# SUPERINTENDENT'S FORWARD

THE CLASS OF 2008 WILL BE GRADUATING INTO A WORLD WHERE THE "WAR ON TERROR" DOMINATES OUR DAY-TO-DAY LIVES. A WORLD WHERE IRAQ, IMMIGRATION, HEALTH CARE, AND EDUCATION REFORMS ARE DISCUSSED NEARLY DAILY BY A PLETHORA OF PRESIDENTIAL CANDIDATES. IN NOVEMBER OF 2008 YOU WILL BE PART OF THE PROCESS TO DETERMINE THE FUTURE OF OUR COUNTRY AS YOU HELP TO SELECT OUR NEXT PRESIDENT. YOU AND YOUR CLASSMATES WILL ASSIST IN ESTABLISHING AND FORMING OUR COUNTRY'S FUTURE POLICIES.

EVEN AS THESE NATIONAL ISSUES CHURNED AROUND YOU, THE DYNAMIC SENIOR CLASS OF 2008 CONTINUED TO MAINTAIN THEIR FOCUS ON OUR SCHOOL DISTRICT'S TRADITION OF QUALITY EDUCATION, AND CHAGRIN FALLS SCHOOLS WERE ONCE AGAIN AMONG THE BEST SCHOOLS IN THE COUNTRY. OUR SCHOOL DISTRICT HAS BEEN RECOGNIZED AS A "SCHOOL OF EXCELLENCE" FOR THE 7<sup>TH</sup> STRAIGHT YEAR, AN HONOR ONLY 17 OTHER SCHOOLS IN THE ENTIRE STATE SHARE. FURTHERMORE, *CLEVELAND MAGAZINE* RATED THE CHAGRIN FALLS SCHOOL DISTRICT AS #1 IN NORTHEASTERN OHIO. BOTH AWARDS ARE INDICATIVE OF OUR TALENTED STUDENT BODY AND THE OUTSTANDING DATA FROM TEST SCORES, ATTENDANCE, AND GRADUATION RATE. IN ADDITION TO THE ACADEMIC HONORS RECEIVED, THE CLASS OF 2008 WAS ALSO THE FIRST TO EXPERIENCE THE NEW DISTRICT PERFORMING ARTS CENTER AND THE BENEFITS, WHICH IT PROVIDED.

HIGH SCHOOL YEARBOOKS ARE A TANGIBLE EVIDENCE OF THE EVENTS OF A GIVEN PERIOD OF TIME. THIS YEAR'S ZENITH PROVIDES A SNAPSHOT OF THE 2007-2008 SCHOOL YEAR AND CAPTURES THE SPIRIT OF THE SCHOOL BY DISPLAYING THE ACTIVITIES, THE ACCOMPLISHMENTS, AND THE RECOGNITION RECEIVED BY OUR STUDENTS AND STAFF. AS OUR SENIORS PREPARE FOR THEIR NEXT STEP IN LIFE AND BEGIN THEIR JOURNEY TO COLLEGE, THE WORKPLACE, OR WHATEVER ELSE AWAITS THEM, MEMORIES WILL FADE BUT WILL FOREVER BE CAPTURED FOR POSTERITY THROUGH THE EFFORTS OF THE DEDICATED ZENITH STAFF AND THEIR SUCCESS IN RECORDING THIS YEAR'S HIGHLIGHTS.

I WANT TO RECOGNIZE AND CONGRATULATE THE ZENITH STAFF ON CREATING AN EXHILARATING YEARBOOK. IT PRESENTS AN ACCURATE AND HIGHLY VIBRANT ACCOUNT OF THE 2007-2008 SCHOOL YEAR. ON BEHALF OF THE CHAGRIN FALLS BOARD OF EDUCATION AND ADMINISTRATION, I EXTEND A WARM WELCOME TO EACH OF YOU AS YOU ENJOY THIS YEAR'S EDITION.

# THE CLASS OF 2008

THE TIME HAS COME TO LEAVE OUR SMALL TOWN  
TO THE REAL WORLD WE ARE NOW BOUND.  
RECOUNTING THE JOURNEY WE TRAVELED,  
LOOKING AT OUR MEMORIES UNRAVELED.  
FROM OUR GURNEY DAYS ON THE PLAYGROUND  
ALL THE WAY TO THE YEAR 2008, COLLEGE BOUND.  
FROM LITTLE LEAGUE GAMES TO FRIDAY NIGHT LIGHTS,  
WE WORKED OUR HARDEST AND PUT UP MANY FIGHTS.  
BEING THE FIRST IN LINE AT THE BUS STOP  
NOW WE ONLY HAVE THE SHORT WALK FROM THE SENIOR LOT.  
WE RECOUNT THE TIMES SITTING IN STUDY HALL  
NOW SITTING IN COMMONS GAZING AT THE SENIOR '08 WALL.  
GROWING UP WE LOVED DRESSING UP AND GOING TRICK-OR-TREATING  
NOW WE ATTEND THE PUMPKIN-ROLL AND GIVE THE POLICE A FRIENDLY GREETING.  
SO MUCH HAS HAPPENED IN OUR MOST RECENT DAYS,  
LOOKING FORWARD TO OUR NEXT PHASE.  
NOW WE MUST LEAVE, WITH NEW DREAMS TO PURSUE  
BUT CFHS, WE WILL ALWAYS REMEMBER YOU.

#### **Vahagn Yeranossian**

These years in Chagrin Falls have definitely had an impact on my development and there are so many people I would like to thank. I would like to thank my parents for all they have done for me, as well as my teachers, but I would especially like to thank Mr. Pepper (although he is not here), Mrs. Petite, and Mr. Stuart for everything they have done directly and indirectly to make me a better person. I hope that people have learned from my "legacy" in CFHS that conformity is not always a good thing and that there are no "black and white" issues, there is always a grey area (except for math of course). Lastly, I sincerely wish that people have listened to me these past few years and will adhere to my final words: Be mindful of your discourse!

