## To the class of 2010:

Another turning point, a fork stuck in  
the road  
Time grabs you by the wrist, directs  
you where to go  
So make the best of this test, and don't  
ask why  
It's not a question, but a lesson learned  
in time  
It's something unpredictable, but in the  
end it's right.  
I hope you had the time of your life.  
-"Time of Your Life" by Green Day

Will we think about tomorrow like we think about now?  
Can we survive it out there? Can we make it somehow?  
I guess I thought that this would never end  
And suddenly it's like we're women and men  
Will the past be a shadow that will follow us round?  
Will these memories fade when I leave this town  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly  
As we go on, we remember  
All the times we had together  
And as our lives change, from whatever  
We will still be, friends forever.  
-"Graduation Song" by Vitamin C

I will remember you  
Will you remember me?  
Don't let your life pass you by  
Weep not for the memories  
Remember all the good times  
that we had  
We let them slip away from  
us when things got bad.  
-"I Will Remember You" by  
Sarah McLachlan

## The Class of 2010

We have left our mark, that we can say  
And have achieved so much in different ways.  
With our leadership, our teams made it to the  
top.

Our incredible talent, nobody could stop.

As far as academics go,  
A Blue Ribbon School, that we know.  
With so many students in demanding classes  
We earned the rank, by the masses.  
Our strong friendships we will turn to  
As we enter college to start anew.

Our class camaraderie is undeniable,  
We can count on each other to be reliable.

As we look back on our time spent here,  
Our memories we will hold so dear.  
We are now part of the tiger traditions  
That we handled with such ambition.  
From Gurney to the High School we have  
become one,  
And with graduation, our time here will be  
done.

Though we must move on, this is true,  
CFHS we will always remember you.

"Humans are allergic to change. They love to say 'we've always done it that way.' I try to fight that. That's why I have a clock on my wall that runs counter-clockwise" (Grace Hopper). Nate Debeck  
I really don't know what to write. These past four years have been a blast. All the friends I've made and all the memories to go along with them. Matt D and his list of shame, don't worry bud I'm right there with you. Litz I'm sorry about the way things turned out but I'll always be there for you. G-baby we've had some fun times, and Cam T some legit relationship talks. Kate K and Jane you guys have been there for me no matter what. J-Hin just keep hittin' bombs. And now I guess I'll just thank everyone for making these 4 years amazing.

Matthew Digel  
"Praise to thee Chagrin." I've come to realize the deep and true uniqueness of Chagrin and more specifically, our class. Never in all the places I've been, whether it be Chauquaqua, other camps, or places, have I been surrounded so completely by a group of peers that push me to be smarter, more athletic, more "sociable." It's this well-rounded nature that has allowed me to stay focused while having a lot of fun...and I thank you 2010, Garvin—I love-hating you, when we compete you make me mad, but that's what makes it so fun. To the rest of the Dudes, you've made high school sick, and soccer everyday couldn't be better. Ae Challenge—"watch out for the lock-out." Guyss&Dolls—"Yea...chemistry." To the '09's of 4x400 record, finally got it. As of now, Joey and I are the only members of the 2 plus 1 Club, but we expect more members in meetings to come (HC '09+Blink). Ted and Litz—you're too good. Football guys, fun on the field in M.S. but more fun in HS off of it. "Junior Lounge" with Debeck. Cheers to the lives we've led and the next best 4 years of our lives. Good luck Brian, keep living the dream. "May we always keep our honor, keep our standards high, hold our memories always with us as the years go by."

Mitchell Diles  
Everyone always says that high school seems to fly by so fast, and well, it does. I just wanted to thank everyone who made it memorable. Thanks to my mom and dad for supporting me my entire life, and especially these past four years. I love you. Also, to my bro Matt '09, love you too. As for my friends who made high school awesome—JW, AW, TK, RK, RK, MF, los tres gules, and all the other guys and gals, thanks. Shout-out to my friends in the grades below...you know who you are. From raves in the Breitsch's basement, the Pumpkin Roll, and Blossom LARPing, to dances, crazy Spanish movies, and arguing with Brownlow and Salyers. I'll remember it all. Peace out, Class of 2010.

Lydia Dominey

I'd first like to thank my parents for all their help and support. Also thanks to all my teachers that have helped me in high school. Brooks—thanks for putting up with all my crap, but not really. Seriously though, not at all. And watch out for stop signs. Haha, bad driver reference (not me). Thanks and congrats to my XC teammates. Well that was my blurb, hope it was exciting.

Chris Fletcher

Thanks to: Mom, Dad, Matt, Maggie, Annie. Soccer team (dudes + other dudes), Student Council, Academic Challenge, Strings, Guys+Dolls, Commons Kids, Maas, Petite, Roberts, Walsh, Tennis Team, Spain people, Lockerpeople, and everyone who has influenced my life in Chagrin. Sam Foltz

Finally, I made it. Good luck everyone, it was fun. Shout-outs to: Foxesiddown! Ha...Nads, Chizz, Sheff, Scott, CT, JC, AP, MCOH, p-man, BC, MD, Hoey, TM, and many more. Good luck in high school Jake but don't be a nerd...try to have fun, but remember that I'll be having more fun in college.

"Be who you are, and say what you feel, because those who mind don't matter, and those who matter don't mind." —Dr. Seuss

Gabe Franklin

Chagrin was great! The years went fast but I had a good time. I'd like to thank Kirk, Kline, Stuart, and all of my teachers. I still hate the lunch ladies for stealing my money, but it's cool. So, in the end, good luck kiddies, you'll need it.

Frances Furnas

High school was so long. I learned a lot about what I don't want to be like. I had one good friend, Liz, and we had some good times. I can't wait to get to college so I can start a new life. I'm a completely different person than who I was the first day of freshman year. I'd like to thank most of my teachers for all of their help. Kurt Cobain once said, "It's better to burn out than to fade away." Leave your mark. Live fearlessly. Don't ever forget.

