# Superintendent's Foreword

The end of the 2003 – 2004 school year brings to a close one chapter in the exciting journey for the students of Chagrin Falls High School. During their high school years, our seniors have witnessed a great change in the American way of life. The terrorist acts of September 11, 2001 have forever altered the way we live and have caused a huge strain on our economy. Our foreign relations are being pushed to the limit with a seemingly never-ending war with Iraq, which sadly has taken many American lives. Through all of this, our country presses on supporting our troops overseas and our never ending fight for freedom.

Closer to home, the Ohio Department of Education continues to implement mandates for decreased funding to schools. Students have been forced to deal with additional testing, increased graduation requirements, proficiency scores, and continued emphasis on the State Local Report Card.

Statistics show that over 90% of our graduating students will continue their education while some students will join the military and some will join the work force. Regardless of which path each student chooses, this year's Zenith presents a true definition of Chagrin Falls High School. This edition exemplifies a strong education, a wealth of successful activities, clearly defined teamwork, and everlasting memories. It is these memories that will live on in the lives of each student regardless of the road they take in their future endeavors.

I want to recognize and congratulate the outstanding 2004 Zenith staff on creating an exciting yearbook. It is clear that this year's Zenith presents an excellent snapshot of the memories of Chagrin Falls High School. On behalf of the Chagrin Falls Board of Education and administration, I extend a warm greeting to each of you as you view this year's edition.

Dr. Axner

East Washington...Bell Street...306... three roads that have always taken us anywhere we ever needed to go. But what happens when directions lead us elsewhere? One answer cannot define this question. What we do know about these three roads is where they turn and where they don't, what they pass and where they take us to, and most importantly the memories they have created for us. This is

*"What is the feeling when you're driving away from people, and they recede on the plane till you see their specks dispersing? -- It's the too huge world vaulting us, and it's good-bye. But we lean forward to the next crazy venture beneath the skies."*

*- Jack Kerouac*

our comfort because this is our home. The curiosity of traveling down unknown paths is what drives us toward our new destinations. We are at a point in our lives where the future remains a mystery...a crossroad in the journey of life. Everything we have ever known becomes a question in itself. Will all that high school offered help us grow in the future? We cannot see over this horizon, however we trust that the roads we choose will lead us to our success. Good Luck 2004!

"The long and winding road that leads to your door,  
Will never disappear.  
I've seen that road before,  
It always leads me here, leads me to your door."  
-Beatles

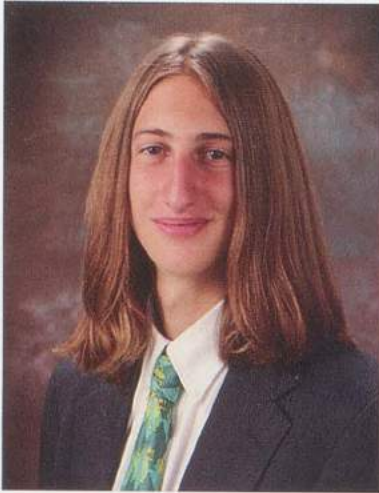

"...Two roads diverged in a wood,  
and I-I took the one less traveled by,  
And that has made all the  
difference."  
-Robert Frost

"Another turning point, a  
fork stuck in the road.  
Time grabs you by the  
wrist, directs you where to go. So make the  
best of this test, and don't ask why. It's not  
a question, but a lesson learned in time."

Some advice for life: Find your reason to live. Do whatever it takes to be happy. A moment only happens once, so hold on to it as long as you can. Follow your heart and learn. Never give up, never lose hope and face the demons. Be kind to others and they will be kind to you. Be yourself, that's the person people want to know, love. Be careful what you wish for. Save yourself before you try the world, and have faith that it will be okay in the end, and most important, BELIEVE. Belief created the world and it is your most powerful asset.

## Laura Beller

## Megan Janoch

High School has been quite an experience, not good, not bad. It is not that I want to forget high school or Chagrin, but that I want it to be a part of my past, since I am not coming back. As for the future, I leave a lot to conquer & do not plan to let myself down, and if by fate we shall cross paths my only hope is that you remember my name, say hello & perhaps strike up a conversation. Till that time, have a great life, cause I know I will!

## Emily Jenson

### Adam Tressler

My name is Tressler and I'm here to say It is time for us to graduate The Cleveland Cavs are really great Thanks to you, Mr. LeBron James. If you are important to me I'm gonna miss you.

### Dan Twaddell

One time when I was 5, I watched Mary Poppins and then I tried to jump off my porch with an umbrella. It flipped inside-out, and I fell. Then this other time, I saw a bee on my window and I was pissed at bees, so I cupped me hand around it and said, "Gotcha!". So then when I went backpacking with Goodie, he rode a horse and it kicked him. He said, "Ow, butt hurts from horse." Nicky Byau, DD,AD.

### Nick Usaj

Head. It was fun but too bad it didn't work out. I wish it did. "I hate everything about you, why do I love you?" I hope you guys all learned a lesson. The way you look has nothing to do with who you are. Tressler is a golden god. Dave and Graham I'll miss you both. You were always there for me. Chagrin Falls LAX #13.

### Shannon Valentine

"As for me, I didn't want any help, and I just didn't have the to interest myself in what didn't interest me" -Albert Camus Thanks to all who made my high school experience great. Directions, roads, wrong turns, and bumps-All parts of this twelve year road trip that will soon diffuse into 163 new highways, turnpikes, and express-lanes. If we were to pullover, step out, and look behind us what would we see? A straight and narrow course? Perhaps initially. Kindergarten was where the maps were handed out. Heading to gym with "Quiz" seemed easy enough, and performing in the annual Gurney Christmas show was just another mile marker. We coasted into Sands where our stops included Mr. Sekarek's bombardment matches and Mr. Dole's recess lineups. We dwindled at retreat and sped through fifth grade clap-out. Then our roads began to bend, curving just enough to make us wonder if we were the confident travelers we had always been. Middle School, our newest stop, came with forks and alleys we could not so clearly read on our fading maps. Dances popped up, homework filled our trunks, and suddenly we were letting others into our passenger seats. Mrs. Undercoffer provided us with our first aid kits: the peer pressure spare tires we never thought we would need. Eighth grade turned us all into millionaire valets, we were the chauffeured elite, admired by the newer drivers But quickly-abruptly- the driving conditions changed. Poor visibility and strong winds ravished our tattered maps and left us stalled in front of a road that looked much too wide and far too busy for our unsure vehicles. High School, our last scheduled stop, forced us to put the driving lessons we knew into practice. There were other, older drivers and we were often cut off and bumped. The traffic eventually eased. We sped up to make varsity teams, merged into clubs, and circled around new groups of friends. Mr. Phillips filled out tanks with Roosevelt, Mr. Ponikvar pumped our tires with Twain, and Mr. Lonchar derived the perfect formula to fine tune our engines. By Senior

year, our guidance counselors provided the roadside assistance we needed; the SAT and college visits now only in our dust. In the busyness of our travels we have forgotten the maps we were handed in Kindergarten; the maps that for twelve years told us where to go and how to get there. Perhaps they are stashed in our glove compartments or have simply blown out our windows. We held them tight at first, referenced them later, but we now find the need for a new list of directions. Directions that

no one is handing out. This map's road has come to an end, informing us of the time for a new beginning. The road we have grown up on has been out grown by its travelers. Its time to slow down... time for the next road... it's time to exit.

As the freshman go through a change in speed, the sophomores put on a cruise control state of mind. The juniors spend their time awaiting their senior year, while the seniors take time to reflect back on the years they have spent together. No matter their class, students rest assured that if they were to break down on the side of the road another student would be by soon enough to help them out. The new faces will soon blend into the traffic of the halls as the old ones disappear.

