Proudly Presents

The
1951
ZENITH

Acknowledgment

WE, the Class of 1951, in appreciation of the invaluable aid given us in the production of this, our annual, wish to offer our sincere thanks to Mr. T. C. Gurney, our advisor, Mr. Forrest Norton of the Village Studio, Mr. George Vance of the Tower Press, Miss Helen Daugherty of the Northern Engraving and Electrotype Company, the merchants and the businessmen of the valley, our parents and teachers, and everyone else who has helped to make the 1951 Zenith possible.

Foreword

*Four things a man must learn to do;
If he would make his record true:
To think without confusion clearly,
To love his fellow man sincerely,
To act from honest motives purely,
To trust in God and Heaven securely*

ALL over America the high school graduate of 1951 will be bombarded by words—written and spoken—telling him what to do—trying to offer him the usual panacea through advice. It is with great diffidence that I add my bit of advice to the chorus.

It seems to me that the first thing you of the class of 1951 must realize above all else is the fact that this craze to achieve the illusory peace of mind is impossible. A mark of life is unrest. One problem after another will present itself to you to be solved as best you can. But in the solving and the momentary rest you will know a certain peace. Yet you can never attain complete peace—nor should you want to—as long as you have humanity to serve and help. In such service though, you'll attain some inner contentment. By giving of yourselves you'll know the sweetness of love in return—and love will give you greater security than mere freedom from problems could ever do. You'll never be free of fighting but you'll attain greater and greater power to enjoy the richness of life by your very daring.

Finally, it seems to me, that if you follow the dictates of your mind, heart, and conscience in doing what you conceive to be your duty, you will know a certain peace. Duty is a small word, but it entails so much for every human. After the hard decision has been made and followed, you'll know a glorious lifting of spirit. In the midst of turmoil, if you follow duty, you can feel right with yourselves and know the only peace that is good or safe for a man to know.

Through twelve years of school you have held the class to a high level, so "well done" can truly be said of you.

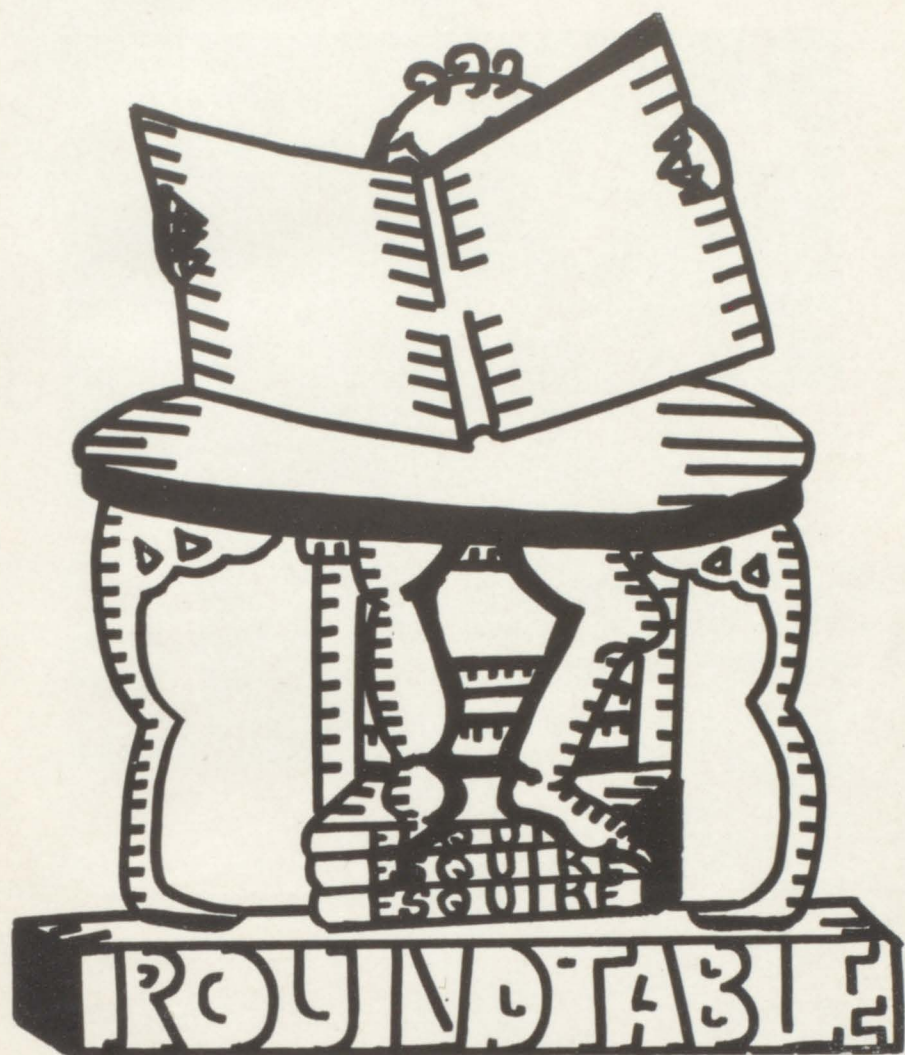

In the name of the entire school force I wish to compliment you on the achievement of this book and to extend to you our warmest and best wishes in your next venture.

Miss Elsa Jane Carroll,
Class Advisor

Dedication

IN appreciation of his guiding hand in the classroom and his experience and friendly counsel in our problems, we of the class of 1951 sincerely dedicate our yearbook to Mr. Joseph A. Lewandowski.

TOM HUBBARD, *President*

Tom is the one best qualified to turn around when someone yells, "Hey, handsome!" His pleasant good-fellowship and faultless dressing are envied by the boys and especially admired by persons too numerous to mention here. Tom's administrative ability steered us smoothly through an eventful Senior year.

FRANK LUCKAY, *Vice-President*

A familiar sight in the gym every morning is "Big Frank" giving out with the firm handshake and hearty greeting. His sincere friendship was valued highly by the class, who will long remember Frank's towering stature, piano virtuosity, and basketball and football prowess.