Andy Garvin

I would like to thank my best friends TH, IS, BL, UR, BR, DL, KS, MY, SO, CK, SO, FF for making these four years the best four years of high school so far. HumorHelping.com, great website.

Sam Gebler

All my friends: you have made this the most amazing experience for me. KH, MC, CH, LL, RP, MP (best stage manager), LV, JS, LO, DD: you all have taught me so much. Thank you! KK—I will never forget that first day, my shadow. Katherine Gottsegen

"Taking it back to the old school," cause I'm an old fool, who's so cool." Thanks for all the good times Chagrin. I had a great time while I was here—Pumpkin Roll, Blossom, hanging out in town. There are some pretty awesome people. Good luck everyone in college! Catch you on the flip side.

Chelsea Haefling

I can't believe it's actually over. Thanks to my parents for sticking with me, you're truly the best! To all of my friends, there isn't a better crowd to be with! Rose—thanks for listening to me complain and for always being there chickadee. Rorie & Kaitlin—you girls are the best! I could talk to you forever about anything! MIKE—it's been fun working with you and being "but a common wench" (P.S. my dad does not kill people). To the guys—stay outta trouble. Juniors, good luck and have fun. Best wishes and congrats to the class of 2010, you rock!

Jon Halper

How is it that thirteen years can go, in an instant, from a life that feels like it's gone forever to a couple hours that didn't give us nearly enough time together? We're all 13—most of us—but by some strange time paradox, we were in kindergarten yesterday. Yesterday, we were making crafts, using colored paper, markers, and crayons. Yesterday, we were fighting over the swings and playing kickball. Yesterday, we developed our first crushes, went to our first dance, took our many field trips, and shared countless experiences in between. We may not have been the same people yesterday that we are now, but we couldn't ever forget those kids and the fleeting lifetime they lived here at Chagrin. Treasure these memories and do not let go of them. It is the only way to make sure that our past, so absolutely crucial to who we are, doesn't disappear.

Kevin Hamori

To all my fellow classmates of 2010, we did it! I just wanted to say thanks to all my friends and family. I wouldn't have made it without you. High school was great and I'm glad all of you were a part of it. A shout-out to the golf team—PN, AM, MD, SE, JS, TD, CS, and also to my comrades—PN, CM+SC, AM, ZL, SE, MO. To everyone else, good luck in whatever you do and no matter what, life always goes on.

Derrick Hann

I'll see you guys when I see you.

Libby Harrold

First and foremost I want to thank my unconditionally loving family! Your support and encouragement pushes me to my fullest potential and with this, you have helped me see the importance of life! Thanks to LF, SR, VK, CK, MG, MH, TP, AM, MB, 2S, BD, MW, AB, and anyone I might have forgot, you guys are great. (And don't forget to Row Row fight da Power!)

Katie Hinch

Moving here in the 7th grade, I would have never been able to predict what senior year would bring. Five years of recitals, football games, school dances, musicals, Pumpkin Rolls, and Powder Puff games later, I couldn't have asked for a better SENIOR class to graduate with! Mom, we've had some of "The Best Days" together. Dad, I love and appreciate you more than you know. AC'08, I'm so proud of you. JC'13, phone taps in the morning are the best! Mags, you've been there for me from the start, I can't thank you enough. Rach, my favorite neighbor, too many good times. Lo, I enjoy finishing your sentences, Gangsta forever! Lynn, thanks for being my voice of reason. Expect some Wiki calls from college! Jane, my secret twin sister, I truly wouldn't have made it through without you. Carly, our dance talks were the best. Chels, stop writing on your hands. Love, you girls, thanks for keeping me laughing and inspiring me every day. So many good memories, so many more to come! Congrats 2010!

Mackenzie Howell

I am so thankful that you came into my life and I have no clue how I'm going to make it through next year without you. No matter what happens or where we end up, I will always love you and we will always be sisters! Good luck everyone! P.S. Marc, you're such a jerk.

Cookie Ilkanich

Hey guys! It's been an amazing time here at Chagrin and we finally made it! "Here's to the nights we fell alive, here's to the tears you knew you'd cry, here's to goodbye, tomorrow's gonna come too soon." We had some great times: sports events, Pumpkin Rolls, Blossom, soccer sleam teepevers, themed parties, Chaumauqui trips, Palm Island, Cedar Point trips, just so much more. Thanks Mom and Dad for everything. Kart—have an amazing time & never give up on yourself. Nikki—I love you and have a great 4 years. Thanks for making these years some of the best I've had. Miss you and love you all!

Vishali Kanvinde

It's so weird being a senior with the prospect of graduation and college getting closer and closer. I will always love my friends: LF, MH, SR, RP, JPS, MB, DH, MG (even though you're a junior), AM, AP, and the rest of my crazy alphabet, especially my best friend CK. We're friends just because no one could handle us as siblings. 2010, we're the best class in the world, and this little town will never be the same without us. Love, V.

Roupen Kayayan

Thanks for the help and support of my family and friends, it has been a great 3 years in Chagrin. I have a bunch of unforgettable memories here, and I've lived my time in Chagrin to the fullest. Shout-out to Big Willy, Swagger, Kilian, Klonowski, and everyone else...oh, and NO DILES. Congrats and the best of luck to the Class of '10.

Mike Klonowski

Mom + Dad—thanks for always being there and trusting me. Corey ('08)—thanks for all the good advice! Jake ('16)—be good and good luck in high school, your robot skills will come in handy! I love you all! Nate—you're my best friend and are always there, you're the best FAKE boyfriend ever! Get pumped for the major leagues! You are an amazing, strong girl and I'll miss you everyday! Class of 2010...PEACE.