"The transition between Middle School and High School has been great. The teachers have really taught me well and the upperclassman have given me valuable skills for survival in the High School world."  
-Freshman, Jason Harris

"The best thing about my grade is that it has a mix of everything and a wide variety of every kind of personality so I get a good opportunity to know all types of people."  
-Sophomore, Dan Meyer

"I enjoy the fact that the Junior class is motivated and challenges themselves by taking challenging courses and strives to achieve success in every area of study."  
-Junior, Madeline Vandell

"I absolutely love the kids. The versatility and respect that Chagrin provides isn't seen in all schools."  
Mrs. Ponikvar

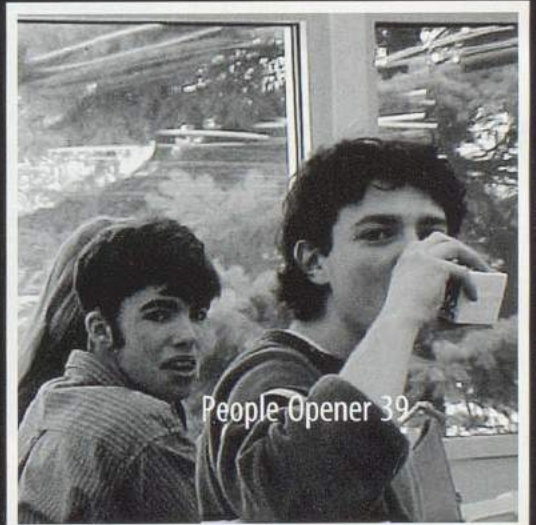

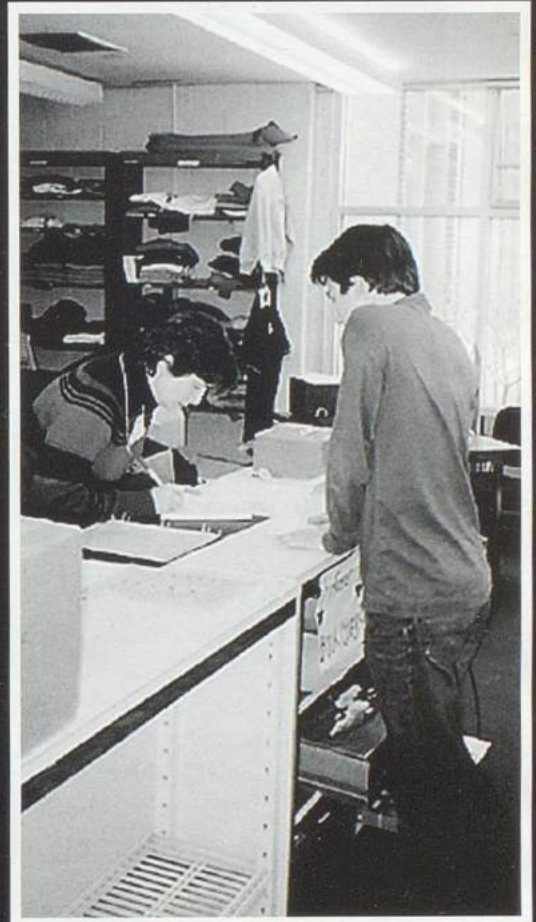

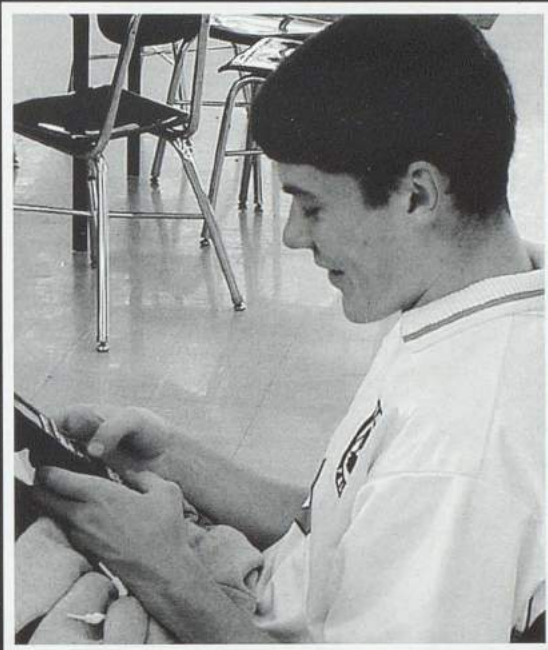

The vitality of our school depends on the people. Through the events of this year, we have celebrated and mourned together. All these events brought us closer and made us stronger.

"Next year, three new courses will be offered. Creative writing will allow students an opportunity to acquire a deeper understanding and appreciation for non-fiction, poetry, and plays. Students with interest in technology will be able to access a web design class, focused on the necessary skills to maintain an interactive web site. Finally, students with an interest in challenging themselves will be able to take Advanced Placement Statistics, further broadening our advanced placement offerings."

- Principal Mr. Hunt and Vice Principal Mr. LaGuardia

"Chagrin Falls High School has an exceptional acceleration curriculum by currently offering nineteen advanced placement courses with the addition of three more during the 2004-2005 school year. In 2003, 149 students took 388 advanced placement exams with 82% resulting in a score of three or higher. 204 students are enrolled in the advanced placement program this year and will be taking exams in May. Twice, Newsweek Magazine has recognized this high level of exposure to the advanced placement curriculum."

## Academics

The language department has always been considered a crucial part of the school due to its active participatin in clubs and academic repuation. In March 2003, all Spanish students took the National Spanish Exam. For the fifth consecutive year, 30 Spanish Club students traveled to Painesville for a Mexican Christmas party, afavorite community service project. They provided games, crafts, and face painting for over 100 Mexican children. French courses are offered on an AP level to any students who wish to excel in the language. Due to unstable world conditions, French students were forced to cancel their annual trip to France. German students are on the cutting edge of technology, using computers as a primary source for testing and homework assignments. The language department still remains a strong force in the school, encouraging students of all grades to engage in foreign studies.

# SCIENCE

Science students took advantage of the four Advanced Placement classes: biology, chemistry, physics and environmental science. Additionally, many students enrolled in Life Science Seminar, instructed by Mr. Furst. Throughout the year, students explored the river creatures in the MetroParks for life science seminar, built toothpick bridges for physics, watched genetic variation in fruit flies for biology, and studied unknowns for chemistry. Physics students also enjoyed the annual end of the year field trip to Cedar Point. Outside the classroom, Mr. Buckle and Mr. Roberts headed Science Club. One of the favorite events included Mole Day on October 23 at 6:02am, highlighted by Mr. Buckle's famous "Buckle wheat" pancakes. Science Club members also enjoyed the Great Lakes Science Center outing. All the activities offered by the Science Department kept students active all year.