Vice-President 4; Track 2, 3, 4; Basketball 1, 2, 3, 4; Football 2, 3, 4; Key Club 3, 4; Varsity Club 3, President 4; Choral Club 3, 4; Uke Club Treasurer 4; Biology Club 2; Senior Play; Operetta 3; Athletic Council 4; Glee Club 2.

JOHN RODGERS, *Secretary*

"Barc's" high school life has been one of accomplishment. By applying the formula of diligent study and practice, John has become a distinguished public speaker, tycoon of the Key Club, and persevering athlete and scholar.

Vice-President 2; Secretary 4; Track 2, 4; Zenith Typist; Basketball 1, 2, 3, 4; Band 1; Football 1, 2, 3, 4; Key Club President 4; Honor Society 3, 4, Vice-President 3; Varsity Club 3, 4; Choral Club 3, 4; Biology Club 2; Operetta 3.

JIM HINE, *Treasurer*

Although Jim has the solemn look common to philosophers, this good-natured student of logic is just waiting to insert a pun into the conversation. Also apparent in Jim's nature is his penchant for coining huge words, which are very descriptive if not always grammatical.

Class President 3; Treasurer 2, 4; Football 1, 2, 3, 4; Varsity Club 3, 4; Key Club, Senior Director; Student Activities Council 4; Biology Club 4; Junior Play; Senior Play.

PAUL HOEKSTRA, *Editor*

Paul's ability to think out and understand has made him the creator of the class. Whether it be through writing or through the use of his hands, he is continually building. "Hook" is known throughout the school for his sense of humor and inexhaustible supply of jokes.

Class President 2; Echo 4; Zenith Editor; Football 2, 3; Honor Society 3, Secretary 4; Varsity Club; Uke Club 4; Biology Club 2; Junior Play; Senior Play.

JEANETTE GREEN, *Assistant Editor*

"Jet's" sincerity and warmth, along with her indomitable will, shall long be remembered within the walls of Chagrin High. Her intense interest in people made her a leader in the United Youth Fellowship and in service projects.

Class Treasurer 1; Secretary 2; G.A.A. 1, 2, 3, 4; Zenith Assistant Editor; Echo 2, Editor 3, 4; Y-Teens 2, Cabinet 3, 4; Choral Club 3, 4; Biology Club 2; Glee Club 1, 3; Junior Play; Senior Play; Operetta 3.

MARJORIE ANDERSON

Margie's quick wit and ready smile make her a welcome participant in any activity. With her athletic ability, she could always be depended upon to make the winning basket in a close basketball game.

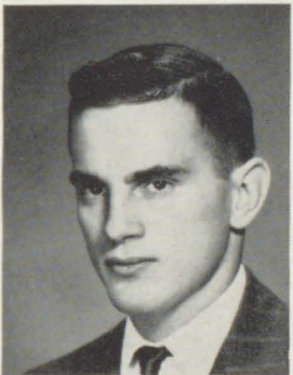

G.A.A. 1, 2, 3, 4; Y-Teens 2, 3, 4; Biology Club 2; Senior Play; Student Activities Council 3.

BOB ARNOLD

Aside from having a rather violent sense of humor, Bob is easy to get along with. Although he is a scrappy player in football and basketball, he finds the manual training shop an outlet for his creative ability and recently he has tried his hand at writing poetry.

Track 1, 2, 4; Basketball 1, 2; Football 1, 2, 4; Varsity Club 1, 2, 3, 4; Biology Club 2; Operetta 2.

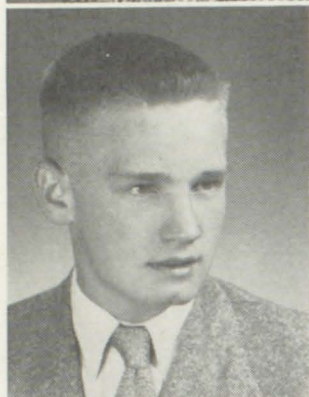

LOUISE BEHLEN

With a wide range of interests, Louise is as equally at home when sewing in the Home Economics Lab as when she is listening to a concert or musical comedy. Her swimming ability has proved to be profitable because of her job as lifeguard at the recreation center pool.

G.A.A. 1, 2, 3, 4; Zenith Typist; Band 1, 2; Echo 4; Y-Teens 2, 3, 4; Choral Club 3, 4; Glee Club 1, 2, 3; Uke Club 4; Biology Club 2; Junior Play; Senior Play; Operetta 2, 3; Junior Red Cross Secretary 4.

LYNN BABCOCK

"Slow and steady wins the race." It also wins quite a few basketball games. Lynn is cool and unflustered in any situation and his deliberate way of speaking won him many friends. Steady worker? If he were any more steady, he'd be motionless.

Class President 2; Track 2; Zenith Assistant Sports Editor; Basketball 1, 2, 3, 4; Football 1, 2, 3, 4; Key Club 3, 4; Varsity Club 3, 4; Biology Club 2; Senior Play.

BRYAN BARBER

Bryan has the rare zeal for schoolwork that allows him to shoulder a heavy curriculum, take part in a jugful of outside activities, and still have time to turn out witty cartoons for the *Echo*. This assiduous Senior should come through the long grind of medical school with flying colors.

Echo 2, 4; Track 1; Zenith Assistant Art Editor; Basketball 1, 2; Football 2; Key Club 4; Honor Society 3, 4; Varsity Club 3; Choral Club 4; Biology Club Treasurer 2; Junior Play; Senior Play.

PEG CARLTON

Because Peg can always see the silver lining of any cloud, she brings gaiety and fun into anything she does. Her love and understanding of the people around her have equipped her with a fine foundation for whichever field she chooses.

G.A.A. 1, 2, 3, 4; Echo 4; Y-Teens 2, 3, 4; Choral Club 3, 4; Glee Club 1, 2, 3; Biology Club 2; Senior Play; Operetta 2, 3; Cheerleader 1, 2, 3, 4.

