Chagrin will always hold mixed memories of our high school years. To some it's romping in the mud during the drenched bonfire or a smiling but wet Homecoming Court before a victorious game. It's a discouraged frog rooting for the Senior Women, interrupting football practice to find lost contacts, or Coach's ever-presence at yet another athletic event. Chagrin also means traditional memories of the town with Triangle Park and the old fashioned gazebo in the square.

& MEMORIES

An ecstatic football team after a winning touchdown, coaches caught in a light moment during a tough practice, or the daily ordeal of walking across the gym floor upside down are what some of us will remember about Chagrin. It's the Senior Men choosing not to attend Homecoming, having to put math problems on the board, filing through the lunch line, or just casually chatting while leaning on the front railing.

IMAGINE...LOVELIES
LIKE THIS SITTING HOME!

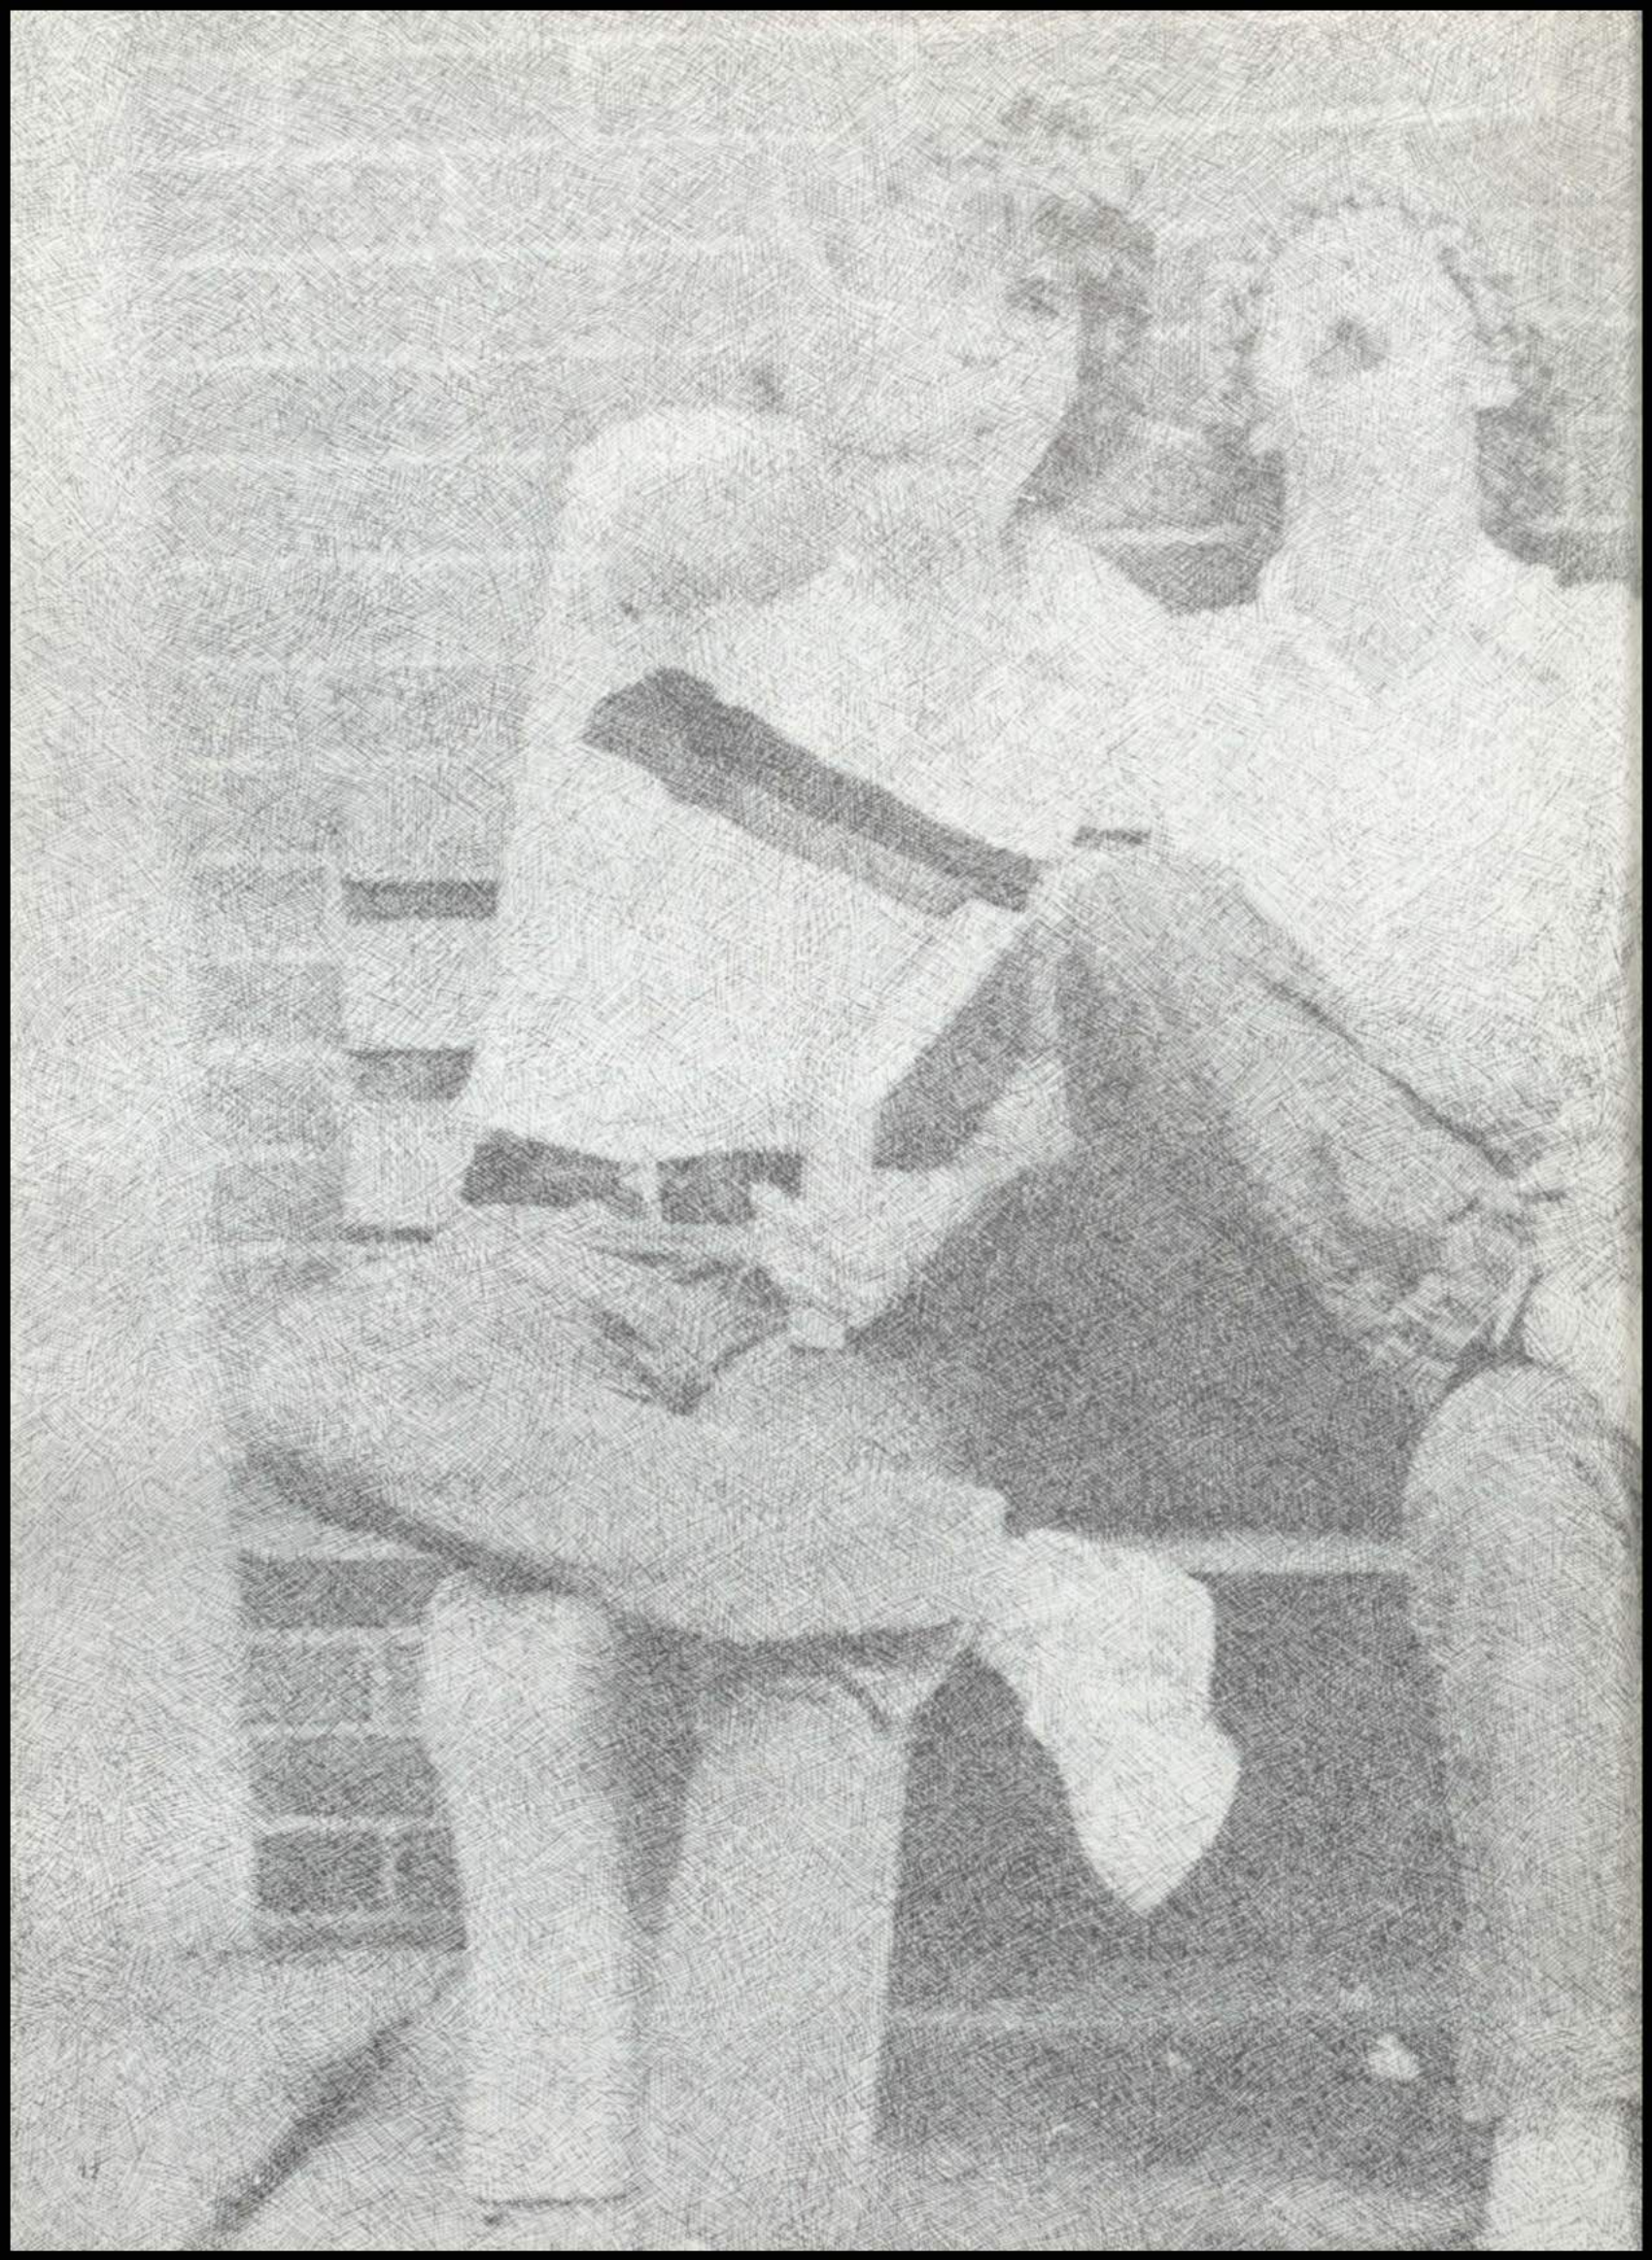

Others will recall exciting soccer play, poking the bonfire to keep warm, or cruising through town during free time. Walking to school with friends, examining pictures, or doing homework in the library are also memories of high school at Chagrin.