# MATH/COMPUTER

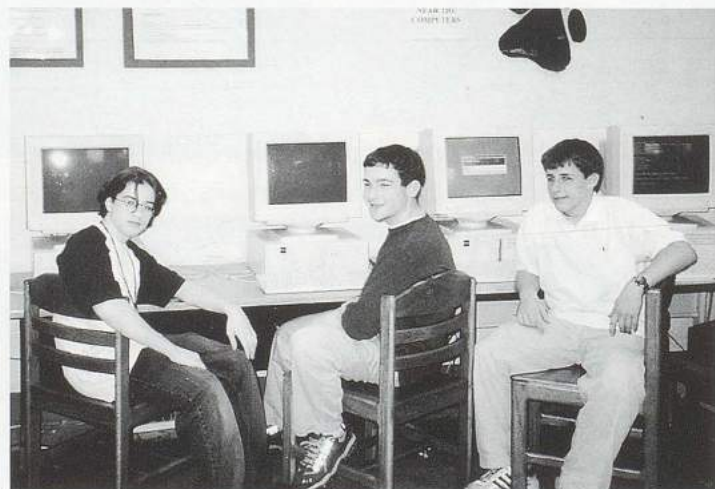

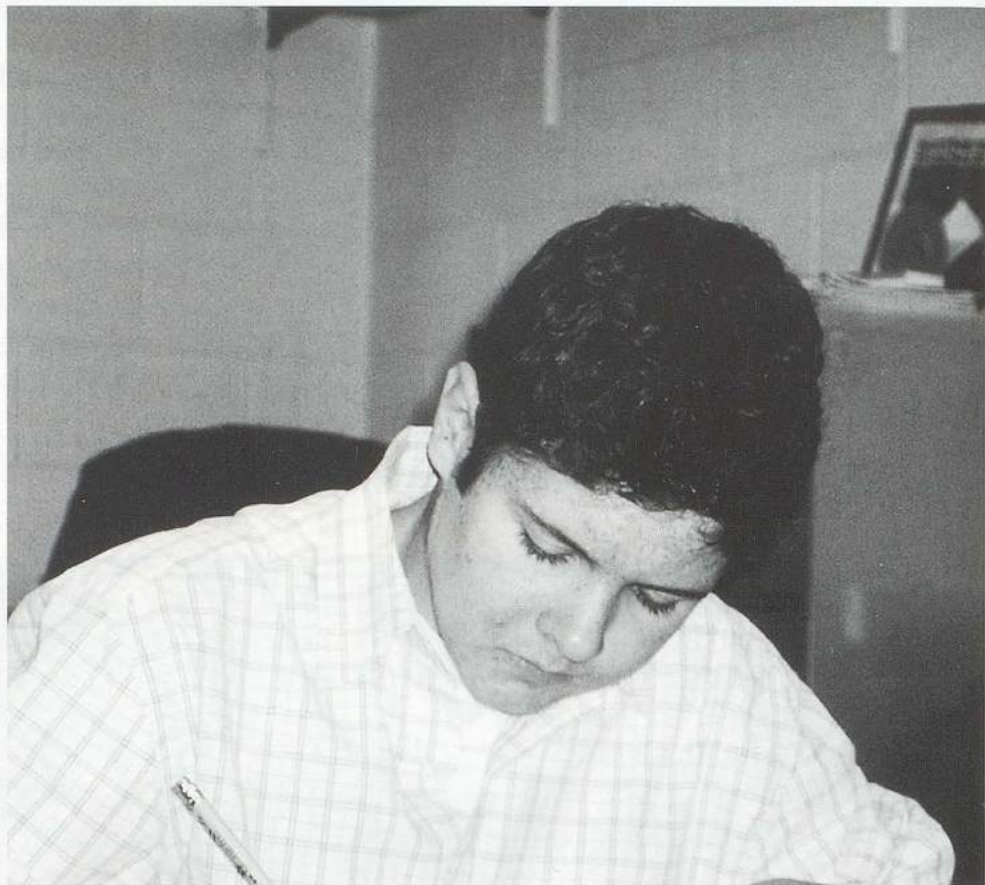

Among Ohio Math League (OML) contests, the American Mathematics Competition (AMC), and preparing students for the AP exams in Calculus AB and BC, Computer Science A and AB, as well as Statistics, the math department keeps busy all year long.

OML contests are held six times throughout the year, each one promoting "out of the box" thinking. The AMC occurs in February and last year alone four CFHS students finished in the top 500 of the total participants. Those four students advanced to the American Mathematics Invitational Exam.

In the overall AP program, 83 of 93 students taking AP exams scored a 3 or higher, resulting in the overall 90% passing rate. Highlights included the 100% passing rate in the AP Statistics and AP Computer Science AB programs.

Once again the math department excels beyond expectations and previous standards.

# ENGLISH

The English department deserves a Pulitzer Prize for all of their accomplishments. New successes added to a strong past as significant amounts of students achieved high Advanced Placement test scores. Forty-seven Juniors and thirty-five Seniors posted an average score of 3.191 and 3.657 respectively. These noticeably high scores emphasized the college level preparation available within the department. Mr. Stuart became the latest addition to the staff. His unique "boasting" and "ambition" projects became instantly popular and challenged students to look outside of what most would consider to be found in an English class. The English Department also welcomed Ms. Burke to the high school. Ms. Burke previously taught middle school English exclusively, and is now also responsible for a number of freshman classes. Challenging courses and spirited teachers made English a successful and crucial department within the school.

# SOCIAL STUDIES

According to Department Chair Mr. Frank Phillips, the Social Studies Department demonstrated another successful year. Enrollment increased in all elective classes including a new elective, Advanced Placement US Government. Chagrin Falls Social Studies students passed their AP tests with a 90% efficiency. AP testing included AP US History, AP US Government, and AP Psychology. Over 18,000 Ohio students take the Ohio University sponsored American History Exam each year. Chagrin Falls placed second in the state within the small school competition. Alan Barnes placed first in Ohio in the individual competition and received the Carl Gustavson Book Award for his place. Additionally, four of the top five Cuyahoga place winners were Chagrin Falls Students. Matt Knauff, Brett Rungwerth, and Charlie Brondel joined Alan on the list.

The Music Department celebrated another great year with the talent of the band, strings and choir. Band camp was moved to a different location and shortened, however, that did not affect any of their performances. With the help of a new director, Mrs. DeLine, in addition to Ms. Sickinger, the marching band played their two halftime shows, Firestar and Charanga, with ease at the football games. After marching season, the band split up into wind ensemble and concert band, and performed their annual winter and spring concerts. The band finished their year by marching in the Blossom Time Parade, and playing at graduation. The hard work put out by the strings players could be heard in their many concerts. The players began practicing for their winter show in the beginning of October. Aside from performing their spring concert at Springfest, the strings players also attended competition, guided by the help of director Mr. Clare. The choir also welcomed a new director, Mrs. Pickering. The hard work of the womens', mixed, and select choirs could be seen in the winter and spring concerts. They too competed in competition in February. Musical excellence prevailed throughout the school once again.

The fall of 2003 was one of the most exciting in recent years. The football team finished strong winning the last two games by a big margin after having lost three games previously by a total of 12 points. Their 6-4 record was good for third place in the tough CVC. Our girls' soccer team went undefeated in the CVC winning their third straight CVC title, won their Sectional and District Tournaments, and ultimately finished their season as Regional finalists. Girls' soccer coach, Mrs. Malone, earned

the Coach of the Year award. The girls' cross country team had a great season finishing second in the CVC, and advancing to Regionals. Two girls cross country runners also advanced to States. The golf team advanced to Districts, but lost to the eventual state champions by only one stroke in an early season match. The Volleyball team ended the year at 16-7 tying last year's win record which was one of the best in school history. In the process they also finished second in the

CVC. The girls' tennis team boasted singles and doubles CVC Tournament champions while finishing third in the CVC. The Boys' Soccer team, though unseeded in their sectional, defeated six teams including the first ranked team in Ohio, also ranked sixth in the nation. The team became the Cinderella of the tournament finishing as state runner-ups in a tough loss at Columbus Crew Stadium.