Ryan Kochert

It's been a good 4 years. There have been many good memories from high school: Bombs over John's, Bob's at 6:00 a.m., being extra hardcore at weightlifting club, flymaster, stage right, wrestling—"punisher" I barely even know her—"Ben is the quarterback, "Red! You slobbery mother—" "No jay-walking!" G.T.F.L. Noob. Race wars! "If ITL was a Pokemon, what type would he be? Fighting? Fire? Normal? How can there be a normal type? How is a giant rat that follows your commands at all normal?" "Tonight's gonna be a good night"—the field. Molly and Sus, love you guys.

Taylor Kohn

Congrats '10, we're finally free! Too many ridiculous memories from K through 12th (minus 9th and 10th...kind of). My family is insane, I wouldn't be myself without them. Pari and Ralph Darling, stop hating my dad. Coconut, stop peeing on people's faces. Yes Hockey. I miss Elliot and I hope I never see Zamboner guy again, ever. It's unbelievable we've come this far, Class of 2010—we're just good at everything. "We like each other." '10 CUP, whatever our slogan is. Love and thanks to all my people. "The story of life is quicker than the wink of an eye, the story of love is hello and goodbye (until we meet again)."

Claire Krest

How can you sum up four years in one blurb? Well, thanks familia for not giving up like you should have. To all my senior friends, VK (supertwin), AP, MH, TP, LF, OH, SR, AM, JPS, MB, and RP, good luck. I'll miss you all so much! To those who still have time left, MD (Dippin' Dots), CG, MG, KR (freshman), AW, and DW, good luck as well. Enjoy the time you have left and don't be too anxious to get out. When you look back, you will always remember the fun you had and the friends you made. I'll miss you all! Lots of love! ~Cleari

Kat Lipp

I'm so glad I have the best friends ever: Sarah, Baby Laura, Nikki, Danielle, Cooks, Sami, Mercat, Kara, Meesta, Rach, Kirst, Mac, just everyone who I love basically. So excited for college! Thanks Mom, Dad, Kels...you're the best. Soccer&Lax girls: MS, KO, KI, KS, MS, AF, Elizabeth, PM—good luck! Thank you everyone who made my years in Chagrin great. Thanks!

Chris Litzler

And Caroline, I can't thank you enough for these past 4 years. You have affected me so much and I am so lucky to have you! I love you so much. Thanks again and good luck Class of 2010!

Lauren Lockhart

2010! I can't believe we're done already! All those people telling us it goes by fast and I never believed them, turns out, they were right! To my crazy friends who kept me laughing the WHOLE time, beginning with hilarious snow-day hangouts to surfing the Pacific Ocean, followed by a TEN hour plane delay, to dance recitals/productions and school dances/raves! College buddy, made college visits fun! Hockey water girls '08-'10 WHO? LE, AW I'm going to come see your future fashion shows! LV, I cannot wait to see the day when you make a sweet invention or cure for something, or both! F and E, love tigger. Alec, be good you crazy kid! But I love you for that baby brother! My sissy, Kai, love you! Here I am just like you were! To my new luv's, the XC team of course! And laxers and cheerleaders! Good luck twenty-ten! Thank you! Cannot wait to see where we go!

Samir Lucci

Dad + Little Mommy: I know I don't show it enough, but I have an unbelievable amount of appreciation for all that each of you does for me. You've taught me some of the most valuable things in life—lessons of sacrifice, empathy, gratitude, and the importance of family. For that, and so much more, I thank you. Nikk: My twin, I love you more than life itself! You've shaped who I am today. Killer: You're my hero, you are truly amazing and you've taught me to find the humor in everything. Bub! I've never known anyone more unique or sweeter than you; have a blast the rest of HS! Pat: My partner-in-crime—I'll never forget the memories/crazy adventures from the past couple of years. I'll never forget who you've been or how much you've meant to me. We'll be friends until forever, just you wait and see! To the rest of my friends—all of my girls + my boys—who've already left, who leave now, or who I'm leaving behind, I'll miss each and every one of you. Lastly, to the Class of 2010—good luck and goodbye! I wish you all the best.

Zach Lunde

Mom and Dad you have provided me with so many great opportunities. Cam, you are a great brother and I can always count on you when I need something. Bryce, listen to Mom and Dad, don't forget about what you have learned. My advice for the future: Water fights on the bus will leave people in cuffs plus 3 days hard labor. Jeepskool, flying down the trails is good and fun, but expect a lot of damage. Don't be surprised when your car isn't clean for a week and is in the shop the next. The hours we spent doing p90x with Tony Horton leave me with one quote: "If you're feeling wasted, that's okay." 4am hockey practices lead to lots of speeding tickets and lots of sleeping in class, but comrades are forever. It's that time of the year: lacrosse conditioning, "seniors up!" SE, DW, MO, MO, JS, ST, RT, CT, AV, GC.

Meredith MacIver

"Well in the end we can call a friend, well that's something I know as true. And then a thousand years and a thousand tears I'll come back to my original crew"—OAR. Mom and Dad, there's no way I'd be here today without all of your unconditional love and support. I love you both so much. Sean—good luck! JT—we've had way too many funny times, thanks for being such a great friend through the years. NAM for life. LR—thanks for all the unforgettable, crazy nights. Mr. R and Mrs. K—Wow, I wouldn't have made it without you, thank you for all of your help and support. Darny—you have made high school a blast, there's no one I would have rather spent the past 4 years with. Thanks for always being there for me. Thank you KK, CP, HO, KM, MM, BT, WG, JK, CS, and TA, for making high school so much fun, I'll never forget you guys! These were truly some of the best years of my life. Thank you CFHS for all the opportunities and most of all for putting up with me. Good luck Class of 2010!

