

ZENITH 2016

This book is dedicated to

# Mr. Lenny May

Teacher, Coach, Department Chair, Athletic Director & Friend

"Life is not a game that can be measured through a win-loss, record but as a class you are obviously winners. Time will pass and your four years at Chagrin will fade but will never be forgotten. Remember your ties with the past for they are the foundations of the future. Continue to live life, not dream it; do good things, as I know you can, don't

imagine them; be active, not dormant. Attack life and receive the joys and fulfillment it can always give you and never be deterred by some temporary setbacks. Remember, success is not having the most important job or the highest position, it is being the best that is within you in whatever you do. Smile when you can and be happy. "

**Oh, the Places They'll Go (Chagrin-style!) By: Mrs. Kwasny**

On that first day at Gurney  
We see both smiles and frowns  
But in the blink of an eye  
They'll be wearing caps and  
gowns.

So Gurney gets started  
It's a big job indeed  
For to earn that diploma  
They must first learn to read!

From their first lunch in a lunchroom  
To the Holiday Show  
In their Tiger Trek T-shirts  
Off to Blossom they go!

At the Intermediate it's now  
"Reading to Learn"  
Real studying, real tests  
And real grades to earn.

In a Hogwarts-like building  
These kids learn their way  
Wondering if their classrooms  
Will be hot or cold each day?

3 years go by quickly  
As all of us know  
And on a sunny spring day  
Off to town they all go!

The Middle School years  
Are a challenge for all.  
300 kids, raging hormones  
And only two halls?

They now play on school teams  
With their friends in the stands.  
But they also must study  
For final exams!

Their first taste of detention,  
Six inches they grow.  
Now ready for High School  
Down the shared hall they go!

As they journey through High  
School  
And work hard towards their goal.  
They still pause in October  
For the pumpkins to roll!

ACTs, SATs,  
Which is my fate?  
Homecoming, Prom  
Will I have a date?

Now its' graduation day  
We're so proud of all they know  
With both smiles and tears  
Off to college they go!

We've journeyed together  
Some days calm, some days wild.  
Proving the old adage  
It takes a village to raise a child!

# FALL PLAY

## YES.

This year the fall play, Yes, was again a night of one acts. It featured the shows of, "Double Wedding," "On The Edge," "Talking Cure," "Fancy Meeting You Here," "Free The Frogs," "Mandala," and "Unwrap Your Candy".

Drama Director, Mr. Youssef Hamid, directed the play, and senior Natalie Welch acted as the student assistant director. The fall play was especially memorable for some of the cast members.

Sophomore David Marquette notes, "The fall play was special because of the family that it created. It brought together a great group of kids, and we made some amazing memories together."

# FOOTBALL

Once the football season ended in October last year, the boys began training for the next season. They worked diligently in the off-season, and the team began to jell together.

This year, there were six returning starters: Michael Brigeman, Matt Esterer, Collin Morell, Gage Szaraz, Corey Tull, and Tom Vandertill. The Tigers had a difficult non-conference schedule this year, and their first three opponents were teams that they would not typically see until the playoffs.

One of the Tigers' highlight moments was their homecoming win against Harvey. They defeated the Pirates 37-12. In addition, the boys were victorious on senior night with a 21-6 defeat over the Eagles. The team finished the season with a close loss against West Geauga. The Chagrin Falls Football team ended their season as 3rd in the CVC.

"A four year performer for the tigers. Brennan was second team all conference kicker this year. He exhibited the great effort, attitude, and performance that we like all of our tiger football players to show. He teamed up with Kick-It to help cure childhood cancer. Brennan raised over \$1,500 through his scoring to help fund cancer research."

# BOYS XC

This cross country season was special from the others. From the beginning of the summer to November, the team worked hard to achieve their goals. Traditions were carried on, and a state champion repeated his success.

Over the summer, the boys cross country team practiced almost every day in preparation for the fall season. The boys also ran trials to measure personal improvement during the season, and it is safe to say everyone showed some serious improvement from their original time trials.

Coach Burnett describes the senior boys this season, "They were focused and driven to meet their goals yet provided a light-hearted and fun mentality to the team. It was very clear that the underclassmen looked up to these seniors, and we will miss their leadership."

The entire boys varsity team, with many new faces, placed fourth at districts and tenth at regionals. Senior Joe Bistriz won districts, regionals, and repeated as state champion with a time of 15:16. Bistriz reflected on this year's season, "You really cannot capture all of the magic into words."

