*I've been lately thinkin'
about my life's time.*

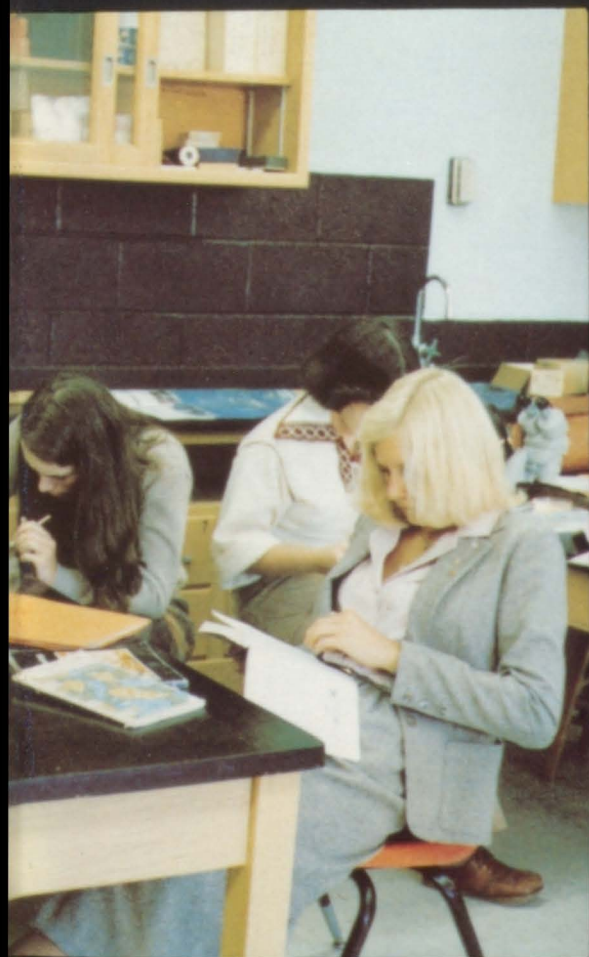

opening words— "Poems Prayers and Promises"—John Denver

*all the things I've done
and how it's been.*

I've seen a lot of Sunshine

slept out in the Rain

Had myself some friends

*Spend a night or two
all on my own.*

It's been a good life all in all.