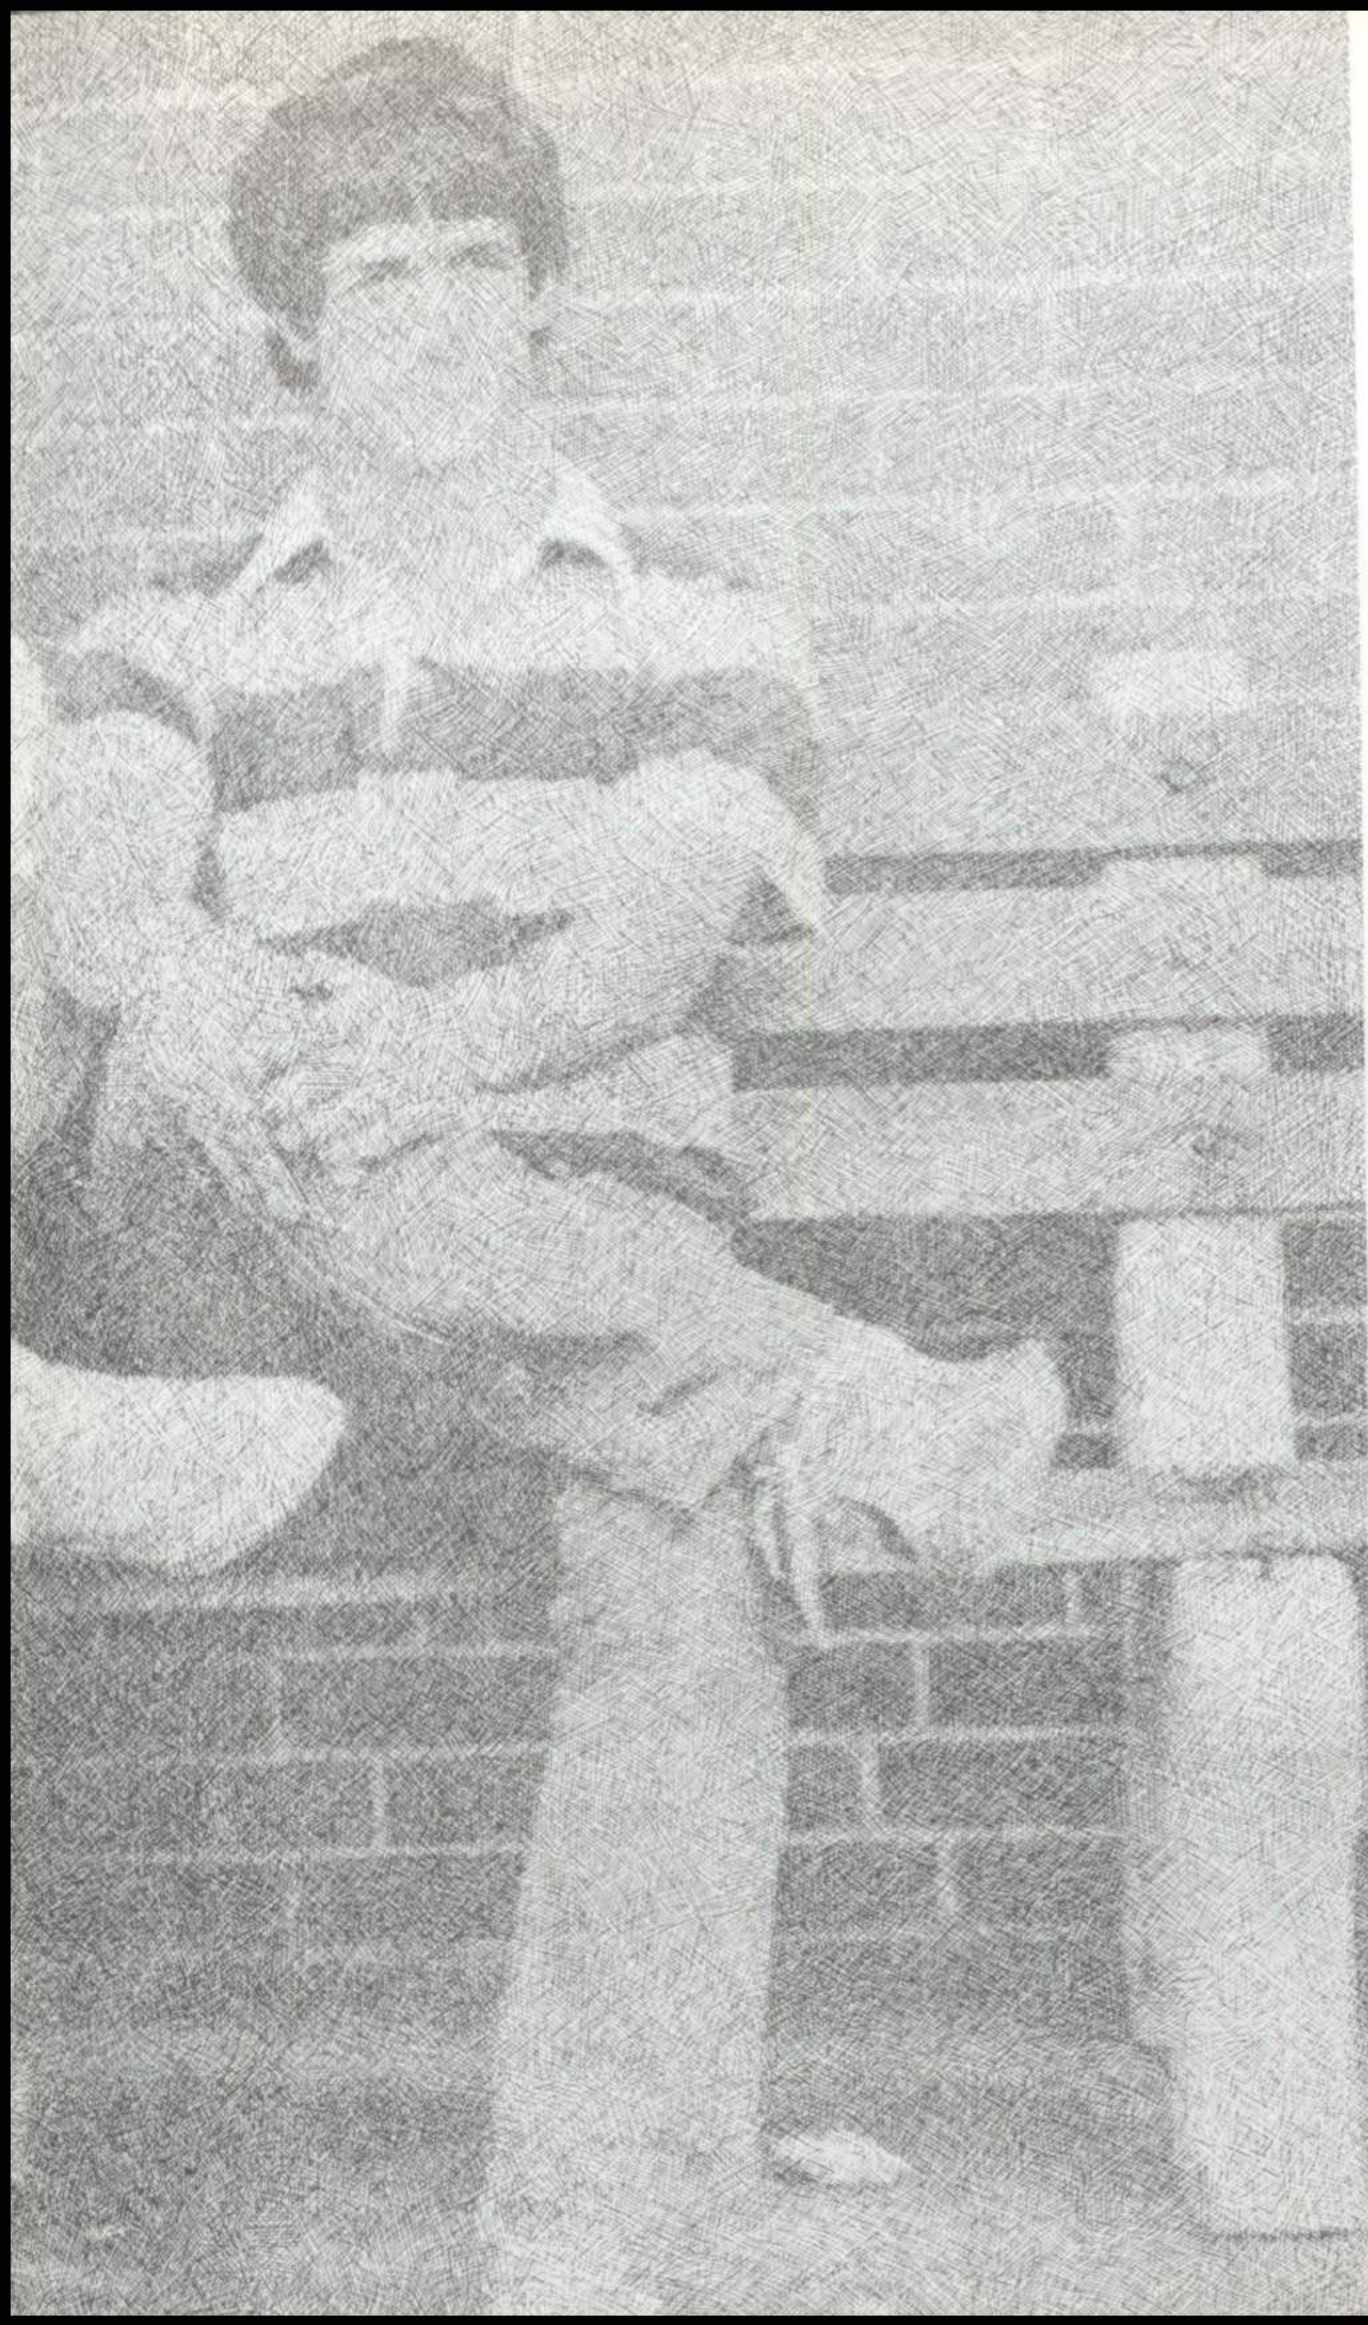

Memories include the hilarious antics of the so-called cheerleaders at the annual girls' football game, skeptical coaches watching a soccer match, hobbling to school after an injury, help in the office, waiting for the verdict from the Dean, daydreaming in the library or cheering the soccer team to a victory. These are the times that we will remember about our years at C.F.H.S. and will stick with us for a long time.

STUDENT LIFE

O.A.B.R.

The Orange and Black Review again dazzled the standing room only audience with its wide variety of student talent. "DISCO FEVER" was the prevailing theme in the Student Council show as kids tried to dance their way to fame and fortune.

Highlights of the show included "MYSTERY DATE" "BRIDGE OVER THE STUBBIL KWAI", "CHAT-

TANOOGA CHOO-CHOO", "THE BEATLES, YESTERDAY AND TODAY" AND "OKLAHOMA—REVISED AND REVISITED". Ann Bruner and Gregg Meek directed the show and Sissy Heck and Jeff Toole assisted. Faculty Advisors were Mr. Gardener and Mr. Sharnas. All in all it was another memorable event presented by the Chagrin Falls High School students.

Chip Wiper and Hilton Holtkamp do the four wheel disco as they moved to the beat of SATURDAY NIGHT FEVER.

KISS rocks on Chagrin as Jeff Russell, Greg Otis, Dave Hubbard, and Terry Murphy jammed on the tunes at peak volume.

Jack Campbell, Tony Vidmar, John Jicha, Craig Rutkai, Phil Corcoran, John Bartley, Charlie Hartsock, Scott Miller, Peter Garrett, Hilton Holtkamp, Chip Wiper, John Hamilton, and Curtis Cook belt out "WON'T YOU CHOO-CHOO ME HOME!"

Beth Herion perched on the piano dazzled her audience with her musical talent and pleasing voice.

Lisa Pfeiffer, Jim McGinnis, Steve Seidel, and Peg McWilliams tested their talents once again with another rendition of the GRAND OL' OPREY.

In the absurd style of Monty Python, Peter Padolik and Jeff Riegel entertained the audience with skits from the LUMBER JACK routine.

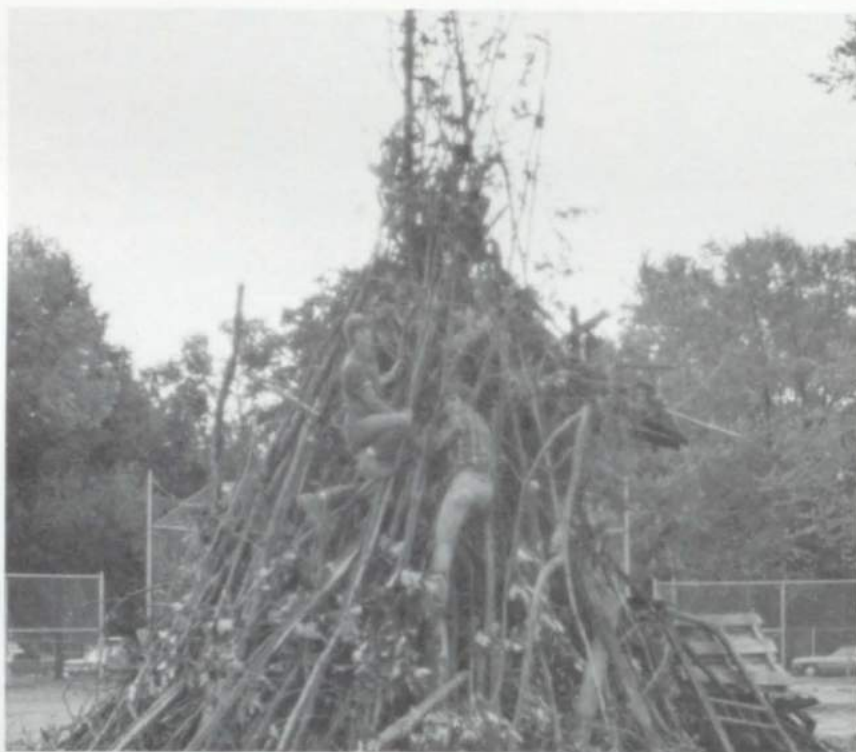

HOME

COMING

"COME SAIL AWAY" was a fitting theme for Homecoming Weekend as torrential rains swamped the bonfire, the coronation of Debbie Goodrich, and the football game. Despite the rain, the Tigers' spirit was not dampened as the team stormed to victory over Chardon. Queen Debbie was escorted by Dan Balser with senior attendants Candy Boblenz and Beth Coward escorted by Hilton Holtkamp and Craig Rutkai. Completing the court was junior Donna Edwards with Pete Shelton, sophomore Cathy Wilharm with Ehrhard Langer, and freshman Bea Klatt with Randy Rutkai.

Curtis Cook and Jeff Daugherty arrange the firewood for the annual Thursday night Homecoming bonfire.

A.F.S.'er Michela Marin boogies to the beat of the GREAT LAKES BAND during the Homecoming Dance "COME SAIL AWAY."

Freshman couple Lee Philpott and Mike Bistriz are close but not too close during a slow dance, and Mike seems to be enjoying himself.

Senior women Ann Moyse and Sue Updike made a cute couple at the dance while most senior men sat at home.

Queen Debbie Goodrich and her date Doug Hubbard relax during a band break.

Taking a break during the Homecoming Dance are Cathy Wilharm with Ehrhard Langer and Mary Kay Burke with John Behler. Jeff Riegel holds the attention of Robin Walters and Fern Hutson.

CHRISTMAS FORMAL

Brave Chagrin Falls High School women invite the men of their choice to step out under "a Starry, Starry Night," last December 9 at the AFS sponsored, Christmas Ball. The band "HOTT" raised the temperatures of excited dancers. Doug Hubbard reigned as king and his date was Debbie Goodrich. The king's court included, John Bartley and his date, Liz Ellefson and Charley Hartsock and his date, Valerie Pike.

Peter Garrett, the obvious choice for the refreshment committee, whispers a secret to Chip Wiper and Kim Hague as they listen intently and grin devilishly.

These freshman girls (L to R) Kelley Chlad and Sue Beattie used their courage to ask these freshman boys, Cooper Noone and Todd Richards, to accompany them to the Christmas Ball.

In keeping with the holiday spirit, a christmas tree was placed in the front foyer to compliment the sparkling pay phone.

Dressed in black, Ann Bruner and Cary Gluf of the P.M.C. (professional mourning company) take a break from their job to smile and dance to the lively tunes of "HOTT."

Senior women Sali McSherry, Kathy Vild and Judy Werner make a striking pose as they survey the crowd present at the ball.

Charlie Hartsock, nominee for Christmas Formal King and his date, Valerie Pike, stroll into a "starry, starry night."

Trixie Copeland and her date, Jon Kindred, rest after exerting themselves while dancing.

Crowned King of the Christmas Ball, Douglas Hubbard smiles victoriously at the applauding crowd.

The end of a play as the junior girls near the endzone and the senior women get a little nervous.

JR./SR. GIRLS' FOOTBALL

SENIORS BURNED:

Although the Jr-Sr-Football game resulted in bad news for the seniors it certainly proved to be an exciting one. In the first half the juniors pulled unbelievably ahead of the seniors by 14 points. Discouraged but undaunted, the Seniors retired for a half time talk. They returned in the second half and made an incredible comeback. The score remained tied until the last few minutes of the game when Sue Wise caught a remarkable pass which barely squeezed the Juniors out in front. The cheerleaders performed their usual spirited chants and formations, lending humor to an otherwise tension packed game. It was a close game; the result of much preparation by both teams.

Senior end, Julie Webster, sets her mind on ripping past those juniors. But how far can she get before they rip out her flags?

Now fellows, you're both pretty! Senior cheerleader Jack Campbell attacks junior rah-rah Andy Lynch, whose panties are showing (gasp).

THE VICTORIOUS JUNIOR GIRLS: Front Row—V. Pike, L. Parker, B. Dellinger, J. Green, S. Carpenter, K. Hemlein, J. Heintzleman, V. Taft, M. Doyle. 2nd Row—J. Cantley, C. Schaffer, C. Phelps, L. Wheeler, A. Lyden, S. Burkhardt, S. Hartman. 4th Row—J. Shultz, P. Snider, L. Bray, J. Strain, C. Young, W. Himes, P. Morton, R. Kerber, K. Bowe, L. Meyer, D. Edwards, L. Bortz.

FLOWERS FOR ALGERNON

This year's fall play was FLOWERS FOR ALGERNON. It depicts Charlie, a retarded boy, who through an operation, becomes a genius. Also experimented on was a mouse named Algernon, who becomes Charlie's close companion. However, the experiment fails and regression occurs. The cast included Peter Garrett and Charlie Hartsock as Charlie, Renee Walters and Anita Shannon as Alice Kinian, and John Kindred and Kit Falsgraf as Dr. Strauss.

Assisting Harold Loesch, the director, was Debbie Patrick with stage managers, D. Musselman and D. Petruschke. Lighting technician was K. Keesler.

Peter Garrett pleads with the vision of his younger self, Peter Shelton. Cast: J. Kindred, D. Patrick, A. Arthur, P. Shelton, P. Garrett, R. Cary, S. Wu, and M. Finley.

Charlie Hartsock brings flowers for Algernon suspecting his fate will be the same.

Doctors Ben Miralia and Kit Falsgraf keep an eye on their patient, Peter Garrett.

Kel Ann Maus, Peter Murphy, and Peter Shelton portray "Charlie's" family when he was young.