# PEOPLE

As the incoming Freshmen entered their first year at CFHS, they faced uncertain feelings of excitement and nervousness. The Sophomore class adjusted to the newfound difficulties of more challenging courses and larger amounts of homework. While the juniors began to tackle the approaching college search, the Seniors found numerous ways to make the best of their well-deserved and much anticipated senior year. All students proved their academic abilities through phenomenal test scores, as well as their prolonged diligence throughout the year. We will always remember the students we walked with up and down the crowded hallways for four great years. Whether we met them the first, unpredictable day of Freshman year or our unforgettable senior prom, friends are made throughout high school that will be remembered forever. By: Emma Canter

# STUDENT Life

Work hard. Play hard. A motto Chagrin Falls students have no trouble following. The Chagrin Falls High School holds an outstanding reputation because the students push themselves to the limit. At the end of the day, however, no one has trouble kicking off their shoes and having a good time. Chagrin is rich in tradition and many student activities have continued throughout the years. The vivid fall played host to the annual bonfire, the fall play, and the Homecoming dance where Martha Bentz, escorted by Zach Frey, took the crown for Homecoming queen. The senior ladies beat the junior girls six to zero in the Powder-Puff game and on that same night the upperclassmen, bundled in layers, sledded down a pumpkin covered Grove Hill for the highly anticipated Pumpkin Roll. The change of the season brings countless other student activities, from Winter Formal to Spring Fest, most Chagrin Falls students never rest. By: Annie Farley

# JUNIOR SENIOR

November 4<sup>th</sup> 2007, the 38<sup>th</sup> annual notorious Chagrin Falls Pumpkin Roll took place with great success. Although the event is not school affiliated the Juniors and Seniors took the opportunity to come together to continue a strong held tradition. Students first gathered at a nearby house and then marched up to Grove Hill to unload the pumpkins for the long awaited event. After smashing all of the pumpkins, students stayed at the hill for almost two hours having the time of their lives sledding down Grove Hill. Everyone left with a few bumps and bruises but also with memories to last forever.

# SPORTS

**C**hagrin Falls High School Students showed the school and community their exemplary performance in the world of sports. This fall the football team finished with a fantastic 6-4 record. Both the girls and boys soccer teams penetrated far into the playoffs. These teams also made it to the district finals for their division. The boys' cross country team finished third or better in six out of eleven meets while the girls finished first in almost every race during the season. The girls tennis team created lasting friendships through hard practices and exciting matches. The volleyball team participated in the "Volley For the Cure" game against breast cancer. The golf team had the opportunity to go to the state tournament and Junior Sam Core finished third in the state. In the winter, the boys' and girls' basketball teams finished the season with exciting wins against West Geauga. Both teams defeated the wolverines twice during the season and both defeated Kenston at the end of the season. In defeating Kenston, the girls became Co-Champs of the CVC. The hockey team had a great season, being lead by only two seniors and winning the Baron Cup. Swimming sent five girls to states and one boy diver, while gymnastics, and wrestling all had amazing seasons, finishing with strong team relationships. By: Paige Lingafelter and Casey Cott

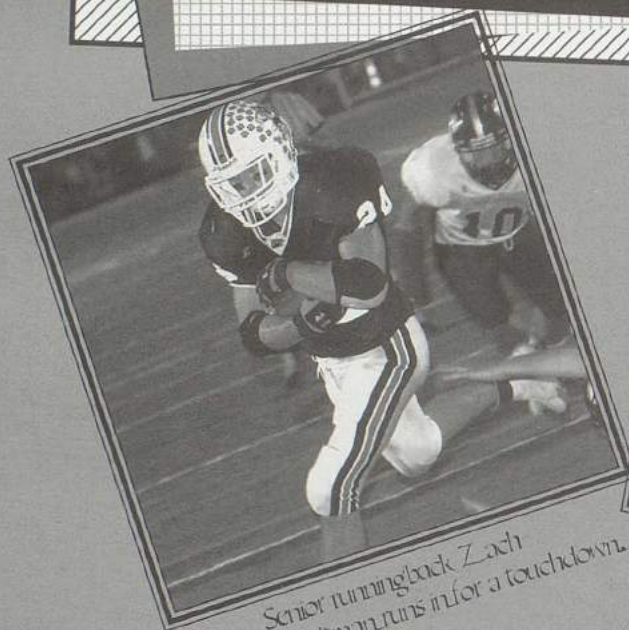

# FOOTBALL

The Tiger Football season started off strong, winning six out of their first seven games. Leadership from the seniors Derek Moen, Mark Hammer, Pat Wallenhorst, Fritz Stueber, Chase Stelzer, Zach Toedtman, Nick Moisis, Matt Biederman, Dan Lalich, Rikar Ramsev, and Brett Axner helped the Tigers achieve their season ending with a 6-4 record. Though the team fell a little short of their playoff goal, they maintained a positive outlook on the season. They lost two key starters due to injury: lineman Dan Lalich, and wide receiver Jack Karlovac. The Tigers overcame numerous obstacles and proved themselves once again to the Chagrin Falls community.