Michael Mahoney

Where did the time go? So many fun memories, from kickball with Mr. Q, to football games, to prom. Thanks to my friends and family for making these past years so memorable. Good luck Class of 2010!

Alex Maistros

I can't believe I survived 12 years at Chagrin. Thank God for cosmetology because I don't know if I'd have been able to survive the past 2 years. Most of my friends already graduated, so get ready for this lame shout-out: Liv—bye buddy! Britt—our drives to Mayfield have been epic, along with our walks around the green. Cuddlebug—best stage manager ever. Broseph—I know it'll be hard to do, but try to enjoy the rest of high school without me; and Taylor—try your hardest to be as good of a student as I was. No offense, you're kind of slacking. To anyone I talk to on a regular basis: consider this your shout-out, and I will most likely keep in touch.

Matt Maistros

Thanks to my family. Good job 2010. Good luck to all my friends in college—Stors, Black, Bomback, Stack, Z, and Gabe in whatever you end up doing. '09 Football team nice job. Thanks for a great 12 years. OUT!

Thanks to all of my teachers who have shaped my philosophies and prepared me to achieve in the future. Mr. Rydquist—thanks for dealing with my multiple schedule changes and helping me out with my problems. Shokran to everyone in my arabic class for making my last six years of high school amazing. Can't wait for Egypt. '13! Sarah and Meredith—I will dearly miss our french conversations at Starbucks or our Twilight obsessions! Lizzie and Brooke—keep on being crazy without me next year! Love you guys! Ricky—just because Joey and Fare gone does not mean that you are rid of us! Good luck avoiding us! Jessica—you will always and forever be blobfish/rock hyrax. Love you! Kenzie—you are the best song-writing partner I could ask for, E+A forever! Thanks for being such an amazing friend. Alex—I hope that in fifty years we will still be meeting at Starbucks and having movie nights. I value your friendship so much! Tristan—you are the best brother I could ask for, and I will miss you so much next year, good luck in high school! It goes by fast. Finally, good luck to the rest of the class of 2010!

Jon Marc

Whether it's hardstyling at HSPL with Willard and Brock, smashing 2v2 at the Brock's, playing a good game of scrabble at the park with Wes, performing backward donuts and almost killing Connor in the Middle School lot, dancing on the roof of my car at Wembley, stopping off at BP with Wes and Dwer for hydration and energy to be able to do an "all-nighter," or telling great stories of friends losing wallets, I will always remember the good times shared with my friends at CF. I am very glad to have parents that encourage me and allow me to be successful. Overall, I don't think I would change one thing about my high school experience. Thank you Arnold Palmer for, for making delicious drinks that only cost \$1, considering I'm always looking for gas money to make trips to and from CSU/Hawken, I need all the money I can get! Also, R.I.P. Michael Jackson. I hope my senior swim season goes well, and our relay places well!

Molly McClurg

These past four years have truly flown by. With homecoming, to the Pumpkin Roll, to prom. I can't believe how many great memories these years have had. Elisha—late night calls to Dominic, the ball boy, the disgusting would-you-rather's and truth or dares. Emily—partners in crime with Floyd the turkey. Megan—the "I feel" statements and the pizza talks will never be forgotten. Madeline—with your "interesting" taste in men to spring break Cancun. Don't worry, I would never leave you on the highway. Thanks to my family for everything. Good luck Class of 2010!

Cam McLellan

5 fast years. Turner—boys for life. Your kitchen, basement, moon talks, FLA, long live the CSS. Vento—Gears, trips downtown. Carter 3, L.S., I don't punch trees. Ballipsis. Noble—Hockey, Golf, Florida, dollar bills, you're still the dumbest kid I know. Good times fellas. SC, DP, CT, PS, PN, MQ, BC, BW, MR, CG, crazy stuff. Good luck Joey—try not to be like your brother. Special thanks to Beach, Deighan, Kirk, Ger, Brownlow, Cleedus, Kupu, and Rafiki. Mom and Jautzen—thanks for everything. Good luck '11. Comrades, it was our profession. No regrets.

Taylor Mendel

To a great 12 years with some of the best people I know. We are the greatest class to come through Chagrin, no doubt. Boys' soccer: "We done good, Stacks on Deck. Ocinu, RRRR." Every year was awesome, soo true. NO CVCA. All the team dinners, chow ups/downs, and parties (pool of course), couldn't have gotten by without you guys and good luck to future teams. Shout-out to my family and everyone who has helped me along the way. Especially you, (enter your name here if you actually helped me). Wouldn't be the same without you. To everyone who came to A1-Fest all those years, bonfires, basement, everything, thanks for the memories. Preston, good luck with the rest of your high school career, I know it will be fun, and good luck with soccer...no boys though, remember, I won't be too far away. Last but not least 143 Emma, I hope we last as long as we were meant to, no matter where we are, every minute is special. You've helped me in so many ways and I love you so much. Thanks again, and good luck everyone!

Alice Merkel

As the 2009-2010 school year approached, the students anticipated the start of the upcoming year. The freshmen class, one of the largest classes that Chagrin has seen, walked into the high school anxious to hear a new beat. 31% of the freshmen had older siblings at CFHS. The class of 2012, the smallest class in the high school, was ready to hit high notes in their second year, thankful to no longer be freshmen. The juniors were excited to turn up the volume as upperclassmen and enjoy all the privileges that come along with their new title. The class of 2011 took on more AP classes along with the SAT and the ACT. The students of CFHS played in tune for a perfect year.