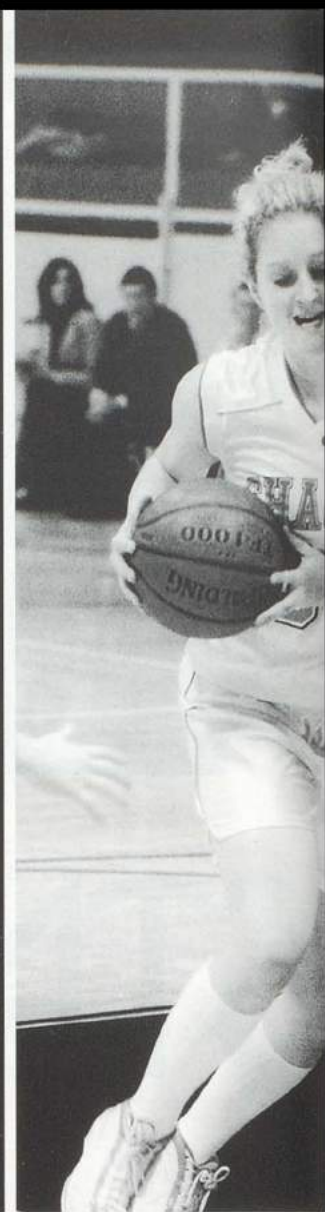

The Boys' Lacrosse team, in only their third year, won the OHSIA State Championship in a truly amazing game against Westerville South. Down two goals with seconds to play, the boys fought back, eventually winning in overtime 14-13. [Mr. May] The Cheerleaders led the student body in school spirit at every football and basketball game. The Dance Squad accompanied in building school spirit through half-time performances and cheers for the football team. The swim team placed fourth in their CVC Championship.

The Girls' Basketball team contended for the CVC. Boys' Basketball team knocked Perry out of the race for the CVC title, while playing hard against every opponent they faced. The Hockey team's highlight and best game of the season was shutting out rival West Geauga to avenge their previous defeat. The Wrestling team placed seventh in their CVC tournament, and sent some of their wrestlers to Sectionals and Districts. The Gymnastics team placed third at the West Geauga invitational out of fourteen teams.

All of the sports teams this season accomplished many feats and goals on their road to success. Commitment, will power, perseverance and dedication could be found in each team. All left their own unique marks in athletics; their successes and defeats will have a place in sports history that will never be duplicated in another season.

Comments from the coach: "The boys soccer team made it into the state final for the first time ever. Yes, it happened because the Tigers pulled together as a team and everyone gave 100% all the time, but it also happened because Mike gave 110%. Mike's job in all the important games was to mark the opposing team's best player out of the game, something he did almost to perfection. Mike is a great soccer player and competitor. The team will miss him next year." -Coach Gerhardt

"Shutout" might just be the best one-word description of this year's team. Coached by Dr. Gerhardt, every game the Tigers won, during the regular season, was a shutout, characterized by the opponent's score of precisely nil. But this small accomplishment was nothing in comparison to their path to victory in both the district and regional playoffs, and a name in the State Finals. Getting off to a solid start, the Tigers shutout NDCL, a top-seeded team, as the underdogs of the matchup. Following the trend, the next game ended with a blank scoreboard for Aurora, bringing the team into the district finals against West Geauga. In a true back-and-forth game, the Tigers came out roaring, taking the district and beginning their run to the State Finals. The regional semi-final game was against Walsh, a team the Tigers have never beaten.

The game stayed close throughout the two regulation halves, ending in a tie. Moving into the sudden-death shootout, just like the game, the first round of shootouts ended in a tie. Come the second, however, the crowd erupted and rushed the field as Walsh missed a critical shot. With this win, the team next matched Cardinal Mooney in the regional final. Riding on the momentum, the Tigers put down Cardinal Mooney, the number 6-ranked team in the nation, entering them into the state semi-finals. The Lexington game ended scoreless. Like before, a sudden death shootout took place, and, like before, the second round is when the win came. On to the finals! While the Tigers were unable to clinch the final win, the team proved themselves in a grand fashion, becoming the first unseeded team to ever reach the State Finals.

"AAHHHHHHH SUKĒ SUKĒ!" This chant kicked off games showcasing the dedication of the Lady Tigers Soccer team. With a starting lineup predominantly made up of returning letterman, the ladies were optimistic from the beginning and persistent to the end. Their destination was clear: to win the state title. Their journey to victory began with a team road trip to the University of North Carolina Soccer Team Camp. During the camp, the girls worked to rejuvenate their skills and come together as a team. Their summer was jam packed with weight lifting sessions, pick-up games and the mastering of a new defensive strategy, enabling them to overpower the competition. In fact, the only teams that managed to overpower the Tigers' might were the highly-ranked Division I schools (Mentor and Brecksville), and the

eventual D2 State Champions (Bay Village), and Hathaway Brown, in a controversial loss. This success story was only possible with the strong sense of comraderie and devotion the girls showed both on and off the field. Whether it was a team sleepover at the Stever's or a pep talk, late night on the football field, the bonding and support was there and paid off in the end... CVC Champs, Regional Finalists, 17 set play goals, 72 overall goals, five shutouts, 16 "first blood" games, and eight players receiving individual recognition (Kasey Stever, Leah Grimm, Allie Hollister, Sarah Stephens, Carley Tanchon, KK Carothers, Sara Stricker, and Lea Trinetti). They worked hard, went far, and had no regrets. Next stop: State Finals 2004.

Tiger tennis served up a solid season! The core group of senior tennis players, Allison Hammer, Katie Boldt and co-captains Annie Munson and Kim Wilson welcomed five new talented players to the team this season. Junior dynamo Allie Lozon joined the team and played second doubles with Allison Hammer. Two precocious and dedicated freshmen, Rachel Hinman, who played first singles, and Alexa Leone, who played second singles, also became members of the team. Other additions included seniors Sarah Breisch and Shannon Valentine who subbed in

for third singles. This season's tennis team showed their eye for style with the best uniforms in the Chagrin Valley Conference and proved their talent with a third place finish. At the CVC tournament Alexa Leone received first place in second singles, and Allison Hammer and Allie Lozon were the champions of second doubles. Annie Munson and Kim Wilson earned third place in first doubles. Other highlights included wins over Hathaway Brown, Perry, Aurora and Gilmour. Although the team's record was 7-11 this did not spoil the team's positive spirits, comraderie and desire to have fun.

# Volleyball

Ask any of the nine girls on this year's volleyball team what the biggest part of the season was, and they will all answer with the same thing: beating Perry. The volleyball team led another successful season coming in second in the CVC and finishing with an overall record of 16-7. The team was led by senior co-captains Brittany Anderson and Lisa Hufgard, as well as junior captain, Alicia Burrello. The team returned Leah Eichenbaum and Lindsay Rawot, and welcomed the addition of newcomers, Kathryn Ogden and Rachel Preyss, as well as freshmen, Nikki Lucci and Megan DeVilliers. Despite a difficult loss against Wickliffe in the second CVC match

of the season, the girls battled back and beat big teams like West G., Cardinal, and Aurora. But it was in the last home game of the season where all of the hardwork and effort of the team finally paid off. The girls captured their number one goal, by defeating Perry in two games, keeping them from being undefeated in the CVC for the fourth year in a row. Coach Dennison commented, "The 2003 Varsity Volleyball team had the never say die attitude. Everyone gave 110% when they stepped on the court. I couldn't have asked for a more wonderful group of young ladies to coach."

# Boys' X-Country

# Boys' X-Country

Hard work, dedication and a competitive fierceness were three aspects that drove these runners throughout this season. Whatever the season was like last year, it definitely sparked an interest in prospective runners because there were many new comers this year. These newcomers realized what it takes to be a "cross country runner". They experienced the rigorous summer packet given by Coach Kirk, the early morning workouts in August and the intimidating gun shot at the starting line. With all this they still managed to finish the season successfully. Although many of the new runners were seniors, they made a lasting impression on the team. Running strong at every meet, the boys surpassed all expectations of what was supposed to be a "rebuilding" season. Despite losing a top runner from last year, the boys continued the tradition, not

letting the pressure stop them from striving to reach their best. Sophomore Pat Cogan, placed fourteenth and Senior runner Tim Broughton received honorable mention at the CVC Meet. Almost the whole team reached their own personal goals as well, achieving their best times at the final meet. "No group worked harder while having more fun and success than this group," said Coach Kirk at the wrap of the season. Even with many seniors graduating the boys cross country team will continue on the tradition of excellence next season and all are proud of their accomplishments.