# GIRLS' SOCCER

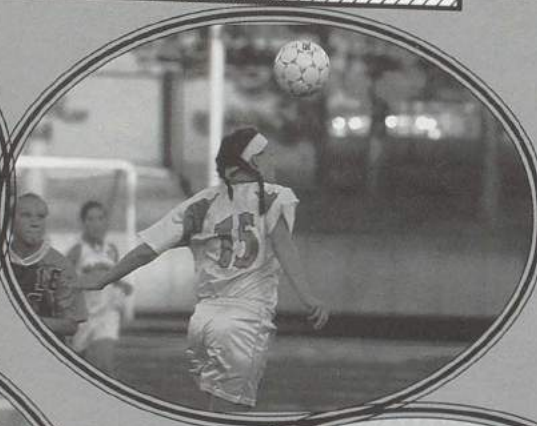

It was an exciting season for the Lady Tigers, starting with their tough win at Laurel. After a couple difficult games, the girls got back on their feet and kept a winning streak going, lead by seniors captains Judy Stricker, Molly Gerbasi, and Megan Issason. The team bonded with numerous chow-ups and downs, tie dying shirts, shopping, and attending the boys' soccer games. The girls gave back to the community by helping out at "Race for the Cure" and walking at the Cleveland Zoo for the Juvenile Diabetes Foundation, which helped the girls to become close. Exceeding everyone's expectations the girls made it all the way to the "Elite Eight" of the state. On the way they took their revenge on Avon, their only Division 2 loss for the regular season, beating them 5-1 in the regional semifinals to finish the season strong.

Top: Evan Breitsch fights to run ahead of another runner. Below: Graham Fishell finishes his Galien race with a personal record and a strong sprint.

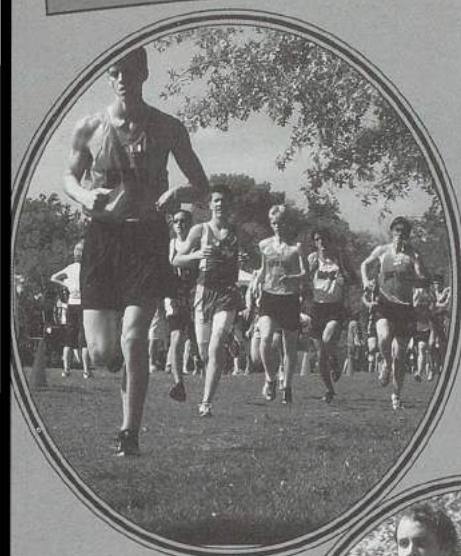

Key additions along with returning runners to the boys' team this season helped the Varsity and J. V. teams in a successful fall season of running. It all began with summer workouts and a "rain-or-shine" mentality. Led by four returning seniors and three new seniors, the work put in during the summer created a great start to the season. Team dinners and "Super Smash" game nights brought the guys together and allowed for a positive attitude filled with avid camaraderie. By placing third or better in six out of the eleven meets, the boys achieved high honors. Proof of their hard work was shown when the boys placed third in the District meet and moved onto Regionals for the first time in years. Although the team did not qualify for the State meet, Graham Fishell, lead runner and senior, made it individually. The team exemplified their strong friendship through the decked-out spirit and unstoppable support the rest of the boys provided Graham with at the State meet. The Tiger Runners ended the season with new friendships and a newfound respect for the sport of running.

The team camaraderie was outstanding this year, which helped them succeed in having the 2<sup>nd</sup> best Boy's Soccer record in Chagrin Falls History. By: Megan Takacs

## A MOMENT TO REMEMBER

- "We had an amazing season this year.
- After losing three seniors I was a little scared about what the outcome of the season would be. I was amazed how the team came together during the regular season finishing second in the CVC. After that we moved to the postseason finishing fifth in the state tournament. I hope for nothing but a first place finish for next year." -Sam Core

# GOLF

Absolute success and determination defined the Tigers' 2007 golf season. The journey to the state tournament was destined to conclude with success due to early key victories within the conference over Aurora and West Geauga. With powerful front-runner players including: Pat McKelvey, Joev Binder, Peter Noble, Kevin Hamori, Mitch Diles and the prodigy Sam "The Real Deal" Core, the team plowed through the season with excessive amounts of talent. By achieving second place at the C.V.C. Championship along with Sam Core's award as the C.V.C.'s most valuable player, the Tigers ventured off to the sectional and district competitions with avid confidence. After placing third at both sectionals and districts, the team traveled to Columbus to compete at the state level on Ohio State University's own Scarlet and Gray Golf Course. The Tigers successfully placed fifth with a combined score of 610 and Sam Core gained a state medal by placing third in the individual competition. The 2007 season will go down into Chagrin Falls athletic history as one not to be forgotten.

# GIRLS' CROSS COUNTRY

Throughout the season, the girls team set new records, achieved state rankings, and created new and lasting friendships. Whether it was the long, 12-mile, Sunday runs, or the weekly chowdowns on Friday night, the girls strengthened themselves individually, and as a whole. With a sophomore addition of Kirsten Stevenson, and with the senior leadership of Martha Bentz, the Lady Tiger Runners cruised to victory in their Saturday invitationals, taking first in almost half of the races. New freshmen fit in perfectly with the team chemistry and aided in winnings for the team. For the seven precious spots on varsity, the competition this year was tremendous, leaving the six and seven spots up for grabs for the remaining eight runners. The championship season allowed for the girls to truly shine, making it to regionals, and leaving the event with two state-bound runners. Both the boys' and girls' teams bonded this year with weekly "Office" parties and movie nights. The girls' Regionals sleepover provided quality time together for the girls to get to know each other even better. The 2007 season started and finished with success, not only in running, but in friendship as well. By: Maggie Clegg

The multi-colored spikes in the middle of the huddle, the nervous and excited faces of my teammates and the inspirational speeches by the seniors all set a great mood for the first race of the year, and for the last cross-country season for me. I will miss the team and the friendships I have made through this sport and I can't wait to see how the girls do in the future!" -Lindsay Tyson