TOM EGGLESTON

"Egghead" maintains a cheerfulness throughout the day that nothing, not even work, seems to diminish. Tom is always on the lookout for a chance to lend someone a helping hand. This year, he discharged his duties as football manager by keeping the boys in hot water.

Track 1, 2, 3, 4; Basketball 1; Football 2, Manager 3, 4; Varsity Club 3, 4; Choral Club 3, 4; Biology Club 2; Junior Play; Senior Play; Operetta 3.

NANCY DUNTON

Could any activity be complete without Nan? Whether it was while cheering at a game or helping at some organization function, Nan always did her part. Her charming personality and versatility made her popular with the underclassmen as well as her own classmates.

Class Secretary 1, 3; G.A.A. 1, Secretary-Treasurer 2, President 3, Cabinet 4; Zenith Calendar Editor; Band 1, 2, 3, 4; Y-Teens 2, Cabinet 3, 4; Honor Society 3, 4; Choral Club 3, 4; Uke Club Secretary 4; Biology Club 2; Junior Play; Senior Play; Cheerleader 1, 2, 3, 4.

DICK EVANS

The class was alternately sobered and convulsed by the pseudo-solemn air that Dick could effect at a moment's notice. An engaging individual with a booming voice, his interests ranged from acting to typesetting and camping trips.

Track 1, 2, 3, 4; Basketball 1, 2, 3, 4; Key Club; Varsity Club 4; Uke Club 4; Choral Club 3, 4; Biology Club 2; Junior Play; Senior Play; Operetta 3.

DON EVANS

The Evans' expression of mirth is a unique combination of a bellylaugh and a snicker. Its owner is a dynamic towhead, fond of good fun and hard work. "Stub" is our iron man of football; his outstanding performance has brought widespread acclaim to himself and Chagrin.

Track 1, 2, 3, 4; Basketball 1, 2, 4; Football 1, 2, 3, Co-Captain 4; Key Club 4; Varsity Club 2, 3, Secretary-Treasurer 4; Choral Club 1, 2, 3, 4; Biology Club 2; Junior Play; Senior Play; Operetta 2.

JOAN EBEL

With a paint brush in her hand, Joanie fits easily into any art class . . . and you should see the results! However, Joan's love for sports and good fun kept her out of the paint long enough to join in all the class's activities.

G.A.A. 1, 2, 3, 4; Y-Teens 2, 3, 4; Echo 3; Choral Club 3; Biology Club 2; Glee Club 1, 3; Senior Play; Operetta 3.

GEORGE HART

The "great lover" of C.F.H.S. has also managed to find time for other exploits. George's angelic face hides a capacity for satanic practical jokes, and his raucous laughter rings out regularly over all Senior gatherings, the football field, and Speice's drug store.

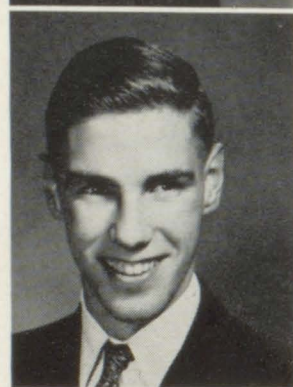

Track 3, 4; Football 3, 4; Biology Club 2; Varsity Club 3, 4; transferred from Solon 2.

DIANE FITZPATRICK

Equipped with a lively imagination, Diane is capable of making the lines of any dramatist come alive and displayed her talents in both public speaking class and drama class. Diane's sincerity and loyalty have made her a true friend to all her classmates.

G.A.A. 2, 3, 4; Zenith Art Editor; Y-Teens 2; Biology Club 2; Junior Play; Senior Play.

RAY HENDERSON

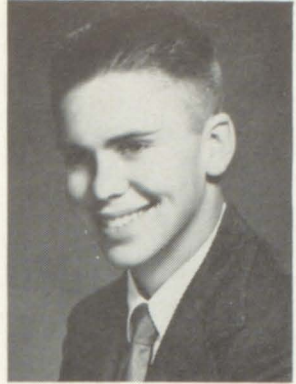

Ray has the quiet, alert manner and the deft movements that mark the outdoorsman. A cool customer on the basketball floor, he can spin a knot in a rope before you can say, "about yea big".

Basketball 1, 2, 3, 4; Varsity Club 4; Biology Club 2; Senior Play.

DONALD KENNEDY

"The Deacon" is not quite as pious as his nickname infers. Fond of trying to keep teachers on their toes, Don bubbles over with exuberance which changes to an ability for serious work when the occasion demands.

Class Treasurer 3; Zenith Business Manager; Basketball 3; Football 3, 4; Key Club Secretary 4; Varsity Club 4; Biology Club 3; Junior Play; Senior Play.

JOANNE GRIFFITH

Ask Jo for the hidden meaning in a poem and she'll find it! She is able to see any author's message and has spent many of her leisure hours in reading both prose and poetry. Jo is a friend to everyone and can always be seen engrossed in listening to someone's troubles.

G.A.A. 1, 2, Cabinet 3, 4; Echo 3, 4; Student Activities Council 4; Y-Teens 2, Cabinet 3, 4; Biology Club 4; Junior Play; Senior Play; Operetta 3; Junior Red Cross 4.

ALAN KEWISH

Easygoing and yet studious, this curly-headed, likable Senior has rolled up an outstanding academic record. Al is a perfectionist in everything he undertakes, and his ability to apply himself will make his career a success.

Basketball 1, 2, 3, 4; Football 3, 4; Key Club 4; Honor Society 3, 4; Varsity Club; Biology Club 2; Junior Play; Senior Play.

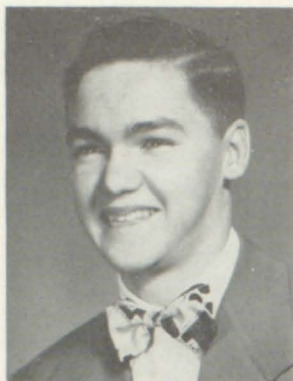

BETTY HILL

The smallest member of our class has a certain grace about her that makes her a definite asset to any roller rink or gym floor. A giggle, two sparkling eyes, and beautiful, long hair add to her athletic grace and make her the class's cutie.