## JOE BISTRITZ

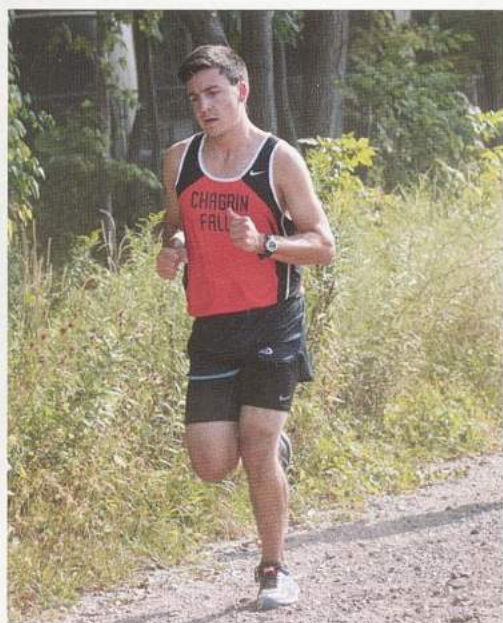

"Joe Bistriz is one of the most decorated runners to ever come through Chagrin Falls High School which is evident by the 2 consecutive state championships, school records, and numerous accolades. The way Joe conducts himself is even more impressive. He is humble, driven, competitive, and is constantly working to make himself a better runner. It is very easy to see his passion when you watch him train and compete. I am very excited to see what Joe can accomplish at the next level because I know there is a lot more in him." -Coach Burnett

# GIRLS XC

The girls cross country team had a great season. The junior varsity team took home the CVC Championship, while the varsity team came in third place. The following week, the varsity team took the district championship title, and advanced to regionals.

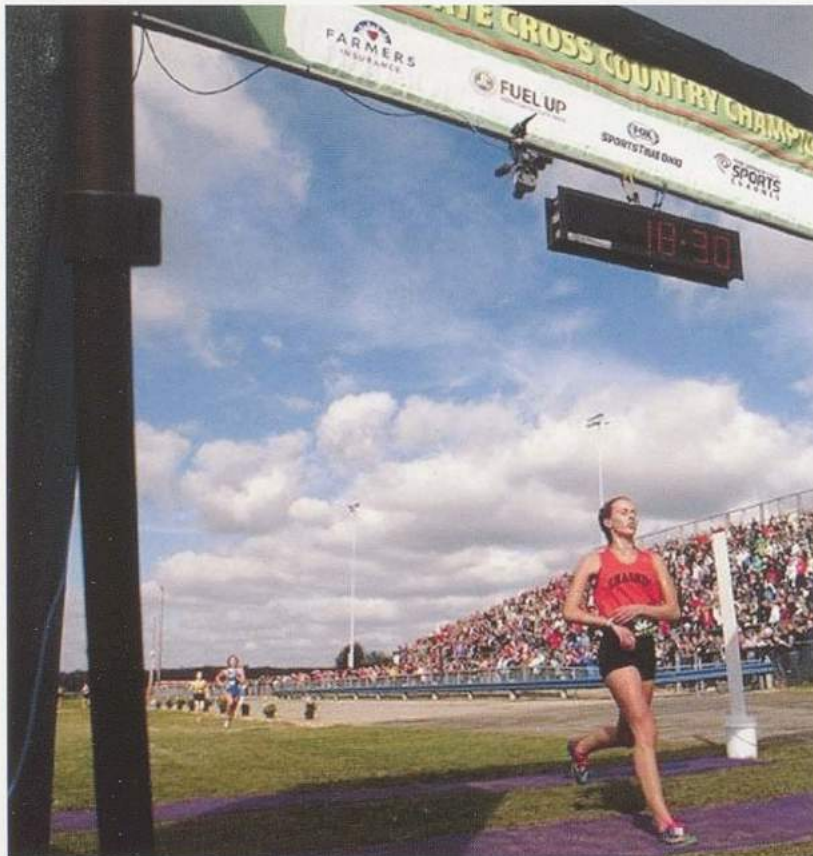

After competing in the regional meet, the team advanced to the State Meet in Herbron, Ohio. The girls came in fifth place led by sophomore Annie Zimmer, who came in 5th place individually, followed by senior Natane Deryutter and the rest of the pack.

## NATANE D

"Natane has had an incredible career as a cross country runner at Chagrin Falls High School. As a freshmen, her best race time was 22 minutes and 31 seconds, just missing the varsity lineup. As a senior, she ran a personal record of 18 minutes and 36 seconds, placed 22nd at the state meet, and lead the team to a 5th place finish. It has been a blast watching her excel as a runner, however, even more fulfilling watching her develop into a confident and mature leader. I am excited to see where the next steps after high school take her because I know there is a lot more in her." -Coach Lisa

# BOY'S SOCCER

After losing eight seniors, the boys soccer team knew that they had to step up their game. Starting the season with a well-fought 3-3 tie against Bay, they knew they were up for the challenge.