### Tales From the Road

"Just about every Thursday the guys team planned to wear jerseys or 'blossom time shirts' or something to show our sense of unity on Friday. In fact, we never followed through with these plans, but there was one exception. The last Friday of our season we planned to wear dress shoes, running shorts, our jersey and a tie. Only the dedicated rookie, Pat Cogan, came to school in this attire!"

Girls' X-Country

STATES: a word that many teams dream of, but only a proud few can achieve. This season, going to states was the main goal of the team. Thanks to a lot of hardwork throughout the regular season, two girls qualified for the meet. Sophomore Karen Corson, and Freshman Katie Stancik both represented their team in Columbus, placing in the top 100. Stancik finished 48th and Corson, not far behind her teammate, placed 77th. The rest of the girls kept up team morale and traveled to the meet to encourage their teammates. The entire varsity team

advanced to the regional meet at Boardman, finishing 11th out of 24 teams. The girls encompassed all the qualities of what a team is supposed to be. Not only supporting each other on the field, they showed their spirit off in school by decorating lockers and dressing up. Every team member reached their personal goals by achieving new record times, becoming stronger runners as each meet passed.

"A very fun meet at Wadsworth, basically turned into a mud frenzy. During the race, girls were slipping and sliding all over the course. The varsity girls managed to place second. Wadsworth is the meet of the annual cookout. Before we chowed down, we headed for a big hill, and slid down in jerseys and all. We were all covered from head to toe in mud. We had to change and get on the bus for an hour ride home...boy, talk about a long ride home!" - Caitlin Boyle & Amanda Stern

Throughout the end of summer and fall, the golf team could be counted on to be on the course every day. They fought through rain and sun to win their first two matches against Berkshire and Hawken. The teams that they fought in the CVC this year consisted of what many coaches believed were the six top teams in Northeast Ohio. The team qualified for sectionals with a third place finish out of sixteen teams by shooting a 317. They followed their excellent performance at sectionals with a score of 327 at districts. Their score at districts placed them sixth out of the twelve qualifying teams. The sixth place finish was not enough to send them to regionals, but they still ended on a good note. Coach Phillips and the seniors led the team on the course, they won over half of their matches, with an overall

record of eight wins and seven losses. Senior John Catani led the team and won first team all CVC. This year's team had a strong season and finished with a winning record.

Not many people could dedicate three months of their lives to grueling practices, intense Friday nights, pursuits for championships, and completing their schoolwork. These people do exist, they are called football players. The season started out slowly with loses to Kenston and University School. The early losses were soon overturned as the team began to work together and individuals began to stand out. Excellent passing from quarterback Drew Stelzer assisted the team as they took home victories over Trinity and Hawken. Stelzer finished the season passing a total of 1508 yards, a great accomplishment. Also assisting in victories over Orange and Aurora was senior James Evanko who completed an amazing 76 tackles during the season. On the offensive side, the lineup proved to be aggressive and essential for moving the ball

up the field. Brandon Lombardy rushed 1767 yards, leading the team offensively. Lombardy also led the team in scoring with 21 touchdowns. Finishing with a 6-4 record for the regular season, the football program showed a positive move toward future success.

For the second year in a row, the Hockey team faced the prospect of another rebuilding season. After losing many of last year's starting lineup, Senior Captains David Allen, Aaron Jackson and Graham Wilson embraced the responsibility of leading a team blended with both experienced players and many newcomers. As Coach Lozon put it, "With many underclassmen logging significant playing time, we gained experience that should help over the next few years." Although much of the competition proved to be more experienced, Goalie Jeff Vayda kept the team strong in the net with the help of

defensemen Robbie Bourne and Aaron Jackson. Nick Koester, Graham Wilson and David Allen consistently worked together to keep the offense aggressive. Freshmen Tom DiPasquale, Neal Barcelo and Mike Sasso also gained meaningful ice time as beginners. The season's highlight fell on senior night when the team mercied West Geagua, a team they lost to previously in the season. Captain David Allen comments, "This season was a lot of fun. We worked really hard and had some good wins. I will miss the friendships I made on the team."

On November 2, thirteen varsity football and basketball cheerleaders ventured to the University of Akron to compete in a cheerleading competition. The hours of dedication and hard work paid off as the squad earned seventh place with their original dance and cheer routine. Competition simply added to the already numerous accomplishments the cheerleaders completed this year. The squad attended cheerleading camp in the summer with the University of Akron cheerleaders in order to learn new material for the football and basketball seasons. Along with learning the material, they also successfully accomplished team building exercises and created a list of goals for the seasons. In November, the cheerleaders conducted the Little Tiger Cheerleading Clinic for aspiring cheerleaders. This included teaching chants, cheers, and a dance. The basketball and

football squads combined efforts to decorate for the Hawaiian Winter Formal Dance in January. Both squads traveled to Gurney for several pep rallies to inspire young tigers. The girls also proudly fulfilled their duties of promoting school spirit with decorations before every game and maintaining an enthusiastic atmosphere during all football and basketball events. With the retirement of Mrs. Gebler, head coach for twenty-one years, and her assistants Mrs. Hoffmann, and Mrs. Salyers, Coach Haendiges made a smooth transition to head cheerleading adviser. Along with her was Coach Vicky Epprecht, Coach Lodge, and Coach Ashkettle. They led the squads to further develop their skills and maintain the tiger pride of our school.

# Swimming

The swimming and diving team kicked off its season with an unexpected tri-meet versus Aurora and Lake Catholic. The team went on to have a successful season, finishing with an 8-4 record. The girls also placed well at tournaments, finishing first at the Beachwood Relays, fifteenth at the Orange Relays and fourth at the CVC meet. In addition, the girls' team placed third at the Perry Sectional behind Hawken and NDCL, eighth at the CSU district and twenty-fourth at the state meet. The boys' team consisted of Josh Hurtuk, Mike Halagan and Will Murphy. They placed sixth in the CVC and finished with a 1-9 record, including a win over Lake Catholic. Jennifer Henderson, Frances Killea, Lisa Hufgard, Kate Sloan and Elin Hudson advanced to

the state championship meet in Canton. Jennifer qualified in the 100 fly and the 100 free, while Kate qualified in the 100 breaststroke. The 200 and 400 freestyle relays also advanced to states. Lesley Vizurraga was the only diver this year, but she contributed largely to the team by placing second at districts and eighteenth at states. Also at States, Kate finished eighteenth in the 100 breaststroke, while Jennifer also placed eighteenth in the 100 fly and fourteenth in the 100 free. The 200 free relay finished eleventh and the 400 free relay received seventeenth.

This year's football season was nothing less than exciting. As the team fought and earned many victories, the crowd became more and more driven to cheer with the hope of a successful season. However, to keep the fans' adrenaline going, the dance squad gave every performance their all as they performed alongside the marching band. Dancing to many of the band's well-known numbers, the girls inspired the rest of the field with their enthusiasm for the sport. Some of the many songs that accompanied the squads' dances include "Evil Ways," "Soulfinger," "Yo Yo," "Everybody's Everything," and "Free Ride." Along with regular practices, the girls prepared for the games early on with a trip to band camp.

Here, the girls were able to dance to the band's music and train for their season. "We all arrive at 5:30 for home games to get our hair braided by our coaches," says Cameron Needle about getting prepared for their routines. Without this squad, the emotion on the field would not have been the same. Amber Owens comments on her senior year, "The best part would have to be the friends that I've made by spending almost every day with the girls over the past four years. I will miss the squad dearly and hope they keep dancing alive."