As the sports teams excelled, spirit and camaraderie engulfed the school as students tuned in to support their talented teams. In the fall, the Tigers proved to be the powerhouse of the CVC, with five teams taking the crown. Girls' Cross Country, Girls' Tennis and Football all reached the state tournament. The Tiger football team became the first Chagrin football team to ever reach the State Championship Game. The Football team's slogan "09 Our Time" was true not only for them but also for all of the Tiger fall sports teams. By the time winter approached, excitement began to grow for the new sports teams. Hockey, Boys' Basketball and Wrestling were all forced to face adversity during their seasons, but they persevered and ended up achieving success through their hard work and determination. Gymnastics and Girls' Basketball also showed their skills as they excelled in CVC competition. In addition, the Swimming and Diving Team had a very successful season as the Girls' Swim Team won Sectionals with a chance to compete in the District tournament. Furthermore, senior Jamie Enghardt won the state championship in diving as he broke the state record. The success of the 2009-2010 Chagrin athletic teams will play on in our memories for their outstanding achievements. By: Jimmy Boldt

## '09 OUR TIME

The team motto "09 Our Time" proved true as the team made it to the state championship for the first time. With 22 seniors, the team went into the season more determined than ever, as they ran up Grove Hill fifteen times to signify the fifteen games to the state championship. Their season started strong with a victory over Crestwood. The tigers continued on their winning streak against tough opponents, including 2008 State Champions Aurora. Finally, they ended their regular season with an incredible record of 10-0 and won the CVC title. The team played Woodridge for the second time in the regional finals and defeated them again. They fought a tough battle in the state semi-finals and despite being behind 14-7, they came out on top 20-14. The tigers went on to the state championship where they played against the undefeated defending Division IV State Champions Kettering Alter. After a 14-0 season the team fell short of the title and ended their season 14-1: the best season in Chagrin Falls history and the first team to ever make it to the State Championship game.

After starting off the season with a disappointing loss to rival Bay Village, the Boys' Soccer team got their act together and went undefeated for the rest of the regular season. In his 39th season as head coach of the Tigers, Coach Gerhardt ranks his 2010 seniors as the best class to have gone through the Chagrin Soccer program. All eight seniors, Bob Casarona, Andy Garvin, Chris Flesher, Chris Litzler, Joey Panzero, Ted Cunningham, Matt Digel and Taylor Mendel contributed to the success of the season. The team captured the CVC crown for the third straight year, but sadly fell to Lake Catholic in the district final. Although the Tigers did not accomplish their preseason goal of reaching the state tournament, they were still able to have a successful season and help Coach Ger earn his 450th win as the Chagrin soccer head coach.

Beginning the season at West Virginia soccer camp, the 2009 girls' soccer team trained hard for the important upcoming season. With nine senior girls leading the team to a record of 12-1-3 they achieved a triumphant season. "Each senior brings something different to the team; which completes the team. Each of them has their own strength," said Coach Malone. After a disappointing loss against Bishop Fenwick, the girls battled against rivals such as Rocky River and Mentor. Determined to come out strong against their arch nemesis West Geauga, the girls held them out of their half but couldn't quite get the shot on goal with an end result of 0-0. Not only did the team finish the regular season with 10 shut outs, but Coach Malone proudly led the team to the CVC championships. The Lady Tigers worked hard to honorably win the title of District Champions. They then finished the season as regional finalists.

Highlights of their season included earning the second seed behind Hathaway Brown at their District tournament, two CVC championships that the seniors get to take with them, and beating Kirtland by 17 points when they were ranked fourth in the state. **Coach's Comments:**

"In addition to her 16 points and 6 rebounds per game, Sam is one of the most unselfish leaders I have ever coached. Example: On senior night, Sam asked if she could sub out so that the other 5 seniors could start. This tells a lot about who Sam is as a person. I couldn't be more proud of her."- Coach Howell

# Now Playing: Cheerleading

The Varsity Football Cheerleaders kept the tiger spirit alive throughout the much-anticipated fifteen game season. Each week, the girls worked hard to add new incentives for coming to games in order to gain support for the seemingly unbeatable Tiger football team. They handed out orange rally rags and noisemakers and threw the ever-famous plastic footballs into the crowd. The basketball cheerleaders contributed to a worthy cause as they cheered on the Tigers in the Layups for Life match-up, an event to raise money for suicide prevention. Both squads helped organize and decorate for a very successful Winter Formal dance.

Coach's Comments: "It is hard to believe that Emma's cheerleading time at Chagrin is ending. She has become a model and legend for the program. Not only did she make the huge hairbow popular, she set a new standard for future cheerleaders that would be hard to ever attain. Emma is a natural leader, but leads in a way that is friendly, patient, and genuine. She is beyond enthusiastic; she takes genuine spirit to a new level." -Coaches Vicky Pelsozy and Kristin Wood

# Now Playing: Wrestling

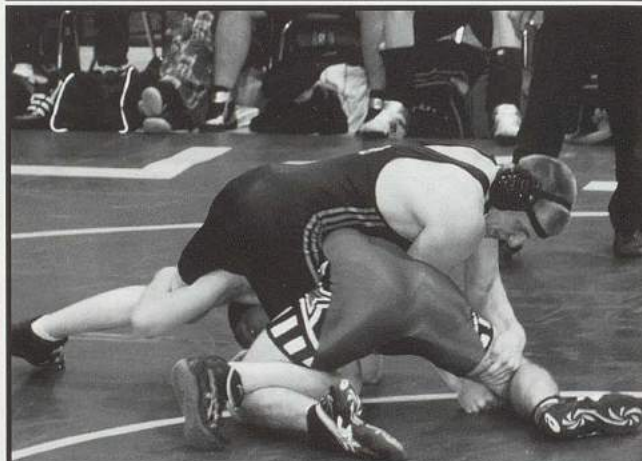

The wrestling team made strides this year, from having a larger squad to posting more team victories than in recent seasons. The team's success was due to a strong work ethic and senior leadership demonstrated by Ryan Kochert, Tommy Kuenzig and Hunter Phillips. Although the practices and matches were grueling at times, the wrestlers found time to have a lot of fun. From dodgeball games to post-tournament meals at Chipotle, the team made many lasting memories. Highlights on the mat included a runner-up finish at the Ledgemont Tournament and a 5th place finish at the Pymatuning Valley Dual Meet where the team faced three Pennsylvania schools. In addition, Ryan Kochert came in first at the Sectional tournament. With a core group of younger wrestlers, the team's future looks bright.