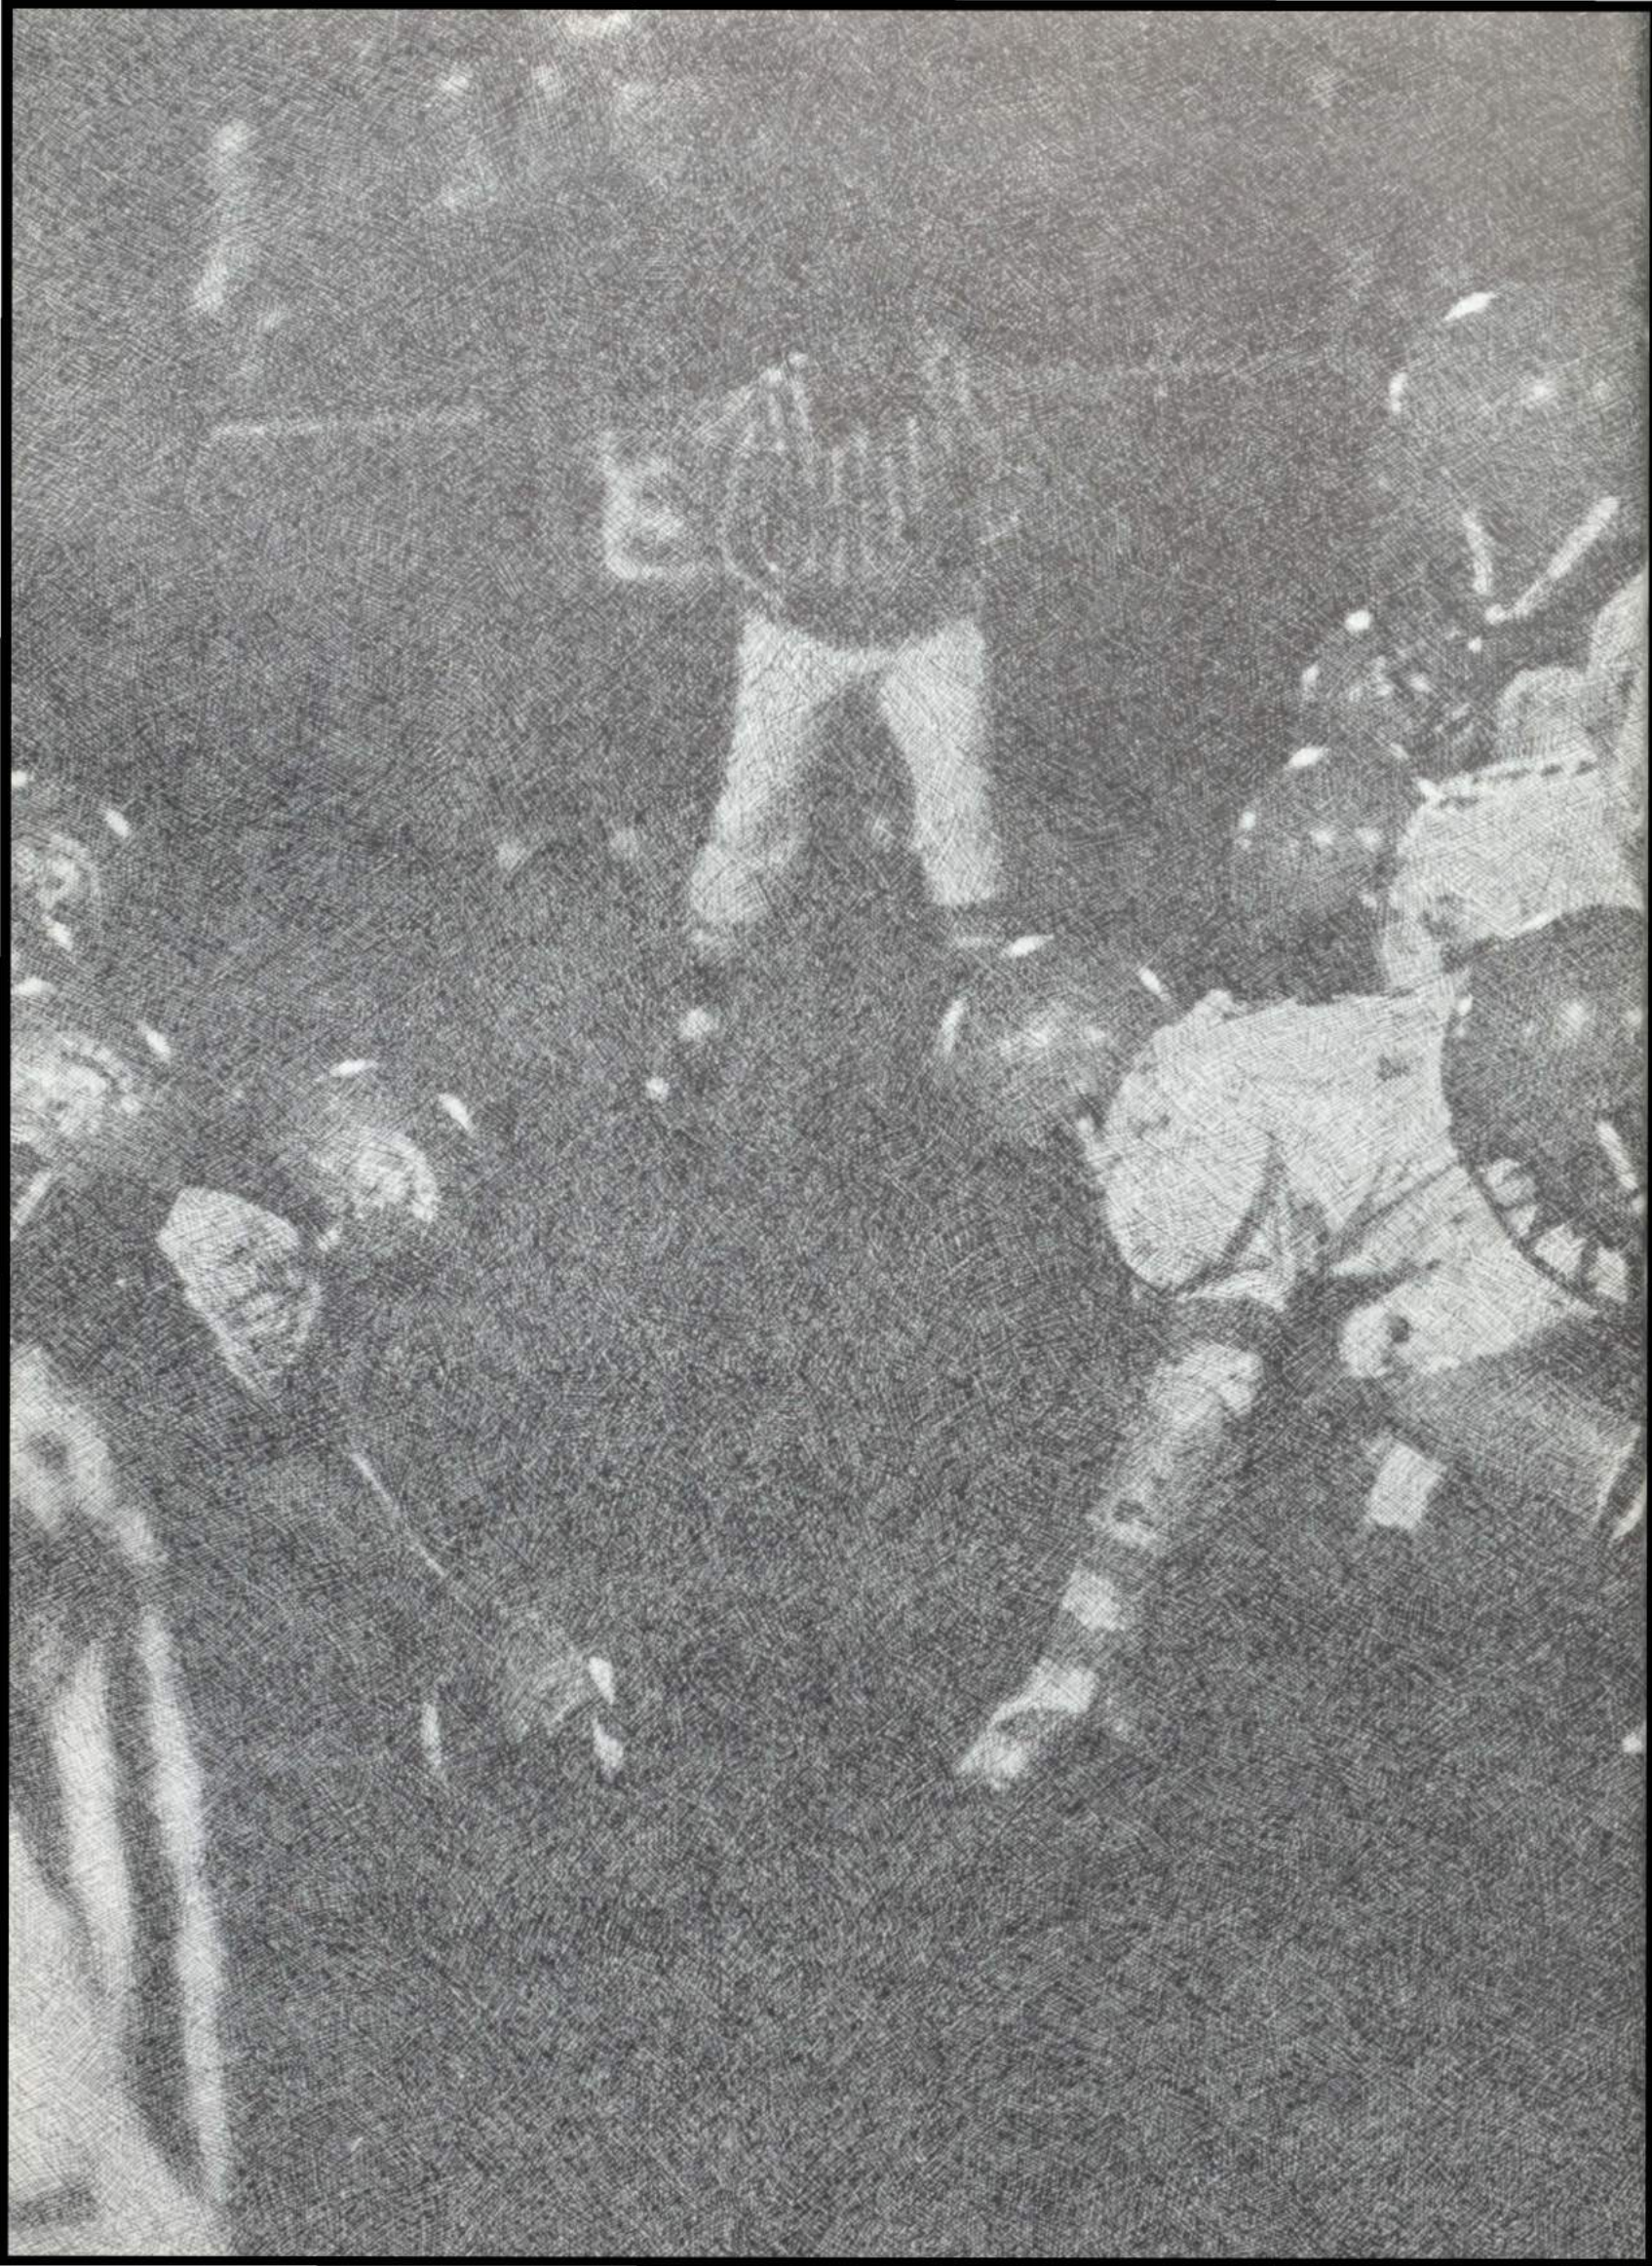

Dave Musselman, Jim McGinnes, Trixie Copeland, and Karen McFarland are co-workers in a bakery who subject "Charlie" to constant ridicule.

John Kindred expresses his disappointment in "Charlie's" progress.

"Charlie"—at his peak of intelligence—on a date with his teacher, Anita Shannon.

Coach Mario Gerhardt (Herr Gerr) lead the Tigers to sweep the CVC conference with a 4-0-0 record. League all-stars from the CVC were Jim Denne, George Sakoske, and Jack Campbell named to the first team, and Jeff Riegel and Mike Worstell on the second team. The Tigers finished with a 2-4-1 in the Eastern Division of the Ohio State Scholastic League. Sakoske, Campbell, Riegel, and M. Worstell were honored here. The culmination of the season came in the state playoffs where Chagrin finished second in their section. In the end Sakoske was named to the All-Ohio Scholastic team and was "most valuable player" for Chagrin. M. Worstell was "best on offense", and Campbell was "best on defense".

Jeff Riegel and Mike Worstell attempt to recover the ball during one of the Tigers' night games at Harris Stadium.

To accommodate the large numbers going out for soccer, Coach Gerhardt split the varsity into A and B teams with the B team, made up of juniors and seniors who lacked playing experience. Although the players did not have the long hours of practice nor the pressures of the Varsity A team, they developed so that their schedule showed matches with other Varsity A teams, shared a match with Chagrin's A team against West G's team, and two members, Scott Brewer and Dan Balser, were moved up to the A team.

How has splitting the varsity teams been accepted at Chagrin? The answer from the team was, "Great!". Besides the exercise and fun, everybody was given the opportunity to participate in matches.

Coach Larry Larson was the right man to coach the B team. A student at Kent State University, Larry realized the need for fun in sports as well as a certain amount of discipline. "The best thing is the amount of playing time these kids get. A kid who would be a bench warmer for the A team is often a starter for the B team, which gives him the experience he needs to improve."

"B" teamers, Don Brown, Bob Davis, and Scott Brewer show their brawn during half-time.

Keeping your eye on the ball is one very important aspect of the game as Mary Kelley shows here. Mary started the season playing first doubles but partway through the season was moved to second singles.

GIRLS' TENNIS

Senior, Judy Werner, anticipates the serve from Kenston opponent while dominating J.V. at 1st singles. Judy's overall record was 3-2 J.V. and 1-0 Varsity.

Rain, sleet or snow doesn't stop the Tennis team from practicing as Junior, Sue Wise, demonstrates. Before the Sectional Tournaments the weather got a bit nasty for the girls to practice in.

Val Pike concentrates on her form while returning a lob from her Twinsburg opponent. Val won the match easily in two games, assuring a shut-out for the team and a 2-1 record going into their fourth league match.

The 1978 Girls Tennis Team:
1st Row: Val Pike, Mary Kelley, Liz Ellefson, Lisa Bortz.
2nd Row: Julie Syme, Lisa Kilstrom, Robin Scott, Sandi Mills, Lee Meyer, Coach Hanson, Ann Scott. 3rd Row: Sue Anderson, Pam Morton, Judy Werner, Sue Pike, Stephany Grubb, Patti Kravitz, Sue Wise.

The 1978 Girl's Tennis Team finished the season with a 6-1 Chagrin Valley Conference record placing them 2nd in the standings. Pacing the Tigers were Lisa Bortz at 1st singles, Mary Kelley at 2nd singles and Patti Kravitz at 3rd singles. The doubles teams were rounded off with Sue Wise and Liz Ellefson at 1st doubles and Ann Scott and Pam Morton at second doubles. This year's team had four returning lettermen to lead them to their 6-1 CVC record.

Again this year the Tennis team had State Sectional winners with Lisa Bortz and Sue Wise playing first doubles. They reached the semi-finals in districts with only one win holding them back from state competition.

The J.V. Team ended up the season with a 6-2 record. Key players for the Tigers were Lee Meyer, Kate Batchelor and Judy Werner. Since the team has been in existence, they have ended up with a winning record. The first year their record was 12-1, while the record their second season was 11-10 and this year ending up with a 9-7 record. This shows the strength and ability of the coaches and players.

Warming up for the big match, Lisa Bortz, awaits her opponent in the finals of the Chagrin Falls Tournament. Unfortunately she came up on the short end by receiving 2nd place. Her overall record was 7-8 at 1st singles which helped pace the team to an overall 9-7 record.

Patti Kravitz, not normally seen with a teammate on the court, is shown playing with Coach Hanson. The only freshman on the Varsity team, Patti played 3rd singles with a 6-3 record.

CROSS COUNTRY

Chagrin's no. 152, Tracy Savage, sweats it out during the two mile cross country run as she overtakes East Canton's no. 133. This feat earned her tenth place finish at districts.

Senior cross country women, Emily Ingalls, Julie Webster, Judy Johnson, and Trina Savage celebrate a good run and show off their "Tiger Power."

Although the girls' cross country team lost their three duel meets this season, they came back for revenge in the invitationals. They finished second at the Cloverleaf Invite, third at Western Reserve and Gurney, and fourth at the Chagrin Invite and Sectionals. While the team did not get a chance to participate in the first official state meet, they finished the season seventh in Northeast Ohio.

Julie Webster and Sally Garrett keep pace at districts where Julie finished 36th and Sally close behind.

The 1978 Cross Country Team: First row: Coach Hurst, Jim Syme, Phil Corcoran, Bill Hallstrom, Al Cubberly, Rick Weber, Mike Mata, Tod Pope, Charles Lang, Coach Quesinberry. Second row: Doug Black, Jeff Dougherty, George Sutherland, Jeff Baker, Judy Johnson, Sally Garrett, Sarah Linn, Trina Savage, Julie Webster, Doug Phillips. Third row: Tom Narten, Mark Williams, B.J. Sutcliffe, Tom Payne, Ed Marchitto, Tom Callaway, Jim Tarr, Greg Vickers. Missing: Steve Wu, Chris Holcomb, Peter Garrett, Tracy Savage, Kris Bayer, Joanne Schultz, Emily Ingalls and Michele Marin.