*It's really fine to have
the chance to hang around*

*And lie by the fire,
And watch the evening tire*

*The Days they pass so quickly now,
The nights are seldom long.*

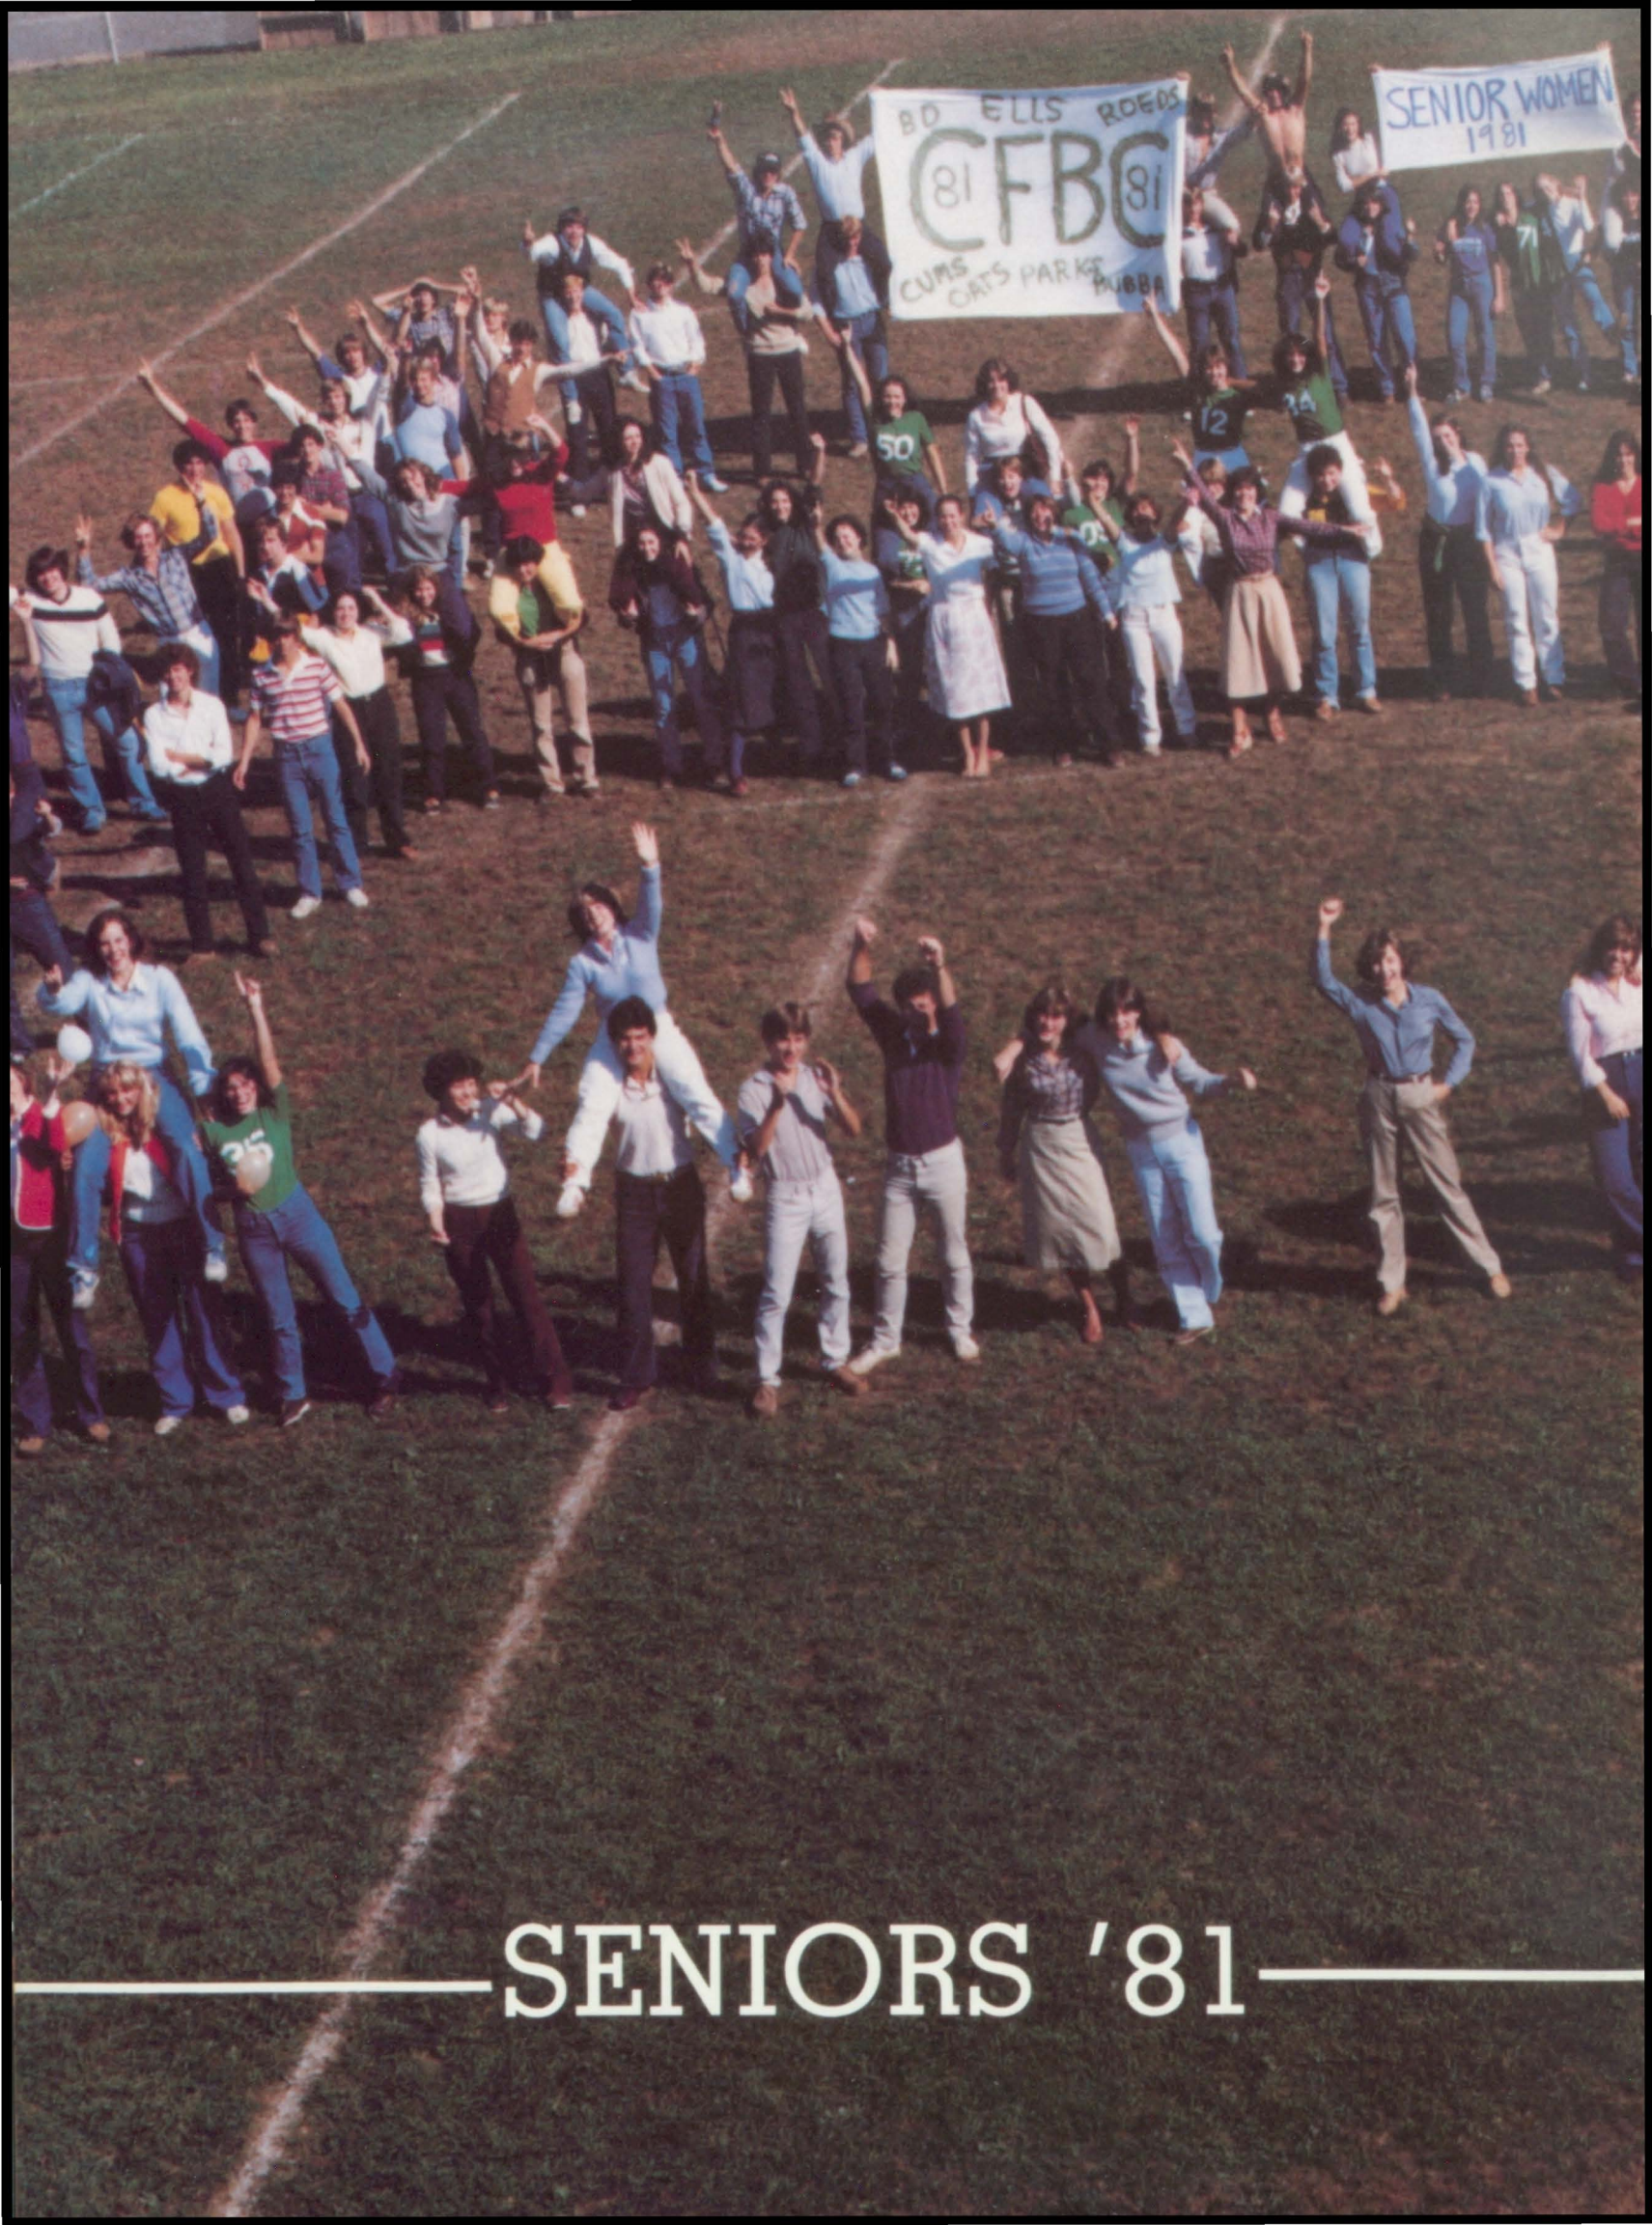

*It turns me on to
for tho' my life's
there's still so much
things my mind*

*think of growing old
been good to me,
to do, so many
has never known.*

SENIORS '81

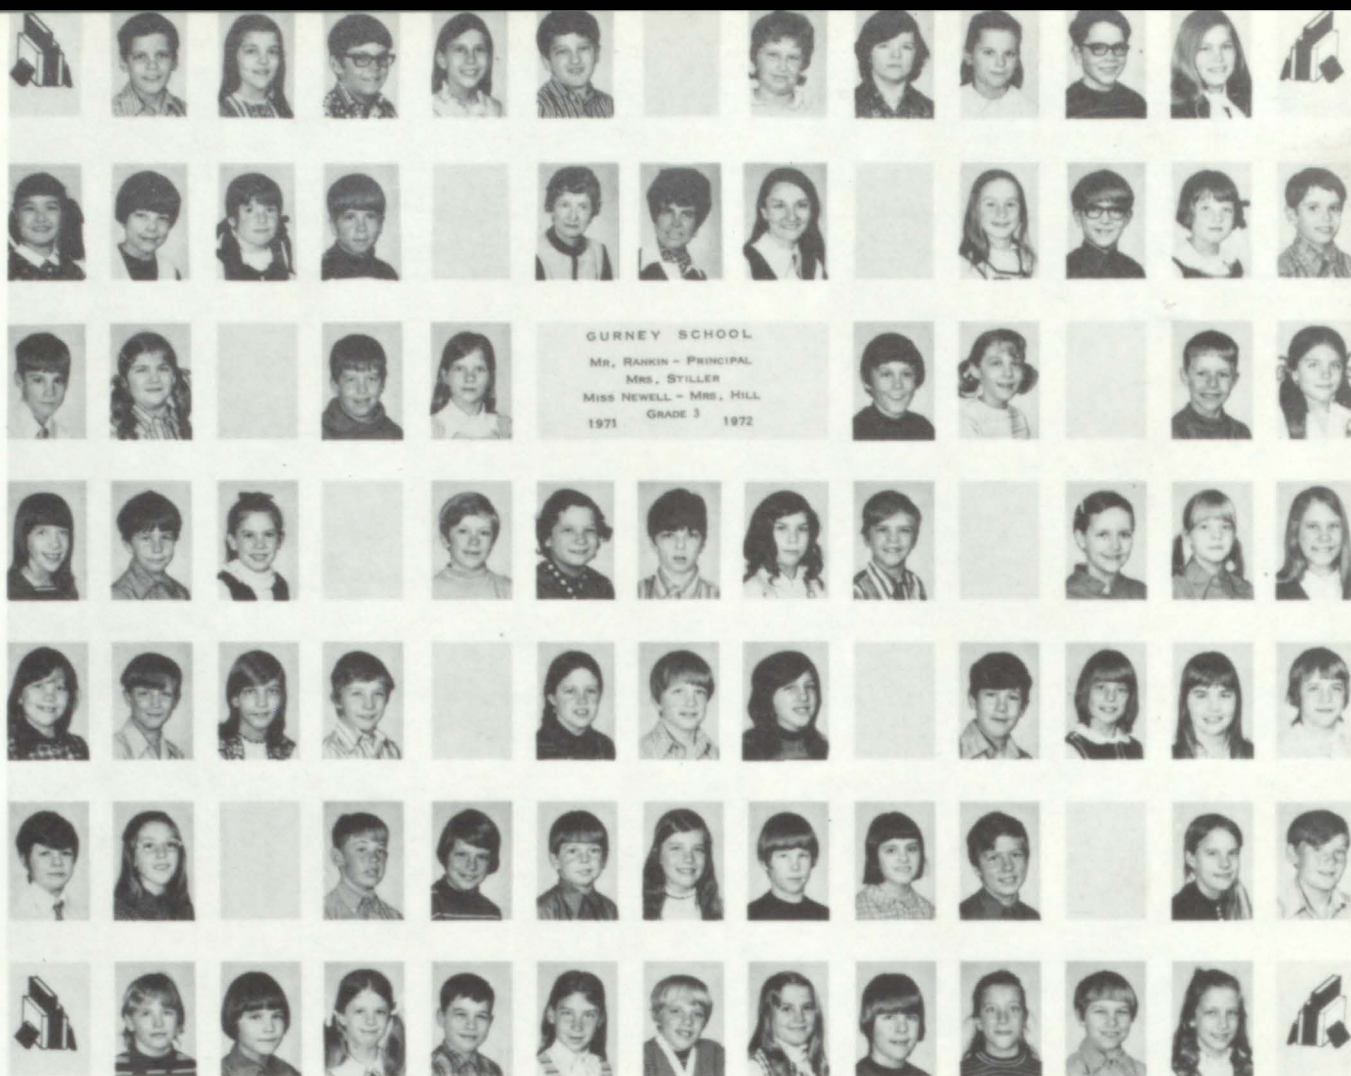

THE CLASS OF 1981 We've travelled far to get here. Some transferring across the country with Dad, some across the world with AFS, and a majority of us from our own two worlds, Gurney and Sands. We were integrated in 6th grade at the Middle School where CAA, Blossom Time, the Rec., Falls Theater, and other extracurricular things started to occupy our time. After the Washington trip in 8th grade the next thing we knew we had scheduled ourselves into high school, the unknown.

Freshman year initiated us into big-time high school activities with bake sales, Biology, frosh sports, and a class picnic.

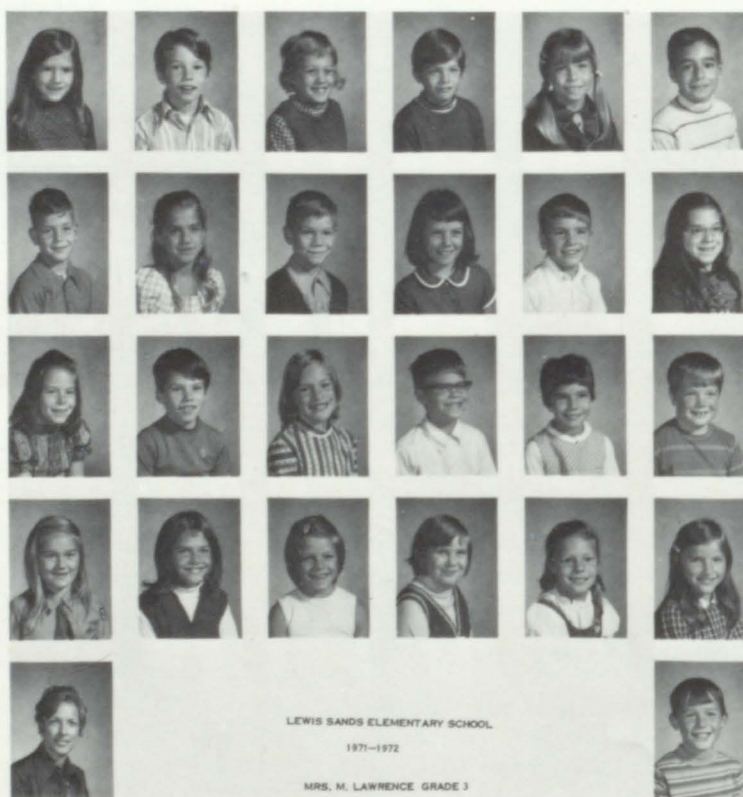

Sophomore year brought more bake sales, mum sales, class rings, our famous spirit at pep rallies and football games, and the biggest happening, driving. Getting behind the wheel really changed things for us at CFHS, no more phone calls.

Junior year brought us all together for the girls football game. Varsity sports became a reality and dominated our time, that is the time we weren't selling concessions to fund Prom at Canterbury. We got rowdy with the Zoo all winter and come spring we had an awful time avoiding premature Senoritis.

Senior year we skillfully defeated the junior girls 8-0. We were constantly asked, "Where are you applying?" And were often without an answer. Vacations in Florida, or anywhere, were well deserved. We never thought we'd get here. It's been an experience the Class of 1981 will never forget.

CFHS CLASS OF 1981

BACK IN 1971-1972

GURNEY ELEMENTARY SCHOOL Top row: L. Bolger, M. Barrett, M. Dodd, J. Lorman, S. Detweiler, N. Daniels, J. Brennenstool, M. Brett, R. French, M.K. Burke, Second row: J. Whaley, G. Otis, Mary R. Weber, Mrs. Stiller, Mrs. Hill, Miss Newell, B. Sutcliffe, J. Warren, L. Hemlein, T. Murphy. Third row: D. Sampson, D. Chad, M. Ramsey, A. Ryan, J. Russell, R. Ryan, D. Webster, L. Bankman. Fourth Row: C. Ungar, T. Plowright, T. Balser, M. West, C. Box, K. Coffelt, D. Smith, R. Stratton, S. Hill, M.S. Prescott. Fifth row: J. Jackson, B. Davis, L. Rusko, P. Mannigan, T. Huff, L. Scolnick, T. Larson, K. Bayer, J. Cooke, C. Tobin, Sixth row: J. Mudgett, M. Dunn, T. Hyde, T. Bowser, R. Quinn, K. Freyberg, B. Foley, L. Strand, R. Cohn, S. Pitz, S. Henderson. Seventh row: L. Herr, M. Kislör, E. Baker, T. Tallman, K. Ingersol, B. Barber, C. Becker, S. Smith, L. Laird, R. Smandel, C. Zilko.

LEWIS SANDS ELEMENTARY SCHOOL Top row: J. Lisle, J. VanAntwerp, F. Toth, K. Malloy, J. Innman, N. Sarkisian. Second row: M. Worstell, A. Dietrich, A. Harmat, M. Stanton, S. Alpeter, J. Schneider. Third row: S. Garrett, W. Walborn, W. Carpenter, B. Pohner, A. Unger, B. Hunter. Fourth row: C. Wilharm, J. Sworan, A. Wiedemann, S. Klein, R. McDavid, B. Lorenz. Fifth row: Mrs. Lawrence, B. Powell.

Class of 1981 Officers: Kent Campbell—President, Mary Kay Burke—Vice President, Mary Stanton—Secretary, Diane Ratzlaff—Treasurer.

The class of '81 started off by successfully organizing Homecoming festivities down "The Long and Winding Road". The senior men put together the best-yet bonfire and the Tigers beat Kenston 12-7. Fall also brought a few unexpected activities with the Halloween action of pumpkin harvesting followed by a successful Roll. Everyone pulled together for a strong Senior Women football squad to defeat the junior girls 8-0. The senior "cheerleaders" stole the show with their memorable version of "Another One Bites The Dust" and the crowning of the "Queen". Along about Thanksgiving, college-talk traditionally reigned as the only subject on our minds. A miraculous effort entitled the Seniors to win the Hall Decorating contest for "Santa Claus is Coming to Town" and the library never looked better. Then back by popular demand, the youngsters of CF were treated to pony rides at the PTO Fair. Come Spring, intense Senioritis, Spring Break, Blossom Time, and graduation dominated our thoughts. Senior Week and the graduation festivities were underway and gone before we knew it. The class colors—Dartmouth green and antique ivory, flower—yellow rose, and motto—"Here we end, here we begin."

How to get in the yearbook: simply pose naturally against a brick wall with your friends, sooner or later someone will notice. And here they are a casually arranged group of usually quite rowdy senior men—Ehrard Langer, Kevin Mullholland, Russell Brewer, Bill Powell, Matt Rowe, John Behler, Bruce Hunter, Scott Meekins, Nick Galicz, Joe Sworan, and Mark Alicino.

HAROLD G. LOESCH

A man is as great as the dreams he dreams,
As great as the love he bears;
As great as the values he redeems,
And the happiness he shares.
A man is as great as the thoughts he thinks,
As the worth he has attained;
As the fountains at which his spirit drinks,
And the insight he has gained.
A man is as great as the truth he speaks,
As great as the help he gives,
As great as the destiny he seeks,
As great as the life he lives.

UNDERCLASSMEN

JUNIORS

The Junior Class of 1982 is determined and financially able to give Chagrin Falls High School the best prom ever. The class held many fund raising activities. During their sophomore year they raised over \$1400, more than enough money to rent the club for the prom. This year they sold concessions at the Varsity football games, swim meets and winter tournaments. They also held a picnic for the class and awarded superlative certificates. Always active and hard-working, the Class of 82 could be nominated for class most likely to succeed. Mr Fordyce is their advisor.

Class of 1982 Officers: Carolyn Bell, secretary; Ted Pope, president; Peggy Bombback, treasurer; Doug Cubberley, vice president.

SOPHOMORES

The Sophomore Class had to be very creative this year because of a minus balance in their treasury. Sale of buttons and pens were not successful, so they ended their freshman year in the red. In order to make the approximate \$1000 needed in their account this year they sold flowers at Homecoming, and on Valentine's and St. Patrick's Day. They also sold candy on Sweetest Day and before Christmas, plus had numerous bake sales. Their main fund raiser was a magazine sale in February. Sophomore Class advisor was Mrs. Gilmore.

FRESHMEN

Class Officers: Sue Schiemann—president, Laura Osborne—treasurer, Tracy DeCrose—vice president, Jennifer Brooks—secretary.

The Freshman class of 1984 is looking forward to four great years of high school. Although we, as Freshmen, may be looked down upon by the older upperclassmen, we won't let that stand in the way of our terrific class spirit. We plan to accomplish much this year and start raising money for the Prom. So far we have had a very successful carwash and several bake sales. Similar activities such as another carwash in the Spring, the selling of rain ponchos and/or other items, etc. are planned for throughout the year. We hope to make this 1980-81 school year a very successful year for our Freshmen class.

ADMINISTRATION

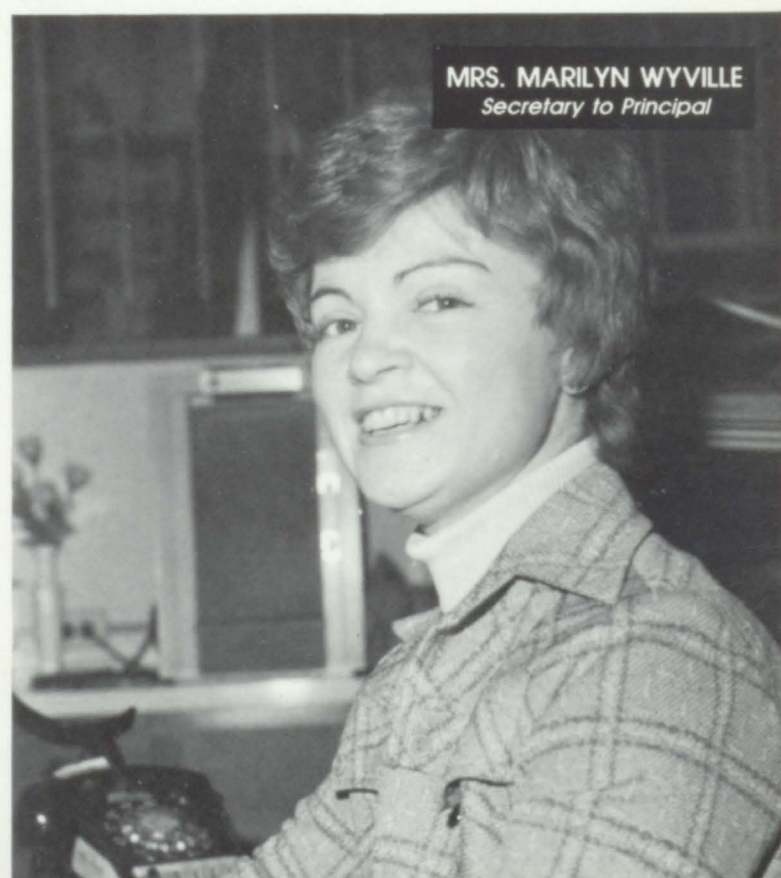

The daily as well as the yearly functioning of our high school is controlled by the administration. The administration tries to run things as smoothly as possible in hopes to make the school a pleasant place for students to be. Mr. Weaver and Mr. Richmond are always looking for ways to improve the school and their secretaries are constantly helping them attain these improvements.