# GIRLS' TENNIS

The Varsity Girls' Tennis team welcomed many fresh faces along with returning senior talent which provided excitement at every game. The team started off with a promising season, racking up wins against rivals Aurora and Mentor. Although the girls played some challenging matches, they still managed to have a positive spirit. Seniors Danielle Driscoll, Liz Monda, and Jessica Zollinger were very inviting to new freshmen Ericka Leone, Sarah Ross, sophomores Andrea Emmerich and Jane Manchester, junior Sam Butler, and one new senior, Lindsay Coleman. Andrea Emmerich recalled, "The Seniors were really fun and made the season a lot better." Despite a challenging season, the new talent leaves hope for future seasons. ## A MOMENT TO REMEMBER

"The 2007-08 basketball season was a lot of fun. The team was very close, stemming from playing in the summer together. Mr. Sweeney was a new addition to the Varsity team. He brought his intensity and basketball knowledge to the court. The seniors stepped up as team leaders and others helped as a great supporting cast. The season did have its ups and downs, but I know everyone had fun. I had a great first year on the Varsity team." -Connor Clegg

**Coach's Comments:** "Mark has been a great asset to the boys basketball program over the past four years. His dedication and commitment are key reasons for the success he has experienced both individually and as a part of the team. Mark has a great passion for the game, which has been one of the main factors for him wanting to become the best player he could possibly be. He has a tremendous work ethic, always giving his best effort and never taking a shortcut with whatever he was asked of him. One of Mark's greatest strengths is his intelligence. Mark has terrific court sense and always seems to be one play ahead on the court. He is like another coach on the floor and has a great feel for the game. Mark has adapted his game over the years to help the team in whatever way needed. He was willing to set aside personal goals for the betterment on the team. We will always be grateful for what he has done for our program."

"Passion on two! One, two...PASSION!" Every team huddle, every moment that needed togetherness, and every time the Lady Tigers needed a boost of spirit, the theme of passion was always present. With a new Varsity Head Coach and J.V. coach/ Varsity assistant, the girls pulled together through their years of experience to make the season successful. "We were successful because everyone believed," Varsity Coach, Coach Howell explained. The strong effort and constant work ethic the ladies put into the summer and pre-season practices gave them a jump-start for the achievement throughout the regular season. The highlight of the season was beating Kenston, 59 to 46, after a previous defeat. Not only was this victory a goal of the season from the start, but the Tigers ended up Co-Champions of the Chagrin Valley Conference, along with Kenston. The Varsity Lady Tigers stuck together this season for each other, for their coach, and for the passion to play basketball. Coach Howell emphasized, "I will always have a special place for the girls on this team. I thank them for their passion." By: Maggie Clegg and Maggie Hermanson.

This year both the football and basketball cheerleaders ignited their seasons much before the start of school with an exciting summer camp at the High School. They spent the night in the library and worked hard for two strenuous days. The football squad was lead by four seniors, Chelsea Dvorak, Adelyn Emmerich, Liz z ie Shimp, and Lin Haldeman. These girls showed a great amount of spirit and enthusiasm throughout the whole season. This winter, the basketball squad was lead by only two seniors, Chelsea Dvorak and Megan Pilkington. Both of these groups of girls dedicated a large amount of time after school both to practice, and to decorate the school each week to support not only the football and basketball teams, but all sports in season. Each year the cheerleaders fund and decorate the Winter Formal dance. This year the dance was yet another success with the creative theme of Masquerade. Throughout the year both football and basketball squads continued to promote school spirit.

-Senior Wilev Fox

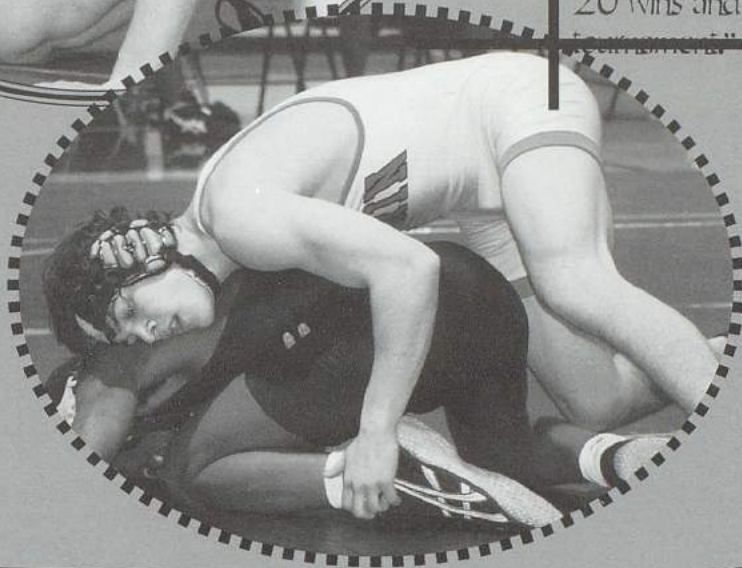

# SENIOR SPOTLIGHT

Name: Denny Lehman

**Coach's Comments:** "Senior Denny suffered a season ending injury in his junior year, which fueled his desire to finish his four year varsity career on a note. Denny started the season by earning a first place at the Waterloo Tournament, which broke a drought of two years of a Chagrin wrestler winning a tournament. His dedication and team leadership were invaluable. Denny's season finished with over 20 wins and qualifying for the district tournament."

Top: Tommy Kuenz is crouches down, awaiting his moment to pull a reversal.

Left: Denny Lehman slams his opponent to the mat gaining leverage to get the pin.