The honorable tradition of wrestling continued this year as seniors dominated an entire team of talented athletes. Returning seniors and lettermen, Adam Roberts, Ryan Brule, and Steve Downie led the team by example and skill. A respectable record of 8-10 summed up a season full of overcoming injury and outwitting rivals. Steve Downie stood out among wrestlers from the entire Northeast Ohio area with a 21-5 personal record and 14 pins. Bobby Koval comments, "Before all matches we huddle up in the middle of the mat for a brief pep talk and break from warm ups." Some highlight matches of the season included a 5th place in the Aurora Invitational and a 3rd place in the

Pymatuning Valley Tournament. The Tigers also pulled off a come from behind victory against Notre Dame Cathedral Latin, with freshman Ben Taylor pinning his opponent to win the match. The team finished up with a 5th place in the Chagrin Valley Tournament and also sent three wrestlers, along with two alternates to Districts. Coach Perrine once again served as the leader of the team's success. His multiple years of coaching proved imperative to the success of the team. Younger members of the team learned from the strong seniors and all agree that they will be greatly missed in the coming years.

## Girls' Basketball

"There are countless ways of achieving greatness, but any road to achieving one's maximum potential must be built on a bedrock of respect for the individual, a commitment to excellence, and a rejection of mediocrity" Coach Buck Rodgers once said. The girls' basketball season started out bumpy, but began to smooth out with commitment, hard work, and time. Early on in the season the girls could not connect to win and fell with three tough losses: one loss to Aurora due to their inability to shoot free throws, another to cross town rival Kenston in the Holiday Tournament, and the last to West Geauga in a heartbreaking overtime loss. After West Geauga the girls' gathered and decided they could turn the season around. The team could only succeed if they all came together as a team and gave all their effort on the floor every night. After the loss in overtime

to West Geauga the Chagrin Lady Tigers went on a ten game winning streak. Coach Phillips said, "They came back to win ten games in a row in a tough part of the season. They had tremendous accomplishments that include beating co-CVC Champions West Geauga and Perry on their home floor." The girls went into the Playoffs with motivation and confidence. In the playoffs, the ladies beat Orange but fell to defending regional champions, Walsh Jesuit. The girls came together and went 17-5 this season. Through senior leadership, team camaraderie, and support from the community the Varsity ladies carried on the Chagrin Basketball tradition, and worked to achieve their maximum potential.

# Boys' Basketball

The "Refuse to lose" mentality began the Tigers' exciting season, coached again by Mike Salyers. Led by returning juniors and seniors, the Tigers took the ball into their hands and made a break for the season win, uniting excellent teamwork and awe-inspiring individual skill. Combining the top-scoring ability of Ben Timmons and the ball-handling skills of point guard Gideon Clark, the team blazed a trail straight through the CVC, leaving many opponents in the distant dust. In addition to the returning players, new players this year include seniors Devin Torrey and Brian Richards, who, with their height and ambition to finish off their high school years with a bang, helped drive the team in each victory. Also joining the team this year were Dan Lang, Zak Gebler, and Alex Timmons, all coming up from last year's JV squad. These fresh faces provided a great second line, making a seamless transition when the starting five need a short break. Throughout all the lost games, there were no

notable blowouts. Every game was pushed to the limit as the Tigers defended their rank. Many games were finished in overtime, such as the games against Plain Dealer ranked team Willoughby South, and Orange, which was pushed into a double overtime. Finishing off the regular season with an even wins/losses record, this year's team upheld a solid stance in the league. Every game was a considered a battle, with neither team being given the ability to take the easy path to victory. With the steady increase over the years of the team's overall performance, next year's team is destined to take the ball even further.

**"Clubs are boring"** . The clubs defied this statement with the formation of two new clubs and some of the biggest attendance numbers in history. The creation of the Ski Club and Bowling Club led this movement. The Ski Club resurrected a great weekend activity from the Middle School. It involved about 30 kids all with a similar interest: hitting the slopes in style. Ski Club met every Saturday night, the group traveled to Brandywine/Boston Mills, under the leadership of Mr. Hasse. The Bowling Team, on the otherhand, took to the competitive edge during their first year with both a Varsity and Junior Varsity squad. The team met every week at the newly renovated Solon Freeway Lanes and took great strides to compete against teams from Kenston, Solon, and others. Clubs that returned from previous years included Philosophy Club, Key Club, Interact, TI, SADD, Weightlifting Club, Yearbook, Newspaper, Young Democrats' and Republicans' Club, National Honors Society, Student Council, and the state-bound Speech and Debate Team. The Philosophy Club, a group of students who

discussed their theories on various breakthrough topics, met every week at Arabica Coffee House. This group saw a steady increase in attendance since its creation. The Young Republicans' Club and Young Democrats' Club had a strong year, as both groups made their voices heard with the upcoming presidential election on the horizon. The National Honors Society continued their good deeds with the

annual Valentine's Day Dance at Hamlet and tutoring on Monday nights. On top of that, the group helped paint bowls at Pottery Cafe in order to benefit the Humane Society. Student Council finished the school year with a lot of productivity under their belt. They ran all the concession stands as well as Homecoming and Prom. Student Council members also influenced the creation of the new turning lane at the school's entrance. The premiere policy team, consisting of Alan Banes, Matt Knauff, Kurt Lamprecht, and

Brent Axthelm headed to States with another four-man policy team, a two-man policy team, and a controversy team.

Clubs hit a high mark and none plan to hit a stop sign in years to come.

The life of a student consists of fun and festivities beyond the stress of classes and homework. Homecoming week began with the annual parade to the high school and the blazing bonfire and continued with the football team's victory over Orange. Mr. LaGuardia relayed his excitement, "I couldn't believe the size of the bonfire, and the amount of work the students did who built it, and then re-built it at the request of the fire department. It lit up the whole night sky, and it was great to turn away from it and watch the fire light up the faces of the community." Music and dancing transformed Saturday night into "Hollywood Glamour", with Carley Tanchon crowned as Homecoming Queen. Lindsay Schramm said, "I appreciate the hard work that student council put into the night. I boogied the night away." The rivalry lived on as the seniors defeated the juniors with a last minute touchdown at the Powder Puff game. "George Washington Slept Here" awed the crowds at

the fall play, a comedy about a family fixing up their house. Cast member Bill Gordon reflected, "The fall play is undermined because people don't understand how much work goes into the show, through all the work a family-like bond is established." The stress from finals was treated with a "Hawaiian Luau" winter

formal. "A true Hawaiian event in the middle of a severe winter! You could put a lei on at the door, eat Hawaiian potato chips and watch Gerald Abt get crowned King while confetti fell from the ceiling fans" said Mr. LaGuardia. Throughout the school year students dressed in the hippest clothes and donned the newest accessories. Trends included trucker hats, Birkenstock clogs and pointy shoes. Students also participated in out-of-school activities such as their own bands and fencing tournaments.

“Being chosen as Freshman Homecoming Attendant was an awesome experience. I couldn’t even decide who to vote for between the two other girls, Kate Sloan and Emily Barriball, so I had no idea who would actually win. When I was presented at the homecoming football game I felt really proud that my class wanted me to represent them. Homecoming was exciting already, but being the attendant made it even more fun!”

By: Kim Wilson

Coach I. tells us every year how important Homecoming should be for us, how it should be fun, and how we should take pride in what we do. With Homecoming comes the bonfire, built by the seniors every year, it has become a fall tradition in our small town. Between the effort and time spent finding all the wood and the patience that goes into building the fire itself, the bonfire is quite an ordeal. Once we finished we had a feeling that we had really accomplished something. When I was lighting the bonfire I felt like I was part of something special. After it was lit, everyone came up to me telling me how great the fire was. I felt really proud of myself knowing that I have been a part of our school's history.”

# H omecoming

“The best part of Homecoming was definitely when we got to the dance. We finally got the guys to avoid the typical social gathering by the table and actually dance. I loved every minute of the experience this year. It was especially an honor to be nominated as Homecoming Queen. It’s really weird to realize that everything’s now happening for the last time, but I feel like I’ve learned to appreciate things in my life even more. There is nothing in the world comparable to the time with friends; they make life what it is.”