& GUIDANCE

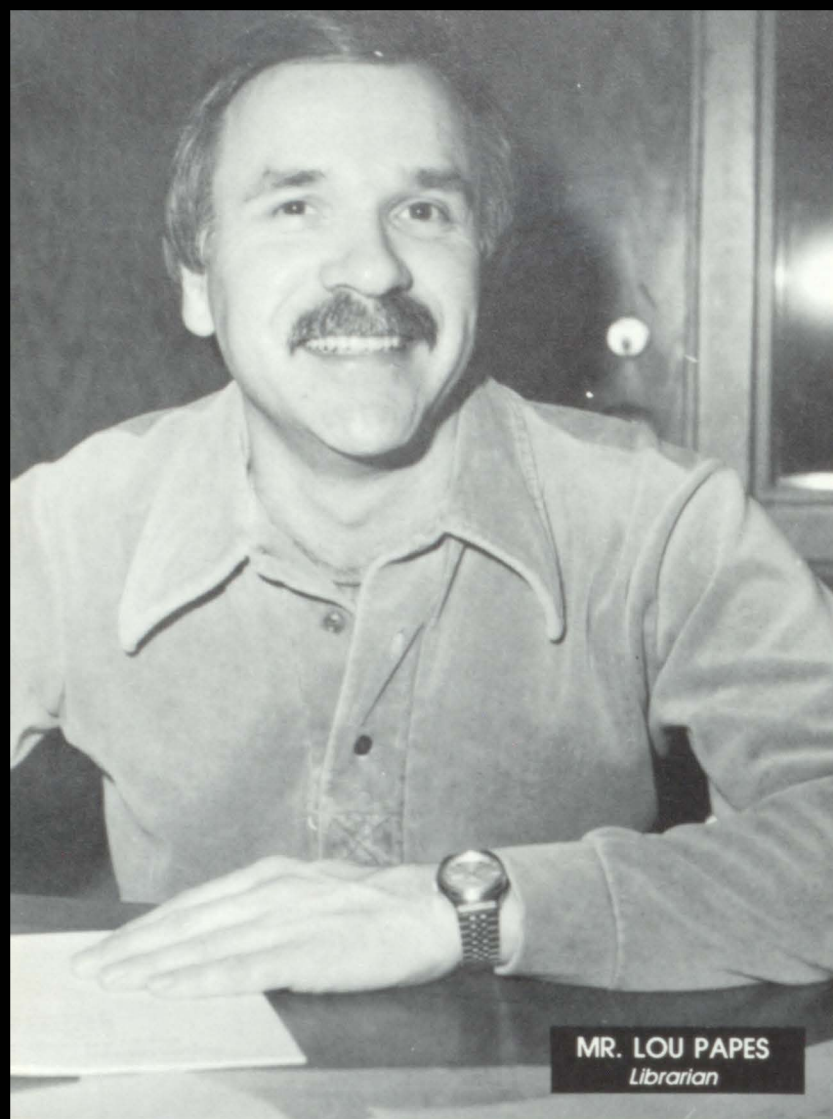

The Guidance Department here at Chagrin Falls High School is a department which helps students be content and successful at CFHS as well as the years following their enrollment here. The guidance counselors aid students in their decision of what type of educational program to follow. The department also helps students determine whether or not they wish to attend college, and if so, which college would be the best for them to pursue their career plans. The counselors are always readily accessible to students seeking advice and help with their problems. Also, the Zenith staff would like to extend a warm welcome to the Guidance Department's newest addition, Mr. John Ryquist.

MEDIA CENTER

COMMONS

Once again, the Commons has proven to be a place where students can go and unwind during the hectic school day. It provides an opportunity for students to get away from the intense learning environment of the high school and relax for a while. The Commons Privilege is a privilege reserved for deserving sophomores, juniors, and seniors. The Commons is supervised by Kay Scolaro and Linda Gilmore (our faithful yearbook advisor).

The Library Media Center is run by head librarian Lou Papes and library aides Nancy Garrett and Cora Woodruff. This year, the library continued its program which is aimed to get students better acquainted with the organizational structure of the library, along with the newly acquired micro-fisch resources. Occasionally, life in the library was livened up by the escapades of certain senior men (such as the delivering of a valentine to a certain librarian).

ENGLISH

MR. JOHN PONIKVAR

Students will see a change in the English Department's program in the coming years, as courses rotate once again back to yearlong length. Mr. May seems to think the many mini-courses offered have just about run their course, and "... following the trend or cycles that have occurred in past years, yearlong classes for each grade will be back in 'style' soon." The loss of mini-courses will be an advantage to some and a disadvantage to others, but it will take some getting used to for everyone. It shouldn't be too bad, however, the mini-courses will not be totally wiped out all at once. They will gradually—over the next few years be replaced by semester and then year long courses to avoid student shock. We'll get used to it . . .

MATH

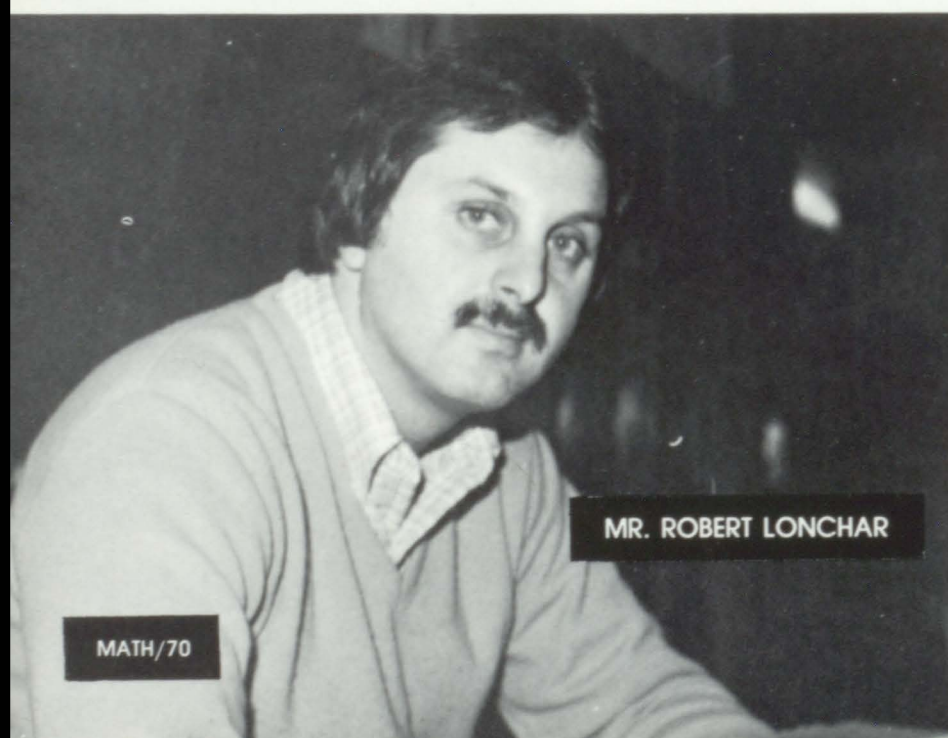

The Math Department, headed by Mr. Stanton, guides the eager students of Chagrin through the perilous twists and turns of the wonderful world of math. The memories of quadratic equations and proportions haunt the travelled souls of Algebra I, while the peculiar tee-off apparatus of Mr. Howell still astounds those students of Geometry. Dealing with real numbers, radicals, exponents, and functions enables the Algebra II student to become slightly daft. (Especially when he remembers that Trigonometry, Analytic Geometry, and Calculus have yet to follow)

Freshman/sophomore Biology, Chemistry, Physics—life wouldn't be complete without these enlightening studies in science. As Mr. Hurst behaves like a lichen, and Mr. Wheatcraft ponders on a chemical reaction that shouldn't have reacted, and, finally, as Mr. Hensel gleefully pulls out his "toys" to illustrate a point, students sit, mesmerized, as quantities of knowledge flow to their brains. Changes in the science program are very slight, the one noticeable change being a change calling "Senior Chemistry", "Physical Science Seminar".

Ah, what would students do without daily doses of A.P. History, American Government, or the dreaded Sociology? These social studies courses—like the others offered by the department, have not changed much this year. One additional requirement, however, has recently been made—students must now take either sociology or economics to graduate. It's okay though; there will *always* be room for one or two Modern World history classes. Thanks should be given to those experience history teachers who have the definite knack of getting students jovially through what otherwise might be dreary, dreaded history classes.

LANGUAGES

The language department, headed by Mrs. Carolyn Hanson, provides an opportunity for students to gain exposure to other cultures and their languages. Any student in the high school may take advantage of this department's offerings. Hopefully, the language courses will provide students with sufficient background to pursue study in the language of their choice if they wish to do so.

-HOME-EC.-

The Home-Economics Department's courses, taught by Mrs. Jane Morris, are designed to give students experience in the area of cooking and sewing. Students learn about food value and cloth quality, then apply what they have learned to practical labs. More often than not, students and their friends are rewarded by successful creations.

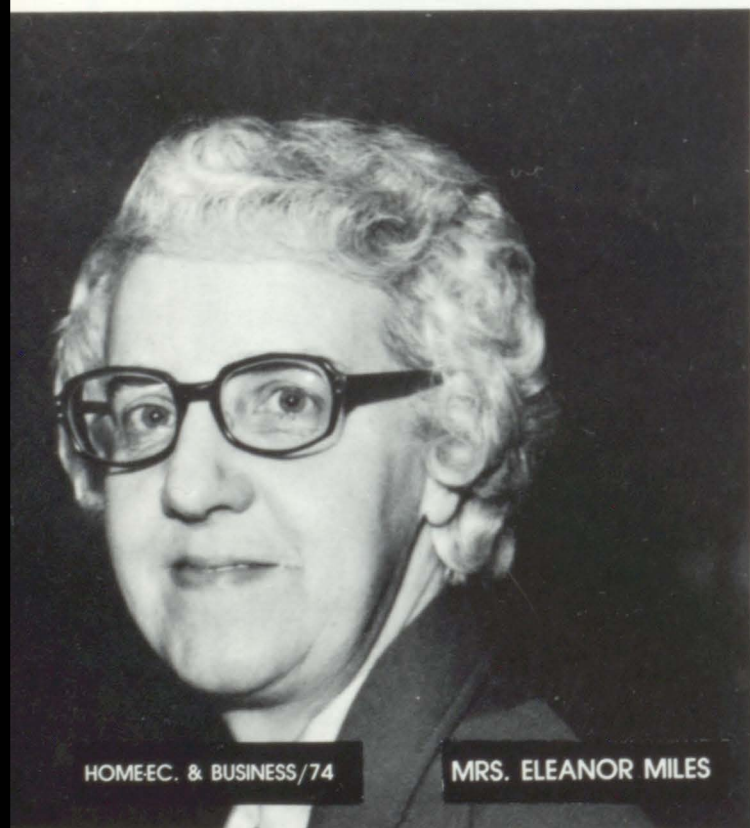

MRS. JANE MORRIS

-BUSINESS-

The business courses at Chagrin Falls High School are taught by Mrs. Gloria Powell and Mrs. Eleanor Miles. The courses offered are practical for any student regardless of whether or not the student is planning to attend college. The most common business course taken by Chagrin Falls students is Typing I. Any of the Business courses offered here can be helpful to a student when looking for a job.

MRS. GLORIA POWELL

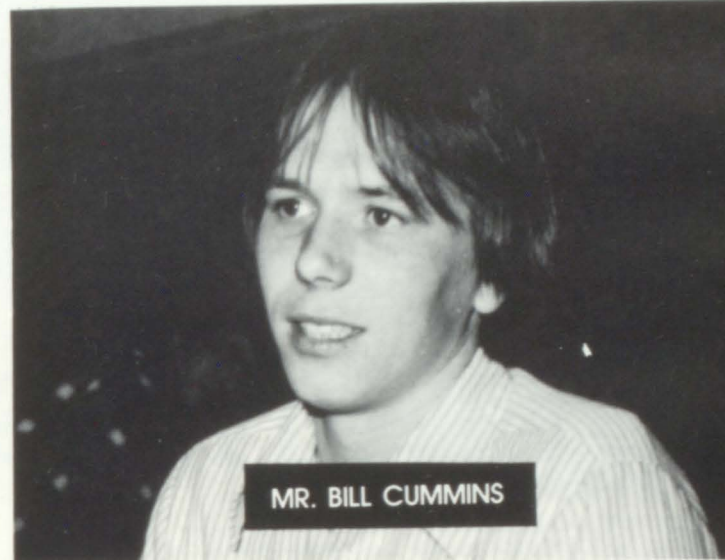

MRS. ELEANOR MILES

ART

The Art Department sported a new member this year, Mr. Bill Cummins, who teaches among other things, ceramics & sculpture first period. Also, a wider range of courses was offered in both two dimensional work and crafts, from Drawing and Design, to Textiles. Mrs. Weber, aided by Mr. Cummins, succeeded in enlightening even more minds to the total self-expression of the art world. They encouraged their art students to express their true and inner feelings through their art work. Most students leave their art classes with a feeling of self-satisfaction that they really can create something on their own—with their own hands.

MRS. JULIE WEBER

INDUSTRIAL-ARTS

The Industrial Arts Department is nearly impossible to find (especially as freshmen), but once you pass through its doors, you'll know you're in the right place. You can tell by the sawdust. Mr. Olah heads the department and primarily teaches all of the skill deemed necessary to be a successful draftsman or photographer. Mr. Muzevich tends to the skills of the metal and wood craftsmen. Together, they're unbeatable.

MR. MATT CHINCHAR

The Physical Education program here at Chagrin has grown and developed tremendously over this past year. Miss Sandy Dean, the department head, is not only proud of the physical change in the physical education program, but is also proud of the change in the mental attitudes of both the students and the teachers. "I want the kids to respect us, respect the program . . . trust us," says Miss Dean. So far, her wish has been granted. Some major changes in the program include more game playing with definite rules and official regulations, evaluations given only once per grading period, and as Miss Dean says, " . . . more teaching than conditioning."

CHOIR / BAND

MRS. MOLLY MACKNIN

This year proved to be another great year for the CFHS band, directed by Dr. William Foley. With their half-time activities, the band pleased crowds at football games with their marching music, while they also pleased their audiences at concerts with more classical pieces. Each year, Dr. Foley seems to be successful at exposing his band to different types of music.

Every year, Mrs. Macknin proves herself to be a dedicated and successful choir director. This year was no exception. Once again, the choir was extremely busy with their concerts and the spring musical. All of these performances require many hours of hard work done outside of the regular school day. To be as successful as our choir is, both the choir and Mrs. Macknin must put in this extra time.

SPECIAL SERVICES

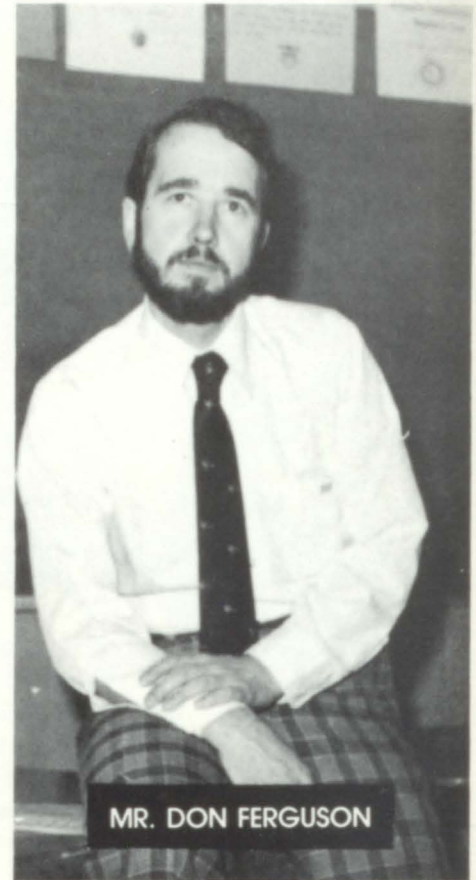

OWE & OWA are programs established to involve and inform the students who aren't sure of their career choice. These programs help motivate student's thoughts toward education by allowing students to explore careers through discussions and experiences. Mr. Girard, Mr. Glaser, and Mr. Ferguson serve as their teachers, counselors, and friends. Without them, such a program wouldn't be possible. Rounding out the staff is Mrs. Zimmerman, school social worker; Mrs. Kramer and Mrs. Warren who coordinate the Learning Disability Department; and Mr. Pitrelli, school psychologist.

ACTIVITIES

A VICTORY 12-7

This years Homecoming began with an unusual event, a car smash sponsored by Student Council. Rain handicapped the bonfire, but there was still quite a blaze. The football game followed. The Tiger rivals, Kenston led at the half 7-6. Mike Bistriz scored his second touchdown of the evening to win the game for Chagrin. Leading rushers for the game were Bill Dooley and Keven Parker. The annual Homecoming Dance followed the victory. Music was provided by the group "Lazer". Senior decorators worked around the theme "The Long and Winding Road."

Homecoming Queen Kim Schlundt and her escort Rob Weber pose patiently for pictures after the coronation. Senior attendants were Jeanie Villo and Kathy Trudick. They were escorted by Tim Mahoney, and Erhard Langer. Other attendants were Mary Beth O'Donnell and Scott Davis, Sally Bartunek and Charlie Bares, and Krysann Siedel and Dave Pearce.