Both Varsity and J.V. runners had a successful season for 1978. The Varsity held a 5-2 duel meet record losing only to Solon and Chardon. The best team effort was the Kenston Invitational with the Tigers finishing in second place.

The J. V. team demonstrated its strength by placing first in the Chagrin Invitational and by taking first in the Chagrin Valley Conference. They won three duel meets with Aurora, Kenston, and Chardon and were undefeated at the sectionals.

Via the sleek modern transportation system provided by Chagrin Falls, Coach Hurst and his frolicking cross country team celebrate another team victory.

VARSITY

Coach John Piai's expression reflects the disappointment experienced by the Varsity Tigers and their fans this season.

Doug Hubbard (right) pays the price of a nice catch, and the Tiger defense (below) awaits an oncoming play from the Orange offense.

The football team had a disappointing season although it was fun and sometimes interesting. They finished with a 2-8 record, its two wins coming against Chardon for Homecoming, and over Aurora in a game that took more than 24 hours to finish. Before the first half ended, the lights went out and the Tigers had to come back the next night to defeat the Greenmen in a close contest.

Although many bad things can be said about the Tigers '78 season, there can also be many good things said about it. Many juniors got some much needed experience for next year; the seniors had outstanding play by Doug Hubbard, who made first team all C. V. C. at Offensive End. Doug Murray was Herald Sun Player of the Week and Second Team all C. V. C., and Scott Miller also made second team all C. V. C. Many injuries plagued Chagrin and maybe most important about this season was the fact that no one gave up when it was obvious there would be no league championship.

The main goal is to train and produce players who can fill the gaps on the Varsity Team each year. The Team lacked size and speed but had plenty of heart. The offense was led by the running of Dooley and the passing by Campbell with Davis, Elliot, and Richter doing the catching. The defense was led by lineman Bell, Loy, and Brewer, linebackers, Sworan and Otis and backs, Rowe and Davis. The Team finished with 23 able players.

Junior, Mark Feucht, follows Sophomore, Joe Sworan for some good yardage against Twinsburg.

Bill Dooley looks for an opening against the Chagrin Valley Conference, Junior Varsity Champions, The West Geauga Wolverines.

The Tiger Team pulls a reverse and gains quite a few yards. Yardage like this kept the Tiger Spirit alive on the Freshman Team.

The 1978 Freshman Football Team compiled the first winning season, at this level, since the class of '79. But more than compiling a winning season, this class demonstrated an attitude and spirit that one does not often experience. From its manager, Joey Adelman, to its most fervent booster, Damian Sells, this group of fine young men made a coach feel proud. This team did well throughout their season ending up with a 4-3 record. One of the larger freshman teams they had both speed and strength.

The Varsity Team listens intently as Coach Dean reminds them of the basic skills—keep low, move for the ball, and call it.

Senior, Leslie Mapes, keeps her eye on the ball. This was the point that gave the Tigers their victory over Orange, 15-7, & 15-4.

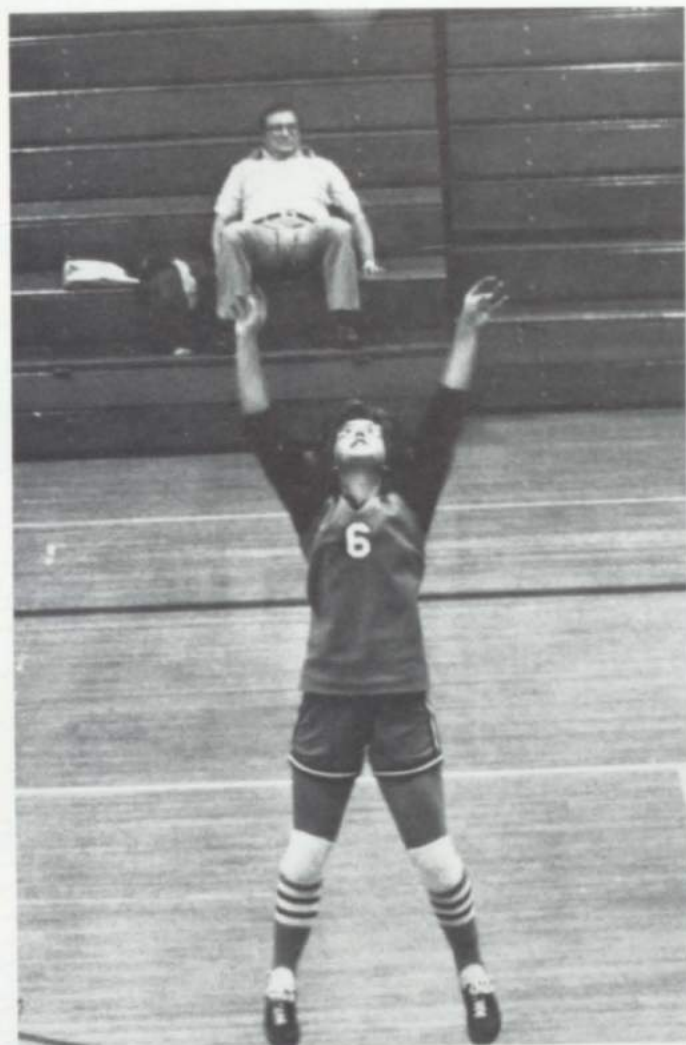

With this year's final Volleyball record of 3-4, the team finished 5th in The Chagrin Valley Conference. In sectional competition the Tigers beat Painesville Harvey in the first round while falling to Perry in the second round of the tournament. Sara Felger was named to the Chagrin Valley second league team while Joanne Schneider received honorable mention. The Volleyball Team received a long awaited new volleyball net. With this new inspiration, the Tigers won two of their last three home matches.

The Junior Varsity Team members prepare for their next game after losing to Twinsburg. The Tigers lost the match 6-15 & 10-15.

The J.V. Team awaits the lineup for the second game after defeating Hudson 15-13. The girls went on to win the match.

Senior setter, Sara Felger, pops up a beautiful set to another teammate. This is usually the second hit before the spike.

The Varsity Team anticipates the serve in their 3-2 defense from opponent Brush. Unfortunately, the girls couldn't pull out a victory.

The 1978 Chagrin Falls Golf Team showed great improvement from the 1977 Golf Team when four varsity players graduated. The 1978 Team consisted of 3 returning juniors and 2 sophomores, Jay Townsend captain, Mark Doman, Wayne Peterson, Gary Cummings, and Ann Bierman. Jay Townsend, had an outstanding year which sent him to the state finals at Columbus. He was runner up in the state. His league average was 37.0, the best in our school's history. The 6th place finish at districts was a record for Chagrin.

The principle of complete concentration seems to be written all over Wayne Peterson's face.

The 1978 Golf Team: Bottom; Wayne Peterson, Don Voorhees, Leonard Wall. Top; Coach Hensel, Gary Cummings, Jay Townsend.

Gary Cummings low score of 37 this year certainly helped him achieve his 46 average. The team's total record was 10 wins & 8 losses.

GOLF

Making a strong contribution to the team was Ann Bierman whose golf average was 45.

Returning Letterman, Mark Doman, added the necessary stability needed on any team.

Being a Freshman is usually a pretty tough job, but for Don Voorhees it was made easier playing on the Golf team.

Coach Ohlrich reminds his ladies that a 30 point lead, with only two quarters left, does not always mean victory.

Chagrin's 44, Brenda Byrd, on the offense. Teammate Sue Wise heads for the key to receive a pass and shoot for two.

VARSITY DRIBBLER SHOOT AN UNDEFEATED SEASON

The Girl's Basketball Team finished another successful season ending up with a 18-0 record, capturing the CVC crown. The team consisted of 7 returning lettermen, five of them seniors. The team's 90 points against Solon is school Basketball record. This came at the end of the season keeping the spirit alive in Sectionals, where they were top seeded.

Senior Julie Webster doesn't fool around—she means business. This disciplined attitude helped the varsity team on to success.

Tracey Burton charges downcourt with teammate Kate Batchelor, defying their Mayfield opponents, who were soon overwhelmed by the invincible Tiger women.

BASKETBALL

The Junior Varsity basketball team's major purpose is to build for future years. With a 7-9 record, the girls worked hard and prepared for the next season. One of the big differences this year was the addition of Coach Bob Dean, who helped Head Coach Bob Ohlrich. This year's team consisted of five freshman and five sophomores. The team worked well together and produced many victories. The future looks bright for these underclassman b-ballers.

Janine Groth is shocked by the ref's call as she and her teammates, Bea Klatt and Sue Griswold walk away in disgust.

BASKETBALL

Guys' Varsity team takes CVC crown

Senior center Jim Clegg, a third year Varsity b-ball'er, lays one up for Chagrin as teammate Chip Wiper watches anxiously.

It was another successful season for the Tigers and the Varsity basketball team racked up victory after victory to be crowned league champs. Leading these athletic marvels were the starting five: Jim Clegg at center, Tim Clegg and Mike Wise at forward, and Chip Wiper and Jon Groth at guard. Sixth man was Matt Bistriz who was also playing guard. Recognition must also go to seniors Hilton Holtkamp, Craig Rutkai, John Bartley, Doug Hubbard, and John Zachem for their outstanding dedication and spirit.

Coached by the Middle School's Glenn Wyville, the Tigers finished 13-1 in the league and 16-2 overall. They won their first 6 games, then lost to West Geauga and Elyria Catholic in a jinx weekend but came back to win their remaining 10 contests. Special honor goes to Jim Clegg and Chip Wiper who made first team all-league, and Tim Clegg who made second team all-league. Everyone on the team deserves a big hand for their victorious season and strong dedication.

Varsity Basketball team: Standing—Coach Mattern, Doug Hubbard, Hilton Holtkamp, John Zachem, Chip Wiper, Jim Clegg, Mike Wise, Tim Clegg, Glenn Korwich, Coach Wyville. Seated—Brad Blake, Larry Sollisch, John Bartley, Craig Rutkai, Matt Bistriz, Jon Groth, Willie Bolander.

Tiger guard, Chip Wiper, prepares to pass off to teammate, Mike Wise, over the head of opponent number "13". Chip is a 2nd year varsity starter.

Hoping for two points is senior forward, John Zachem, attempting a Tiger score, after completing Chagrin's famous fast break.

Jon Groth dribbles downcourt, concentrating on team strategy as the referee keeps a suspicious eye on his every move.

The invincible Jim Clegg, takes over the ball with confidence, assisted by Mike Wise and Chip Wiper (No. 24) on the Tiger offense. Jim is in his third varsity year this season at Chagrin.

There's no problem with this jump ball—the Tigers are obviously in control.

Brett Klatt and Jay Townsend meet with the referee before the game with Kenston begins.

Playing a tough Kenston team, the J. V.'s struggle for possession of the ball.

JV BASKETBALL

A 15-3 over-all record is not bad for these J.V. b-ballers as they played tough and lost to only West Geauga, Twinsburg, and Kenston. This left them 11-3 in the league. Coached by Ed Gardner, these dribblers played primarily zone defense, although Dooley and Parker usually covered guard positions, while Alpeter and Richey played forward with Hanniford at center.

No one, however could beat the class of '82 in basketball as these freshman athletes finished 14-0 in the league. The Christmas tournament upped their record to 16-0 when they popped off Beachwood and Orange to capture their first place trophy. The starters were: Kramer, Morgan, Bistriz, Shanklin, and Deedrich. The entire team, coached by Dave Quesinberry, should be congratulated on their undefeated season.

Mike Bistriz shows his defensive skill after beating the Twinsburg opponent, to add to their undefeated season.

The Freshman Basketball Team has good reason to rejoice after beating undefeated Solon 46-44 to raise its record to 16-0.

One of his many baskets, Mike Bistriz, jumps up for "two" to ensure just one more victory.

FRESHMEN BASKETBALL

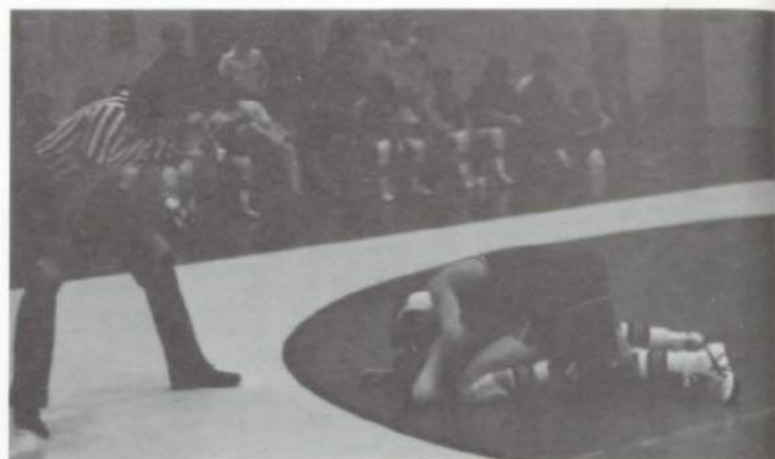

VARSITY WRESTLERS

The Varsity Wrestling Team had its best record since 1969. The team shared the C. V. C. crown with two other schools.

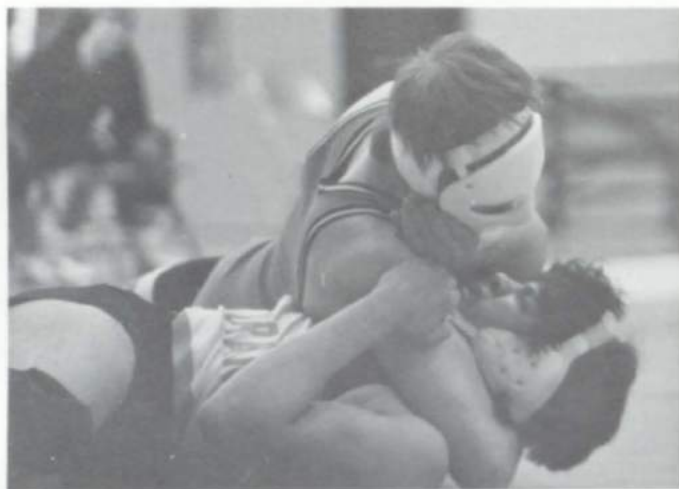

Outstanding Varsity Wrestlers who attended the district wrestling tournament at Canton on March 2 were: Lenny Cosentino, Erick Brockman, Mark Horan, Pete Prentner, Mike Clawson, Steve Loy and Matt Rowe, 1st alternate.

As a perfect ending to a winning season, Coach Don Wem received Wrestling Coach of the Year award.

Mark Horan moves for position against an invading Orange Lion foe.

Mark Feucht grapples with his counterpart of 119 pounds from Kirtland.

A masked Pete Prentner tries to chalk up yet another pin against a struggling opponent from Orange.

FRESHMAN WRESTLERS: Sitting: D. Heiss, T. Richards, T. Whitman, J. Rassmussen, C. Heilman, C. Constant, R. Ungar. Standing: P. Clawson, D. Black, E. Feucht, J. Updyke, J. Jensen, B. Houghton, D. Green, C. Pretner, Coach Naso.

Pat Clawson gets some much needed water between periods from the new frosh wrestling coach, Mr. Naso, who joined the CFHS English department this year.

FRESHMEN & JV WRESTLERS

The 1978-79 edition of the Tiger Freshman wrestling team proved to be one of the most successful in Chagrin's recent history. The frosh had a fine dual meet record of 9-3. In their CVC matches they came out 6-1. Highlight of the season was the freshman tournament where they placed third. John Updyke proved to be this year's outstanding wrestler, and Alestri, Heilman, and Jensen deserve recognition too. It looks as though Coach Wem and Coach Lonchar will have some fine sophomore wrestlers next year.

This year's Junior Varsity Tiger team did not have much in quantity, but it had quality. Weber, Worstell, Roeder, Gordon, Langer, and Hanson wrestled in most of the dual meets. Unfortunately this left a lot of room for forfeits. In the J. V. tournament, five wrestlers participated, each gaining experiences necessary for Varsity competition.

Varsity and J. V. Wrestlers, left. Front row: E. Brockman, M. Horan. Second row: P. IaFelice, G. Dunbar, J. Toth, M. Feucht, M. Jacobs. Third row: A. Mager-sup, M. Mata, T. Vidmar, D. Brown, R. Weber, K. Hanson, M. Worstell, T. Roeder. Fourth row: Assistant coach B. Lonchar, S. Loy, M. Clawson, P. Pretner, D. Kvacek, Head coach Don Wem, Missing: B. Davis, L. Costentino, B. Davis, M. Gordon, E. Langer, K. O'Donnell, M. Rowe, L. Weinkauff, Mgr. B. Miralia.