Zenith Typist; Biology Club 2; Senior Play; Glee Club 1.

RICHARD MACFARLAND

An ever-present smile and happy-go-lucky attitude make "Mac" one of our gay blades. When not fracturing public speaking class with his unexpected remarks, Richard is one of the *Standard's* standbys.

Basketball 1, 2, 3; Zenith Typist; Biology Club 2; Junior Play; Senior Play.

DON PLZAK

Don's stoic personality and unhurried actions are well known to the class of '51. At his best in sports, "Plaz" has one driving purpose in every game—victory.

Track 1, 2, 3, 4; Basketball 1, 2, 3; Football 1, 2, 3, 4; Varsity Club 1, 2, 3, 4.

MARILYN HILLS

Though Marilyn seems rather reticent to most of her classmates, her close friends know her to be a witty and fun-loving girl who possesses the power to give a come-back for any remark. Marilyn's art ability has brought forth admirable posters, murals, and ceramics.

Zenith Typist; Y-Teens 2; Biology Club 2; Senior Play; Glee Club 1.

DAVE SHORT

Automobile fans are usually a flamboyant lot, but the car-ful thinker in our class is strongly conservative in thought and actions, and he always appears looking just "George". Dave's painstaking craftsmanship and technical knowledge have resulted in flawless lighting of Senior productions.

Echo 1, 2; Basketball Manager 3, 4; Varsity Club 4; Choral Club 3, 4; Uke Club 4; Biology Club 2; Junior Play; Senior Play; Operetta 3; transferred from Moses Cleveland 1.

HARRIET LAKE

The noon dismissal bell rings and . . . whiz! Harriet is on her way home to retrieve the letters from her ever-satisfying mail box. In the classroom Harriet is rather quiet but has a friendly smile for everyone.

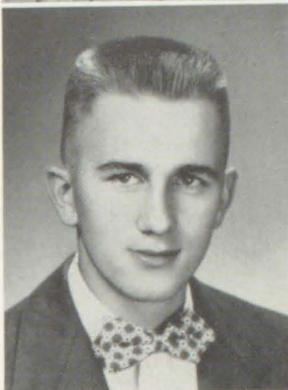

G.A.A. 1, 2; Y-Teens 2, 3; Zenith Typist; Band 1, 2, 3, 4; Biology Club 2; Junior Play; Senior Play; Glee Club 1.

BOB TOTH

Now for the jokers. At his best before a crowd, Bob can always be counted on to M.C. a dance or other presentation. His cartoons and remarks in class, while sometimes disconcerting to the teachers, insure his reputation as a lover of the "big yak".

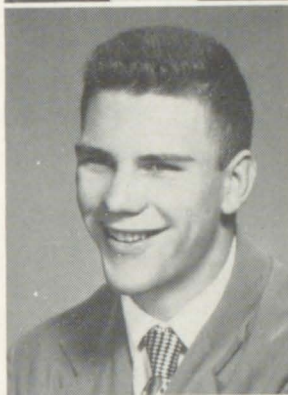

Track 1, 2, 3, 4; Basketball 1, 2; Zenith Typist; Football 1, 2, 3, 4; Varsity Club 3, 4; Choral Club 4; Uke Club 4; Biology Club 2; Junior Play; Senior Play.

KEN WILEY

Ken's reputation as a hard-driving athlete has overshadowed his calmer, friendlier side. Ken always worked for harmony and good sense in the class, and his insight and understanding, as well as affable mien, will place him at the top of the coaching profession.

Class Vice-President 1; Echo 4; Track 2, 3, 4; Zenith Sports Editor; Basketball 1, 2, 3, 4; Football 2, 3, Co-Captain 4; Key Club 4; Student Activities Council 4; Honor Society 3; Varsity Club 2, 3, 4; Junior Play; Senior Play; Athletic Council 4.

JOANNA MADISON

Having been gifted with a love for music and a lilting soprano voice, Joanna finds her chief enjoyment in either singing herself or in listening to others sing. Jo is often the recipient of teases and jests, and blushes beautifully through it all.

G.A.A. 2, 3, 4; Y-Teens 2, 3, 4; Choral Club 2, 3; Biology Club 4; Junior Play; Senior Play; Operetta 3; Glee Club 3; transferred from Brush High School 2.

BEVINGTON WINCE

"Bev's" well-known quiet manner changes suddenly to enthusiasm at the mention of, ahem, a certain type of car. His infrequent but apt comments and his salesmanship will help him go far in this line.

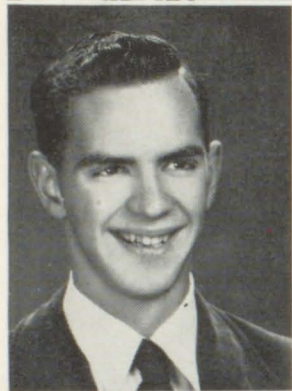

Zenith Assistant Business Manager; Choral Club 4; Uke Club; Biology Club 2; Track 4.

BARBARA MYERS

The streak of lightning in the hall, the girl with a continuous flow of words, the one who manages to find out about things almost before they happen . . . that's Babs. Her pep and vitality make every occasion a lively one. Babs has her serious side too, though, and spends a great deal of her time talking over serious problems.

G.A.A. 1, 2, Cabinet 3, 4; Zenith Assistant Photo Editor; Echo 3; Y-Teens 3, Cabinet 4; Student Activities Council 3, President 4; Choral Club 3, 4; Glee Club 1; Junior Play; Senior Play; Operetta 3.

BILL WORSTELL

Vaudeville is not dead! Wherever the Worstell personality goes an aura of perpetual entertainment exists. Bill transferred here from Connecticut in his Junior year, and with his sparkling eye and quaint humor the originator of the Ukulele Club made fast friends.