Kathy Trudick, senior attendant, rides along in a convertible during the pre-game procession.

HOMECOMING

No tree is safe from senior men during preparations for the Homecoming bonfire.

A spirited underclassman takes aim at the "Kenston Bomber" provided by student council.

Many couples attended the semiformal dance after the game.

Ken Foley and Sharon Dooley dance down "the long and winding road".

Enjoying pregame socializing with senior adviser Mr. John Ponikvar, are Sheila Salem and Susie Pike (Incognito).

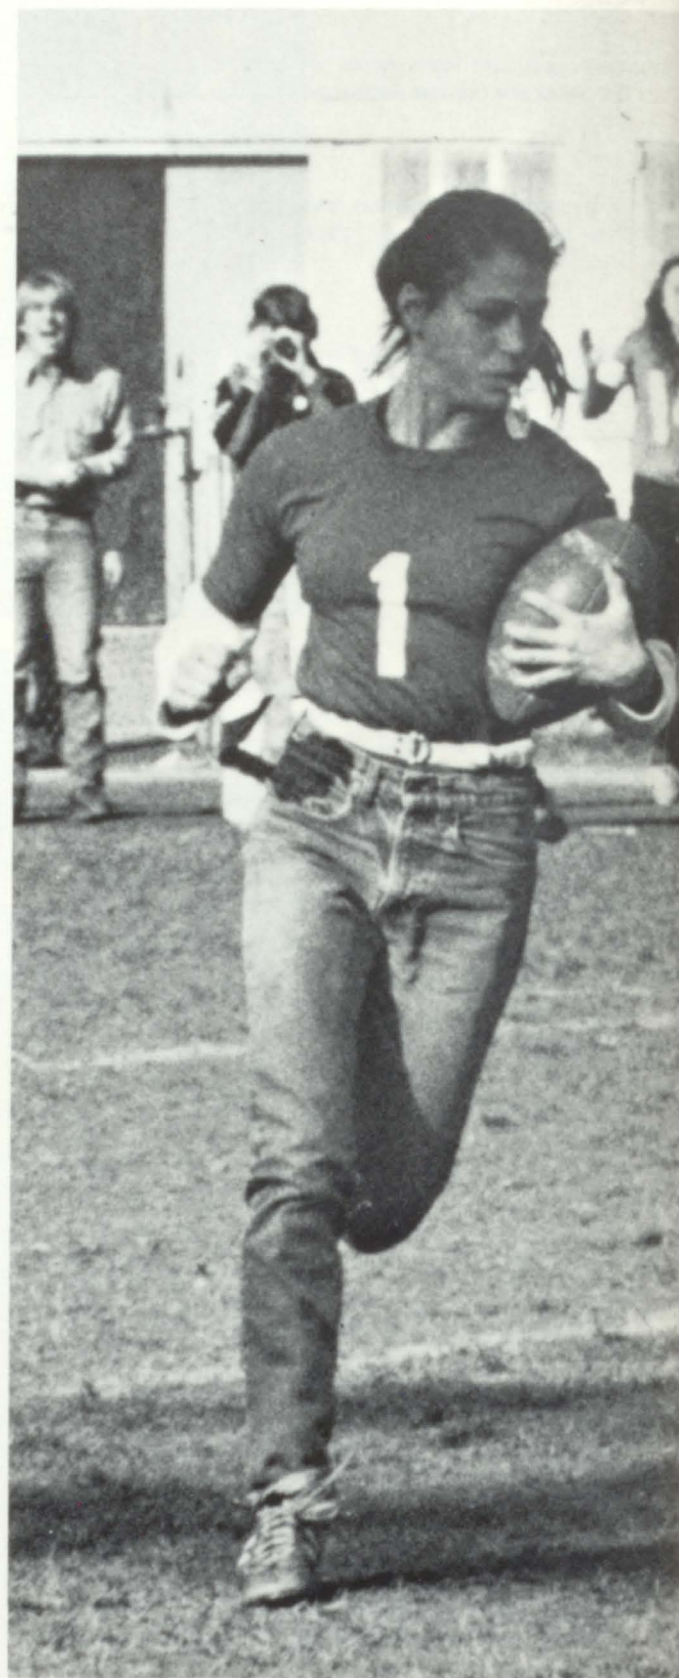

As always, the Junior-Senior Football game proved exciting. After a hard six weeks of practices, the girls met the opposition on November 2nd. The coaches put their strategy to work against each other, for a tough contest. The senior women jumped to an 8-0 lead in the first series of downs resulting in a TD run by Tracy Savage and a 2 point conversion play. The strong and capable defenses held the score for a senior victory. The seniors of '81 graduate with a 1-1 record.

This year the event was highlighted with the first Homecoming "Queen" contest. The all-male nominees were escorted onto the field prior to the game in wheelbarrows. Erhard Langer took the honors over some gorgeous competition.

Still psyched, despite defeat, junior girls Jenny Alexander, Mary Beth O'Donnell, Kate Kelly, Kim Luce, and Laura Martin seem to be enjoying themselves.

JR.-SR. FOOTBALL/84

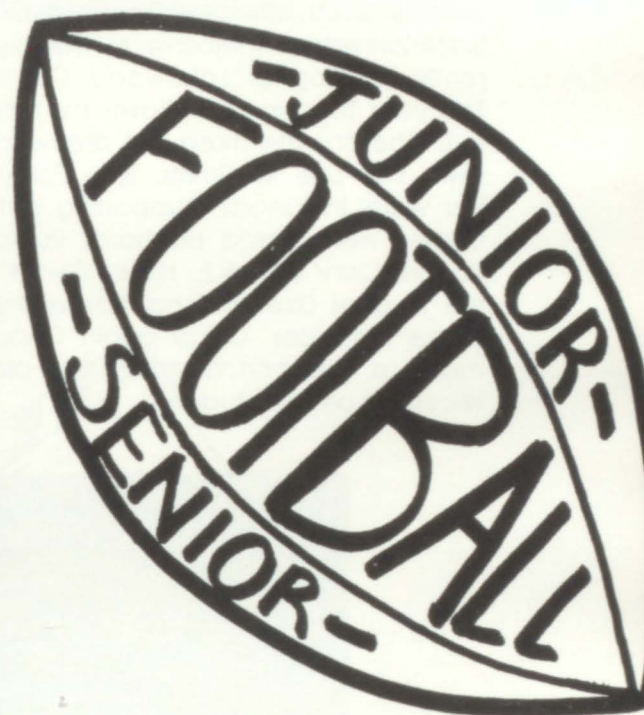

Senior running-back Kathy Trudick goes solo as the crowd goes wild.

Senior women applaud as John Behler, Homecoming "Queen" nominee, streaks by giving them added incentive to win the game.

"Here's one for victory," say seniors Cathy Wilharm, Nicole Duval, Elizabeth Baker, and Sally Garrett as they quench their thirsts after victory.

Junior cheerleaders, Scott Davis, Pat Clawson, Randy Rutkal, Pete Christian, Joey Adelman, and Bill Phillips, cheer on the junior girls, but alas, only to a defeat.

Chagrin Falls High School welcomed a new drama director for the 1980-1981 season. Mr. Fred Sternfeld. Mr. Sternfeld graduated from Kent State University majoring in theatre. He is currently working at Lakewood Civic Auditorium. This year the play *Our Town* by Thornton Wilder was chosen. The three act drama depicts small town life. Sue McGinnis, Ken Foley and Steve Wu were the leads. Supporting actors and actresses were David Hubbard, Ruthann Stratton, Rachel Cary and H.F. Houk. Gwen Griffiths was the Student Director and Allison Unger was the Stage Manager. Once again Chagrin students made a fine performance. The play was well received by the students.

Steve Wu beams after a rousing performance as the narrator.

Sue McGinnis and Ken Foley as Emily and George pantomime a soda fountain scene.

Rachel Cary and H.F. Houk discuss family matters.

Ruth Stratton and Rachel Cary as Julia Gibbs and Myrtle Webb conspire to go to Paris.

Liz Katz and Ken Foley discuss a peculiar letter addressed to the mind of God.

Members of the cast refreshing themselves after opening night

WINTER FORMAL

AFS hosted the traditional winter formal under the starry skies on December 13, 1980. Preparations began quite early and ended late Saturday, rather early Sunday morning. The dance was orchestrated by Slider. This year's theme of Midnight Magic proved applicable to many, as the dance was a success. Karen Johnson, committee chairman and her workers did a great job. It showed.

AFS

Sharon Edwards and Peter Christian make for a very fashionable and content couple as they sit this one out.

Mr. Hensel looks concerned with his wife and Mrs. Nelson and Maus's attempt to heist the cash box as payment for a long night of chaperoning.

Russell Brewer enjoys the company of Holly Gustafsen during a slow dance. Sherry Kucera stands by her man for the evening, Dan Hammonds. It appears that someone has latched on to the debonair Ted Pope as he contemplates this bazarr situation.

MIDNIGHT MAGIC

OABR

The junior Mickey Mouse Club Mousketeers perform a memorable version of Roll Call.

A pleasant surprise was in store for the many Chagrinites who participated in and came to the OABR in 1980. Starting way back in March and amazingly pulling the show together by May, the cast and crew thoroughly enjoyed their successful performance. This year, a twist was added with a 3 teacher judging panel. These judges picked the best singing act—Kris Kunkel, the best dancing act—Sue Ellefson & Drew Trimble, the best comedy—"Fire", and the most entertaining—"The Doctor Sketch". Under the sponsorship of Student Council and the directorship of John Cressman assisted by Steve Siedel, Mark Rullman, Jenny Cook, Sally Garrett, and Kris Bayer, this year's OABR was held in the Ralph Quisenberry Gymnasium for an enjoyable change.

BRIGADOON

The 1980 musical was the last production for the director Mr. Loesch. Mr. Loesch has directed the musicals for the past 14 years.

Brigadoon, one of Mr. Loesch's favorites, is the mystical tale of a man meeting a woman and falling in love. The play takes place in the Scotland highlands during the month of May. The leads consisted of Mark Finley, Rachel Cary, Jim McGinnis, and Jennifer Shelley. Leslie Bassage was the Student Director. The Brigadoon company received rave reviews. Mrs. Macknin did a tremendous job as music director. The cast performed with a high level of energy and vitality. All of the people who had the pleasure of working with Mr. Loesch and enjoying his productions, thank him for sharing his many talents and teaching us to become inspired individuals.

—The clans show their colors in the wedding scene.

—Sue Whyman, Laura Campbell, Nancy Olsen, and Carey Evans, create a gorgeous back drop for the opening market scene.

—Bill Foley and Tim Huff carry on a casual chat in the marketplace

—David Hubbard (far right) narrates the sad tale of Harry Beaton's death.

—Rachel Cary as Fiona wonders just what the magical world of Brigadoon has in store for her next.

MUSICAL OABR/90

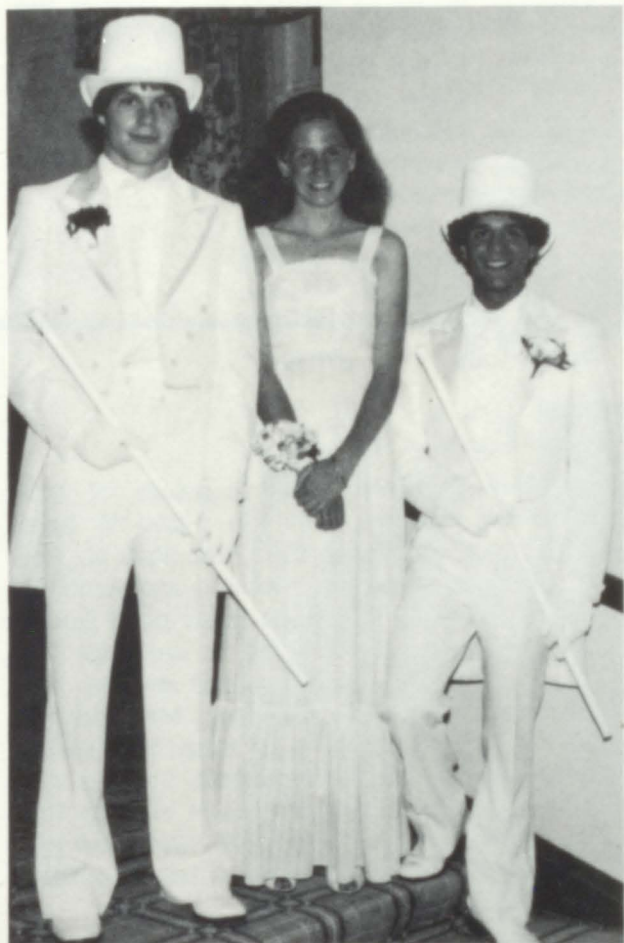

The hard work and dedication of the Junior Class finally paid off. The 1980 Prom was a great success. The Canterbury Country Club was the sight of this annual event. The theme "Here Comes the Sun" was appropriate since many of the couples danced far-into-the-night, to the music of the band Lazer. This was a memorable event that will set a high standard for those to come in the future.

Junior class president, Kent Campbell crowns Joy Kunkel prom queen. Her escort was Jim McGinnis.

PROM '80

Bill Dooley and Ben Miralia put on their dapper best from Cleveland Tux to escort the lovely Lisa Howard.

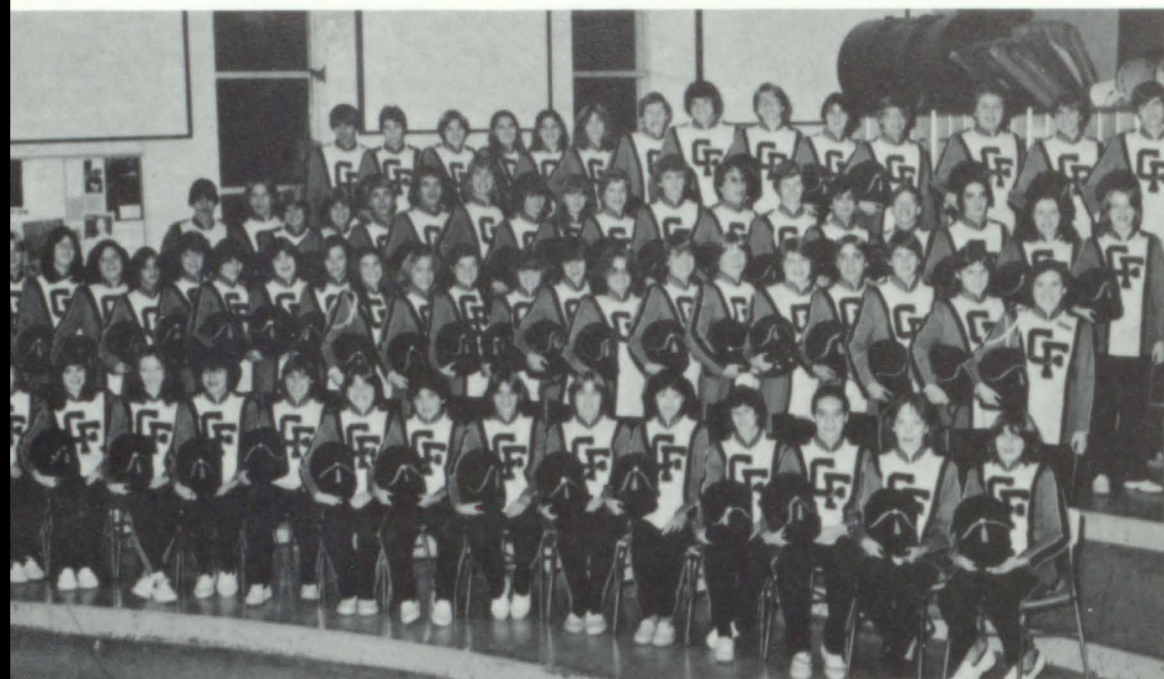

Rick Weber, Carol Bartley, Robin Muller, Tim Huff, Karen Gilbert, Steve Seidel, Chris Swanek and his date take a breather, but behind them Pat Porter and Lee Mewer look ready for some more action.