BASEBALL

Bob Bistriz hurls another strike, beating Twinsburg 15-2 and on his way to a season pitching record of 5 wins and 2 losses.

Senior, Jim Porter, makes the turn on his way to third base to score yet another run for the Tigers. Porter scored 29 times this season to lead the team in runs scored.

random note

When he is not playing football and baseball, 3rd baseman Steve Bridges builds radio controlled model aeroplanes. He picked up the hobby while watching others flying planes in a nearby field. Steve builds the plastic and wood planes from kits. Whether or not he will continue this new found hobby is "up in the air."

This year's Varsity team was quite successful with a league record of 10 wins and 4 losses, finishing up in 2nd place in the league. They had 5 selections to the All-League Team: 1st team, Jim Porter—Outfield, Bob Bistriz—1st Base, John Clegg—2nd Base. To the 2nd team; Rob Pearce—Short Stop and Steve Bridges—3rd Base. Lenny May coached the Varsity Squad with help from Chuck Nickel. The JV was coached by Jim Bucar.

Steve Bridges anxiously waits for the ever haunting bunt down the third base line.

Kevin Parker swats flies on a Sunday afternoon as teammates cheer him on.

GIRLS' TRACK

Senior Jill Kwasny puts the shot as teammate Joanne Schneider looks on.

Giving it all she's got, Jennifer Shelley runs with the baton.

The girls' track team, first coached by Jim Halloran, then by Dave Hart, had a terrific season with a 6-0-1 record. Chagrin tied with Woodridge in the sectionals and won the Chagrin Relay championship. Nine girls were sent to the districts. The 880 relay team of Julie Webster, Leslie Gilbert, Ann Brunner, and Ann Dietrich finished sixth in Northeastern Ohio.

Lee Meyer hands the baton to Ann Brunner, who tries to advance on her opponent.

Tired but happy, Tracy Savage crosses the finish line for a first place.

GUYS' TRACK

The Varsity team had a successful season ending up in second place in the league, winning all dual meets except for Chardon and Kenston. The short distance running was dominated by Steve Bernard, Bob Hill, John Jicha and Dave Revelle. Greg Greenough and Jim Lynch lead the long distance running in the mile and 880 respectively.

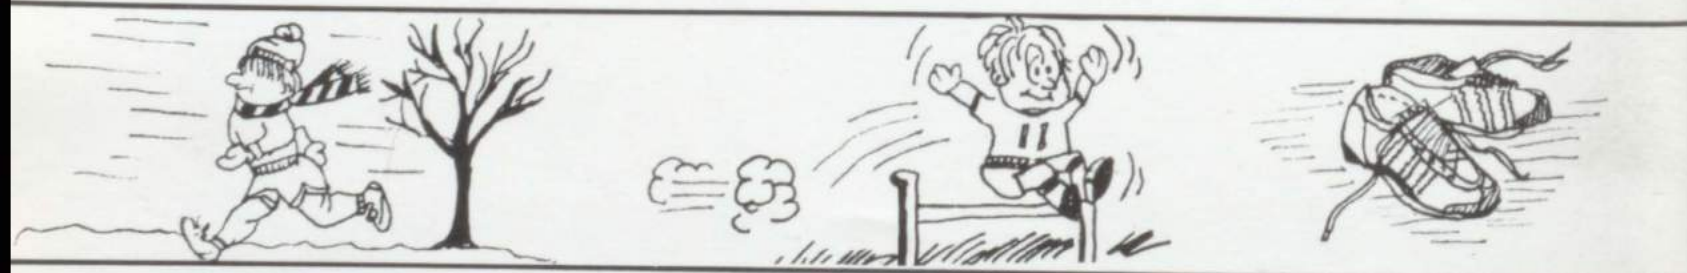

The field events were dominated by many returning lettermen, namely Scott Miller in the Pole Vault and Doug Murray in the Shot put. We sent a handful on to districts, with only Scott Miller reaching State Competition. The freshman team's record was 3 wins and 4 losses but developing some good tracksters, including Bill Dooley, Steve Alpeter and Jeff Russell, who carried the team in the running and field events.

Peter Garrett pushes himself to finish his mile while a Chardon runner is hot on his heels.

Jim Lynch rounds the corner of the last leg of the mile relay in the Chagrin Invitational track.

Highjumper, Tim Richey, shows off his form during one of the guy's many track meets.

John McKenna winds up the last leg of the four mile relay, finishing first in the Chagrin Relays.

Russ Galimore was the senior strength in the field events this year. Shot put and discus were his major events.

GUYS' TENNIS

The Varsity Tennis Team, led by Juniors Chip Wiper and Jim Meyer, rounded off the season with an impressive overall record of 15-1. Playing at first singles throughout the season was Chip Wiper. Second singles—Jim Meyer, and primarily at third singles J.B. Raftus. First doubles consisted of Dave Alpeter and Jack Campbell while stroking at second doubles were Jim Baker and Peter Herr. The second doubles duo recorded an outstanding record of 15-1, while the team, coached by Bob Furst, finished third in the Chagrin Valley Conference.

Chip Wiper serves a grueling ace enroute to a victory over his Chardon opponent.

With deep concentration, J.B. Raftus wallops a forehand winner, taking the game, set, and match.

Jim Meyer displays his winning form while dominating the season at second singles.

Peter Herr takes a breather while waiting for his partner, Jim Baker, to serve.

GYMNASTICS

Leslie Gilbert contemplates her next move on the uneven parallel bars, during a warmup prior to a meet.

Lee Meyer points her toe, extends her arms, and demonstrates her poise and agility on the precarious balance beam.

Gymnasts Sara Felger, Leslie Gilbert, Karen Bowe, Lee Meyer, Lisa Pfeiffer, Mike Ramsey, Missy Miller, and Karen Trudick stand at attention awaiting the approaching meet.

Senior, Sara Felger, ends her routine with a nice smile for the judges.

The 1978-1979 Gymnastics Team consisted of eleven tough competitive gymnasts. They were a "small but mighty" team despite many injuries. Under and excellent new coach, Mrs. Laurie Carlberg, the team adjusted very well. Sectional competitors were tough. Having seven going into sectionals five went on to districts. Pfeiffer, Bartley, Trudick, Sciuva, and Meyer all went to districts.

VARSITY CHEERLEADERS

The Varsity Soccer-Basketball squad this year consisted of Debbie Goodrich, Karen Castrovinci, Wendi Cotesworth, Kim Hague, Beth Klatt, and Colleen Clegg.

Going to a "dynamic cheerleaders" camp in the early summer really unified the varsity Soccer-Basketball squad, made up of an even cut of three juniors and three seniors. They had a lot of good laughs and fun throughout the year as they tried to boost school and team spirit. They started their soccer season with a pep rally and finished their basketball season by presenting the seniors with scrapbooks. Both the soccer and basketball teams were successful this year so it made the cheering easier. Also helping were a group of rowdy seniors called, "The Zoo";

The Soccer-Football squad was junior dominated with only one senior to five juniors. The girls began their season by attending an IFC sponsored camp held at Dominican University. At IFC they proved their ability by clinching second place in competition. Later in their season they were aided by the super spirited sophomore class which helped them cheer through a somewhat disappointing season. These girls held several pep rallies and made Homecoming extra special this year by decorating the foyer and awarding each player a spirit mug.

The Varsity Football-Soccer squad: Candy Boblenz, Drew Trimble, Sue Ellefson, Lisa Brickle, Jackie Rall, and Julie Green.

Julie Green, wearing Tiger spirit mittens, takes a minute from cheering to glance at the scoreboard.

The darker side of varsity cheering—Jackie Rall and Sue Ellefson, huddle together to keep warm during a cold, rainy game.

Caught in one of those rare moments when the cheerleaders are not in unison, they prepare to wind things up after cheering the soccer team on to victory.

Many new spirited faces were among the freshmen and junior varsity squads this year. These new girls blended with the more experienced ones to make four separate hard working squads which were supervised by Jane Morris and Liz Dworak. Although the football squads were menaced by mud and rain and the basketball squads faced hot, humid gymnasiums, the girls cheered with never-ending smiles, even when they were cheerleading to partially filled stands.

Administration

The Administration for some students represents nothing more than jug. But in reality, the administration headed by John Gaydosh, principal, and Dale Richmond, dean, see that the school runs smoothly. Official paper work, records, conferences, public relations, as well as the human aspect of students, staff, and faculty are all its responsibility.

The many long hours the administration spends results in MEMORABLE years at Chagrin Falls High School.

With a B. A. and a M. A. from Penn State, John Gaydosh has been principal of Chagrin for 8 years. With his wife and two children he lives in Euclid, Ohio.

Dale Richmond completes his twenty-sixth year at Chagrin Falls High School. He has an A. B. from Baldwin College and a M. Ed. from Kent State. When not the Dean of Students, he enjoys restoring old cars.

Not only did Bee Crawford work for more than 30 years in the Chagrin Falls System, she also was a graduate of Chagrin. With her years of experience, she helps John Hurst with an early morning problem.

Doris Knight has been a counselor at CFHS for 14 years. A graduate of Bowling Green State University with a B. S. degree and a M. A. degree from Ohio State University, she also is the Senior Class Advisor.

The newest member of the Guidance team is Jack Fyffe, who has a B. A. and a M. A. from John Carroll University. Living in Bainbridge, he enjoys building and outdoor sports.

Guidance

Expecting her J. D. in June 1980 from Cleveland-Marshall College of Law, Helen Kryshalowych has been in guidance at Chagrin for 6 years. She enjoys traveling, reading, outdoor sports, plants, and music.

PSAT's and SAT's, college and financial aid applications, scheduling conflicts and adding and dropping courses are typical reasons for a CFHS student to visit his counselor in the Guidance Department. Doris Knight and Helen Kryshalowych were joined by Jack Fyffe and each took a third of the student body as his primary responsibility.

Although the offices tended to be hot and stuffy, the advice whether of a personal or academic nature was not. It was to this office one visited to obtain class ranking, to hear of a job opening, or to learn one is a 1/4 credit short for graduation.

Vivian Crawford, affectionately known as Bee, retired in March after more than 30 years in the Chagrin system. At her retirement she was the personal secretary to Mr. Gaydosh.

For students, Betty Schoeppner provides the needed materials for college applications, testing forms, appointments for the counselors, and sign in for the clinic. She also sends out those Progress Reports.

Moving over from the Commons, Liz Dworak is the secretary to the Dean. She keeps track of attendance, calls home for the silent absentees, and tries to keep the flow of traffic running smoothly throughout the office.

Office

A line usually forms in the morning as students wait to sign in, sign out, or try to explain why their tardies should be marked excused. For many, tardies lead to an assigned "jug".

Joan Hartman is the keeper of the Pay In's and Pay Out's. Trying to keep track of the school's moneys while answering telephones, collecting fees, and selling workbook, she still is able to balance the books.

At some time during the day it seems as if everybody finds his way to the Office. Teachers check their mailboxes, search out supplies, use typewriters, use the copier and ditto machines, and even "steal" a cup of coffee. Conferences with parents are held here if one can find an empty office. For students, work permits, the lost and found, information, bake sale and party storage, conferences with Mr. Richmond after a homeroom-orange-slip-summons, emergency pm jug site will be some of the reasons to REMEMBER the office.

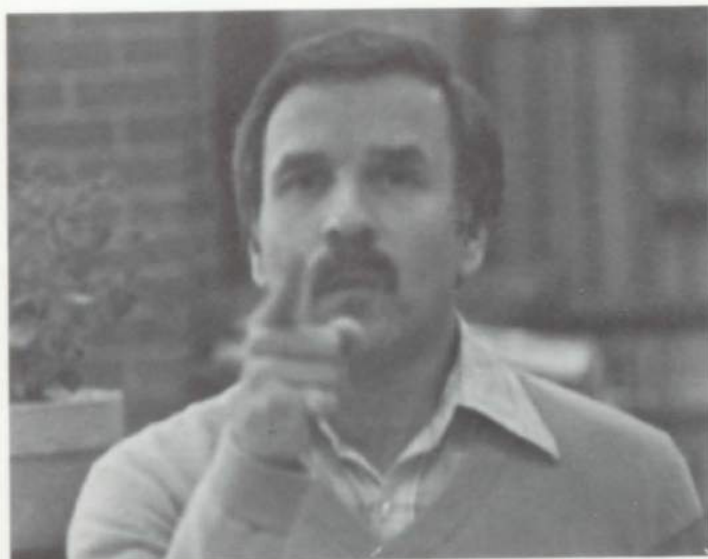

An overview of the Media Center shows the many types of activities available. Under the watchful eye of Lou Papes, the Center provides each student the opportunity to do his own thing.

Media Center

While this year's Media Center did not differ drastically from last year's library, it was a good place to study, do research, or maybe get in a little socializing. More books and less discipline made this year's Media Center a more enjoyable place to be. However, increased book fines on overdue books caused an increase of borrowed books without checking them out much to the displeasure of the Media Center staff.

Under the watchful eyes of Carolyn Barber and Nan Garrett, the library became a well-run Media Center.

Lou Papes, Educational Media Specialist, has an A. B. and an M. A. from John Carroll. This is his fifth year at Chagrin.

Besides offering the traditional services for the students, the Center expanded paper book collection called the Paper Connection.

English

Students were once again able to choose from a wide variety of English classes. Freshmen and sophomores did have to struggle through English 9 and Basic Comp.

The one-act Christmas plays under the directions of Mrs. Davis and Mr. Loesch, entertained everyone who saw them. The AP English class plowed through 19 classics. Finally, Mr. Nasso the newest member of the department his students with his exciting interpretations of the Greek myths.

Leonard Balk teaches Comp., Speech, Debate, Semantics, and Drama as Literature. He has an M. A. from KSU and enjoys gardening and sailing.

A fifteen year veteran, Frances Jenkins has a M. A. from CWRU. Her hobby is teaching.

Her M. A. from Texas Women's University, Kay Nelson teaches American Lit., Sci. Fic., Comp., and Contemporary Lit.

Harold Loesch, department head, AP English, Adv. Comp., Am. Lit., Eng. Language & Usage, Drama 2, also coaches the play & musical.

Charles Naso has a M. A. T. from John Carroll and besides teaching mini courses coaches 9th grade wrestling.

Leonard May's courses include Freshman English & Contemporary Writers.

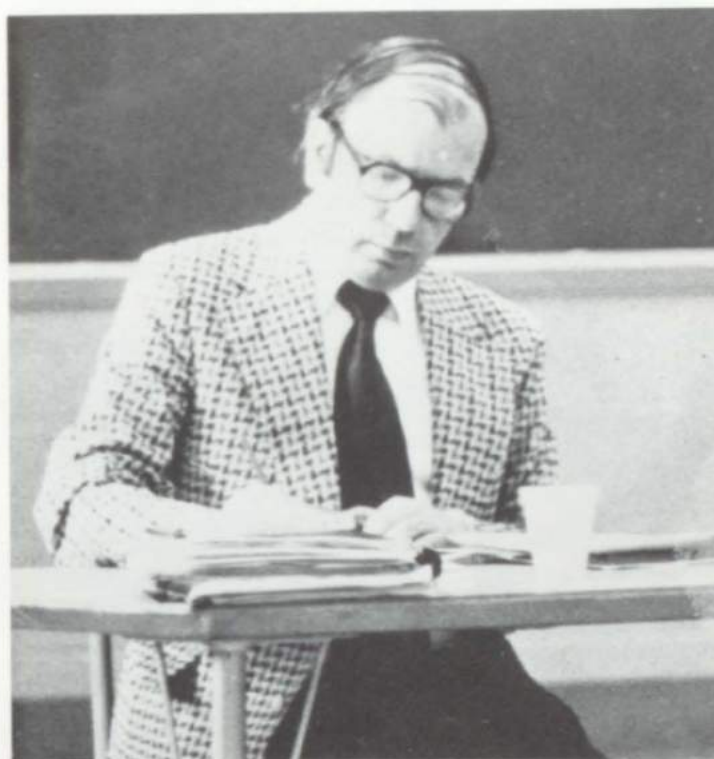

A member of MENSA, Carol Davis teaches Newswriting, Drama, Shakespeare.

Social Studies

With a B. S. from Thiel College, John Piai teaches American history nine week courses including Civil War and Rise of Aggressor Nations. He completes his 22nd year at Chagrin.

Tom Lerch, Sociology and Economics, has a Master's Degree from KSU and has taught in Chagrin for 16 years.