The team endured the tough 2007-2008 season with an exceptionally small squad. The wrestlers repeatedly showed their great character with hard fought matches throughout the season. Although the team was hampered by several forfeits, individually Chagrin won over half their matches. While not on the mats, the wrestlers spent countless hours joking around and developing camaraderie at team dinners. Denny Lehman respectfully upheld the strong CF wrestling reputation by courageously returning to this season after a tough injury and individually winning 20 matches. Along with Lehman, outstanding leadership came from Seniors Jimmy Conti, Wiley Fox, Alex Hinch, and Jeff Lurch binding the team to a season overflowing with success. By: Jack Hinman

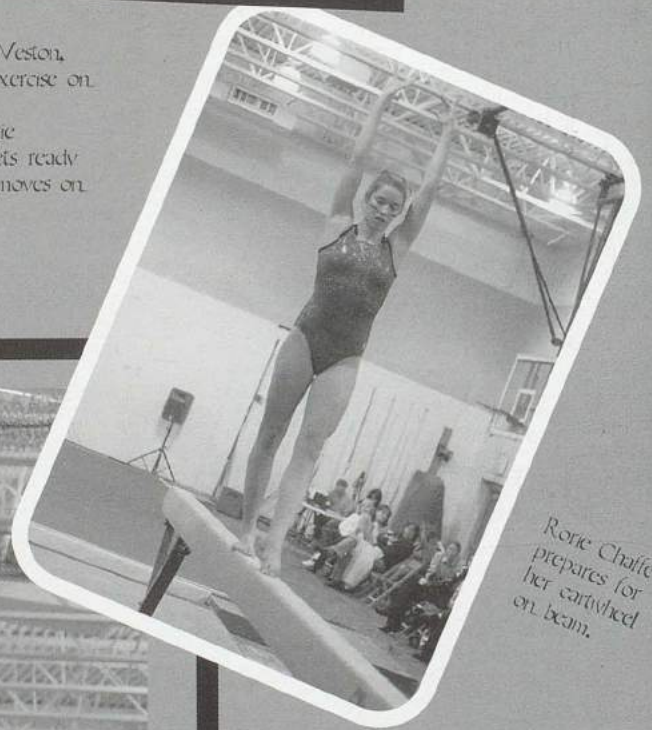

# GYMNASTICS

The gymnastics team has had yet again an eventful season. The seniors Meg Weston, Lin Haldaman, and Kim Keesler led the way, and welcomed two new freshmen to the team. The team had thirteen meets including sectionals, districts, and states. Some of our major competitors this year included Kenston and Magnificot. Sophomore, Jackie Wortman says, "It's such a fun experience to be able to be a part of the gymnastics squad. All the girls have a great time together during practices, and meets are a lot of fun!" Normally, the Chagrin squad practices at West Geauga High School, along with NDCL. This year, Orange, Newbury, and Kirtland were added to the mix at West G. Although those teams had very few girls, it was still a chance for West G, NDCL and Chagrin to meet some new people. Overall, girls' gymnastics managed to put in all their effort while enjoying their time together as a team. All the girls have gotten closer and become "a family."

Coach's Comments: "Lin and Kim have been outstanding captains for Chagrin. Both have gradually increased their skill level from single event participants as freshman to three event performers. As a coach, I could depend on both of them to organize the team for meets, practices, and help out in all the little things that pull the team together!"

## A MOMENT TO REMEMBER

"One of my most memorable moments during our season was our meet at Brecksville. This was our only away meet during the whole season. What made this meet stick out in my mind was the bus ride, and going out to dinner afterwards. On the way to the meet, the team made fun of a fellow gymnast who brought coca-cola in a salad dressing container. Another great moment on the bus was when the upperclassmen sang a traditional song in which they poked fun at the freshman. It was great watching Rico's face redden from how embarrassing the subjects were."

# HOCKEY

Early morning practices, pounds of equipment, and Zambones: just a few things associated with Ice Hockey. Well, this year proved no different. The year turned into an extraordinary one. The boys played many games in which the opponent had no chance in coming back for a win. The young men were really able to come together as a team. Although they lost a few seniors last year, this did not stop the players from coming back full throttle with a determination to win. Despite the fact that the Chagrin Falls Hockey Team's home arena is located at Gilmour Academy, off Som Center Road, fans never failed to turn out. The boys all dread the early morning practices that they must attend, yet they all agree they were worth it in the end. Not only did the team leave the season with an outstanding record but also with the Division Three Baron Cup and a personal record for one junior player, Taylor Derbyshire. Taylor set the Chagrin Falls career record with over 210 points! This year will be unforgettable for the team, the coaches, and the fans. However, no one can wait to see what's to come in seasons ahead.

Top Row: Lindsey Quinn tries to beat her opponent in the 100 yard breaststroke. Laura Hasler pulls through as the last leg of the 200 yard freestyle relay.

Bottom Row: Danny Binder works hard in his 200 yard individual medley race. Taylor Axelrod comes in first place in the 100 yard backstroke. JP Shimp takes the lead for his relay team.