After the loss of some key players, the leadership of seniors: Kevin Hamori, Matt O'Hearn, Scott Campbell, Steve Epprecht, Alastair Mitchell, Geo Chapman and Ted Clements proved vital in keeping the team united. The Tigers never stopped playing and working hard throughout the season, despite encountering many obstacles. The team was able to finish the season strong in the Baron's Cup Tournament. "Lindsey Quinn is a very strong swimmer and leader for the Chagrin Falls Swim Team. Her excellent skills and positive attitude set a great example for the team. Through her pre-game rituals; eating Rice Krispies and listening to "One More Time" by Daft Punk before a meet, Lindsey always performs her best. Lindsey had many accomplishments in her swimming career. A significant achievement was when she and her medley relay team made it to the awards stand in the state meet. I am very proud of Lindsey and hope the best for her future!"

The 2009 school year started off on the right note with Spirit Week kicking off the homecoming festivities. Students went all out on Twin Day, Pink Day, Safari Day and Time Warp Day. The Homecoming Dance was another success with everyone passing the breathalyzers. Seniors also started a new tradition with Philanthropy Day, where students went around the town and raked the leaves of the Chagrin Falls residents. The Pumpkin Roll was the day after Halloween and the juniors and seniors made it special by starting it later than ever. The students of CFHS created their own beat throughout the school year.

The class of 2010 consists of an eclectic group of individuals who tune in to various hobbies and perform many different talents. Some ride horses, many dance, one is an Eagle Scout, and a few are musicians in a CFHS-popular band. Because these activities are not necessarily offered at the school, not everyone knows about these amazing seniors. Here's a look into the specialties the class of 2010 has to offer:

Senior rider, Maddie Baker, soars over a jump with her horse, Caroline, in a local show at the Polo Fields.

**Maddie Baker-** "The only bad thing about riding is eating dirt occasionally."

**Lauren Lockhart-** "Hopefully I will own my own horse one day. I would really love to rescue and reoperate horses and run a program similar to Fieldstone Farm Therapeutic Riding Center!"

**Molly McClurg-** "I started riding when I was 10 years old and I just love my three horses: Wedgewood, Limerick, and Barclay."

**Halle Shanker-** "My favorite part about riding is the bond you share with your horse. It's team work; the rider has to be as much of an athlete as the horse is in order to perform your best."

**Tom Kilian-** Cub Scout from 1st to 4th grade and Boy Scout since 5th grade, Tom joined the ranks of only 2% of Boy Scouts as an honored Eagle Scout with his Eagle Scout project of restoring Gurney Elementary's one and a half mile walking trail. Tom's project included three, eight-hour work days this past summer, 200 volunteer hours, 7 tons of woodchips, and generous donations of tools and supplies from the Dad's Club. "What I have taken away from the Boy Scouts is a strong sense of independence and personal competence. Whether you're hiking, canoeing, or even base camping, people rely on you to pull your weight as a Scout." When asked what Tom has learned most from scouting all of these years he recited with a chuckle, "Rule # 1: Always look good. Rule # 2: Don't die. Rule # 3: In cases of violation of rule #2, maintain rule #1 at all costs."

Tom Kilian,  
Eagle Scout

Katie Hinch and Ricky Price dance in their studio's version of *Chicago*.

**Katie Hinch-** "Dance has always been my emotional and creative outlet for everything going on in my life. The only frustration is knowing there is always something to improve upon, but it's worth it in the end!"

**Ricky Price-** "I love taking Tap and Modern classes. My favorite Tap performance is to "Please Don't Stop The Music" at my Dance Studio M recital."

**Taylor Axelrod-** "I love being up on stage and competing against other dancers my age. When I dance I feel like I can just forget about everything."

**Mychiana Banks-** "My favorite type of dance is hip-hop, which includes Jerking, Krumping, Popping & Locking, Stepping, and Freestyle. I love combining all of them into one performance for the kids at my church."

**Lauren Lockhart-** "I started dancing in 7th grade and my favorite performances have been one of my studio's winter shows, "Lion King" and then anything hip-hop!"

**Michael Mahoney-** "We started playing together in 8th grade, a few months before the Middle School talent show. Our music has changed so much since then—we have shifted from a stripped-down funky style to a more complex alternative rock sound."

**Brian Breitsch-** "I love the personal fulfillment of creating original songs, but one downside of working in a band is when they all make fun of me, mostly my brothers, though."

**Evan Breitsch-** "I get a high when we create something we feel is greater than ourselves. It happens rarely, but it's worth the hours put into such a production."

**Nathan Breitsch-** "My biggest musical influences are the Red Hot Chili Peppers, Ben Folds Five, and 90's Greenday, even though I don't listen to Greenday anymore."

Academically, CFHS hit high notes thanks to the recently added staff members on our playlist and the hard work of students in all grades. The seniors provided leadership with their stellar academic records and the underclassmen followed the same tune to carry on Chagrin's tradition of excellence. The football team celebrated an overall team grade point average close to a 3.5. As Advanced Placement enrollment and course offerings increased, class trips were planned for around the world and art shows impressed the entire community. With their achievements in the classroom, students set the bar high for next year.

