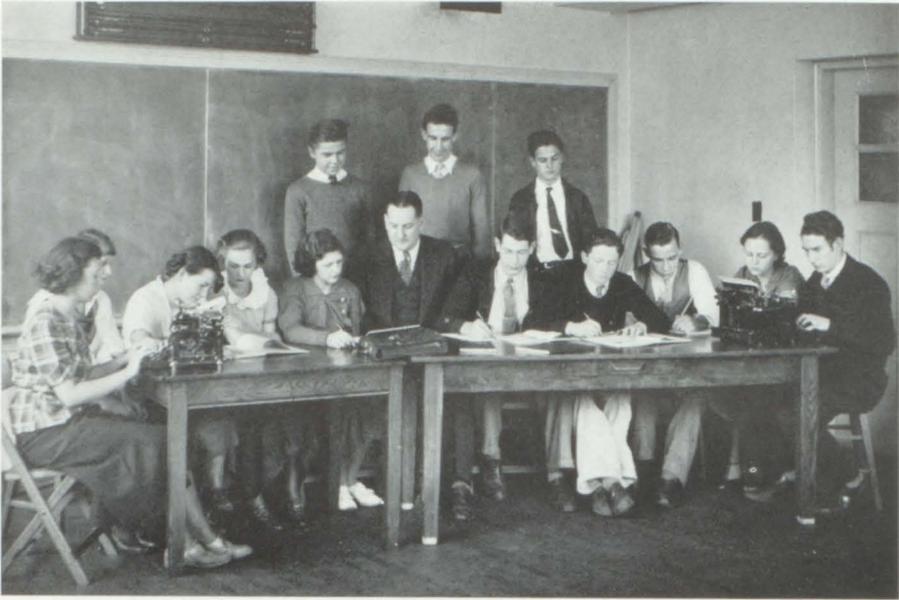

During the middle of the year the members received their new pins, which consisted of a triangular pin with the Hi-Y emblem on it, and a chain and guard connected to it.

New officers were elected to carry on the club. The old officers were G. Ober, C. Pealer, V. Gifford and J. Wilber. The new officers are R. Hodgson, president; P. Bottomy, vice president; C. Hubay, secretary; and D. Wilmot, treasurer.

The annual Hi-Y Sweetheart Banquet was very successful, and the dance held afterward was one of the best ever given in the school auditorium.

ZENITH STAFF

One of the first things a senior class thinks about is the publication of the Zenith. Early in the year the Class of '35 elected the staff, which you see above, to edit its Zenith.

The staff is greatly indebted to Mr. Gurney and Miss Nunvar for their constant help and advice.

The editor wishes to thank the staff and those who have cooperated with the staff for the diligence which they have shown.

"AND IT RAINED"

"And It Rained," a modern operetta in two acts, under the direction of Mrs. Fouts, was presented by the glee clubs and orchestra March 31 and April 1.

In a bad storm a bridge was washed out and the occupants of two trains are forced to take refuge in a newly opened hotel. The cosmopolitan group includes a touring glee club, a group of French dancers, and many interesting and varied personalities.

The genial proprietor does his best to entertain his forced guests, and in this theme a novel and appealing plot unfolds.

The 1935 operetta was a huge success from every point of view. Few people can remember a more delightful entertainment at Chagrin Falls High School.

SENIOR PLAY

"Dollars to Doughnuts," a farce in three acts, by Glenn Hughes, was presented December 5, 1934, by the Senior Class. The play portrays the amusing situation of the wealthy Boland family when both daughters come home, each with a suitor. Caroline's young man hates wealth so she persuades the family to get rid of the servants for the week-end and pretend to be poor. No sooner is this done, than Hortense comes with her prince and insists upon a show of style. The plot unfolds with many clever situations and ends happily for all.

The cast which presented it was:

Mrs. Boland, Betty Walker; James Boland, Bernard Duffey; Chester Boland, Vernon Johnson; Caroline Boland, Ruth Matthews; George Hobbes, Raymond Dellner; Helen Cory, Dorothy Wince; Flossie Hill, Janet Kent; The Reverend Samuel Piggott, George Ober; Hortense Boland, Marcella Johnson; Prince Sergei Danilov, Douglas Scott.

JUNIOR PLAY

This year the juniors selected "Would You Believe It?" a three act comedy, for their dramatic presentation. The play, presented on February 13, was a great success, both dramatically and financially. Miss Nunvar was the director, and Norma Sheer was the business manager.

The cast of characters included:

Mrs. Mary Davis, the grandmother, Betty Ettinger; Mrs. Elizabeth Barclay, her daughter, Rachel Church; Louise Barclay, granddaughter of Mrs. Davis, Mary K. Fast; Ted Barclay, grandson of Mrs. Davis, William Stanton; Uncle Rickard Barclay, Harris Squires; George Hill, a pal of Ted, Chase Heene; Pearl Wilson a chum of Louise, Nellie Kulscar; Christopher Glenn, a lawyer, Charles Hubay; Mrs. Malone, the housekeeper, Martha Cunningham; Nancy, a maid, Lucretia Shippey; Officer Jones, Tom Cathan.