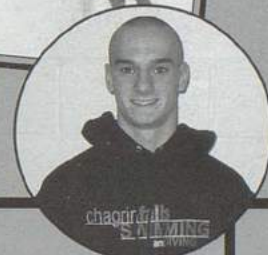

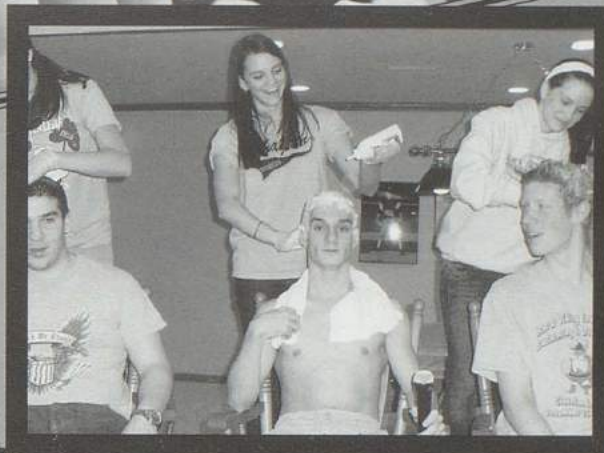

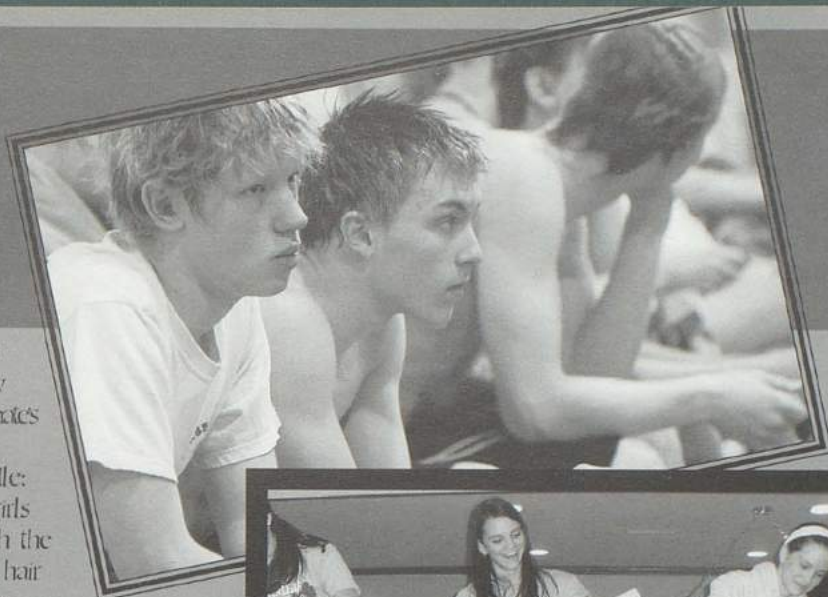

The swimming and diving team dove into a great season this year. The girls ended their season with an 8-2 record and the boys had a 9-1 record, making it one of the best records the boys have ever accomplished. Both the boys and the girls' teams were very successful at tournaments including the Cloverleaf invitational where the boys finished 5th out of 16 teams and the girls finished with an astonishing 1st place out of 17 teams. At the CVC meet the boys finished 3rd out of the 11 teams, while the girls finished 4th out of 10 teams. The team also reached new highs when it came to the sectional meets. Senior Danny Binder advanced to districts in his 100 yard backstroke and the Individual medley, while all three of the girls relay teams advanced to districts. The stand out performer on the diver's side, for the second year in a row, was Jamie Engllhardt. He qualified for the Ned Reeb Invitational and placed 5th out of 24 contestants. Overall, the swim team had great success in the 2007-2008 winter sports season. By: Julie Sedlak and Maggie Flesher

# Academics

What is Chagrin Falls High School? An academic phenomenon. Chagrin has repeatedly upheld its reputation as a powerhouse in the academic arena, and the 2007-2008 school year was no exception. The district took a hit with the failing of the levy in early 2007, but that did not hinder the students' determination and hard work ethic in the classroom. Though all academic departments achieved wonderful success with AP passing rates, the math department demonstrated the true excellence that defines CFHS with 100% in both of Mrs. Petite's Computer Science classes (A and AB) and 96% in Mr. Maas's AB Calculus class. Academic distinction was further apparent to the world when *U.S. News and World Report* named CFHS 92<sup>nd</sup> in the nation's top 100 high schools. Academics has always proven to reside as a major strength within Chagrin Falls High School and hopefully it will stay that way in years to come. By: Corey Cott

New administration encouraged a strong start to the 2007-2008 school year. Chagrin Falls welcomed new superintendent Mr. Thompson, along with new High School Principal Mr. Boedicker and Assistant Principal Mr. Schumacher. The Performing Arts Center also proved itself to be worth the wait for the Chagrin Falls community. The recently renovated CFFHS cafeteria was included in a national magazine, Food Management, by demonstrating its efficiency and innovation of space and new equipment. # ENGLISH

The English Department once again has made outstanding strides in the lives of the Chagrin Falls High School students. From impeccable grammar, to extensive vocabulary, to helping students uncover the truths and implications behind literature, the Chagrin Falls English Department does it all. The Advanced Placement scores only justify the teachers' hard work even more. In AP English 11, the student's passing rate was 91.9% and in AP English 12 was 88.2%. This year, the students still maintain their driven work ethic within the classroom. Sophomore students memorized and performed poems for the National Poetry Outloud competitions. The students in Prism, the school's literary magazine, took pride in their work when they created the annual book of poems and art. Prism member Jillian Wetzel comments, "Prism has been an awesome experience this year and I have really gotten to see how creative the students in our school are at writing and art!"