The seniors took charge, and the team forged ahead. They ended the season with a well-earned record of 8 wins, 5 losses, and 5 ties. The team captains, Mac Mazzola, Bryan Passalacqua, and Jon Weber did an excellent job leading the team, along with head coach Mario Gerhardt. Some notable victories included a 6-0 win against NDCL and a 9-0 victory against Streetsboro in the semi-finals at Sectionals. The Tigers ended the season at the District Semi-Final game where they fought hard, losing by only one goal.

## MAC MAZZOLA

"A four year starter, a captain as a senior and a role model for the younger players, Mac Mazzola scored 27 of our 59 goals this season. His goal production ties him with two other players for most CFHS goals in one season and places him second in career goals with 62. Mac will be missed next season!" - Coach Gerhardt.

# GIRLS SOCCER

The Chagrin Falls Lady Tigers started their season off before tryouts by attending the Ohio Wesleyen Soccer Camp. The girls were determined to start their season off well by training hard in the blistering heat for the upcoming season. Nine senior ladies led the team to an overall excellent record of 9-8-3.

The girls played well together and would not have been able to do it without the help of all the coaches. After a well played game, winning 2-0 against West Geauga in the post season, the team was ready to tackle the next game. Though they lost to Lake Catholic 0-4 ending their post season, the Chagrin Lady Tigers played to an exceptional level ending as district runner ups.

At sectionals, the boys advanced to districts as a team where they placed fourteenth. Daniel Berlin tied for ninth at districts and advanced to the State Championship where he finished fourteenth.

# VOLLEYBALL

After losing four strong seniors last year, the volleyball team thought that the following season would be one of reconstruction. To the team's surprise, the girls had something stronger than ability: they had a strong bond. The seven returning seniors have played together for five years, and this year, they welcomed four non-seniors to varsity.

This year, the team's goals were to play cohesively and to create a positive atmosphere where players have fun and play well as one unit. Towards the start the season, many of the players were there to just have fun, but as the season went on, the team realized they could be a competitive contender. The Lady Tigers had a winning season with 12-10, and 9-5 record in the Chagrin Valley Conference.

When asked about the season, Coach Beal states, "I couldn't have asked for seven more genuine girls with so much heart. They have set the tone for what I want the program to be in the future."

This season, the ladies finished with a 10-17, making it the best season the tennis team has had in a three years. Some of the team's best highlights include; Hawken 4-1, Gilmour 3-2, Laurel 3-2, and Perry 4-1. In the end of the season, two girls made the all-conference team. Sophomore Reagan Dowling received Honorable Mention, and senior Erin O'Neil received First Team.

Coach Lozon has expressed her pride in the team and how much she enjoyed watching the girls' skills grow. In regards to the season, she said, "This was a great year for the tennis team. Everyone is already looking forward to next year. Good luck to Abby and Erin!"

# CHEERLEADING

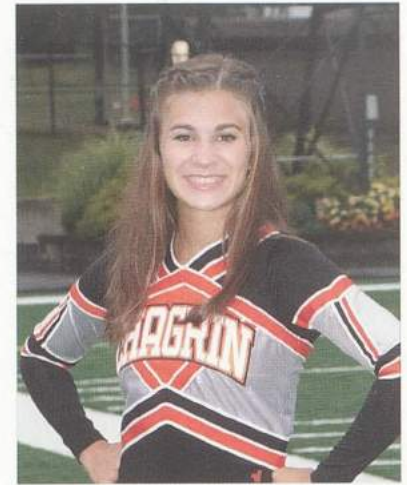

This year, the football and basketball cheerleaders were able to help lead the teams to victory and get the crowd pumped. The ladies began the season with a two day summer camp in order to learn some new material for the season. At camp, they learned new chants, cheer, and some very intense dances. Camp remained a fun and beneficial time for the girls.

The football cheerleaders hosted a successful pep rally for homecoming. Not only did they get everyone excited for the Homecoming Football game against Harvey, but they were also able to perform their dance with ease and spirit.

In January, the cheerleaders continued their hard work and put on a memorable Winter Formal. After diligently decorating according to their creative theme "Fire and Ice," the cheerleaders were able to host a popular, which was enjoyable dance for all.