John Bares steps into the picture with Jim Haistrom, Megan Barrett, Jim Syme, Missy Dunn, Chris Swanek and friend. All enjoyed the gorgeous surroundings of Canterbury.

BAND

The New Era Marching Band is a subtitle for this past year's band. Not only did the band increase by thirty-five members, but there was a new enthusiasm emerging from all seventy-one. Rehearsals began early for the opening routine to the Blues Brothers smash hit "Soul Man" and indeed this was a "soul man" band, dark glasses included. Their renewed talents brought Stouffers Inn on the Square to request that they play for their brunch program.

Even though marching season ends in October, the band continues to perfect their skills in the concert band. They perform three times during the school year. All this practice would have impressed even Handel.

DRILL TEAM

The Tigerettes are a group of girls who perform with the band to help make pre-game and half time a panorama of crowd pleasing movements. This year's Tigerettes used pom pon's, umbrellas, and flags to add to the pageantry of the football season. The dance team's advisor, Mrs. Joyce Moore, along with captain Janet Fruhauf, and co-captain Sophia Adams, spent many hours during the summer helping the girls learn and put the final polish on their various routines.

"Hey Bill, Did you see the form of that last shot?" "Mmmmmmmmm." We suspect he was too busy noting the forms of the cheerleaders.

CHOIR

During the course of the year, the choir prepares for the performance of the Winter and the Spring concerts. They also perform a musical in the Spring. The musical is their biggest production. Many weeks are spent practicing for this event. The money used to put on the musical comes mainly from the profits of the preceding year's musical. Needless to say, the Christmas season is also a busy season for the choir. Aside from the Winter concert, the choir sings at the Federated Church and makes a trip downtown to sing at the Terminal Tower and the Old Arcade. The choir is under the fine direction of Molly Macknin.

Live, Love, Laugh.

During the summer, the Student Council held a leadership workshop in Ellicottville, New York at the Bares Family Farm. At this workshop, the Student Council members became closer friends and learned how to improve leadership, communication, and problem solving abilities. When the three day workshop came to a close, consensus of opinion tended to lean toward the prospect of this being a very successful and productive year for the Student Council. Both of these opinions have proven to be true. Among the many projects The Student Council tackled this year were: the annual car rally, hall decorating, hunger drive, and OABR. Of course, the major project of the year was Friend's Day, a day dedicated to building friendships. This day, to the relief of those involved in its organization, was a smashing success. In fact, the entire year was one the whole Student Council can be proud of.

This year CAB (Commons Activity Board) has proven once again that they're concerned about student's interests. CAB carpeted a room for quiet study or meetings and also brought in some furniture. They also paid for paneling and new drapes. Besides sponsoring a dance and selling donuts, Cab entertained the community children with a "Lunch with Santa" program. Children got to talk with "Santa", eat lunch and listen to carols performed by the Grannies.

The Commons is constantly improving with the ready assistance of each and every CAB member. Thanks to Kay Scolaro (adviser) Tracy Savage, Roberta Sworan, Cathy Wilharm and Sharon Dooley.

NHS

Opening the year in August, the NHS members of '81 hosted the '80 alumni at a barbeque at the home of Sally Garrett. The 7:30 a.m. meetings produced a successful fall induction for new senior members. Throughout the year members were called on to tutor fellow students. In the holiday spirit NHS carolled in town and went to Kim Schlundt's for a sled riding and pizza party finishing with marathon ping-pong.

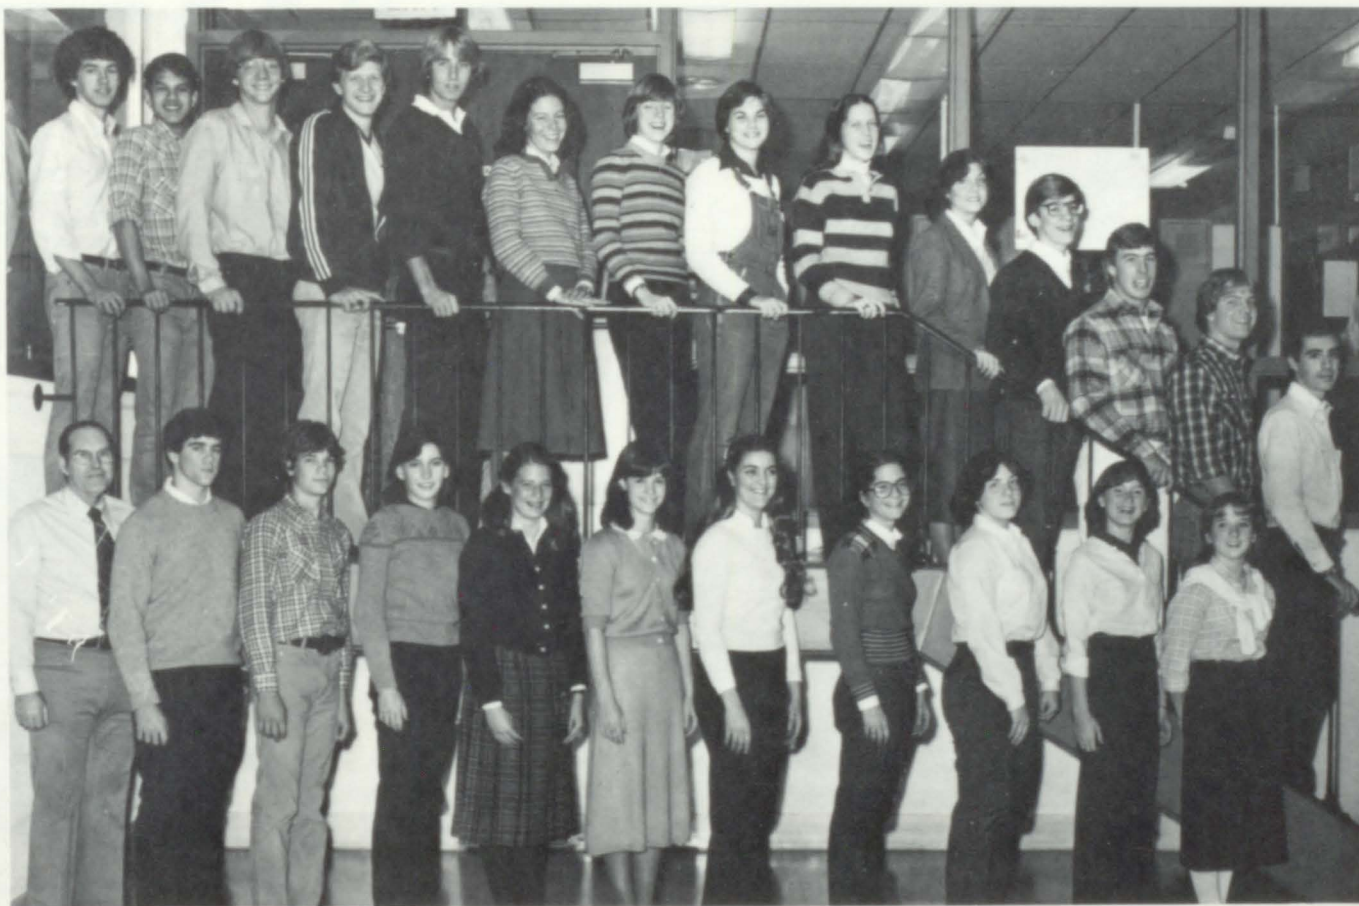

The spring brought in new junior inductions and the Honor's Banquet. This year proved busier for NHS than before under the direction of Mr. Neal Wheatcraft; Kristin Bayer, president; John Bares, Vice president; and Kim Schlundt, secretary/treasurer.

GRANNIES

Grannies got off to an unusual organized start with the famous doo-wah announcements to recruit new members. Initiations roused the unsuspecting underclassmen from their cozy little beds to give them a blind man's tour of Chagrin at 7:30 a.m., followed by chilly cider and donuts.

The Christmas season brought a busy schedule highlighted by the profitable performance at St. Joan's, Metzenbaum, and the first lunch with Santa at Harve's; Windsor, Wade Park Manor, and Rainbow Babies and Children's Hospital. Singing for their supper at Our Gang Two and the party at Missy Dunn's capped off The holidays. Plans for the spring include performances at other institutions and the OABR.

1980 and 1981 were successful years for A.F.S. In September, three Chagrin students returned from their A.F.S. experience. Gwen Griffiths returned from Australia, Megan Barrett from France, and Hilary Diamond from Italy. Stephanie Katz returned from Wisconsin in January. Students visiting Chagrin Falls from abroad were Eduardo Guerrero and Ofra Shaked. Eduardo was from Mexico and Ofra was from Israel. This year's A.F.S. domestic program student visiting Chagrin Falls was Joel Trollinger from California. The A.F.S. Club officers this year were: Gwen Griffiths—President, Karen Johnson—Vice President, Karen Parker—Secretary, and Missy Dunn—Treasurer. The Club's main activities were the Winter Formal, Peoples and Cultures Tour and a canoe trip.

TIGER TIMES

The Tiger Times—with a new name, new publisher, and new style, has improved greatly over the past year. Susan Darden was this year's editor-in-chief, with Mr. Papes as the faculty advisor. More experienced writers have made the paper better reading material, which has encouraged students to buy the paper and check it out for themselves. This past year has proved to be a good one for The Tiger Times, but it will most likely continue to improve over the years to come.

PRISM

Prism is a literary magazine composed of poetry and artwork submitted by the high school student body. These submissions are judged on a monthly basis by the members of Prism. The main aim of Prism this year was to make the student body aware of this fine arts magazine. This year's literary editor was Hilary Diamond, art editor was Bev Dahl, and managing editor was Sue Doman. Lettie Kinloch was in charge of promotion and Hope Gumprecht was in charge of circulation. Julie Weber and Frances Jenkins were the magazine's Faculty Advisors.

The German Club is the largest of the language clubs. Any German student may participate. Officers and representatives are elected in September for the year. The club visits the German restaurant, the Hofbrauhaus, at least semi-annually. Other activities include dinners, a Blossom Time parade float, and Christmas caroling. The most exciting activity is a skiing trip to Peak-n-Peak Ski Resort over the Martin Luther King weekend. Mr. Gerhardt is the Club's advisor.

This year's Spanish Club enjoyed many fiestas throughout the school year, but their biggest plans were for their trip to the home country. Students had the opportunity to spend their Spring Break in Spain to really catch the spirit of the country and apply their second language.

The 1980-81 French Club started the year out with a bang: the fabulous annual Sundae Party which brought in a lot of hungry stomachs and a big profit. Other activities this year ranged from a fun Fund-raising project called the Service Auction, where members auctioned off various services, to an exquisite French dinner at the Wagon Wheel. Earnings from the year were used to sponsor the Famous Tour de Chagrin; this bicycle race around town was almost as exciting. Madame Colignon, the club's advisor, and the club's officers—Karen Parker, Akos Harmat, Amy Gross, and Joanne Schneider were all pleased with the success of each of the French Club's activities

Future Teachers of America gives students who are interested in teaching some exposure in the different fields of education. Some of the members, during their free periods, go over to Lewis Sands School to assist the elementary teachers. Each year the group takes a field trip to an area school, which work with students who have special learning problems. Last year the members went to Metzemaum. This year they plan to observe the Center for the Blind. The group is advised by Mrs. Nelson.

The Ski Club is a club for skiers and non-skiers alike. On Tuesdays the group takes a bus to the Brandywine Ski Resort. Non-skiers can receive instruction from qualified instructors. Enjoyable evenings on the slopes are their own reward.

The Debate Team is one of the most powerful Chagrin Teams as they have consistently gone to state level competition year after year. Last year was no exception. Senior men Will Foley and Steve Wu made it to elimination rounds at State. Steve had earlier captured the Lincoln Douglas Debate Championship at the Northeastern Ohio National Forensics League District and went to the National Debate Tournament last June at Huntsville, Alabama.

This year the National topic is Consumer product safety and the team has already made a strong start. Seniors Bill Lewis and Steve Wu began the year at the nationally renowned Georgetown University Forensics Institute and after several weeks in the season have tied for first place at two invitational tournaments. The team will again be a district power and its future looks even brighter with sophomore debaters Liz Katz, Julie Arthur, Jim LaRue, Sarah Lang and Barbara Waddington.

STAFF

Three beautiful junior girls, Lee Philpott, Lee Cole, and Bev Dahl, take time out from their layouts to flash a smile at Damian Sells, faithful photographer.

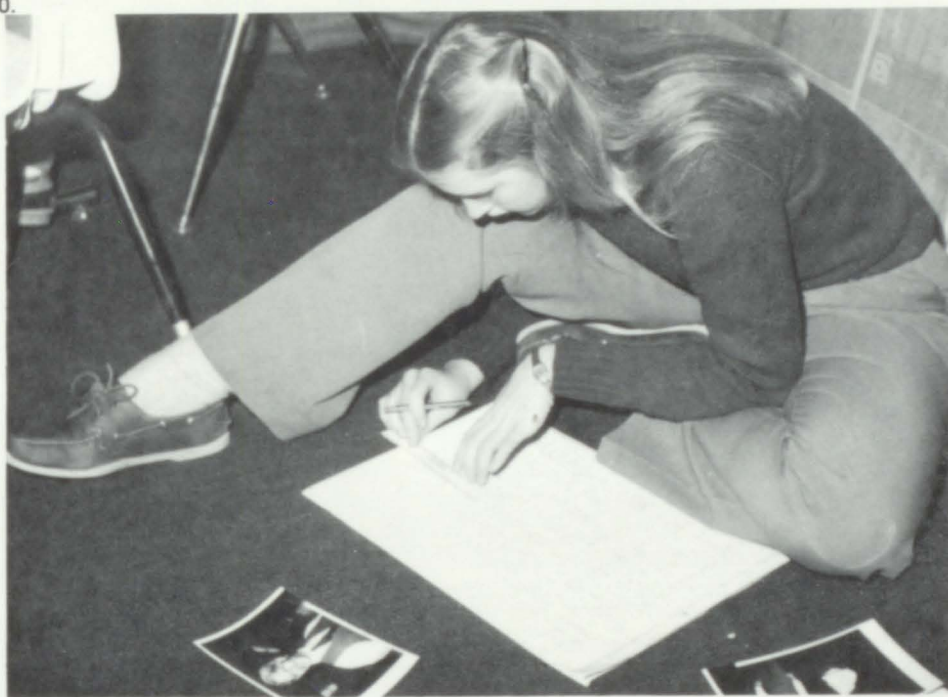

Secretary Carey Evans punches out some exciting copy on Mrs. Gilmore's wellHoved manual.

No one knows all the talents hidden under the surface of these charming ladies. Sally Garrett and Kris Bayer, Zenith Editors show their advisor, Mrs. Linda Gilmore some of the few pictures they did not take. Along with photography, layout design, cropping, copy writing, art design, and general organizing, these women are responsible for pages 1-160.

The 1981 Zenith has been in process since August. Things looked promising as ads and yearbooks were sold by a staff of 40. The first big task was the color section, which is for the first time, as large as 16 pages. Come December, the staff moved into single digits and things were rolling upon the return from Christmas break. Some of the biggest hassles were senior pictures, faculty, picture shortages, and of course, deadlines. Many trying hours after school and weeknights (7:00-9:30) have somewhat miraculously produced another fine edition of Chagrin's own Zenith. Good-Luck next year!