D I A R Y

Dear Diary:

As this is my senior year, I shall confine the contents in you to school events. I hope this last year will prove to be an interesting one; so we may as well begin the schedule with the first day of school and find out.

Sept. 10—School opened and we had the first glimpse of the three new teachers in chapel; also Mr. Sands began his first day as principal.

Sept. 19—The Hi-Y had their first meeting.

Sept. 20—The Girl Reserves held a party for the new members. Sticky apples were among the prevalent features.

Sept. 21—Our four cheerleaders in new costumes led a pep meeting to start the season with the Mentor game.

Sept. 25—The seniors elected class officers, and the Zenith Staff was organized.

Sept. 27—The Girl Reserves held a cabinet meeting.

Sept. 28—Rev. Leininger spoke in Chapel, and in the afternoon we played Hudson.

Oct. 2—The Thespian Club was organized even against the opposition of the aromas of Miss Nunvar's cough medicine.

Oct. 3—The Senior Class selected the rings and pins.

Oct. 4—Mr. Livingston gave a most enlightening talk on the subject of "Where Is My Wandering Boy Tonight." The speech inspired the team in the game with Mayfield to no avail.

Oct. 5—A teachers meeting at Brecksville prevented school. God bless teachers' meetings.

Oct. 10—The P.T.A. opened its first meeting.

Oct. 12—The Women's Relief Corps presented the school with new flags in honor of Columbus Day. It will be the duty of the Hi-Y boys to take care of the flags. A scoreless tie was the result of the Brecksville game.

ZENITH

- Oct. 18—In the evening the Girl Reserves held the recognition service.
- Oct. 19—Mr. Eberline gave a very interesting illustrated talk on Mexico. Hudson Academy journeyed here for the game in the afternoon.
- Oct. 23—Being locked in senior home room didn't seem to prevent Mr. Sands and Miss Nunvar from selecting the cast for the senior play "Dollars To Doughnuts"; perhaps the pep meeting after school was responsible.
- Oct. 25—The game with Independence resulted in another scoreless tie. The N.E.O.T.A. will again prevent school being held on Friday. The Girl Reserves presented an elegant chapel.
- Oct. 31—Even the celebrated Micky Mouse was present at the yearly carnival held on Hallowe'en night.
- Nov. 2—The pep meeting in chapel didn't seem to hold any weight in the game with Orange, because we finally lost to them.
- Nov. 5—The Girls' Glee sang over W.J.A.Y. Trains—bells—and school buses!
- Nov. 9—Mr. Sands gave an interesting talk in chapel with regard to Armistice Day. The last game of the season was held with North Royalton.
- Nov. 11—Armistice Day.
- Nov. 15—Mr. Roudebush spoke at the Football Banquet. Grand dinner.
- Nov. 16—One would have had to look twice to discover whether it was a jubilee for small tots that was held in the Home Ec. or a kid party for the Girl Reserves.
- Nov. 19—Miss Eldridge, the new secretary of the Girl Reserves, spoke at the very lovely tea they gave.
- Nov. 23—More local talent was brought forth by the Hi-Y members in chapel.
- Nov. 28—After six weeks exam's Thanksgiving vacation brings a most welcome respite. The junior class gave a dance.
- Nov. 29—Thanksgiving — m'm—'nuff said.
- Nov. 30—The first basketball game was with Newbury.
- Dec. 5—"Dollars to Doughnuts," the senior play, was pronounced a huge success—another triumph for the Seniors.
- Dec. 7—The eighth grade had the chapel program for today. The Brecksville game proved worth anyone's time.

- Jan. 12—The Girl Reserves attended a studio party at the Y.W.C.A.
- Jan. 18—Reverend Mitchell spoke in chapel on the subject of "Temperance." Chagrín played Orange at Orange.
- Jan. 23, 24, 25—Exams! another "nuff said!"

OUR FRIENDS—THE ADVERTISERS

Every volume of the Zenith that is published costs about five times as much as the purchase price which you are asked to pay for it. The greater part of this extra expense is borne by the merchants whose advertisements appear in these pages. These men are true friends of Chagrin Falls High School, and it is only through their aid that we are able to bring you this book. Therefore we ask you to consider them first when you buy.

"THE BETROTHAL RING"

A note
by JAMES WALLEN

The fair province of Romance has for decades included the Beattie Salon.

Brides of a half century have worn engagement and wedding rings from the Beattie Salon.

Queenly gems for mounting in betrothal rings are now to be seen in rich profusion in the Beattie collection.

ECHOES OF SHELLEY

There once was a man in Bolivia,
Who married a wife named Olivia.
When asked, he would say,
In his own little way,
"She sure ain't no Lady Godivia."

by V. Johnson. "3-Ah-cr. Yes, 35."

Paul B: "Did you see the way the
conductor looked at you? Just as if you
hadn't paid your fare."

Bill S: "Yes, and didn't you see the
look I gave him? Just as if I had."

Lieutenant: "You don't like that
bread? Why my good man, Napoleon's
men would have been glad to have that
loaf you refuse."

Muttering Private: "No doubt, it
was fresh then."