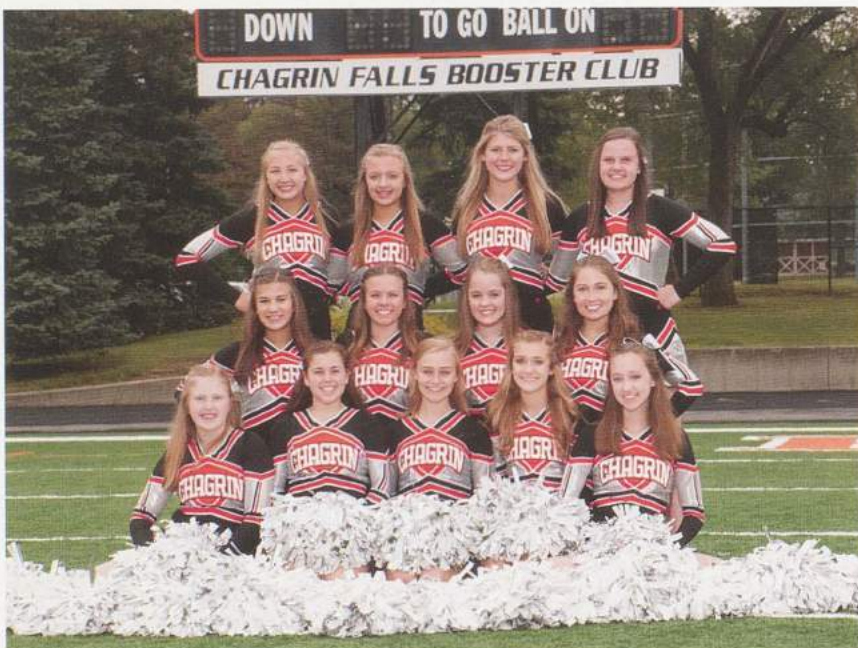

With the help of the cheerleaders, students were able to get rowdy at games with their favorite cheers and chants. The cheerleaders also helped increase the spirit at games by incorporating themes such as blackouts, whiteouts, and the most popular camo-out.

Because of the cheerleaders, there was never a lack of spirit or energy at the games. They were able to hype up The Zoo to an unforgettable status. Win or lose, you can always count on the cheerleaders to pump up the crowd.

# WRESTLING

Under Victor Puskas' second year of head coaching, the team showed some positive results. This season stands alone from all of the others. Senior and three year captain, Richard Renton, broke the all-time Chagrin Falls High School (CFHS) record for career varsity wins. With regards to his victory, the proud senior said, "Wrestling is the hardest sport in the world, and I am happy to be a part of it. It has shaped me into the person I am today and for that I cannot thank the sport enough."

At the conference tournament placers included sophomore Justin Rayner (113 pounds) 3rd, senior David Escott (138 pounds) 4th, senior Richard Renton (160 pounds) 1st, junior Spencer Fleming (170 pounds) 4th, senior Grant Tyson (182 pounds) 6th, freshman Kyle Karvounis (195 pounds) 5th, and freshman Henry Woofter (220) 6th. A notable performance was Renton winning the Conference title at 160 pounds because he is the first Chagrin Valley Conference Champion for CFHS in over a decade.

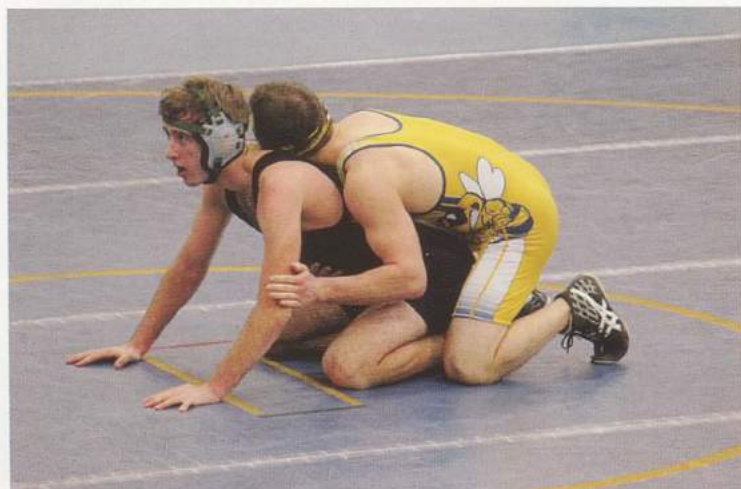

The team went on to wrestle in a tough sectional tournament at St. Vincent-St. Mary, where they placed three wrestlers in the top four to advance to the district tournament: Rayner (113 pounds) took second place, while Renton (160 pounds) and Woofter (220 pounds) placed 4th. Karvounis (195 pounds) was a district alternate with a 5th place finish. Renton was unable to compete in districts due to a concussion he suffered at sectionals. At the district tournament in Alliance, Rayner and Woofter both had some hard fought wins but fell short of the state tournament. Overall, it was an outstanding season for the chagrin wrestlers.