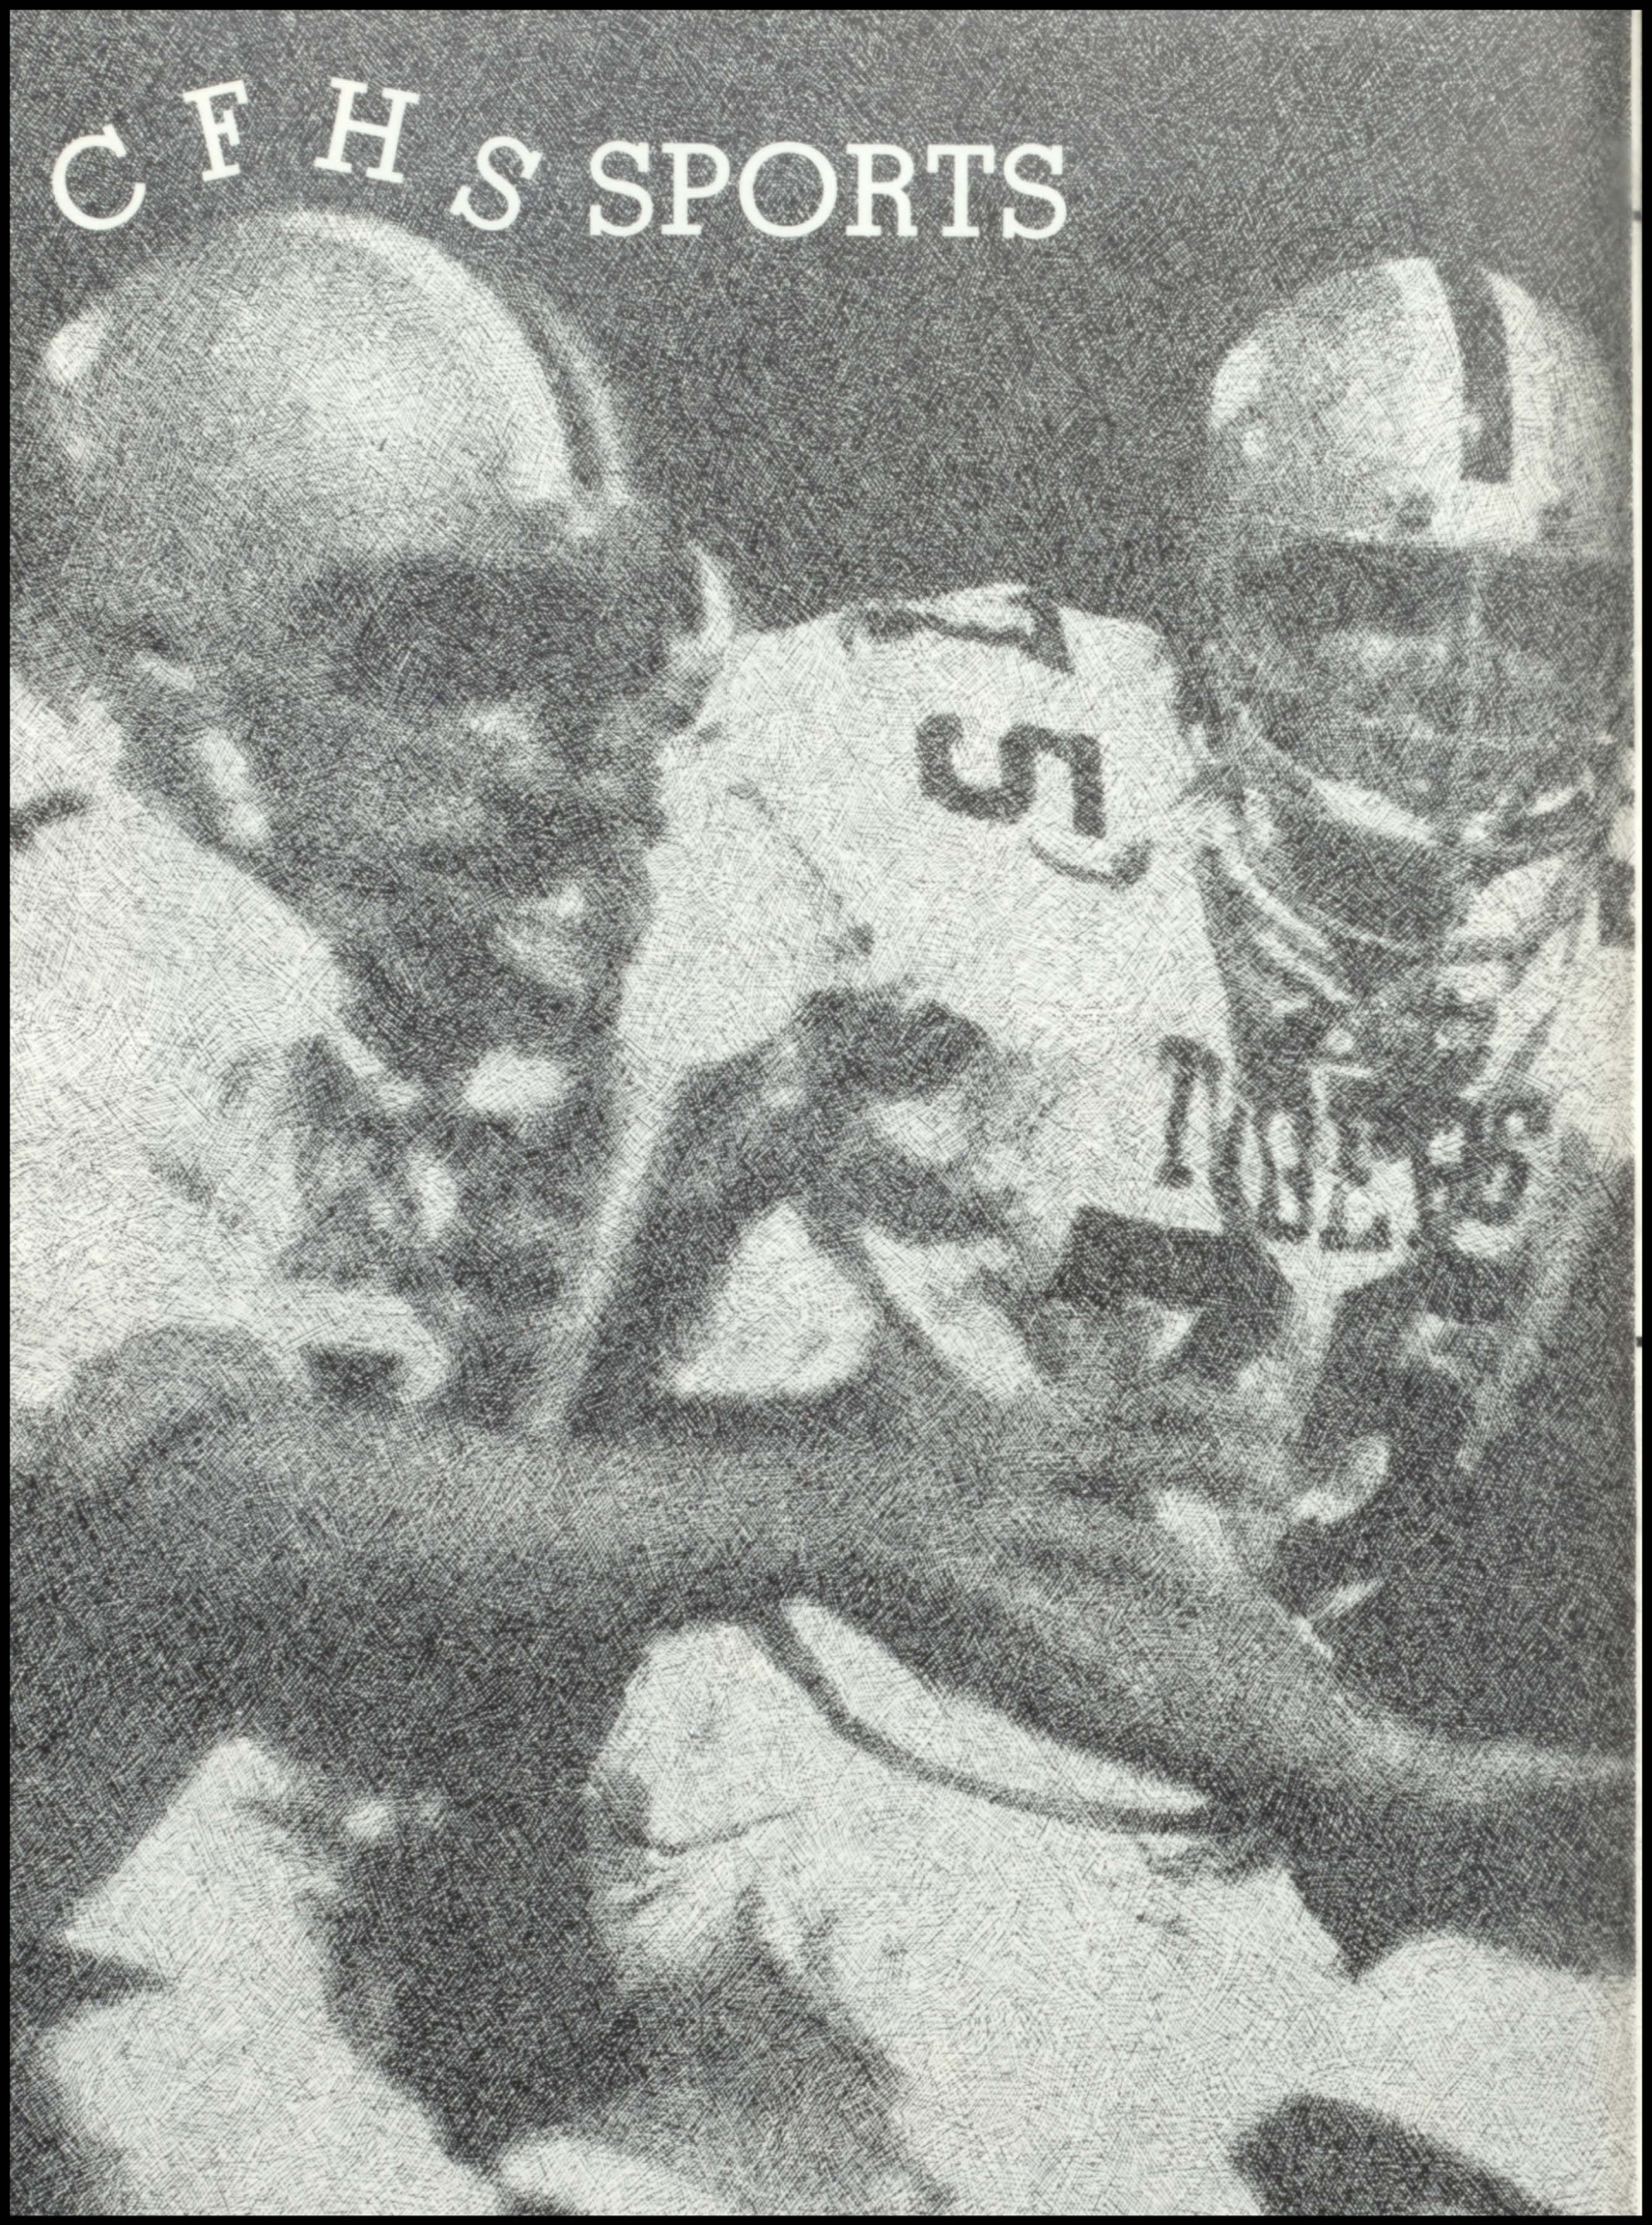

Good-old Bev Dahl cranks out another layout. This time she creates the Fall Play spread you see on pages 86-87.

The dependable Michelle McHenry, Heather Halagan, and Melissa Schoeppner really do enjoy their long hours of Zenith this much.

C F H S SPORTS

Jane Phend concentrates on clearing the bar during one of the many meets at Solon.

Last spring, the girl's track team continued its winning tradition. They not only finished second in the league, but sent many Lady Tigers to district competition in Independence. Senior Lee Meyer, the team's highest scorer, qualified for State, where she placed seventh in the 100m hurdle. The other seniors on the team, Carol Bartley, Leslie Gilbert, and Sue Wise, also contributed outstanding performances. This year the ladies look forward to another successful season with the help of returning lettermen; Sally Garrett, Tracy Savage, Jenny Alexander, Debbie Mendelsohn, Jane Phend, and many others. The winning tradition was not made to be broken!

GUYS TRACK

The Varsity Boys Track had a successful season, keeping in pace with those of previous years. Leading the Tigers to many victories was senior Dave Revelle, with his record breaking times in the 440 yard run. The team was not led by a few, but rather by everyone. Every event was well covered by many Tiger team men leaving virtually no gaps for their competitors to slip through. The team ended their season 4th in league standings. Though several missed going to state by only a fraction, the team did send Dave Revelle to state in the 800 yard run and the 440 yard run, in which he placed second. Pat Porter also did his life-time best in the pole vault in his state competition.

CVC champs in 1980, the varsity baseball team had an outstanding season. Jon Groth, Steve Bridges, and Doug Wheatcraft led the successful team as tri-captains. The team received top honors in the CVC for Most Valuable Player: Jon Groth; Coach of the Year: Lenny May, 1st team ALL LEAGUE: Jon Groth—pitcher, Steve Bridges—3rd base, and Doug Wheatcraft—outfield; 2nd team ALL LEAGUE: Bob Elliot—outfield and George Cotter—shortstop. With a 12-2 league record and a 16-3 overall record, the strength of this year's team and its leadership is strongly evident. The team placed much of the credit for its success in the capable hands of senior pitchers Jon Groth and Steve Bridges. Jon's pitching earned a 7-1 record and Steve's pitching merited a 6-1 record. Junior Kevin Parker led the CVC champs with a .412 hitting average, entitling him to the honors of the 6th best Tiger Hitter in the past decade. Junior Jerry Elliot with a .383 average places 9th in that group, Doug Wheatcraft with a .375 at 10th, Jon Groth with a .365 at 13th, and Steve Bridges with a .361 good for 15th. Under the leadership and coaching talents of Mr. Jim Bucar and Mr. Lenny May, the team has established depth to insure outstanding seasons in the future.

Beginning the season, the 1980 tennis team had a difficult task confronting them. The top four players from the previous team all graduated, and another varsity player had moved out of the district. Thus, only two of the seven members of the 1979 team were back! Fortunately, experienced players moved into the district to help fill the void. Jeff and Scott Davis moved in and won the 1st and 2nd singles positions, while Tim Mahoney moved back to Chargin to team with Kent Cambell at 1st doubles. Senior, Chris Cordes teamed with sophomore, Dale Wyville for the 2nd doubles spot. The surprise of the season was junior, Kevin Ryan, moving up from 2nd doubles the previous season to 3rd singles, where he enjoyed an undefeated season winning 14 straight matches. For his efforts, Kevin's teammates voted him most Valuable player. With five returning letter winners, the team should be strong in 1981.

The Varsity Girl's tennis team had a very successful season, considering the fact of losing five senior lettermen. The team placed third in CVC play, and fifth in the Northeast Ohio Tennis Association. The important key players were Sue Pike, Jenny Mills, Nancy Powell, Patty Kravitz, Lisa Bolster, Karen Scott, Sue Magee and Paula Gallimore. Sue Anderson alternated in second doubles. Contributing to the success of the team was the closeness of the girls, each belonging to the Weffie and Gangreen families. Also, the moral support of team captain, Sue Pike, kept us in high spirits. A special thanks to Carolyn Hanson, for all her help and understanding throughout the season.

Sue Anderson keeps on her toes as she hits a successful backhand down the line.