# Powder Puff

134 Powder Puff

“The morning of Powder Puff, the senior coaches and players headed to Caitlin Clegg’s for brunch. Afterwards, we went to the football locker room to get pumped up. We painted our faces and jumped up and down, ready to face the Juniors. We didn’t expect such muddy conditions, and we initially struggled to gain footing. Unexpectedly at the end, when we believed that a tie 0-0 would be the final score, there was an opening on the field. In the last five seconds Laura Lynch threw the ball to me for a touchdown. Everything ended the way it should have, with the Seniors winning!”

**T**op Left: Liz Mather and Elin Hudson’s friendship exceeds the rivalry of the game. **Above:** Marty Wallenhorst and Drew Stelzer join the huddle to direct a difficult play. **Left:** Seniors get pumped up in the Varsity locker room.

“I had no idea the game was going to be so intense and serious. I thought it would be more like a joke. When I started mowing the Seniors on the front line, it was as if I was a real football player. It was so much fun!”

-Carin Guseilo, Junior

“Thanks to brilliant strategy by the coaches and the ability of the Seniors to play better than the Juniors, our girls pulled out all the stops and refused to lose. They made the community and the school proud of them. For the first time in more than 11 months our Senior girls won the “backyard brawl” and brought home the big W.”

“ I got involved with this year’s fall play because I helped out with plays my Sophomore and Freshman year. I have been on stage crew for both of the spring musicals in the past two years, and now this year, for the fall play. The hardest part about my job is the week before the play! However, the best part is that I get the chance to meet a lot of people. ”

-Alex Bergman  
By: Kaila Lockhart

# Fall Play

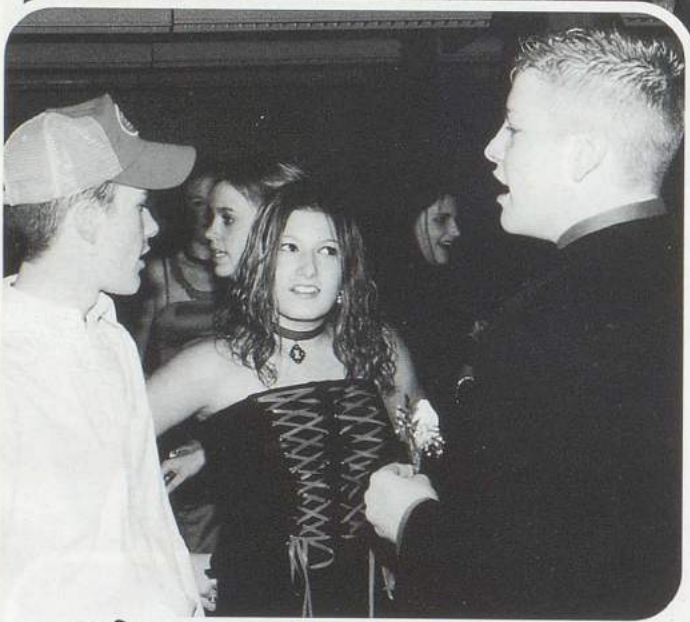

“I really loved the whole process. It was so cool to see the script take shape on stage with all the wonderful actors. Finding your character’s energy is a grueling process, but it’s so much fun to just be another person for a couple of hours once you’ve found that energy. Getting close with the cast and crew is so meaningful and I could see it plainly in every one’s eyes at the closing circle. The exhilaration of Friday night is amazing when the whole auditorium is ablaze with fantastic energy. I wish we could do it all year round.”

“ Winter Formal was a great experience, made better by the musical stylings of Michael Jackson. When the school voted for Winter Formal King, I never thought I would win. Nevertheless, on the night of Winter Formal, the music was rocking and I was crowned King. After, to the tune of “Beat It”, all the guys danced for the pleasure of their dates. ”

I noticed many girls wore formal pants, and hats also seemed to be popular. My group went to Benihana’s for dinner and had a great chef. Despite the freezing weather, the night was definitely one to remember!”

and enjoy life!  
Much love,  
Mom, Dad, Katie '00, Justin '02

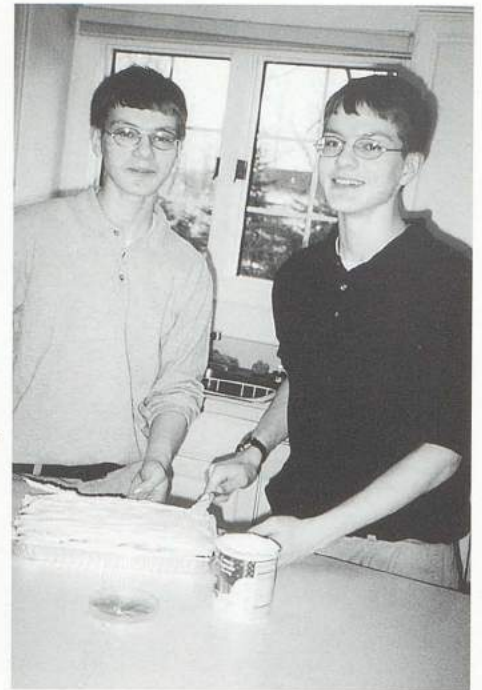

May the raindrops  
Fall lightly on your brow  
May the soft winds  
Freshen your spirit  
May the sunshine  
Brighten your heart  
May the burdens of the day  
Rest lightly upon you  
And may God enfold you  
In the mantle of His love.

All of our love,  
Mom & Dad

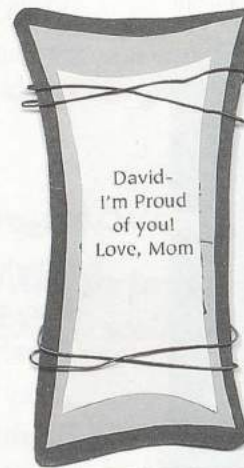

Dear Mike,  
 May your wishes and aspirations come true-on your birthday and always, and  
 May your future be bright and filled with the joys you have given us and others over the years.  
 Love,  
 Mom, Dad, and Andrew

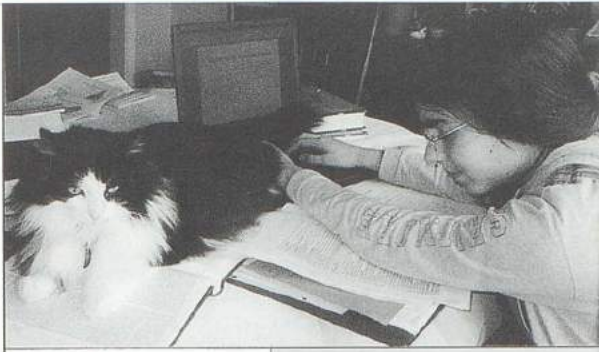

Congratulations Krissy!  
 We are so proud of you and happy for you. We wish you health, happiness and success in all the years to come.  
 All our love,  
 Mom, Dad and Kerry

David-  
 I'm Proud  
 of you!  
 Love, Mom

**And God will raise you up on eagle's wings,  
Bear you on the breath of dawn,  
Make you shine like the sun,  
And hold you in the palm of God's hand**

Will-  
You make us proud because of the decent,  
caring person you are. We know you will  
make the world a better place.