With a new year ahead and new students arriving, the high school staff was sure to start on a good note. New to the staff playlist is Dr. Koons, our assistant principal. Together, Dr. Koons and our third year principal Mr. Boedicker worked hard to ensure another great year at CFHS. The staff's hard work and determination paid off. Students excelled this year in more ways than one, setting records with their high academic and athletic achievements. Staff and students worked together in perfect harmony, making the 2009-2010 school year successful.

The English Department lived up to its usual standards of greatness in the high school this year. With the leadership of eight outstanding and brilliant teachers, the students of Chagrin Falls High School once again made it hard to beat the English scores passing rate. The freshmen started out with A Separate Peace trial deciding Gene's fate in a heated debate. The honors sophomore students competed in the national poetry competition, Poetry Outloud. The juniors trudged on with the tedious SOAPSTones to get another year under their belts. As the seniors rounded out their final year of high school English they dreaded completing data sheets and typing essays, but made it through to show what the senior class is really made of. The English Department had the most students in AP classes once again and are hoping to replay that song in following years to come. By: Shannon Fung.

Annie Miralia and Casey Lower take a break from working and smile for the camera.

This year in math, students have conquered many challenging courses including Geometry, Algebra, Trigonometry, Algebra 2, Statistics, and Calculus. Seven skilled teachers enthusiastically led the classes. In the Algebra 2 classes, students experimented with the balloon drop: a challenging project creating a bungee for a balloon so it is just long enough to get as close as possible to the ground, without actually hitting the floor. The math department offers the most AP classes, and the students worked hard to achieve high scores. In Calculus AB, a course of 61 students, the average 2009 AP score was 4.3 out of 5. Students studied hard, and with the help and guidance of the math teachers, they set the bar high for the students of following years.

"Mr. Ricci makes science a cinch! We always learn something interesting so we have something to look forward to in class!!"

-Maddie Baker  
Senior, AP Biology

The science department stayed in tune with the interesting and demanding course offerings of CFHS with classes like biology, chemistry, physics, and environmental science. Students experienced educational high notes in and out of the classroom; AP Environmental Science classes took their annual field trip to the Waste Water Treatment Plant, AP Biology traveled to Gurney to teach first graders about nocturnal animals and Applied Biology learned from a guest skull collector along with many other expert speakers. Science students also plan to participate with the Language department in a summer trip to Costa Rica, where they will study the environmental science of the land and broaden their cultural knowledge. With these fascinating and enlightening experiences keeping students excited to go to class everyday, members of the science department never went flat.

Mr. Roberts gives Chase Plante (and the Twizzlers!) some individual attention following a difficult lesson.

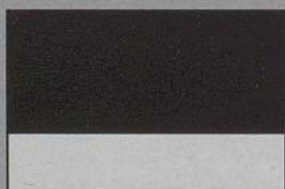

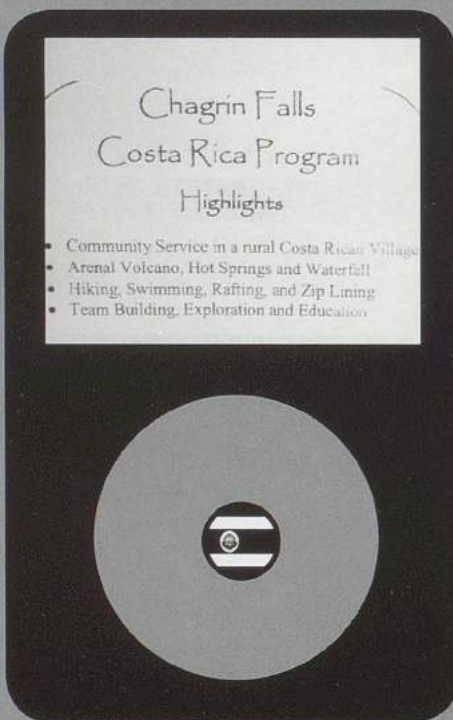

# Language

The Language Department continued to be one of the best and most unique in the state during the 2009-2010 school year. Five languages, including Arabic, Chinese, German, French and Spanish, were taught by nine dedicated and knowledgeable teachers. The department also welcomed two new teachers to the high school, Mr. Painley and Mrs. Chang. The ever-humorous Mr. Painley, previously a middle school Spanish teacher, taught some of the same kids this year that he taught years before in the Middle School. Mrs. Chang taught Chinese in the United States for the first time this year. She brought a lot of first-hand knowledge of Chinese culture and customs to our school. Over the summer, many Spanish students will travel to Costa Rica environmental science students. The students will be able to immerse themselves in Costa Rican culture. The Language Department effectively prepares CFHS students for a future beyond the boundaries of the United States.

# History

The history department, made up of all male teachers, has always excelled in teaching their students the importance of the history of our world. They have a very important role in our education; as George Washington once said, "If we don't learn our history, we're doomed to repeat it." The history students have proved that they have learned the material, with a passing rate of 82% on the Advanced Placement U.S. History exam. This year the teachers pushed their students even harder as they strived for a 100% passing rate. The teachers of the history department always gave the students something interesting to talk about. From heated debates between classmates to exciting lectures from a teacher, the history classes were never boring.

The Art department thrived this year with determination and success. Some of the classes offered were Drawing, Painting, Printmaking, Photography, Ceramics, Jewelry and Computer Graphics. Many students took advantage of the AP offerings, such as AP Drawing, 2D Design Portfolio and 3D Design Portfolio. The Art department created a goal to add a digital photo class for next year. This year, the art classes took place in a Scholastics contest. Many students submitted their artwork, including Maggie Robinson, who won two awards. The hallways of the school were decorated with multiple imaginative pieces. From their expressive drawings to their strenuous AP classes, the Art department filled the high school with color and creativity. By: Mairin Magnuson and Riley White

The Club Fair kicked off the 2009-2010 school year with many people getting involved and helping the school. Key Club continued to grow and had the most people ever this year. They held their annual winter food drive for Harvest for Hunger and Adopt-a-Family which donates toys to kids in need for the winter holidays.