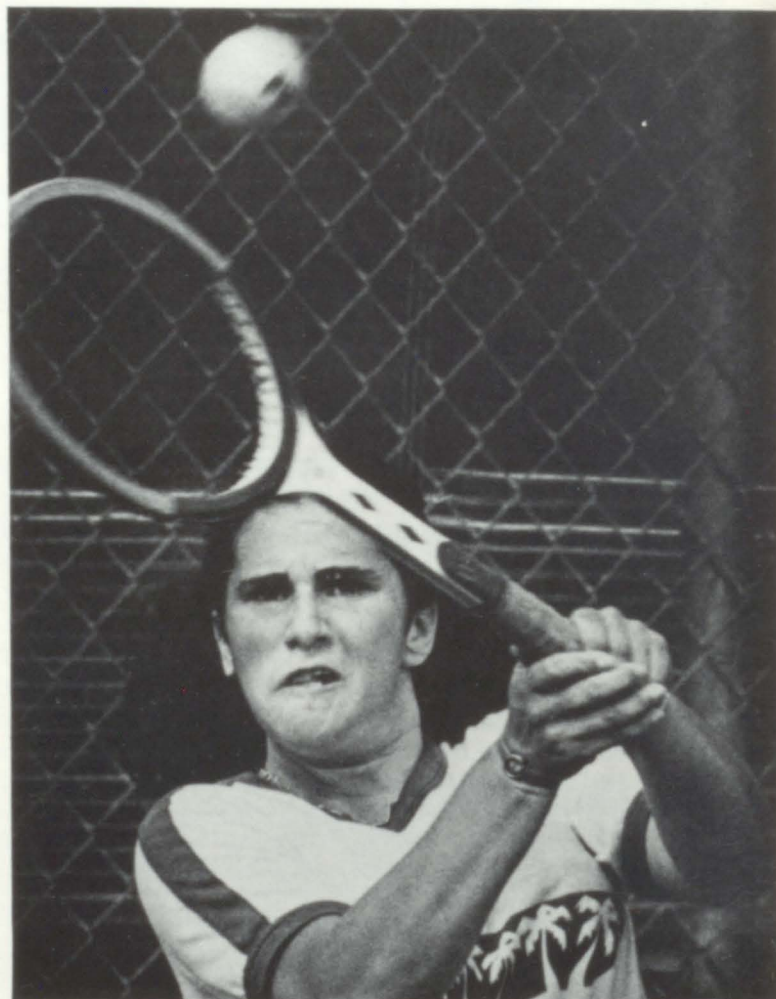

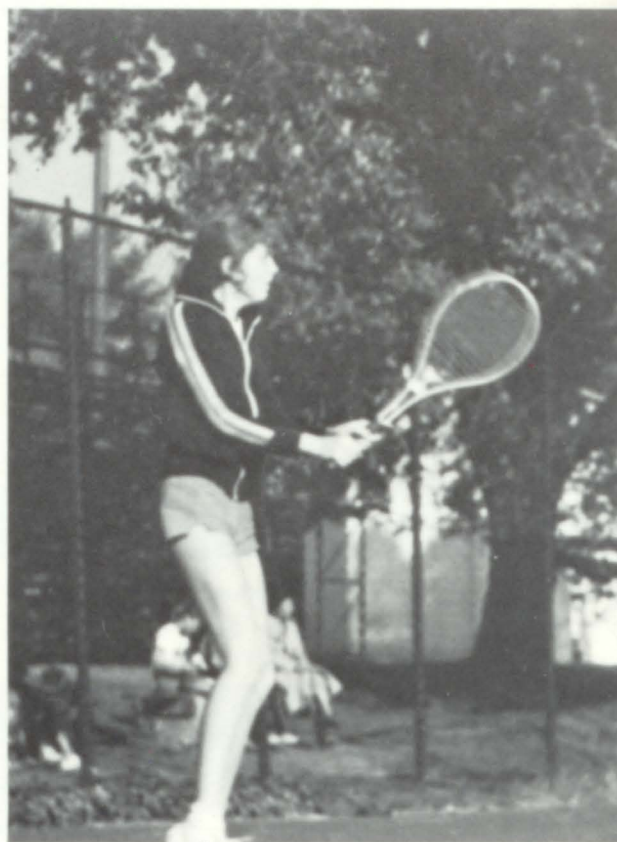

Patty Kravitz shows the intensity of her playing. She led the team at a constant first singles, and was chosen all league.

Aiming for a successful tennis career, the JV girl's tennis team had a good season. Key players for the J.V. team were Sally Bartunek, Diane Mahoney, Meg Doman, Chris Clawson, Darla Wall Katie Harvey, and Tracy DeCroce. This Year's team was coached by Mr. Sharnas from Chagrin Falls Middle School.

VOLLEYBALL

The 1980 volleyball teams practiced hard virtually all summer starting with camps and then long, hot hours of workouts in the gym. The girls had tremendous potential, but were disappointed in their season.

GIRLS 1980 CROSS COUNTRY RECORD

The girls cross country team got off to a running start with a tremendous team victory over Kenston. The team continued to succeed in their dual meets and ended the season undefeated. The guys team had their share of ups and downs with injuries keeping some of their top runners from competing. Both teams did well in the invitationals, and the girls were consistent in placing 3rd or 4th out of approximately 11 teams each meet. Jeff Ferguson—freshman and Chris Holcombe—senior ran their way straight to districts while the gals ran straight to state. This was the first time the girls cross country team ever advanced to the state championship meet. This honor was well deserved for the girls team worked very hard and showed great dedication throughout the season—D.P. Gals!

VARSITY

The Varsity Football season saw two improvements over last year. The first was that of the weather which was considerably warmer than past years, and more importantly the team's performance was up. They improved their record to 6-4 and in doing so placed many tough Tiger men on Dream Teams, as Press Stars, and as Player of the Week. This year was also a good building year. The team increased in versatility and depth out of necessity because they were relatively small as compared to Solon and West Geauga who increased in size. The team had a good year and has high aspirations for next year's team and season.

"Coach our practice wasn't that bad."

Chagrin Falls J.V. squad proved to be a formidable opponent. Leading the offense were Tony and Mark Miralia. With the exception of the losses to Solon and West G. the offense had no trouble winning big. The defensive team led by Gebler, Stack, Cummings, and Shukys executed the needed tackles. Doug Cummings volunteered that the team was "basically a second half team. It took us the first half to get going." Coaching credits go to Coaches Erenblet and Shutts.

FRESHMEN FOOTBALL

FRESHMAN FOOTBALL Row 1: Dave Pearce, Dave Cosentino, Jack Subel, Paul Miller, Tim Porter, Eric Gebler, John Dishong, Tim Plai, Treg Charlton, Greg Nelson, Bob Hartman. Row 2: Jeff Sutcliffe, John Durkee, Eric Phillips, Chris Barnes, Wendel Robinson, Dan Badal, Kevin Wright, Mark Girard, Jeff Newhouse, Scott Hill, Marc Ladyga, Jim Shukys. Not pictured: Chris McConkey, Pat McKeough.

Making their first appearance at the high school, after being undefeated at the middle school, the Frosh Football team had an excellent season. The only lapse in the otherwise perfect year was the loss to Solon. The big upset was the unexpected win over West Geauga 6-1. This was West G's only loss of their season. Porter, Plai, and Gebler were the main ingredient that creamed Aurora 51-0. Tacklers seeing alot of action were Charlton, Robinson, Plai, and Porter. Jeff Newhouse predicted that next year's J.V. team will be "the best J.V. in Chagrin history."

Frosh offense goes for the first down.

The Varsity Soccer team had a tough season this year, playing many top-ranked teams including North Olmstead and Brecksville (who finished in the top 4 in the state finals). The Tiger Soccer team's overall record was 8-9-2 and their CVC record was 4-2, giving them a tie for the championship with West Geauga. Named to the CVC All Star Team were: Captain Rob Weber, Ehrhard Langer, Kevin Ryan (1st team). Akos Harmat, Ned Sarkisian and Mike Worstell were named to the 2nd team. Top scorers for the tigers were Kevin Ryan with 16 goals and 6 assists and Akos Harmat with 6 goals and 2 assists.

=WRESTLING=(Cont'd)=

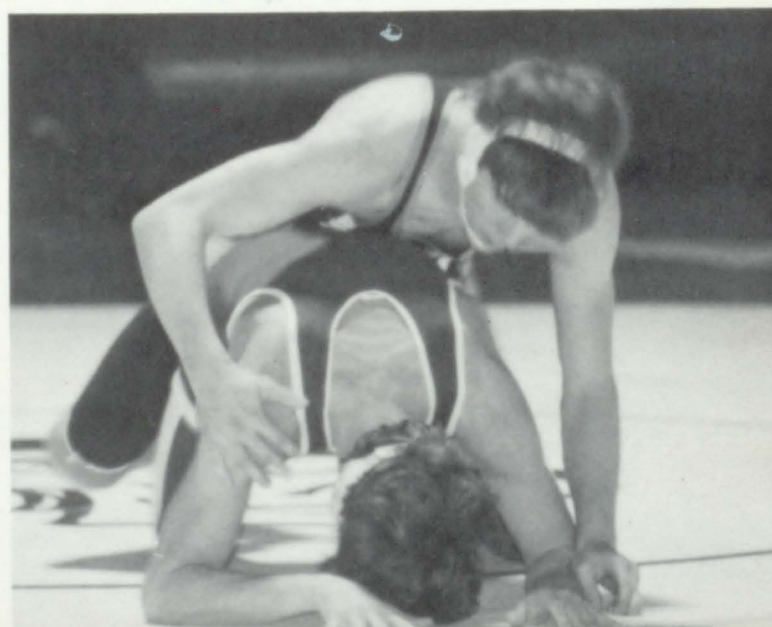

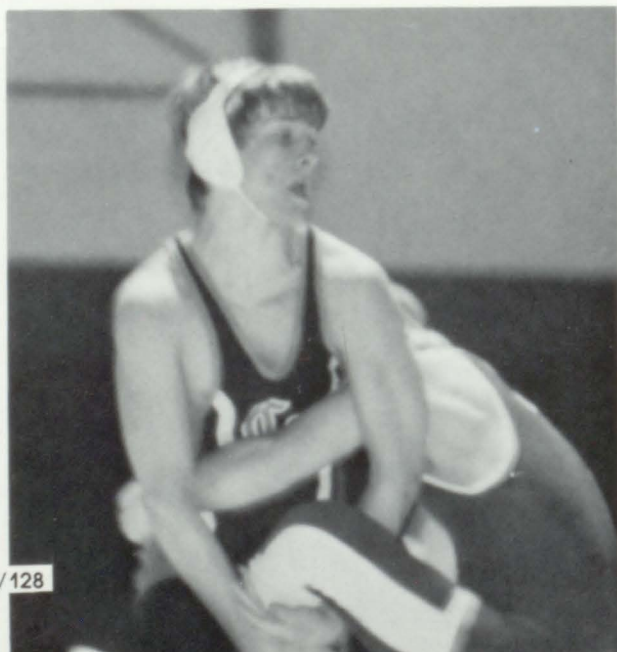

The 1980-1981 Chagrin wrestling team was fairly young this year. Among the wrestlers were 10 sophomores, 8 juniors and 5 seniors, all of whom have wrestled varsity matches. Some of the sophomore wrestlers were: Scott Hovet, Doug Himes, Jim Dustin, Scott Russell, Steve Richardson, Tim Fury, Rich Atkinson, Jon Gibley, Mark Masters, and Brian Milloy. Among the junior wrestlers were: Charlie Heilman, Nick Trudick, Pat Clawson, Eric Feucht, John Updyke, Doug Green, Jim Jenson, and Doug Black. The seniors included Matt Rowe, Brian Davis, Todd Roeder, Kevin O'Donnell, and Steve Loy. Such a young team will definitely be strong in upcoming years. The team was fairly healthy this past year. Only a few wrestlers missed matches due to injuries. In addition to dual meets, the team participated in 4 tournaments and had numerous individuals place in each tournament. Hopefully, the team will have advanced individuals in the tournaments at the end of the season.

GUYS VARSITY

Back row: Coach Mattern, Randy Rutkal, Tim Mahoney, Chip Zachem, Steve Diedrich, Steve Alpeter, Bill Dooley, Coach Wyville. Front Row: Don Shanklin, Bill Morgan, Jim Solether, Mike Bistriz.

This year's basketball team was a young team with only two returning letterman, seniors Bill Dooley and Tim Mahoney. The team was lead by Steve Diedrich scoring and rebounding, while Steve Alpeter also helped out on the boards. Don Shanklin and Bill Dooley played the wings while Mike Bistriz controlled the team at point guard. Bill Morgan and Kevin Clegg saw much action as substitutes. Randy Rutkal, Chip Zachem, Scotty Davis, and Jim Solether saw limited playing time, but their dedication in practice helped the team improve. The team started out slowly but ended up winning 7 of their last 8 games. The two biggest victories of the year were when the Tigers travelled to West Geauga for an exciting victory, and the home victory against the favorite Twinsburg.

Junior Don Shanklin puts up another two for the Tiger team's lopsided victory over the Greenmen.

BASKETBALL

Junior Steve Diedrich reaches high in the sky, dwarfing his opponents as Don Shanklin keeps the other greenies in check.

Another junior, Scotty Davis, has got his shot all lined-up and waits for the points to rack up.

Coach Wyville is very protective of his team and their home grounds. He will allow no one else to mop up the floor.

Scotty Davis misses the tip and tries to avenge his honor by crushing the big Greenman's wrist.

Jim Solether got that one past that little guy with a graceful effort.

Chip Zachem really knows how to have a good time. Enjoying warming-up with him are his buddies also featured on these pages.

Bill Porter casually tips it in, leaving the other guys in the dust . . .

Back row: Tim Plal, Marc Ladyga, Tim Porter, Treg Charlton, Jack Schmidt, Bob Hartman, Pete Hyde, Steve Laird, Dave Pearce. Front row: Jack Subel, Mike Young, John Dishong, Dan Badal, Doug Knipper.

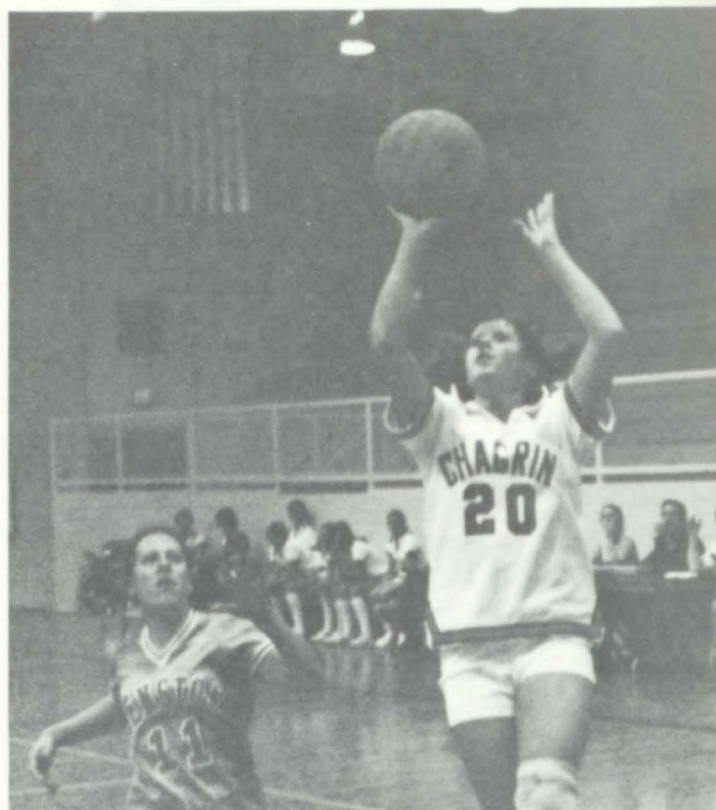

GUYS FRESHMAN B-BALL

GIRLS VARSITY BASKETBALL

The varsity basketball team had a good season this year. Leaving a record of 14-6 overall for the season and 11-3 in the CVC, good for second place in the league. The team lacked height, which was a problem in some games, but made up for it in speed and spirit. The games this year, once again, proved to be very exciting.