Love always,  
Mom, Dad, Jonathan, Katherine and Daniel

LISA,  
Thanks for all the wonderful memories-  
Looking forward to what us yet to come.  
WE LOVE YOU,  
Mom, Dad, Kari '00, Mark '02

To dear Katie-  
I'm so proud of all your brilliant  
accomplishments  
coupled with your loving nature.  
I love you,  
Grammy

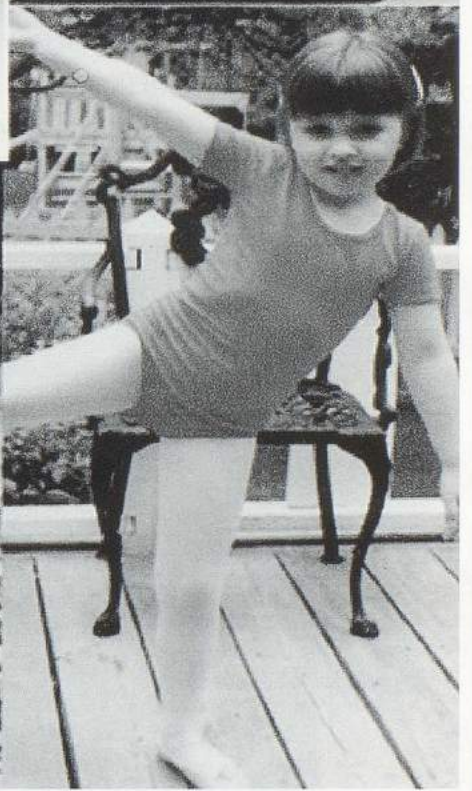

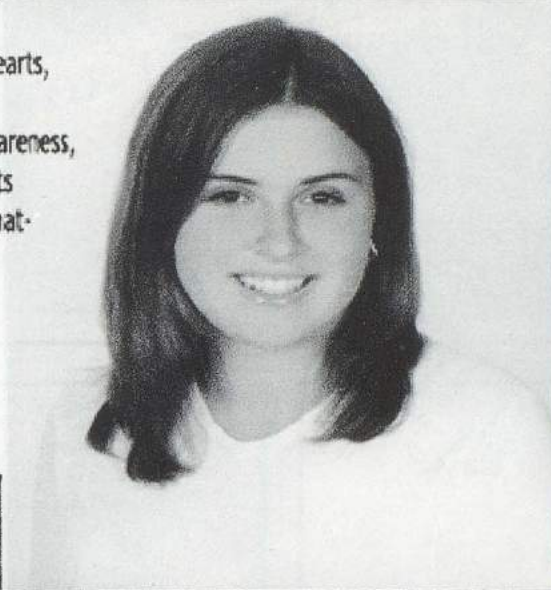

Elizabeth,  
"If we listen with the ears of our hearts,  
open our souls,  
step into each day with purpose and awareness,  
then we will truly receive the gifts  
that awaken us to the knowledge that  
life can be this good."

Richard Carlson

We are so proud of you  
and your accomplishments.  
We look forward to your  
bright future. Congratulations!  
We love you,  
Dad, Mom, & Hunter '07

Leah,

We are so proud of you  
and the special person you  
have become.

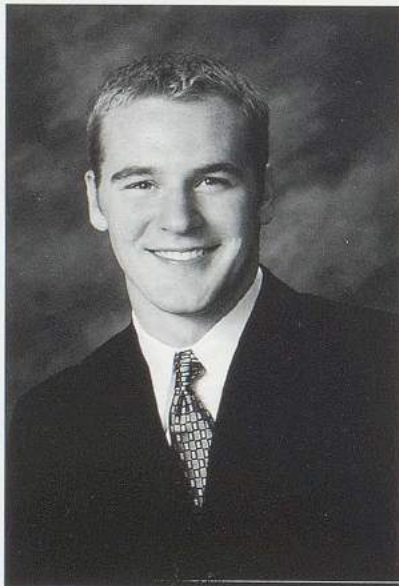

Believe in yourself and  
have faith in your abilities.

Wherever the future may  
take you, know that we  
will always be there  
for you.

Love,  
Mom, Dad and Kevin

Dear John—  
You'll always be a part of our class.  
We miss you!  
—The Class of 2004

CONGRATULATIONS  
SPANKY AND SPARKY!

We're proud of you both,  
but for different reasons.  
You've risen above  
some challenging seasons.  
We know you'll do well,  
as you're starting a new—  
Just always remember,  
how much we love you (two)!

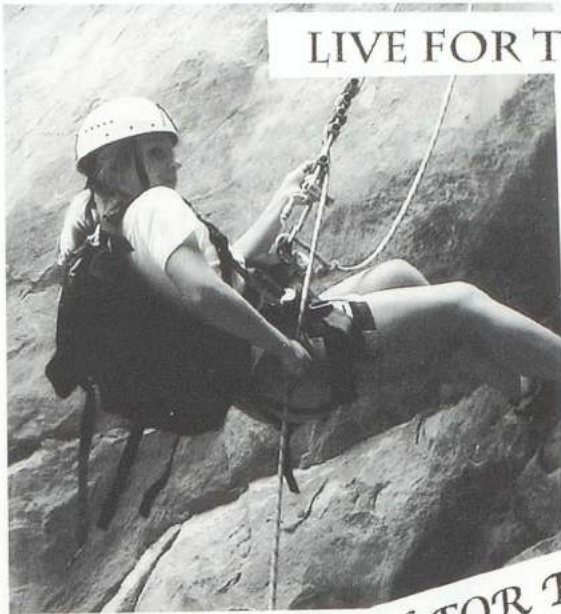

Love, Dad & Jo

**in your passenger seat  
who has given you the most  
direction this year?**

**"Mr. Harsh, who spoke on Career Day, because despite only having a 2.8 G.P.A., he currently owns a worldwide corporation."**

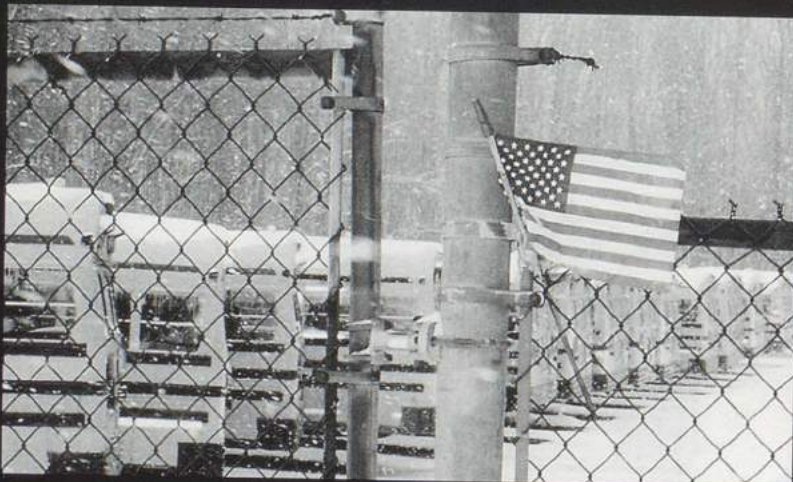

**-Mike Osgood**

**"Rex Roberts, because he is always riding the physics train."**

**-Matt Olsson**

**"Fellow classmates, I have a really great grade and every one is always willing to listen or help out."**

**-Kevin Chisholm**

"My parents, junior year is really important when it comes to getting into college and they have really encouraged me to do well in school."

-Megan Murphy

"Alan Barnes because he's so tall and eccentric. I can always count on him for a good time in CompSci."

-Terry Moenkhaus

"My brother, he has always been a great role model and I will miss him next year."

-Erin Wallenhorst

# COLOPHON

The 2004 Zenith was printed by Herff Jones Yearbooks of Shawnee Mission, Kansas. Press run was 525 copies. John Fowley served as the company representative. Melanie Hoffmann advised the publication. Theme concept was created by Elizabeth Williams. The lithographed photo cover with alligator grain was designed by senior staff members Chelsea Bacher, Katie Boldt, Jenny Conn, Leah Eichenbaum, Lisa Gretchko, Kristin Schmittel, Katie Schulze, Elizabeth Williams, and Kimmy Wilson. Special thanks to Cassie Hart for designing the Senior Favorites Picture. Thank you to Ripcho Studios for Sports Photography. Text paper used was Bordeaux. The headlines used in the division papers and closing were created using Pagemaker 7.0 on Dell GX110. Zenith sold for \$50.00. The book is 184 pages.