John Ginatos, AP American history, Minorities, Captains of Industry and Criminology, has a B. S. from KSU and B. A./M. A. from CWRU.

Robert J. Dean heads the department and teaches Area Studies and Modern World History. Completing his 13th year at Chagrin, he has a B. S. from Thiel College and a M. Ed. from Edinboro State. He is an assistant football and assistant girls basketball coach. Married, with 4 children, he lives in Burton, Ohio, and enjoys coaching and reading for hobbies.

Historically speaking, the Social Studies department has contained teachers who have dual personalities. Headed by Mr. Dean, they all excel at inspiring their students to learn about the world.

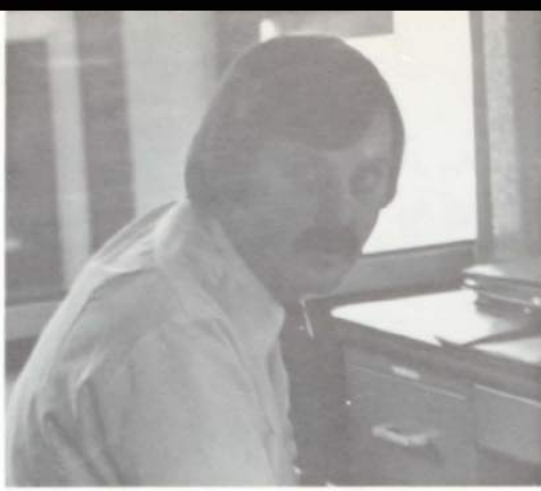

Mr. Ginatos successfully doubled as Zenith faculty advisor and the A. P. History teacher. Students in Mr. Lerch's Sociology classes were exposed to the joys of marriage. Mr. Piai explained the offensive tactics of the North during the Civil War. Last, but not least, was Mr. Fordyce, without whose knowledge of government the Senior class wouldn't have graduated. When not teaching, Piai and Dean are coaching and Fordyce can be found supervising concessions at basketball tournaments.

William Fordyce teaches American Government and Economics and has a B. S. and M. Ed. from Edinboro State. He also advises the Student Council.

Mathematics

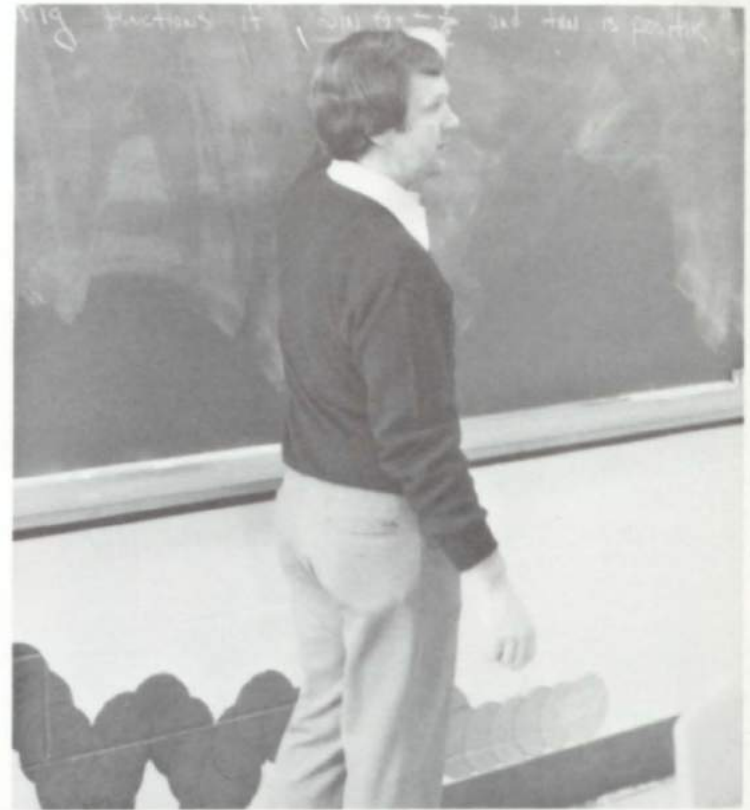

From geometry with its complex triangle, theorems, and parallelograms, to algebra with those evasive x's and y's, and then to trigonometry and sines and tangents, and finally to calculus with those horrible integrals, the CFHS student has a wide range of math classes to choose from. Algebra is taught on two levels with geometry taken between them. More advanced courses include trigonometry, analytic geometry, and calculus. Another alternative for the discerning math student is the math topics course, which covers a variety of math related subjects. On the whole, the math program is quite diverse and gives every opportunity to the student.

Five years at Chagrin, Robert Lonchar is a graduate of BGSU. He teaches General Math, Geometry, & Algebra I.

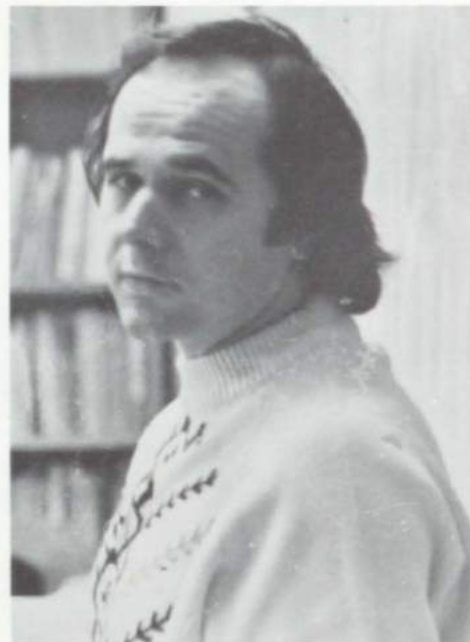

Earning both his B.S. and M. Ed. from K.S.U., Robert Ohlrich heads the Math department as well as coaches the girls basketball team.

James Howell teaches Acc. Geometry, Algebra, Trigonometry, and Analytic Geometry. He advises the Ski Club and Mu Alpha Theta.

Preparing to take off on the problem, Jack Stanton explains a math problem. He teaches Calculus, Trigonometry, and Analytic Geometry. Among his hobbies are sports, history, humor, animals and music.

Wondering what other way to explain the Algebra problem, Wade Tolleson, stares forlornly out the door.

George Kaschak has both his B.S. and M. Ed. degrees from Miami University. 13 years at Chagrin, he teaches General Math, Algebra 2, and Accelerated III.

Robert Hensel, Physics and Chemistry, has a B. S. from Otterbein and a M. E. from Kent. He coaches golf and includes cross country skiing as a hobby.

A resident of West Geauga, Ramon Battles teaches Chemistry, Biology, and Life Science. A 13 year veteran at Chagrin, he enjoys agriculture as a hobby. He has a B. S. from OSU and B. S./M. A. from Kent State.

John Hurst teaches Biology and Science. He coaches track and cross country. A graduate of Hiram College with an A. B. and Kent State with a M. Ed., he lives with his wife and two children in Hiram, Ohio.

Steve Mallick, General Science and Chemistry, has both his B. S. and M. Ed. from Penn State. Residing in North Madison, his hobbies are reading, traveling, and gardening.

Classifications, log books, unknowns, experiments, laboratories, dissections are terms well known by students in the Science Department. Especially remembered is the sympathetic ear given by Ramon Battles and John Hurst for those who LOST their "bug" collection or Permanent Log Book. And of course, the constant reminder that neither teacher was your mother.

Steve Mallick prepared students in Physical Science and Chemistry while Robert Hensel taught Chemistry and Physics. Neal Wheatcraft continued to fill his students with knowledge of hydrates, anhydrous salts, and Bohr electron configurations in Chemistry.

M. Neal Wheatcraft, department head, Chemistry, and Physical Life Science Seminar, has taught at CFHS for 28 years. He is the NHS advisor and treasurer of the Credit Union. He has an M. Ed. from Kent State University.

Deutsch

A U. S. Navy Academy graduate, Mario Gerhardt, heads the foreign language department, coaches soccer and tries his hand at magic.

Dieses Jahr haben 135 Schuler Deutsch studiert. Es hat sieben Deutschklassen gegeben. In unserer Deutsch IV Klasse haben wir 18 Studenten gehabt, von neun schon in Osterreich oder Deutschland gewesen sind. Unser Deutschzimmer war dieses Jahr wieder sehr schon geschmuckt, besonders zu Weihnachten. Natürlich haben wir dieses Jahr wieder die AATG Prufungen nehmen müssen. Die meisten von uns haben ganz gut abgeschnitten. Ned Sarkisian und Steve Wu waren unsere besten und ihre noten von 99 and 96 Percentile gehorten zu den hochsten in ganz Amerika. Deutsch war unsere Lieblingssprache! Wir lernten die Sprache und wir traumten-Wir traumten von einer Deutschlandreise . . .

Soon to move into her new home in Hudson, Hannelore Rogers has taught German for 5 years at CFHS. As hobbies she enjoys classical music and sewing.

In primo anno Latina est studium verborum et grammaticae. In secundo anno Latinae vitarn Julii Caesaris, fabulam Medae et plus grammaticam studebitis. In tertia et quarta Latina Cicero et Virgilius omnibus studendi sunt. Coemedia et Tragedia a magistro inclusi sunt.

THE Latin teacher Lois Klingensmith enjoys when not teaching golf, Bridge, and hiking. She is a graduate of Wilson College and lives in Chagrin Falls.

LANGUAGE

Presently doing graduate work at Kent State University, Carolyn Hanson, Spanish I-II-III-IV, also coaches girls' tennis and advises the Spanish Club. As hobbies, she enjoys sports, music, and traveling.

Español

Marta es una chica bonita. Roberto Clemente murió en un choque del avión. Los Estados Unidos es un país de una cultura predominantemente anglosajona. Éranse una gallina que ponía un huevo de oro al dueño cada día. Todas las frases vinieron de uno de los años de Español. En Español oímos, hablamos, escribimos, y leemos varias formas de Español incluyendo: lecturas, poesía, todas otras formas de literatura, canciones, juegos, películas, cintas, discos, dramas originales, etc. Los primeros dos años son principalmente de énfasis gramatical, pero los últimos dos años son de énfasis literario al demandar, podemos ofrecer el quinto año de Español.

Virginia Molden Colignon, French I-II-III-IV, has a B. A. from the University of Maryland and a M. A. from CWRU. Residing in Chagrin, she enjoys reading, gardening, and birding.

French I-II are taught by Stephan Pepper, who also advises the LANTERN. A graduate of CWRU with a B. A., his hobbies include photography and music.

Français

Les classes de français sont toujours très intéressantes. (Excepté quand on étudie la grammaire!) Avec leurs professeurs, Madame Colignon et Monsieur Pepper, les étudiants étudient la langue, la littérature, les costumes, l'histoire, et l'art français. Les étudiants français disent que leur chanson favorite est "Champs Elysees", leur livre favori est LE PETITE PRINCE, leur artiste favori est Renoir, leur jeu favori est A la Bonne Heure, leur plat favori est mousse au chocolat, et leur boisson favorite est un bon vin rouge. Enfin, leur matière de discussion favorite est les affaires mondiales.

This year's choir was busier than ever. They performed Vivaldi's GLORIA in conjunction with Hawken School. The traditional "Hallelujah Chorus" was performed at both the winter concert and at the combined Band and Choir halftime show. The choir had an even busier spring, as they travelled to contest, sang Bernstein's CHICHESTER PSALMS, and performed the '20s musical "The Boy-friend". Director, Mollie Macknin, felt the choir did exceptionally well all year.

14 years at Chagrin, Mollie Macknin, B.S. Indiana State, directs the choir and musical.

Choir

Singing isn't the only thing that the choir does; here they are shown practicing a few dance steps for their Winter concert.

Performing at half-time at the football games, the marching band learned what adverse conditions were as heavy rains soaked it during the Homecoming show. During the Christmas Concert, selections were played from the PINES OF ROME and THE NUTCRACKER. The Winter Concert featured the DAMNATION OF FAUST and GREIG's PEER GYNT.

Seniors, Jane Schoeppner and Tracy Burton, prepare for the half-time show.

Art

Juliann Weber, Art I-II, Jewelry, Enameling, Drawing, and Painting, has an M. A. from the Cleveland Institute of Art. She is also the Prism-Art Advisor. She identifies as her hobbies all forms of the creative arts.

Amid paint, used paper towels, material scraps, and other assorted artists' trivia, there exists a very motivated art department. Students produce quality work, many of whose pieces go on to win state and even national recognition. In charge of two dimensional art medias is Mrs. Weber. She teaches drawing and painting and also jewelry. Mrs. Luna generally teaches three dimensional medias, such as textiles and ceramics.

Teaching textiles and ceramics, Doris Luna has a B. A. from Murray State University. The A. F. S. advisor, she has taught at Chagrin Seven years and enjoys antiques as a hobby.

William Muzevich, Wood Technology, Metal Technology, Metals Machining has an A. A. from Orange Coast College and a B. S. and M. A. from Kent State. He is the freshman soccer coach and Industrial Arts Club advisor.

Teaching photography, Wood Technology, Drawing & Sketching, Engineering Drawing, and Architectural Drawing, Peter Olah also coaches the shot and discus. Included in his hobbies are Corvettes and antique cars.

The Industrial Arts Department offers a choice of ten courses ranging from metals, woods, to drafting and photography. Every student in the department must take Drafting and Sketching formerly known as Mechanical Drawing. Mr. Olah teaches all of the drafting classes while Mr. Muzevich handles the majority of the wood and metal classes. Many century homes in Chagrin can now boast of all wood cutting boards while others await their clocks. A new class offered is Photography which explains the many "shutterbugs" crawling around the halls.

Health & Gym

Colleen Wilcox has been with CFHS for 15 years. She is a graduate of West Virginia University and University of Wisconsin.

Don Wem is a graduate of University of Toledo and in addition to his physical education classes, coaches the varsity wrestling team.

Making a health point, Matthew Chinchar, B. S.—Xavier University and M. S.—Indiana University, resides in Euclid, Ohio and enjoys landscaping as a hobby.

With Title IX in effect, this year's gym classes were co-ed. Although at first it may have been a major adjustment, most students enjoyed the competition between the sexes. Co-ed activities included: jogging, square-dancing, soccer and softball. There was also a co-ed two on two basketball tournament. The Junior Phys Ed classes once again bowled, but this year, only if they had the funds and wanted the opportunity for a different form of exercise. Many junior classes also had the chance to tell the teachers what they wanted to do, for example, cross country skiing or ice skating. The new member of the department and Health teacher is Matthew Chinchar.

A 33 year veteran of CFHS, "Coach" Quesinberry, head of the department, Athletic Director is a graduate of B. G. S. U.

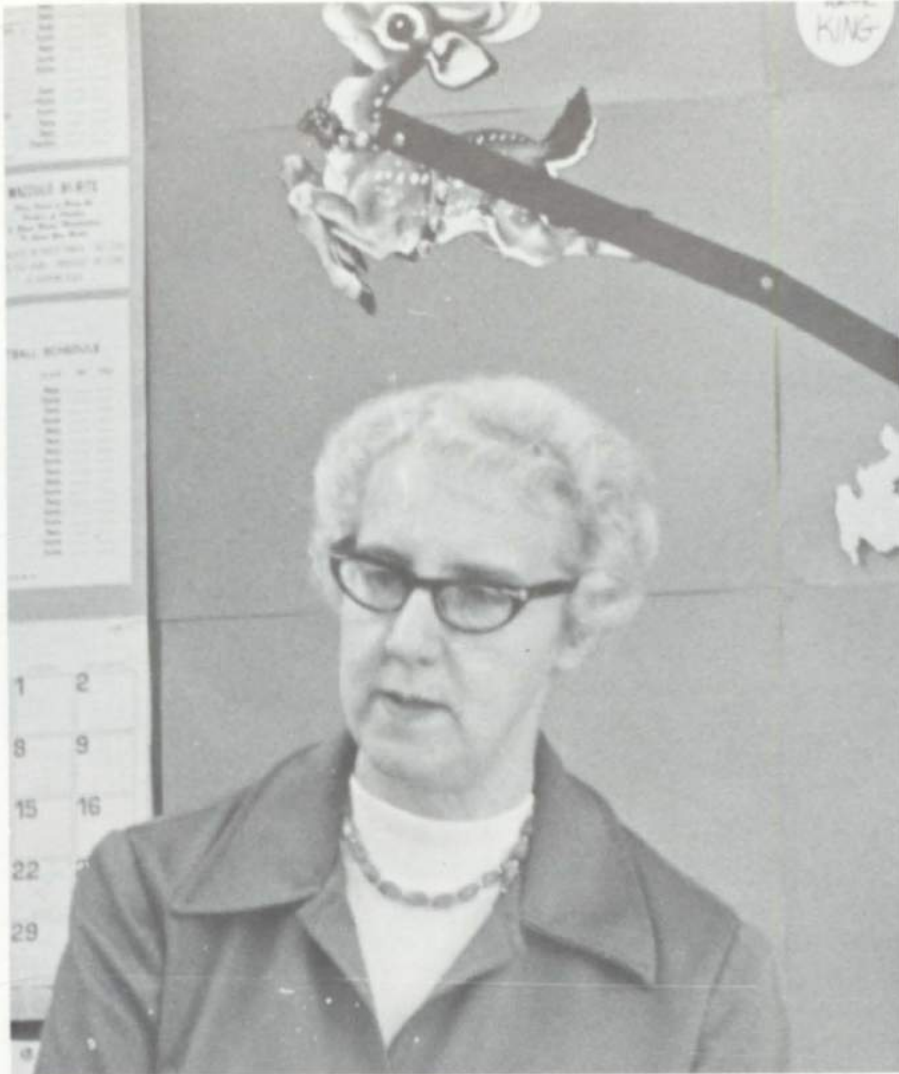

Sandra Dean coaches volleyball and gymnastics. Teaching at Chagrin for 7 1/2 years, she is a graduate of Ohio University. Water sports, pen and ink sketching, and the banjo are her hobbies.