This consistency has allowed him to compile more than 100 wins in his career - an incredible accomplishment that has only been done a handful of times in school history. # GIRLS BASKETBALL

Every year, the senior Lady Tigers pick a certain word to describe their overall goal of the season. After four strong seniors graduated in 2015, this was a season that put the Tigers to the test of how hard the girls could **WORK** to accomplish their goals.

At the beginning of the season, the Tigers started off strong with a 7-1 record in the conference. Throughout the season, three players experienced ACL tears: Julia Bencko, Kate Weston, and Taylor Liber.

Over winter break, the team continued to **WORK** diligently and strived to do their best. The varsity team knew that they had to bring back the intensity that was present at the start of the season. After falling to Beachwood and Geneva, the Tigers knew in order to get second in the CVC they had to beat them Perry, their prominent rival team.

On the day of Winter Formal, the Tigers competed in one of the best games they have played all year. With the help of the "Hype Squad," aka the bench, the team defeated the Perry Pirates 43-40. As the season came to an end, the team finished with a record of 12-10, and second in the CVC.

Julia observed what was going on during the games and shared with her teammates at halftime or with them individually when they were subbed out of the game. # BOYS BASKETBALL

After graduating six key seniors, the team stepped up and started off the season 9-1. The Tigers' season began with a victory over Hawken with a 61-42 defeat. Not only did the help of the boy's strong offense comply in the win, but also the defense held the Hawks to the lowest scoring they had all season.

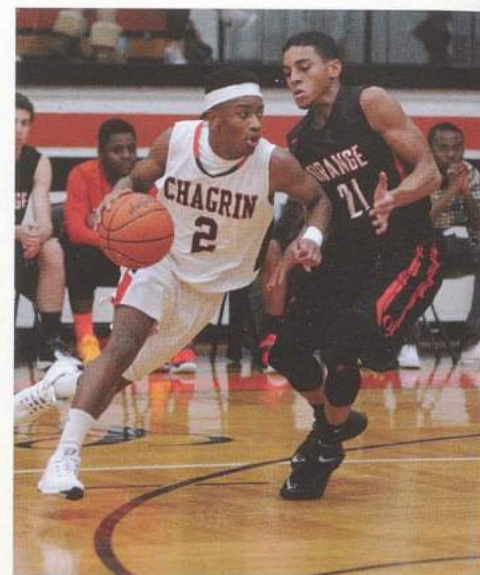

With the leadership of captains Corey Tull and Joey Vinci, the team was succesful against competitive opponents; for instance, they beat a tough rival in one of the most difficult games all season against Orange. Throughout the entire game, both teams were neck and neck, each scoring at every possession. With the game tied at 40-40, the team headed into over time. Battling throughout the first over time, both teams finished tied, again, 43-43. As the clock ran down, Corey Tull won the game with two free throws.

After the win against Orange, the momentum continued into the rest of the season. The Tigers had a record with 7-2 at home and 6-2 away. On Senior Night, the boys defeated the Gilmour Lancers 61-55. This win set the team up to roll into the playoffs with high expectations.

Luckily, the boys earned a bi-week, giving them enough time to prepare for the next matchup against Orange. With a hard fought game, the boy ended their season with a 17-6 record.

Three relay teams, one of which broke the school record for the 200 meter freestyle relay, advanced to States along with two individual swimmers, and one diver.

# HOCKEY

Returning to the ice, Chagrin Varsity hockey began their season with a victorious scrimmage against Westlake High School in a shut-out. For their second season back at The Pond, after not having a team for two years, Chagrin ended with a record of 10-4-17. As a highlight of their season, the team went undefeated in the CVCA tournament over winter break. "It was a huge accomplishment. We came in second last year, so it was great to win it," sophomore Andrew Davidson said. Teammate Dan Bellini, who is also a sophomore, said his favorite part about the year overall was "being with the team and the overall atmosphere in the locker room."

To conclude their season, senior Jackson Markley broke the record for most saves in a single season in the state of Ohio, saving 1,168 shots. "I was glad to be a part of getting a hockey team back together and was happy to be able to get the team pointed in the right direction before leaving," Markley said.