Track 3, 4; Zenith Photo Editor; Key Club 4; Choral Club 3, 4; Uke Club President 4; Senior Play; Operetta 3; transferred from Westport, Conn., 2.

BARBARA SCHAAF

Barb is the most versatile member of the class in that she sings, dances hulas, plays the piano, ukulele, and French horn, and participates well in any sport. However, even with all her talents, Barb has retained a sweet simplicity that has made her a favorite around the school.

G.A.A. 1, Cabinet 2, 3, 4; Zenith Head Typist; Band 1, 2, 3, Treasurer 4; Y-Teens 2, President 3, 4; Student Activities Council 3; Choral Club 3, 4; Uke Club Vice-President 4; Biology Club 2; Glee Club 1, 2, 3; Junior Play; Senior Play; Operetta 2, 3; Cheerleader 1, 2, 3, 4.

The Class of 1951

Prophecy

TEN YEARS is only a moment in the unceasing pageant of living, but for our ever-eager class of '51 those years were opportune ones, crammed with chances to fulfill lifelong ambitions and cravings for accomplishment. When they graduated in 1951 some invaded the hallowed institutions of learning, where with the old man's dough and the fire of youth they became college-bred. Others jumped directly into this business of making a living and have rung up quite a score on the ladder of success.

A 1951 yearbook and a 1961 newspaper spread side by side show striking similarities. As we peruse them we notice that virtually the same people are in each.

On the masthead we see that this paper is the work of the Richard Evans Publishing Co., whose radical approach to the typesetting problem has eliminated all competition.

Beneath it a black headline screams, "RODGERS ELECTED". A few reactionaries are still voting for Dewey, but the new President of the United States, John Rodgers, has polled an almost unanimous vote.

The cold war is over. At the East Berlin Mission House, Jeanette Green has reformed the Russians with psalm singing.

Ray Henderson, the backwoods guide who knows Canada like the back of his moccasins, has just come out of the woods after capturing a wild boar in a terrific fight. The boar, when questioned, gave his name as Bob Arnold.

The trial of Mad Man Muntz starts today. Counsel for the defense will be Nancy Dunton, the astute criminologist. One of the first duties of the new district attorney, Joan Ebel, will be to prosecute. It looks like a very fair trial.

Tom Hubbard, the demon chemist, has swallowed a lighted Bunsen burner while experimenting. Surgeon Bryan Barber is flying East from the Mayo Clinic and will operate with scalpel and fire extinguisher.

The second page is entirely taken up with an advertisement for Wince's nation-wide automobile agency. Bevington and Dave Short have spent years developing their transonic windshield wiper, with which they stand to make a fortune.

Bulletin! Buster McFarland, the notorious renegade, was apprehended today for a thirteen-year-old offense. They finally got him for pulling up that sign on Franklin Street at Halloween 1948.

The first official exploration trip to the moon was greeted upon landing by Don Kennedy, the mysterious science fiction writer who disappeared some years back.

Alan Kewish, of great renown in fields of medical research, claims to have spoken with a germ. Little more will be known about this until tomorrow at ten o'clock, when Dr. Kewish has another appointment with the bacterium.

In the culture and uplift section we have a book review. Jim Hine, returning from his extensive travels abroad, has written a thoughtful analysis of foreign affairs entitled "Is Europe?"

Farther down we see that a new art form has been developed by Diane Fitzpatrick, that imaginative artist who uses only water colors and a squirt gun.

Those up-and-coming clothes designers, Harriet Lake and Marilyn Hills, stated that hobble skirts are coming back. Their comment to reporters was, "We women will just have to take this in our stride."

Turning to the television schedule for tonight, we find that after a roller-skating exhibition by Betty Hill, Frank Luckay and Paul Hoekstra will provide a musical interlude. Mr. Luckay plays the piano with one hand and Mr. Hoekstra plays the violin with great difficulty.

Following this, Barbara Schaaf will dance the hula to the music of Ukulele Bill Worstell and his High-Strung Seven. Miss Schaaf is generally credited with reviving interest in television.

The evening's entertainment will be topped off by the Griffith Ballet Troupe, written, directed, and produced by prima ballerina Joanne Griffith.

Sports. Babs Myers, the roving sports reporter, today interviewed Don Evans, the one-man football team, as to the reason for his falling out with coach Ken Wiley. "He used the wrong psychology on me," Evans complains.

Louise Behlen, the lifeguard at Palm Beach, today was awarded a medal for saving sixty-seven people, who were nearly drowned when Tom Eggleston and Don Plzak raced their motorboats too near the shore.

Headlining the wrestling card for tonight is Peg Carlton, who goes under the name of the Mad Moroccan.

Skimming over the financial page, we glance at it long enough to see that Marjorie Anderson and Joanna Madison are pooling their huge fortunes to overpower that of George Hart, the jellybean tycoon, who has become a millionaire by running other manufacturers out of licorice.

At last we settle on the comic strip drawn by that clever cartoonist, Bob Toth. The strip is entitled "Right Face! Left Face!" and it shows the jolly good fun that may be had in the army.

Another ad on the last page plugs the Lynn Babcock system of Ten Easy Lessons for eliminating nervous energy. A Testimonial is given by Miss Elsa Jane Carroll, who was a school teacher before the course, but who now has taken up arc welding.

Everywhere we turn we find members of the class of '51 living life to the fullest and making most of the news in 1961. Let's put away the yearbook and see what another ten years will bring.

THE night was November 17, 1950, the place, CFHS auditorium; the event, the senior play of the Class of 1951. The air was filled with tension as the thirty-six members of the class did their various last-minute jobs in preparation for the opening curtain. The thespians were donning 1865 and 1915 costumes. Make-up artists were up to their elbows in grease paint. Electricians, stage hands, and sound effect people were rushing back and forth across the stage. Out front, members of the Key Club ushered to their seats mothers, fathers, and relatives who couldn't wait to see Junior and Susie do their bit on the stage.