Business Education

Elinor Miles with a B. S. from Ohio University teaches Typing, Shorthand, and Business Machines. Residing in Bainbridge she enjoys as a hobby sewing.

As one walks past Room 307, he is likely to hear "a-a-a-skip-s-s-skip". This is the melodious voice of either Elinor Miles or Gloria Powell, Chagrin's Business teachers. They not only teach typing but also shorthand and accounting. Many a student has learned that taking shorthand notes does not guarantee transcription while others frantically search their ledgers for that lost penny.

A major in Business Education provides a strong background for those students who wish to enter the job market. For those planning on college or even while in high school, typing is a much needed discipline.

Gloria Powell, Accounting I-II, and Typing, has a B. S. from Bowling Green and a M. ED. from Kent State. Tennis and golf are two of her hobbies.

Home Economics

The smell of food fills the halls as Miss Morris' cuisine classes practice their art. From meatloaf to stroganoff, from chopping to sauteing, her students develop a taste for finely prepared foods. Beyond the kitchen sewing students labor over their machines in order to finish their fashion projects. Others work at their interior design projects hoping colors, textures, and balance are correct. During the first semester Ruth Maus also teaches courses in foods.

Jane Morris, Foods, Clothing, and Interior Design, also advises the varsity cheerleaders. She has a B. A. from Marietta College and M. A. from Kent.

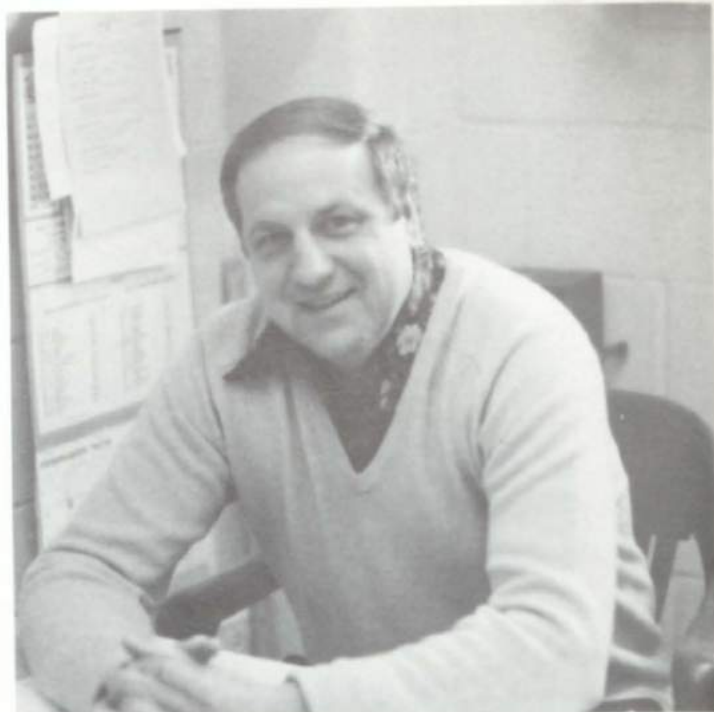

OWE/DCT/OWA

Chagrin participates in the Chagrin Valley Cooperative Program by providing classes in Occupational Work Experience (O. W. E.), Diversified Cooperative Training (D. C. T.) and Occupational Work Adjustment (O. W. A.).

The major goal of the vocational co-op programs is to develop the basic knowledge, attitude, and skills needed to be successful in the working world.

Fred C. Girard, O. W. E., has a B. S. from BGSU and a M. S. from Youngstown State. Residing in Chagrin Falls, his hobbies are camping and woodworking.

17 years in the Chagrin system, Jack Glaser, O. W. E., lives in Garrettsville, Ohio. He has a B. S. from Kent and a M. A. from John Carroll.

In the Chagrin system 19 years, Don Ferguson, O.W.A., has a B. A. from Hiram College and a M. A. from CWRU. His hobbies are photography and long distance running.

Special Ed.

Judy Kramer is the new director of the Learning Resource Center where diagnostic, intervention instruction, and supplemental instruction are offered. Currently 20-25 students take advantage of the center.

Judy Kramer, Learning Resource Center, has her M. A. from OSU and her L. D. certification from Cleveland State. Her 1st year at Chagrin, her hobbies are camping and woodworking.

Food Service

Twenty-nine minutes, 4ABC means a mad rush for the Cafeteria where students and teachers have a choice of three lines: Brown-bagit line, Plate line, and the a la carte line. Milk at 12 cents, plate lunches at 80 cents (\$1.50 for teachers), and 45 cents for a peanut butter and cranberry sandwich were line prices. Behind each counter were many friendly faces.

Maintenance

Quietly keeping the building in shape is the Maintenance Department. Split into two shifts the men and women keep the boilers going, repair chairs, paint walls, wash off messages on desks, sweep floors littered with trash that can't seem to find its way into waste baskets, mop floors, and keep the snow away from the roadway and entrances. These people also make it possible for CFHA'ers to use the building for extra-curricular activities such as dances, dinners, and meetings.

"Milan Pelton, Milan, please come to the office," is a much heard P. A. announcement prior to 8:00 in the morning.

Paul Wolfe and Laverne Milec pause from their evening duties to watch the gymnastics team in action.

If you do not know who Frank Pakornay is, you have never had a maintenance problem after school or attended a school dance.

John Rachocki is most often seen by students as the man who cleans up the halls after 4ABC.

CLUBS

Student Council

This year's Student Council presented the student body with many assemblies and activities. The two most popular were the Car Rally held in October, and Dr. Earl Reum in January. This club made it a point to have a meeting every two weeks so as to make sure that everything was all set for upcoming months' activities. President Pat Freer and Vice-President Colleen Clegg worked hard on getting all of the clubs involved in this year's Mardi Gras, a money making idea for all clubs participating.

Student Council president Pat Freer listens intently to suggestions at a S. C. meeting. Pat had a busy year, doubling as Prism editor, as well as her Student Council duties.

Student Council member Becky Distad verifies information for the next meeting. She was one of seven seniors involved in S. C.

CAB, otherwise known as the Commons Activity Board, is most well known for their CABINET where food can be purchased throughout the day. In February CAB sponsored the Valentines Dance. AIRBORNE played, as many students danced the night away. Along with the dance, CAB sold candy canes at Christmas to send to one of your buddies. President, Kelly Wooden, heads all of the meetings held every two weeks with members and outsiders usually attending.

Dennis Szell, commonly known as Dennis-in-the-Commons, advised the CAB students and warded off any occasional mishaps in the Commons area.

New to CFHS second semester was Mrs. Gilmour. She made sure all was well throughout 4 abc, as well as helped with Cabinet.

N.H.S.

The National Honor Society welcomed twelve new members. Kim Hague was president with Ken Newhouse, vice-president, and Tony Vidmar secretary and treasurer. Added to the traditional role of providing tutors and presenting the Honors Banquet where outstanding students are recognized, NHS also had bake sales, caroling party, and a Mardi Gras booth.

A new addition to CFHS is the Chess Club. President Mark Williams and Vice-President Fred Bolander led their team to capture the Chagrin Valley Conference title. This pleased its many members and faculty advisor Dennis Szell. The Club held its meetings in the Library after school and are looking forward to next year with one year of experience behind them.

Tiger Strength

Senior chessmen Fred Bolander and opponent concentrate on the board—no rash moves will be made here!

Tiger strength is another newly formed club for guys wanting to stay in shape through the winter months. Faculty advisor, Mr. Chinchar, helped the members with weight programs for their particular needs. Always seen in the gym or rec center the guys worked out after school as many days as possible.

Three German club members admire the only Christmas Tree in the school, which was decorated by all German club members.

The German Club headed by president, Tami Schwind, holds many different types of activities. Twice a year, in the fall and spring, they journey to the Hoffbrauhaus for an evening of German food, Polkas, and chugging that dark German Beer (those that are 18 of course). Also, the club had two ski outings, one was to Peak n' Peak for the downhill racer and the other was to Tanglewood for a day of fun-filled Cross-Country skiing.

Spanish Club

The Spanish Club's main activity this year was to sponsor a roller skating party and invite all foreign language clubs to participate. Headed by Senora Hanson, the club went to "El Charro", had piniata parties, and entered the ping-pong tournament. Several students also took part in the trip to Spain over their Spring break.

French Club

This year the French Club strived for participation from all students, French speaking or not. They sponsored a successful Ice Cream Social, and also made a profit through their booth at the Mardi Gras. With their earnings, the club did some re-decorating. The French room now has murals on all the walls. The officers were juniors with President Joanne Schultz and Vice president Kathy Hemlein.

A \$10 check and a six month wait is what comes to mind to students when one mentions the yearbook. But actually, there are many fun-filled hours spent at the school putting it all together. Early in the summer, Zenith staff members are out selling advertisements to finance the yearbook. In September, things begin to roll, with layouts being produced and copy being written. This continues throughout the long winter months and when February begins, the crisis starts. 100 pages have to be done in only 28 days. Layouts are made right and left, and by March 1 everything is turned in and will be back by June. After March the staff relaxes and awaits the arrival of their finished product. Editor Kathy Vild, Co-Editor Jill Kwasny, and Faculty Advisor Mr. John Giantos have one last comment, "Strike that from the record."

When not developing pictures, staff member Jon Groth writes humorous copy for the various sections.

Prism

Prism, the annual literary magazine, was headed by Pat Freer, Julie Webster, and Lauren Hemlein. This magazine enables students to reveal their literary and artistic talent. In order to increase submissions, Prism held a contest rewarding \$10 to the best literary and art works. Categories included Sports, Mysteries and Animals.

Editor, Pat Freer, gives the cameraman "the eye" while attempting to sort through the submissions for Prism.

Debate

Should the Federal Government adopt a comprehensive program to significantly increase the energy independence of the United States was the debate topic argued in 14 debates throughout the state. On the A Team were Joanne Schultz, Betsy Dellenger, Steve Wu, Dave West and Dave Musselman. At Toledo the team placed 3rd while at Austintown, it placed 2nd. Steve Wu and Dave West qualified for state.

The season lasts more than five months although many debators begin by going to summer workshops.

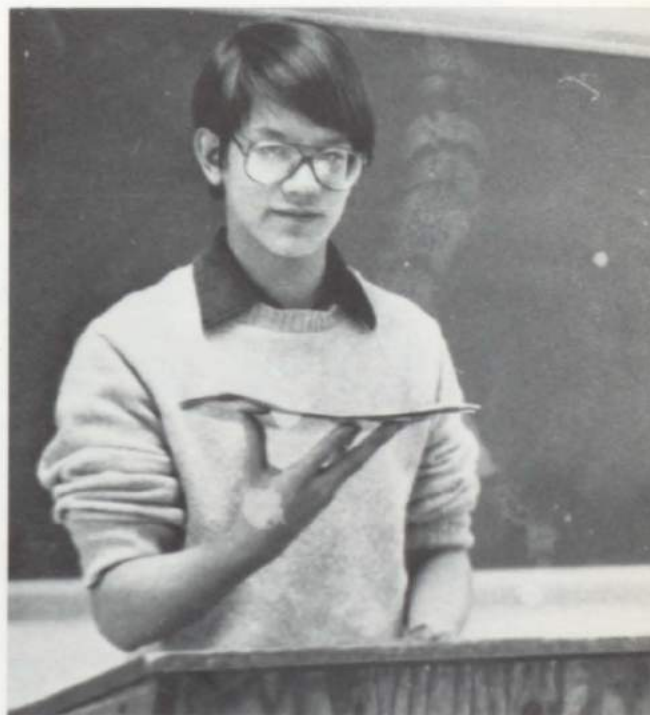

Summer workshops at Baylor and Miami and a lot of hard work is squeezed into their file cabinets as B. Dellenger and J. Schultz prepare another debate.

AFS

AFS'er, Amy Johnson, decides which "goodies" to choose at the Pot Luck Dinner. This was one of the many Dinners held by AFS.

Once again the main fund raiser for this club was the Christmas Formal. Under the direction of Betsy Dellinger the traditional winter dance was a success. Many elegant couples, and even a few chaperones, danced to the music of HOTT.

The club officers—Emily Ingalls, President, Betsy Dellinger, vice president, and Kim Hague, secretary/treasurer—organized a schedule for the rest of the spring. The schedule included a few pot luck dinners with speeches by the AFS students, Michela Marin from Italy, add Edot Soedjono from Indonesia. The two domestic students, Carelene Jefferson from Washington D.C., and Margarite LeClair from St. Paul, will also be two of the guest speakers. Finally, this international group plans a trip to Toronto, Canada in April and as a grand finale, a party to end the year.

The Industrial Arts Club prospered this year, meeting on alternate Saturday morning, dividing their time between individual and group projects. Much work was accomplished between ten and two. The group was lead by John Cressman as president, Kevin Kessler as vice president, and Eric Brett as secretary/treasurer. The group was advised by Mr. Muzevich and was open to any student enrolled in an industrial arts class.

The dance team waits for their signal to begin, from the band, in order to perform one of their many routines.

The primary job of this year's dance team was to provide entertainment at the half-time of the Friday Night Football games. The girls worked hard all summer, practicing twice a week, in order to provide a variety of routines for the Tiger fans. This year's head dancer was Barb Rentz and the group's advisor was Mrs. Moore. Much credit should be given to these girls who went out in rain, snow, cold and mud to perform.

One of the new techniques used here was the addition of Disco steps, as shown by a few of the dance team members.

MEMORIES OF THE YEAR THAT WAS . . .

Memories of 1978 will be different for each individual, yet these photographs are some of the events that everyone shared. They range from the Jonestown murders to the anti-abortion movement, but they all helped make 1978 the year that was.

Foreign affairs seemed to affect everyone's life as President Carter helped establish a new middle east peace between Israel and Egypt at the famous Camp David talks. Other international affairs were the naming of the first Polish pope in more than 400 years, the rebelling Iranians who finally overthrew the Shah, and America's opening of relations with China. The world mourned the death of Israel's former prime minister Golda Meir, while they rejoiced as new efforts for human rights and world peace were launched.

America's advancements were no less varied, however, as a major issue continued to press the government. The most tragic event by far was the mass suicide of more than 900 people in Rev. Jim Jones's cult utopia of Jonestown. Still other Americans were devoting their time to tax revolts such as California's proposition 13. Other Americans, however, fought for such issues as benefits for the elderly and women's rights. One woman's victory was former first lady Betty Ford's struggle to overcome drug and alcohol related problems. On the negative side, however, were staggering increases in crime and drug abuse, along with Richard Nixon's money making memoirs.