*The Math Department had an exciting start to the year, beginning with Mr. Sweeney's annual balloon drop. The project visually assisted students development of reasoning and accuracy skills. The rest of the math department helped demonstrate their accomplishments through their exceptional Advanced Placement testing scores. The Calculus AB passagerate was 83.7%, while that of Calculus BC reached 96%. Both the Computer Science A and Computer Science AB studentsexcelled having perfect rates of 100%. Despite some minor adjustments in the math department, some things never change. Mr. Sweeney still stands outside his door and greet everyone, Mr. Kerul still attemptstobeaweatherman, making daily "Snow day predictions", and you can still hear Mr. Patrizi's projective voice throughout the school. Mr. Maas still dreams of being a firefighter, a DJ, and a cydist, and Mr. Brand continues to follow his dream of becoming an administrator. Mrs. Petite still proclaims, "Sin-Y!" and Mr. Decker still encourages all students and staff with his inspirational quote board on Fridays. Finally, Mrs. Cymanski still enjoys running marathons in her freetime, and including them in word problems on tests. Math still "adds" an important element into our school day! By: Emma Carter*

# Science

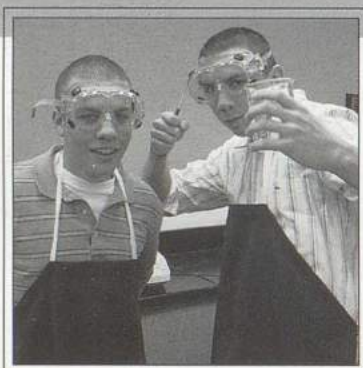

The Science Department has had a year of success. By taking extra time to help the students, the six science teachers have given the students more opportunities to excel in the classroom. Mr. Weigal is still teaching "Advanced Placement Tree Hugging". Mrs. Salyers still runs around the halls talking to everyone. Mrs. Deighan continues to bake cookies on test days, everybody just loves Mr. Roberts. Mr. Buckle still can't control his classes, and Mr. Ricci always has his "favorite teacher questions" on exams. Kicking off the year with the annual Mole Day celebration, the Science Club showed their science spirit! Senior Julie Leary commented on Mole day, "Science Club is super fun! We get to wake up at five in the morning to make pancakes with Mr. Roberts and Mr. Buckle". Last May, AP science students excelled in the annual AP exams. In Biology there was a 93.8 percent passage rate, and in Chemistry there was a 90 percent passage rate.

Senora Fahey lectures her Spanish 3 class on spanish "commands".

The language department was anything but boring this year. The language department has continued to submerge the students of Chagrin Falls High into the cultures of the world. Students at Chagrin Falls continued to take advantage of having so many different languages to choose from. Chagrin Falls welcomed a new language teacher this year, Mrs. Lin who teaches Chinese 1 and 2. She came to Chagrin as a newlywed from Taiwan. Her knowledge seems endless. Also new to the high school is Senora Fetterman. She moved to the high school from the Intermediate School and has found great ways to make learning

Spanish fun for high school students. She hosts many guest speakers, and encourages learning through group projects. The language department has welcomed returning teachers Madame Hamid, Dr. Gerhardt, and Senora Fahey. The substance students gain from the language department will help them succeed for years to come. By: Alex Starinsky

**Mr. Brownlow lectures his 7th period APUSH class on the Civil War.**

The history teachers continued to bring an uplifting and cheerful vibe that kept their history student eager to learn throughout the year. The history teachers returned from their summer vacation feeling a sense of accomplishment because of the outstanding Advanced Placement test scores that were taken in spring of 2007. 72% of AP US Government students passed their exam, but even more impressive were the AP United States History scores. A remarkable 82.3% of students passed their "APUSH" exam. Mr. McKenna hosted another student teacher this year,

Ms. Patrillo, who teaches most of Mr. McKenna's U.S. History Classes, until the second semester. Some things, however, never change. Mr. Brownlow still complains about the heat, Mr. Salyers always has his door locked, Mr. McKenna always has a Diet Coke in hand, Mr. Ehrenbeit still won't let you talk unless you raise your hand, and Mr. Serluco, "YA KNOW?". # ARTS & DRAMA

The art department has yet again had an amazing year. All the art students seem to enjoy their teachers and the projects that they have made. The halls have been decorated with miraculous pieces of art. The art department offers a variety of classes such as painting, drawing, photography, computer graphics, and jewelry making. AP Portfolio is also a class that can be taken for those who would like to excel into a college level of art. Students have showed that the art program is still holding strong throughout these classes. The art and drama classes continued to show success through their AP scores. Drawing had a phenomenal 100 percent passage-rate, 2D design had a 94.1 percent passage-rate, and 3D design had a 100 percent passage-rate. All classes have been working hard and achieving in every given assignment. By: Maggie Robinson

# CLUBS

Clubs once again succeeded in helping the students at Chagrin Falls become more involved in the school's activities. Fundraisers, volunteers, and hard working students are the factors that made up the different clubs this year. Year after year, Debate club travels to various tournaments always successfully displaying the knowledge this school stands for. The Spanish and German club allowed the students to have a little fun with the language by staying after school and watching movies in the different languages. The Philosophy club members met up at different locations every week and discussed their thoughts on ideas presented throughout the ages. All the clubs have one thing in common: they bring students of all grades and social units together to work and learn as a team. By: Megan Takacs

A new journey awaits you. Decisions lie ahead, wondering what you'll do, where you'll go, how you will choose when the choice is yours...

Remember that good decisions come back to you and bless you over and over again. Work for the ability to choose wisely, to prosper, to succeed. Listen with your heart as well as your head, to your inner truth that provides advice and inspiration to your days...

Touch the sky, and in your Reach, believe, achieve and aspire...

We hope your dreams take you to the top of your goals and your joys take you even higher! You have made us laugh and made us cry, and allowed us to feel endless LOVE every day of your life!

Remember, "We will love you for always and forever, for as long as we live our baby you'll be..."

2008

Almost 18 years....

Only a blink in time.

"No" was your favorite word....

Now "no" is only one of millions.

Your drink of choice was apple juice....

Now it's extreme cherry Pepsi.

There once was a Barbie jeep....

Now there's a larger one.

Once there was a first day of Kindergarten....