When the curtain opened, it revealed a beautiful English garden scene from which unfolded the fantastic comedy-drama, *Smilín' Through*. The story is of the spirit of a woman (Moonyeen Clare) who returned to help a pair of young lovers (Kathleen Dungannon and Kenneth Wayne) achieve the happiness she had, fifty years before, been thwarted of. On her own wedding night, Moonyeen had been prevented from marrying John Carteret when her rejected lover, Jeremiah Wayne, shot her. The family feud that grew from the tragedy threatened the happiness of Kathleen and Kenneth. However, love won out in the end, and both Kenneth and Kathleen, and John and Moonyeen were joined together.

This play was directed by Miss Elsa Jane Carroll, who gave tirelessly of her time and energy to help make it a fine production.

THE seniors presented *The Ghost House*, a light mystery-comedy, in April of their junior year under the direction of James A. Harper. The play was complete with hidden panels, mysterious figures, a flaming cross, bats, and screams in the dark. The plot revolved around the Harrison Estate in the South that young Bill Harrison inherited. Before he could take his fiancée there as his bride, Bill had to solve the mystery that had had a curse over past inheritants of the estate. With the help of an old family servant, "Mother" Blake, a quadroon, Rebecca West, and his lawyer, Oliver Mellon, Bill finally pinned the mysterious occurrences on Dr. Roget, who had been trying to find a hidden treasure in the house. Then, finding the treasure himself, Bill ended up with the estate, its treasure, and his lovely fiancée, Gloria.

THE dramatics class is also active in the theater. Under Miss Carroll's direction, students learn acting techniques and present skits, monologues, scenes, and characterizations. High point in the course comes when the class gets its chance to prove its ability in a special assembly. Several one-act plays are presented complete with costumes and scenery.

THE Choral Club, formed by combining the boys' and girls' glee clubs, is in its second year and is rapidly becoming a polished group under the direction of Mr. William Freeland. The club sings for civic functions when requested, and also performs for P.-T.A. meetings and school assemblies. It carries on much the same as a formal club does with its officers and own constitution.

THE Varsity Club is an organization open to all boys who have earned their varsity monograms in football, basketball, or track. Coach Ralph Quisenberry is the club's faculty advisor. The organization is a loosely knit, informal one, and belonging to it is just another part of being a varsity athlete.

UNDER the direction of Mr. Harper the band did a creditable job with their marching formations during football season as well as in the combined Chagrin-Orange Band Festival. But, of course, their own concert in March was especially well liked and was climaxed by their banquet and dance.

Football

CHAGRIN—38 ----- CHARDON—0

The Tigers opened the 1950 grid campaign with a decisive victory over the Chardon Hilltoppers. Chardon proved no match for the Tigers. Even the defense scored three times on intercepted passes.

CHAGRIN—20 ----- STRONGSVILLE—19

The second game of the season proved a real thriller. The game was a battle of extra points between two evenly matched squads. After Larry Katchel's fourth-period score, Ken Wiley kicked the point for the margin of victory.

CHAGRIN—32 ----- INDEPENDENCE—0

The Tigers won their third straight game and their first league game by trouncing Independence. The first eleven scored 32 points before the close of the third period, so the subs finished the game and held Independence scoreless.

CHAGRIN—12 ----- BRECKSVILLE—19

The loss of Quarterback Jim Fitzpatrick and a few bad breaks caused the Tigers to drop their first battle of the season. The Tigers outplayed and outgained their opponents but could not outscore them.

Hill, T. Rodgers, Miraglia, Stanton, Imars, J. Hubbard, Bull, Gibson, Fitzpatrick, Conway, Hawthorne, Barber, Hoffmann, Heck, Eggleston. FIRST ROW: Boone, Plzak, Kewish, Toth, Arnold, Luckay, Hart, Hine, Wiley, Coach Quesinberry, Evans, Kennedy, J. Rodgers, T. Hubbard, Babcock, Katchel.

Scores

CHAGRIN—38 ----- MAYFIELD—6

After the loss to Brecksville the week before, the Tigers gained vengeance on Mayfield. The first eleven rolled up six touchdowns in three periods, so again the subs finished the game.

CHAGRIN—0 ----- ORANGE—14

These two traditional rivals met in a game which decided the County Title. The largest crowd of the season saw the Tigers held scoreless for the first time this season, and the Orange Lions sneak over two scores.

CHAGRIN—33 ----- SOLON—6

The Tigers picked up their winning ways again as the seniors played their last game on the home field. It was a hard-fought game but the Tigers had no trouble as Don Evans scored twice.

CHAGRIN—43 ----- CUYAHOGA HEIGHTS—7

The last game of the season saw the Tigers romp to their greatest margin of victory of the season. As can be seen by the score, the Tigers seemed to score at will. Don Evans scored three times to bring his season total to 99 points.

Bob Toth

Don Evans

Lynn Babcock—Tackle

Lynn's fine blocking and tackling was one of the main reasons why the Tigers had such a successful season. He is a team player all the way and he always was in the middle of the action.

Tom Hubbard—Guard

Tom won his third varsity letter this year. His experience showed up as he was without doubt the hardest blocker in the Tiger line. It will be a tough job replacing him next year.

Jim Hine—Tackle

Jim was hampered by injuries and missed the early part of the season. He played enough defensive ball later on to win his letter, and he proved to be a tough man to move.

Ken Wiley—Co-Captain—End

After playing both in the backfield and on the line for two years, Ken finally settled down to play end in his third season and was the Tigers' leading pass receiver.

Don Plzak—Tackle

Always an easy-going and friendly guy, yet as middle man in the five-man line he gave opposing centers plenty to worry about.

Jack Stanton—Center

Jack proved to coach that he wanted to play so badly that the line had to be shifted around to get him in. He should be a mainstay in the center of the line next season.

Ben Miraglia—End

Ben proved to be a fine pass receiver and at defensive halfback he was always alert to intercept enemy passes. He should prove a headache to opposing passers next year.