The Tiger girls team was made up of Seniors: Robin Muller, Diane Ratzlaff, Jennifer Cook, and Sarah Linn, Juniors: Laura Martin, Jane Gluf, Sue Beattie, Janine Groth, Mary Beth O'Donnell, and Enita Morrison, and Sophomores: Jane Phend and Shelly Toth. With Jane Phend leading in scoring and assists and Diane Ratzlaff leading in rebounds, the team should do well in the tournaments.

Junior starter Jane Gluf lays one up for a Tiger victory over Kenston.

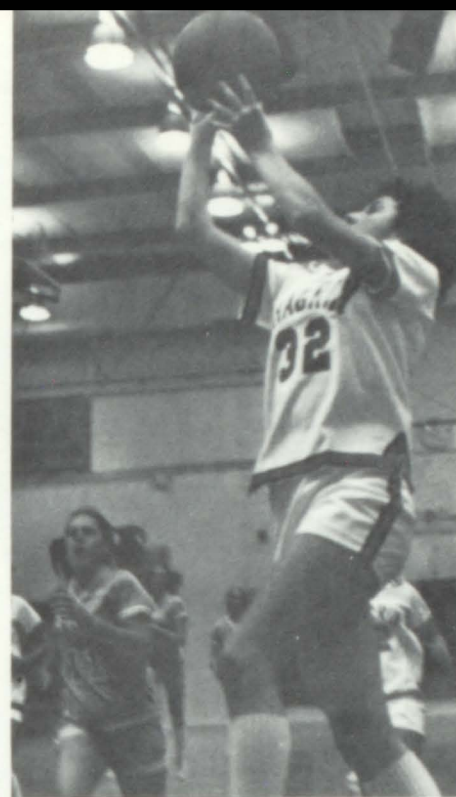

Row 1: J. Gluf, S. Linn, S. Beattie, J. Groth, J. Phend, Row 2: Coach Bob Olrich, S. Toth, R. Muller, L. Martin, D. Ratzlaff, J. Cook, M. B. O'Donnell, E. Morrison.

Junior Janine Goth overcomes her lack of height under the boards to make that score 30-6.

Dribbling a fast one down the court, freshman Diane Mahoney dodges another one in one of the 14 JV Tiger success stories.

Junior Laura Martin shows those amateurs from Kenston the proper way to execute a lay-up from the left and finish your opponents.

The purpose of the Junior varsity basketball team is to give its players experience and opportunities to improve their skills. This year's team did an outstanding job, having a 14-0 record in the CVC, clinching first place in the league, and a 16-2 record for the overall season. With this upcoming talent, the girls basketball team should continue with its winning record next year.

GYMNASTICS

Megan Barrett gives us a glimpse of her poise and talent during a routine on the beam.

This was an exceptionally good year for the CFHS Gymnastics team. With a record of 5 wins and 1 loss, the CFHS gymnastics were the proud winners of the CVC crown. Along with this, they placed an impressive 1st in the sectional meet which advanced them to the districts and perhaps even to the state meet! This impressive record can be attributed to the dedicated girls on the team who have spent many long, arduous, hours of practice up at the good old high school gym. Some of the outstanding gymnasts on the team were: Nancy Powell & Sue Whyman on vault and floor, Lauren Hemlein on vault, Kathy Trudick on vault, bars, and beam, Cora Young on bars and beam, and Megan Barrett on floor and beam. GOOD JOB GYM-NASTS!

Cora Young manages to keep her balance while in a very difficult position on the beam.

New this year, to the post of Athletic Director at CFHS, is Mr. Fred C. Girard who has been with the system for some time and works with O.W.E. in addition to his A.D. job. Mr. Girard offered this message, "Chagrin Falls High School, coaches and teachers realize the value of a good athletic program as an integral part of our educational system that provides for the well-being of the student body. The coaches and athletes of Chagrin Falls have always conducted themselves in good sportsmanship and fair play. I feel most confident that these actions will continue. May all the teams have successful seasons in the future." A.D. Girard has also acquired a secretary for Tuesday and Friday to aid in ticket selling and etc., the helper is Mrs. Wright.

Also new to the staff this year is Mr. Marty Dworak in the physical education department, Mr. Cummins in three-dimensional art, Mrs. Mayer in German, and Mrs. Richman in computer. Miss Sandra Dean moved up to head of the physical education department.

1979-1980 was a very good year for girls' athletics, as was evident by the CVC all sports trophy, shown here, that they won. The girls were CVC champs in tennis, basketball, and gymnastics. The gymnastics team had a fine showing at the STATE meet. The basketball

team was the DISTRICT CHAMP. And the track team had many showings at DISTRICTS and sent Lee Meyer to the STATE meet in hurdles.

Shown here representing their respective teams are Row 1: Sally Garrett and Carol Bartley, Row 2: Lee Meyer, Sue Wise, and Lisa Bortz.

In the fall of 1980 the outstanding female sports performance was staged by the girls' cross-country team placing 9th at the STATE meet in Columbus. Shown here prior to that effort is sophomore Debbie Mendelsohn practicing her winning stride at the Warren-Trumble County Invitational.

"The single most significant learning experience of my life", is how the dynamic speaker Earl Rheum encouraged the student body to describe the happenings of February 6th, 1981. Friend's Day became just that for many at CFHS.

Student Council set the project as their big goal of the year and to achieve it enlisted the help of 70 other students. Forty-four group leaders were trained to lead small groups of students and faculty in three sessions. Barriers between people were broken through people-search and boundary breaking exercises. Cooperation was taught through the squares exercise. Trust was emphasized in levitation and communication was stressed in the role-playing activities.

Dr. Rheum conducted a thought-provoking and often baffling opening assembly. In between the students had their own Friends. Assembly with memorable performances by Kris Kunkel and the Merry Midg-ets, Don Shanklin and Sally Garrett and Steve Diedrich and Tricia Sullivan. An excellent slide show was shown, and for many this hour was their favorite.

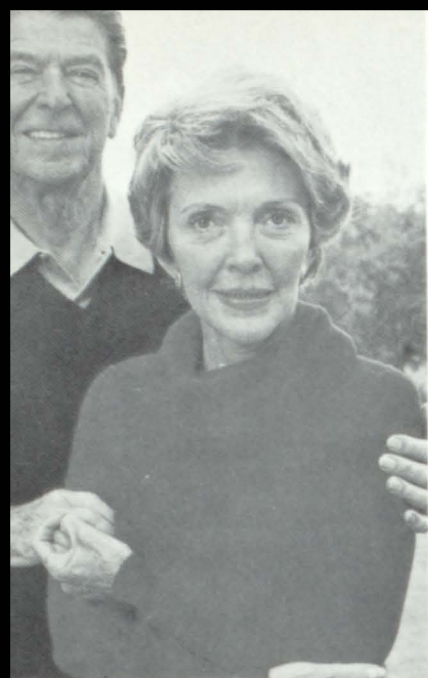

Sally Garrett leads her small group in boundary breaking experiences.

FRIEND'S DAY '81

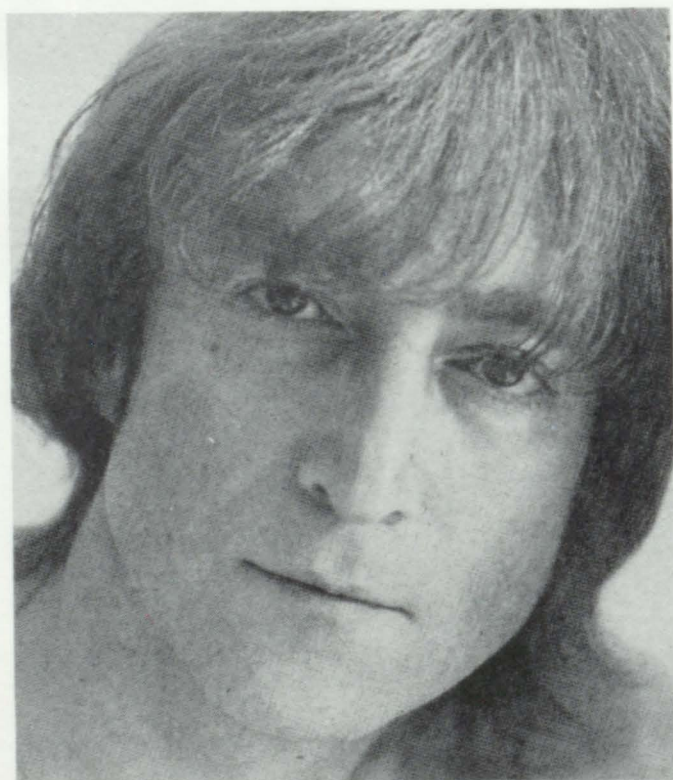

Republican Ronald Reagan succeeded in reaching his ultimate goal after an electoral college landslide over the incumbent Democrat, Jimmy Carter, and Independent John Anderson. The race was estimated at a much closer outcome as the Gallup polls released new trends weekly. A highly-viewed debate sponsored by the League of Women Voters and hosted by a proud Cleveland, was staged to match the two forerunners on the main issues of the economy, education, busing, defense, foreign relations, nuclear power and energy, ERA, and social programs. Ronald Reagan will have a good deal of work to do in the upcoming four years. Good Luck.

POLITICS

1980 was a grand time for political enthusiasts. The whole world picture stepped up with confrontations across the board. Amid the turmoil, James Earl Carter concluded his final year as President with economic instability and foreign concerns, especially those in Russia, evident through the Summer Olympics boycott, an interesting mixture of sports and diplomacy, and Iran, all too apparent through the continued captivity of the hostages and an aborted and disastrous rescue attempt, which cost the lives of eight military men.

ENTERTAINMENT

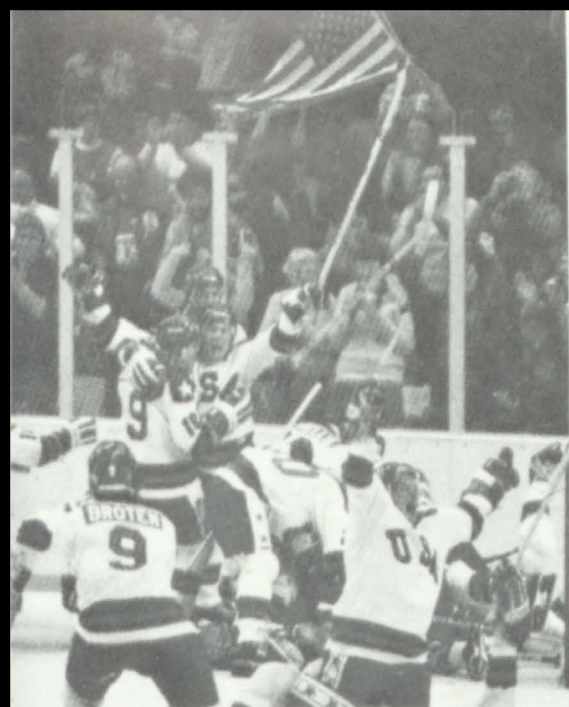

It was the year for serials on television with "Who shot JR?" as the question of the summer. And the number one daytime soap, General Hospital, kept the nation guessing about Luke and Laura. Cable television swept the nation with the Betamax and Atari people following right along.

The silver screen overdosed us with horror stories, but that wasn't all. Newsmakers included: The Shining, Friday the 13th, The Blue Lagoon, The Empire Strikes Back, 9 to 5, Urban Cowboy, Stir Crazy, and Ordinary People, to name a few.

In the music world it was a year for Rock 'n Roll with New Wave and Country Western adding some dimension. You could see just about anyone or anything in Cleveland, and it was a time for new faces and a continuing resurgence of old-time Rock 'n Roll. This backwards step in time can be partly associated with the tragic death of John Lennon, former Beatle, which was mourned by generations world-wide.

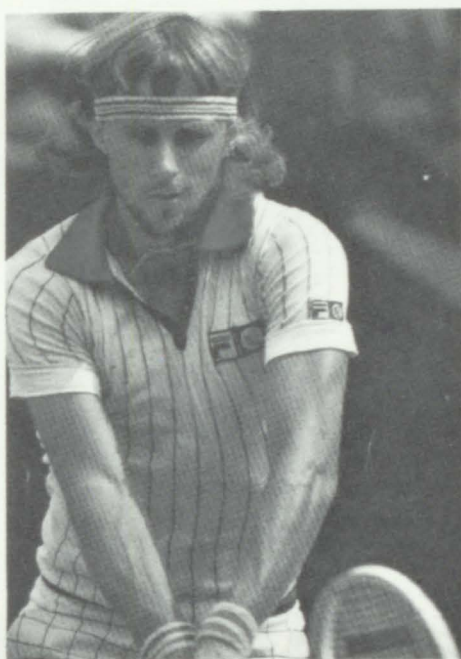

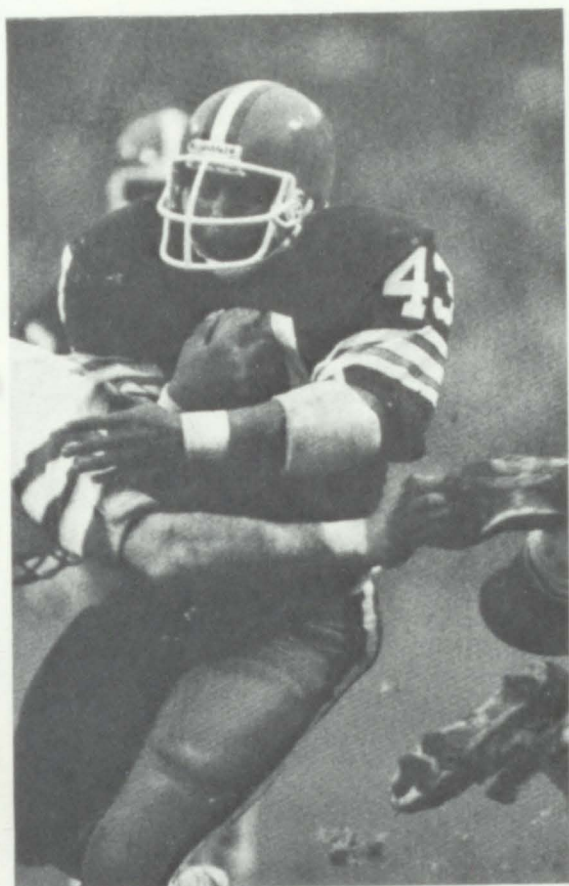

The sports world provided the usual array of entertainment with a few twists. Jack Nicklaus came back to win the US Open and the PGA, Chris Evert Lloyd came back to win her 5th US Open, Bjorn Borg just missed tennis's grand slam, the Philadelphia Phillies won their first world championship over the Royals and George Brett who came within five hits of batting .400, the Oakland Raiders became the first wild-card team to win the Super Bowl by beating the Philadelphia Eagles, Oakland manager Al Davis sparked some controversy by desiring to move his people to L.A., the New York Islanders won their first Stanley Cup over another Philly team, Georgia unleashed the Bulldogs to become the number one college football team, Sugar Ray Leonard outdid welterweight Roberto Duran, Mohammad Ali made some believe he could win back his title from Larry Holmes who knew better, the US Olympic Hockey team was voted in Sports Illustrated's Sportsmen of the Year, and Cleveland's own Brian Sipe won 5 major honors for leading the Kardiak Kids through a season which pumped life back into the old town.