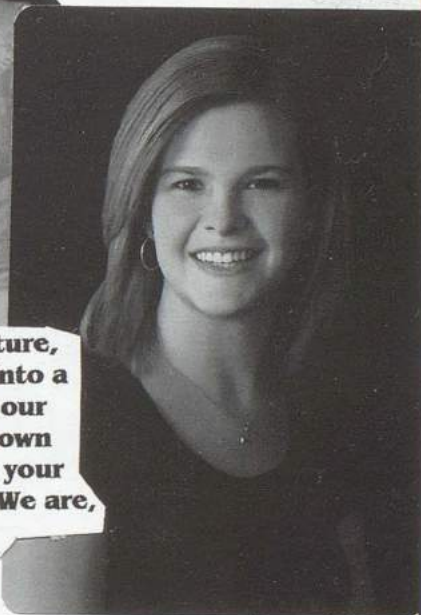

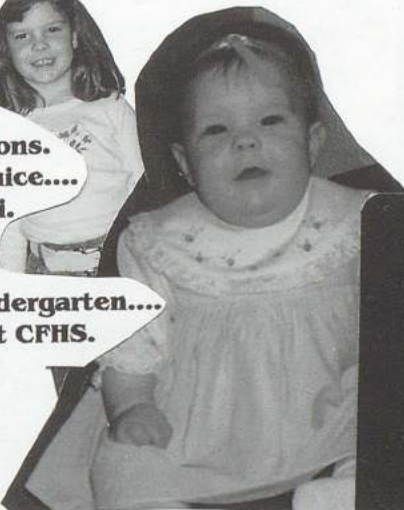

Now soon will be a last day at CFHS.

Dear Jessi,

As you step away from this place into your future, continue to be true to yourself. You've grown into a beautiful young woman, and have forever been our special gift and joy. You've always chosen your own path....many times the one less traveled. Keep your love and your faith and you will find your way. We are, and remain sooo very proud of you.

With much love, and CONGRATULATIONS!!!

Mom, Dad, and Sadie-dog

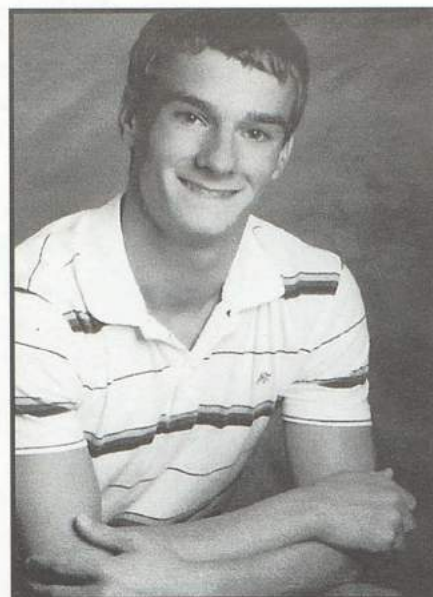

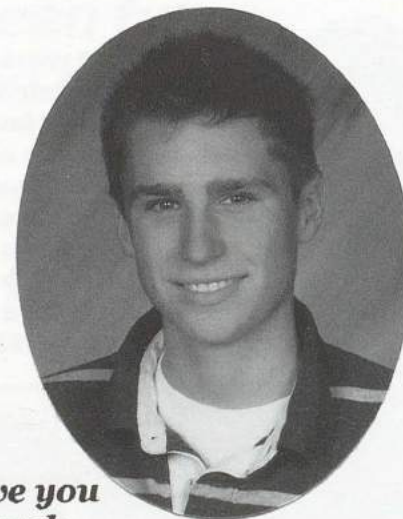

Danny,

Your kind heart and dedication to your dreams  
will take you far in life. We could not be more  
proud of you. We'll keep dreaming with you.

## DANNY

From "one and done" to "two down and two to go" to "you are the third of four to leave" and, finally, "four and out"! Each one of you has brought a different and unique persona into our household. Granddaddy used to say "we haven't had a good time if we haven't had a good argument!". I think that we'd all agree that nobody enjoys that good argument as much as you. We will miss your spirit, passion and conviction as you move out and on to the next phase of your life. Just remember, those traits that have served you so well are the traits that will help you find your way as you continue on your journey. We have one last life lesson before you enter the "big leagues": "I said fish don't fry in the kitchen, beans don't burn on the grill (THAT'S RIGHT!), it took a whole lotta tah-ryin' just to get up that hill. I said now we're up in the big leagues (BIG LEAGUES!), my dirty it's our turn at bat, and just as long as we livin' as lunatics playa, it ain't nothin' wrong with that.....BATTER UP!". Swing for the fences, Danny. Love, Mom, Dad, Bridget, Phoebe, Kevin, Fester and Scooby The Dog Brown.

Look to this day:  
 For it is life, the very life of life.  
 In its brief course  
 Lie all the verities and realities of your existence.  
 The bliss of growth,  
 The glory of action,  
 The splendour of achievement  
 Are but experiences of time.  
 For yesterday is but a dream  
 And tomorrow is only a vision;  
 And today well-lived, makes  
 Yesterday a dream of happiness  
 And every tomorrow a vision of hope.  
 Look well therefore to this day.

*Who made the world?  
Who made the swan, and the black bear?  
Who made the grasshopper?  
This grasshopper, I mean -  
the one who has flung herself out of the grass,  
the one who is eating sugar out of my hand,  
who is moving her jaws back and forth instead of up and down -  
who is gazing around with her enormous and complicated eyes.  
Now she lifts her pale forearms and thoroughly washes her face.  
Now she snaps her wings open, and floats away.  
I don't know exactly what a prayer is.  
I do know how to pay attention, how to fall down  
into the grass, how to kneel down in the grass,  
how to be idle and blessed, how to stroll through the fields,  
which is what I have been doing all day.  
Tell me, what else should I have done?  
Doesn't everything die at last, and too soon?