Larry Kachele—Back

Although only a sophomore, Larry showed that he knew what it is all about, and he should see plenty of action for the next two seasons.

Don Kennedy—End

Don worked harder than any other member of the squad. He always gave his best and proved to coach he wanted to play enough to win his letter.

Bob Toth—End

Bob made a good showing this year and won himself a starting berth. He was a steady performer all season.

Don Evans—Co-Captain—Back

Don completed his third and final year as the Tigers' leading runner and scorer. As proof of his ability he was picked on the All-County and All-Scholastic teams. He was also honored as the East County's most valuable player.

Bob Arnold

George Hart—Tackle

George's last season was played at tackle. He was moved in from end and the move turned out to be a wise one as he opened enough holes in his side of the line to let the backs pick up great chunks of yardage.

Jim Hubbard—Back

Jim came through in fine style this year and proved to be as hard a runner as anyone on the squad. He should round out a fine backfield next year.

Jim Fitzpatrick—Back

This was Jim's first year at Chagrin and he proved to have the throwing arm and field generalship to make the Tiger attack click. He will be back next season.

Ford Bull—Back

Ford was a very hard runner and a hard tackler. He should add a great deal to next year's squad.

John Rodgers—Back

"Barc" worked hard all season and developed into a good ball handler and signal caller. Always willing to mix it up, he won his first letter.

Frank Luckay—Center and End

Frank was the most improved squad member this year. Coach moved him back and forth from end to center. The proof of his play shows in that he was picked on the All-County team.

Cecil Hill—Back

Cecil's speed and tackling ability made him just right for safety man and halfback. He won his second letter and still has another year of action left.

Tom Rodgers—Guard

Tom is a fine competitor and plays rough football. He should add a lot of fire to the Tiger forward wall next year.

Tom Conway—Guard

What Tom lacked in size he made up for in fight and spirit. He should be a real scrapper next year.

Bob Arnold—Guard

Although bothered by an injured shoulder, Bob always came through with a fine game both on offense and defense. Bob will be sorely missed next year.

Varsity Basketball

SECOND ROW: Coach Lopatt, Rodgers, Miraglia, Henderson, Babcock, Luckay, Wiley, Evans, Hoffmann, D. Evans, Hubbard. FRONT ROW: Froebe, Short.

THE 1950-51 edition of the Varsity Basketball squad enjoyed a good season in winning twelve of eighteen games including tournament play. They wound up in fourth place in league competition and won three games in tournament competition. They defeated Independence 55-42, Brooklyn 56-35, and Newbury 53-42, and lost their fourth game to Olmsted Falls 47-37. This year's squad consisted of eight seniors and three juniors. The team was a fairly tall ball club which played a good zone defensive game and a deliberate, set type of offense.

CHAGRIN—55 ----- CUYAHOGA HEIGHTS—44

The Tigers opened the season with a rousing victory over Cuyahoga Heights on the loser's floor. The game was close until the final quarter when the Tigers pulled away to win by a wide margin.

CHAGRIN—31 ----- BRECKSVILLE—29

In the only afternoon game of the season, the Tigers squeezed by a tall Brecksville five. As the score indicates, the game was a defensive one which saw the Tigers hold their small lead by freezing the ball in the final minutes.

CHAGRIN—49 ----- MAYFIELD—41

The Tigers won their third straight contest and grabbed the league lead by dumping Mayfield on the home court. Ken Wiley led the scoring by meshing 24 points.

INDEPENDENCE—64 ----- CHAGRIN—46

Chagrin's stay in first place was short lived as a red-hot Independence team overwhelmed the Tigers on the victor's floor. Lynn Babcock hit for ten points in a losing battle.

ORANGE—39 ----- CHAGRIN—33

The Orange Lions came from behind in the second half to take the lead and then freeze the ball until time ran out. The Tigers were unable to hit on their shots as they lost their second contest in a row.

CHAGRIN—47 ----- ALUMNI—43

This year's annual Alumni game proved to be a close, exciting contest all the way. The varsity overcame a first-half deficit to win by four points.

CHAGRIN—47 ----- SOLON—24

The Tigers combined a deliberate offense and a tight defense to double the score on the Comets from Solon. Frank Luckay led the attack with seventeen points.

CUYAHOGA HEIGHTS—40 ----- CHAGRIN—30

A greatly improved Cuyahoga Heights five avenged an early season loss by defeating the Tigers on their home court. Heights put their height to advantage and were able to control the backboards.

BRECKSVILLE—60 ----- CHAGRIN—40

Brecksville also avenged an early season defeat by soundly beating the Tigers on the victor's home court. Chagrin was unable to get started and were behind all the way.

CHAGRIN—50 ----- MAYFIELD—44

The Tigers made it two in a row over Mayfield in a battle that was not as close as the score indicates. Ken Wiley led the scoring with 23 points.

CHAGRIN—55 ----- INDEPENDENCE—50

It was the Tigers' turn to avenge an early season defeat as they dumped a highly rated Independence five. The Tigers grabbed the lead at the beginning and held it up to the final gun.

ORANGE—53 ----- CHAGRIN—34

Orange made it two victories in a row over Chagrin as they threw up a tight defense and were hot on their own shots.

CHAGRIN—51 ----- BAINBRIDGE—50

The annual non-league clash with Bainbridge proved to be the most exciting game of the season. Coach Lopatt started the second five who were unable to take the lead. The first five was unable to forge ahead until the final seconds.

CHAGRIN—64 ----- SOLON—48

The handicap of Solon's box gym did not bother the Tigers as they soundly whipped the Comets again. Ken Wiley and Ben Miraglia meshed 23 and 13 points respectively.

Lynn Babcock

Lynn was a constant threat with his one-handed shot from the corner, a fine team player and floor leader. He will be greatly missed next year.