Student Council had their overnight trip creating bonds with one another and making plans for the school year. The newest club added this year was Kindness Club; their first project was the Warm Fuzzies, which gave rewards to students that were kind and friendly to other students. This year the students set a philanthropic tone with record participation.

## Class of 2010

The secret of life is enjoying the passage of time  
Any fool can do it  
There ain't nothing to it  
Nobody knows how we got to  
The top of the hill  
But since we're on our way down  
We might as well enjoy the ride

The secret of love is in opening up your heart  
It's okay to feel afraid  
But don't let that stand in your way  
'cause anyone knows that love is the only road  
And since we're only here for a while  
Might as well show some style  
Give us a smile

Isn't it a lovely ride  
Sliding down  
Gliding down

We love you and are so proud of you! We know you will do great things! Congratulations!!

Love, Mom, Dad, Grandma, Shaina '03, Shelley '05 and Rachel '07

Try not to try too hard  
It's just a lovely ride

Now the thing about time is that time  
Isn't really real  
It's just your point of view  
How does it feel for you  
Einstein said he could never  
understand it all  
Planets spinning through  
space  
The smile upon your face  
Welcome to the human race

Some kind of lovely ride  
I'll be sliding down  
I'll be gliding down  
Try not to try too hard  
It's just a lovely ride

Now the secret of life is enjoying the passage  
of time

Andy,

You've always had an uncanny combination, determination and sociability. As a baby, you were constantly in motion and fascinated by all things electronic. As you've grown into an adult, things haven't changed that much: your perpetual motion served you and your team well on the soccer field, and you and your friends have harnessed the Internet to humorously help poor souls in need of wise advice. Although we don't know what's next for you, we know it won't be boring and will involve being surrounded by friends.

## Class of 2010 Chagrin Falls High School

I hope you dance....I hope you dance.  
I hope you dance....I hope you dance.

I hope you never lose your sense of wonder,  
You get your fill to eat but always keep that hunger,  
May you never take one single breath for granted,  
GOD forbid love ever leave you empty handed,  
I hope you still feel small when you stand beside  
the ocean,  
Whenever one door closes, I hope one more opens,  
Promise me that you'll give faith a fighting chance,  
And when you get the choice to sit it out or dance.

I hope you dance....I hope you dance.

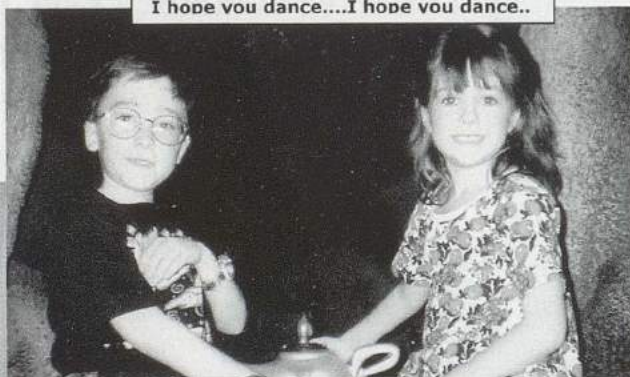

I hope you never fear those mountains in the  
distance,  
Never settle for the path of least resistance  
Livin' might mean takin' chances, but they're  
worth takin',  
Lovin' might be a mistake but it's worth makin',  
Don't let some hell bent heart leave you bitter,  
When you come close to sellin' out reconsider,  
Give the heavens above more than just a  
passing glance,  
And when you get the choice to sit it out or  
dance.

I hope you still feel small when  
you stand beside the ocean,  
Whenever one door closes I  
hope one more opens,  
Promise me that you'll give faith  
a fighting chance,  
And when you get the choice to  
sit it out or dance.

Dance....I hope you dance.  
I hope you dance....I hope you dance.  
I hope you dance....I hope you dance..

To our talented, sweet, funny and loveable Taylor.....Keep smiling, keep laughing, keep dreaming!!!  
Stay strong as you follow your dreams to SCAD.....The Lord has you in His hands!

My Wish for you

Is that this life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold.

I hope you never look back but you never forget  
All the ones who love you and the place you left  
I hope you always forgive and never regret  
And help somebody every chance you get

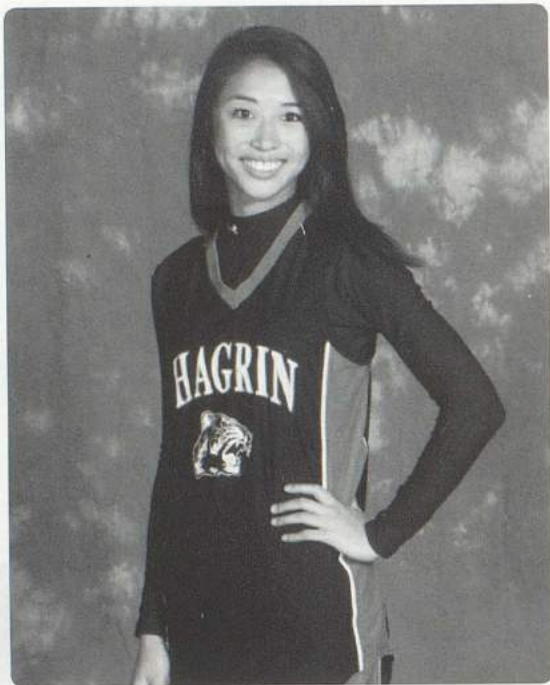

And while you're out there getting where you're getting to  
I hope you know somebody loves you, and wants the same things too.  
Yeah, this is my wish.