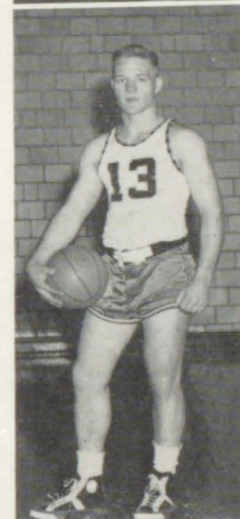

Dick Evans

Dick's last year on the Varsity was one he can be justly proud of. He was always ready to step in and take over at any spot.

Don Evans

Don jumped into Varsity basketball with the ease of a veteran this year. His spirit and speed will long be remembered.

Ray Henderson

Continual practice made Ray one of the most improved players on our court this year. His exceptional jumping ability made him very valuable to the team.

Al Kewish

Although he was hampered by injuries most of the first semester, Al came along and helped us greatly in the last half of the season.

Frank Luckay

"Pancho" was the biggest man on the team and gave many an opposing center a hard game under the basket. His height will be sorely missed next year.

John Rodgers

"Barc" won his second letter this year with another display of deadly shooting from the guard spot. He gave his all in all the games he played.

Ken Wiley

Ken is undoubtedly one of the best players who ever played at Chagrin. For the third straight year, his accurate shooting and excellent team play were the backbone of the team. The Tigers will miss him greatly next year.

Carl Hoffmann

Carl's steady teamwork made him an asset to both the "A" and "B" squads. Next year's team will be helped greatly by his ball-handling and deceptiveness.

Jim Hubbard

Jim was probably the best defensive player on the Varsity. He made many an enemy forward miss easy shots with his split-second action. Jim will be a mainstay next year.

Ben Miraglia

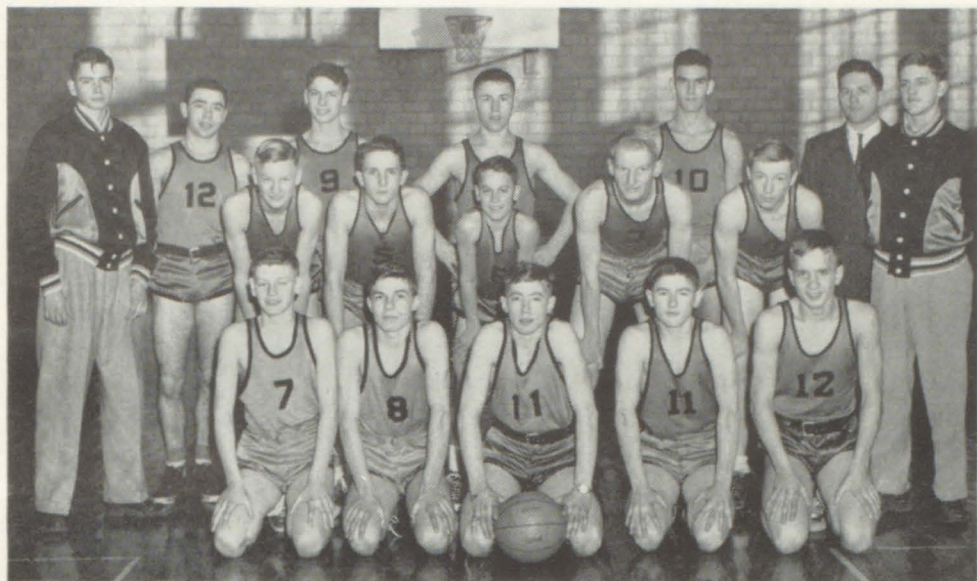

Ben's spirit on the floor can be proven by the number of personal fouls called on him this season. His steady game and scoring were only a fraction of what they will be next year.

Coach Lopatt

This season saw the Tigers have one of their best campaigns under Coach Lopatt. Lopatt is not only the squad's coach but its most ardent fan and is forever instilling the will to win in his boys.

Junior Varsity

FIRST ROW: Ackers, Fitzpatrick, Hawthorne, McCabe, Coach Lopatt, Ebel. SECOND ROW: MacFarland, Stanton, Boone, Imars, Plzak. THIRD ROW: Hartman, Hoekstra, Cubberly, Toth, Lawyer.

THE Tiger J. V. squad enjoyed a very successful season by winning ten of fourteen contests. They opened the season with four straight victories before losing a contest. Coach Lopatt brought along a fine, scrappy team all season and they should form a sound base to build the varsity for next year.

The 1951 track squad was made up of scrappers all the way. Under the instruction of Coaches Freeland, Quesinberry and Lopatt, the cindermen had more individual attention than ever before.

Don Evans, Bill Worstell, Cecil Hill, Don Toth and Ken McCabe were the dashing young men, and the 440-men included Worstell, Jim Gibson and Ford Bull. The 880 and mile were run by Don Plzak, Don Nelisse, Charlie Anderson and Tom Eggleston. The hurdles were surmounted this year by Frank Luckay, Bob Toth and Dave Ebel running the highs, and Jim Fitzpatrick, Bob Arnold and Bill Lawyer on the lows. The 880 and mile relay team was made up of Don Evans, Hill, Worstell and Fitzpatrick.

In the field events Don Evans, Larry Kachele and Ken Wiley hefted the shot, and Luckay, Kachele and Wiley threw the discus. Dick Evans, George Hart and Luckay represented the squad in the high jump and broad jump. The team was rounded out with Jim Hubbard, Tom Conway and Karl Hoekstra doing the pole vaulting.

AFTER such a long and expensive bow, any class except ours would probably be content to fold its tents and silently scam. But the class of '51 is a little hard to silence, so in bidding you good-bye we'd like to say that you'll be hearing more from us. So long!

WHAT IS THERE TO SAY?

In these days of price assertions, what is there to say in behalf of a house that has always priced its presentations equitably, honestly and with the welfare of the patron in heart and mind.

The Beatties have conducted their establishment on the fair side of Quality Street, adhering to the noblest traditions of craftsmanship.

Now, as ever, Beattie pricing is dependable and alike to every customer.