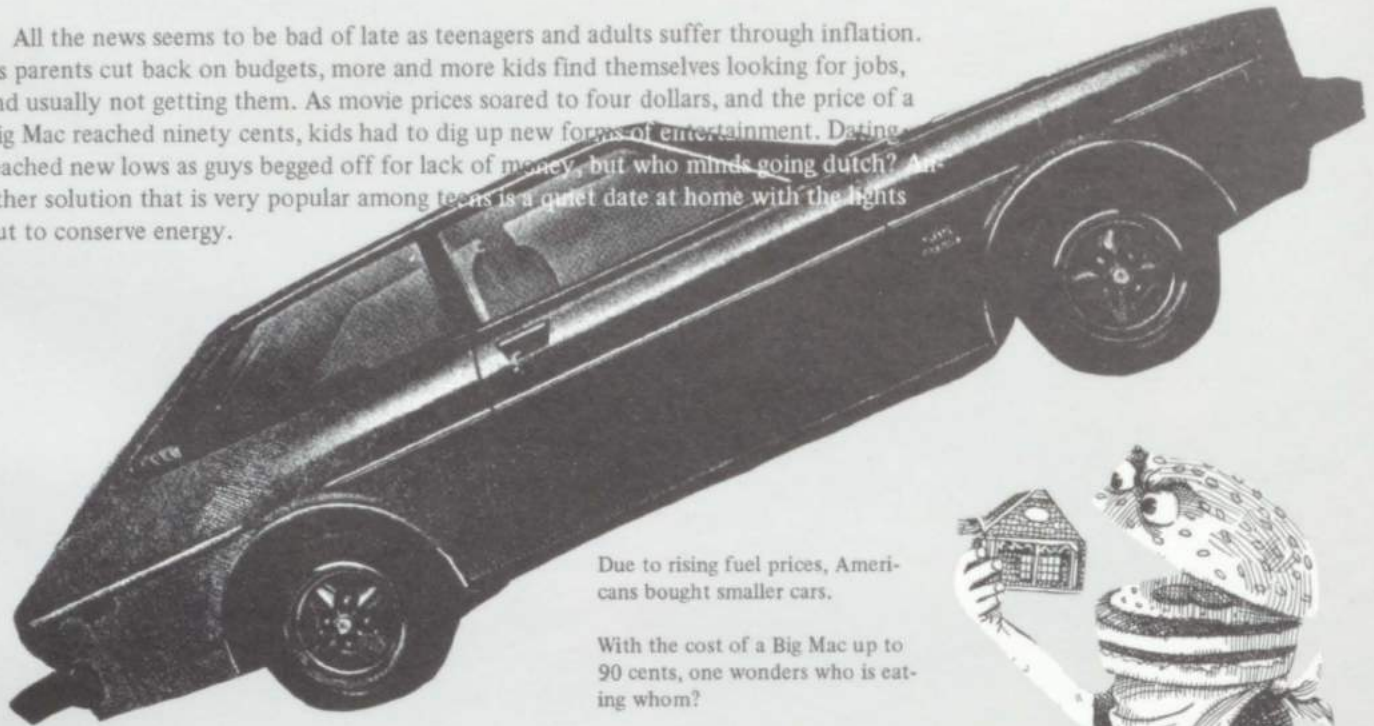

Some memories were elating and fun, while others were dismal or tragic, but they all helped make 1978 the year that was.

INFLATION-OUT OF SIGHT!!!

All the news seems to be bad of late as teenagers and adults suffer through inflation. As parents cut back on budgets, more and more kids find themselves looking for jobs, and usually not getting them. As movie prices soared to four dollars, and the price of a Big Mac reached ninety cents, kids had to dig up new forms of entertainment. Dating reached new lows as guys begged off for lack of money, but who minds going dutch? Another solution that is very popular among teens is a quiet date at home with the lights out to conserve energy.

Due to rising fuel prices, Americans bought smaller cars.

With the cost of a Big Mac up to 90 cents, one wonders who is eating whom?

CLEVELAND

In Cleveland, where hardball politics are played along racial lines, Council President Forbes finds it hard to support the sale of Muny Light.

1978-1979 certainly wasn't the year for most Clevelanders. While no one seems to be able to pinpoint exactly when the trouble began, things built up and finally resulted in the default of Cleveland.

The first publicized action that made Cleveland the joke it is today was Mayor Dennis Kucinich's hiring and immediate firing of police chief Hongisto. This factor, along with his staunch support of the "people's" rights brought about the first mayoral recall election in Cleveland's history. A thin margin won Kucinich the right to stay in office. Shortly afterwards he disappeared to nurse an ulcer. Six weeks later he was back in office.

Kucinich's biggest enemy to date has been council president George Forbes. He and five other councilmen were recently indicted on the grounds that they accepted bribes from a local carnival owner.

CLEVELAND

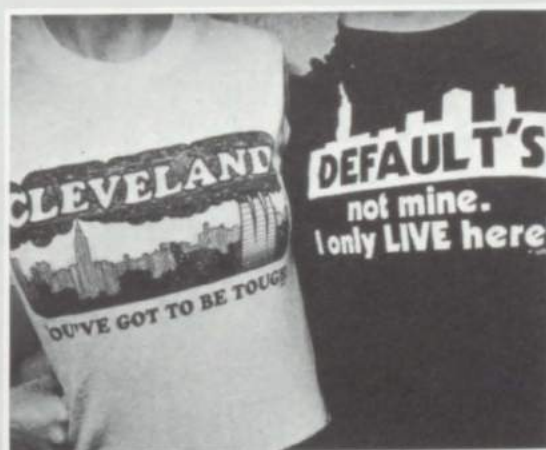

In New York, the mayor avoided financial crisis by working out a solution with the bankers. In Cleveland, the mayor called them crooks.

If those aren't enough problems for Cleveland, the president of the school board was arrested for mooning. To make it worse, the car he mooned was a police car, thus adding to Cleveland's reputation as the laughingstock of the nation.

The latest turn in events has been whether or not to sell the Municipal Light plant. According to Forbes, the money would alleviate Cleveland's debts. Kucinich feels that this sale would enable the Cleveland Electric Illuminating Company to monopolize the city.

So, to settle the dispute, the people of Cleveland were asked. The election results were in Kucinich's favor. Muni ligh is still owned by the city of Cleveland.

Clevelanders cannot be criticized for their lack of humor, as these shirts prove.

De Fault's Not Mine..

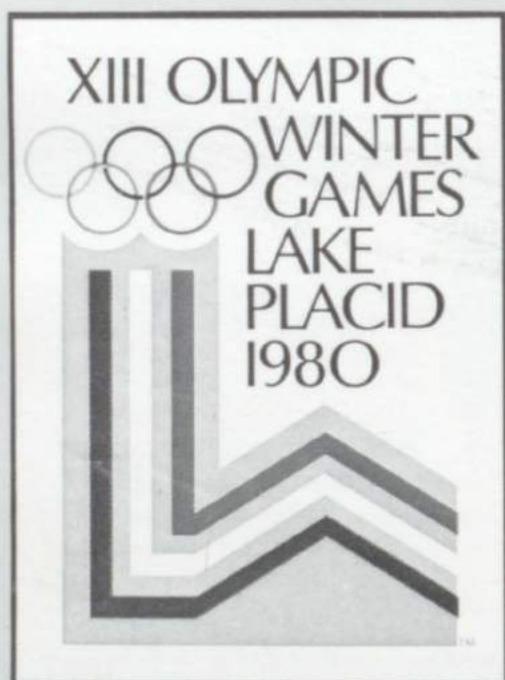

The question is, though, how does all of this affect the Village of Chagrin Falls? In particular, will it affect us, the sheltered youth? As of now, little has changed, but the full impact of the default has not hit Cleveland either. The worst problem will be the expected reduction in trade out of the city, which could affect those C.F. citizens who work in Cleveland.

The February election also resulted in an increased income tax. This will help Cleveland, but no one is sure if it will be enough help. The people of Cleveland are also confused, because they don't know who to blame the default on. Here in Chagrin Falls we can't help but wonder what will become of the once proud city of Cleveland. Can we ever again call Cleveland the best location in the nation? No one knows.

Inside Cleveland Inside Cleveland Inside Cleveland Inside Cleveland

Preparations and publicity are already underway for the 1980 Olympics, to be held at Lake Placid, New York.

Skiing continues to be a favorite sport. New styles of ski ballet, ski dancing, and an increase of cross-country skiers helped to increase the popularity of snow sports.

1978-1979 was a breather year for sports. All of the nation's top amateur athletes were busy preparing for the 1980 Olympics, which will be held in Moscow and Lake Placid, New York. This relative lack of excitement did not affect professional sportsmen, however.

In January, the Pittsburgh Steelers won their third Super Bowl championship when they blew away the Dallas Cowboys. Pete Rose thrilled the sports world by breaking the record for consecutive games with a hit; he then shocked his team and all of Cincinnati by signing with the Phillies for \$800,000 per year.

Skiing continued to be a popular winter sport, as more and more Americans hit the slopes. Many snow freaks turned to cross-country skiing as a way to cut costs, avoid crowds, and lose weight. Raquetball continued gaining popularity, and tennis and jogging—remained on top of America's list of hobbies.

What is Pete Rose smiling about? He just set a National League Mark, and then went on to sign a \$800,000 contract with the Phillies.

Linda Frattiani prepared for the 1980 Olympics by participating in exhibition competitions across the country.

N.B.A. commissioner Glenn O'Brien insists that there is no crisis, in response to declining attendance at pro basketball games.

There was one sport that suffered in 1978-1979. Pro basketball experienced smaller crowds and less television coverage, almost to the disaster level. Commissioners denied rumors that there were any problems, however, and merely said it was a "bad year."

Finally, on the more local scene, Ohio State University had a bad year in football. The end of the season also brought about the end of Coach Woody Hayes' career, after he hit a player on the Clemson football team during the Sugar Bowl.

The Steelers nabbed a victory when they creamed the Dallas Cowboys to win their third Super Bowl Championship.

FASHION

While fashion at Chagrin Falls High School is always a shade more conservative than the rest of the country, the usual uniform of topsiders, straight legged jeans, and oxford shirts met their proverbial match this year. Disco styles screamed out bright, flashy, satin clothes, while the carefree Annie Hall look meant more skirts and blazers.

Frye boots, loafers, and topsiders, continual favorites at Chagrin, were added to by L.L. Bean shoes and boots, along with Famalore ripple soled shoes.

The crimp was the latest assault to the heads of both guys and gals this year. Many a straight lock was permed into a curly poof for vanity's sake.

All in all, Chagrin fashion didn't vary too far from its old favorites. Comfortable, classic clothes are always the most popular and stylish things to wear for a day of test taking, gym class, food fights, and who knows what else?

The casual Annie Hall look was very popular among students due to its comfort and versatility.

Ripply soled shoes by Famalore make wobbly walking shoes, but great conversation pieces.

More skirts and sweaters were seen this year in contrast to jeans and blouses.

Disco continued to be popular, but you don't have to dance to wear the fashions.

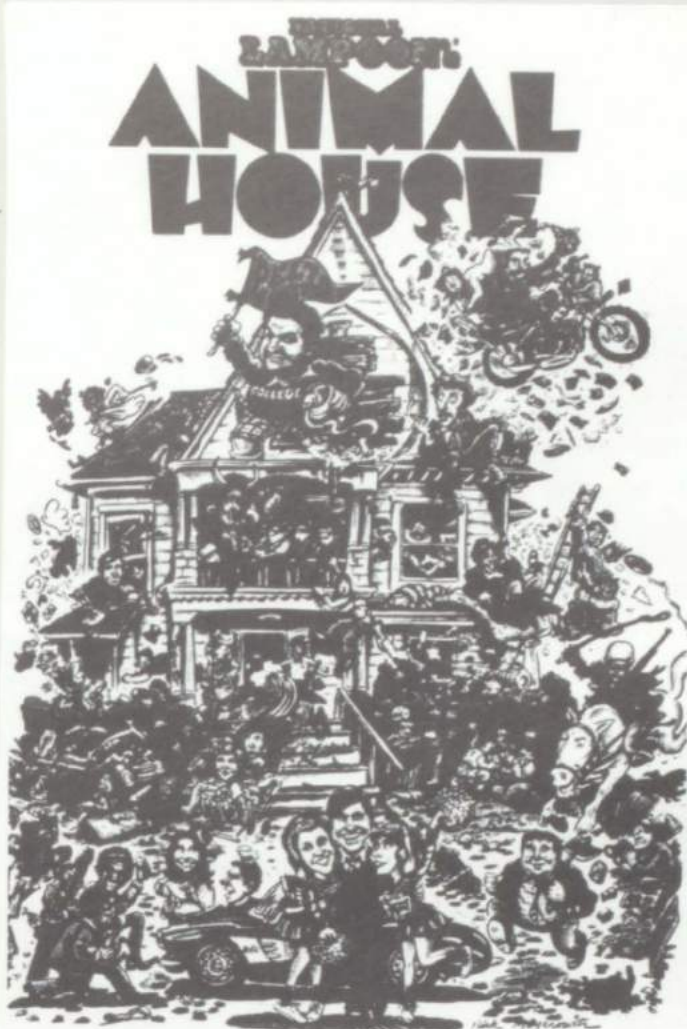

ENTERTAINMENT

This year's entertainment did not consist of very many Saturday nights with a book by the fire. When Chagrin Falls students weren't participating in such pastimes as football, basketball, pumpkin rolling, or drinking 3.2 beer, they were probably watching television or movies.

This year's movie whopper was National Lampoon's side splitting comedy, "Animal House", which told the sordid details of fraternity living. It was a hilarious satire of college life, and both fraternities and sororities noticed sudden increases in applicants.

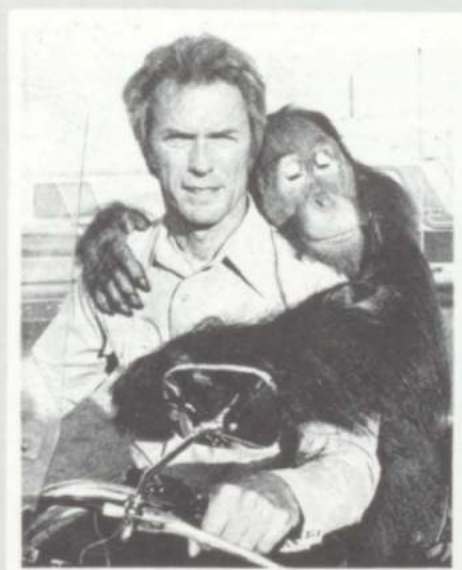

In answer to 1977's Star Wars, we were confronted by 1978's "Superman", a super technical, special effects remake of the old comic book character. This was a direct contrast to Clint Eastwood's tough-guy pseudo western, Every Which Way But Loose."

Television topped its year with the remake of "Roots—the Second Generation", which was better liked by the critics but received fewer viewers than "Roots". Well, there may not have been too many nights alone with a book, but our media system is such that if you wait long enough, they may turn your book into a movie.

The full-color, illustrated novel from the hit movie.

by Chris Miller

ROOTS

THE NEXT GENERATIONS

Seniors skillfully unload the contraband from Craig Rutkai's pick-up. The boys chose not to include the Senior women during this year's big event.

Jeff Asplin, Craig Rutkai, John Zachem, Rick Powell, Beth Pumpkin, and Terry Hargis are undaunted by the presence of authority.

PUMPKIN ROLL

Silent pumpkins anxiously awaiting their glorious moment.

Seniors Jim Overman, Rob Kucera, John Zachem, and John Hamilton gloat after an admittedly rowdy evening.

Police car at the scene of the roll—need we say more?

As the pumpkin roll grew near, the Seniors anxiously awaited that spectacular night. The night came, but unfortunately not many of the Senior girls were invited to this event. Unlike other years, the pumpkins were not rolled down Grove Hill. The police caught up to the culprits and would not allow them to drop the pumpkins. Disagreeing with the police, the fellows stubbornly rolled the pumpkins down any hill that they could find in Chagrin. At a later date, a few pumpkins were rolled down Grove Hill; this resulted in a mess for the city and a few arrests for the students.

Senior men obtained as well as bought pumpkins in the usual numbers this year in both Rutka's pick-up and Miralia's different car.

SENIORS

We're so great,
we're the

we're so fine, class of '79!

OLD FRIENDS

Time it was. . .
and what a time it was.

It was. . .

a time of innocence,
a time of confidences.

Long ago it must be, I have a photograph
preserve your memories,
they're all that's left you. . .

Paul Simon and Art Garfunkel

The photographs in this book will always bring back memories of our years at CFHS. Classes or the commons john, formals or the O.A.B.R., wrestling matches or the Media Center—each of us will be reminded of something different. Although the people and events may one day seem a blur, some things will stand out forever.

Each year had its own highlights. We were thrown into high school amid bake sales, study halls and big bad upperclassmen. The next year we struggled through Basic Comp., got our licenses and chose our class colors of dark green and ivory. Then. . . we became upperclassmen! Our classmates participated in Varsity sports and we all enjoyed junior-senior parties. The future was becoming a reality and together we faced unemployment, and P.S.A.T.'s. The sale of concessions helped us raise the money for our successful prom, which was held at the Canterbury Country Club.

We came into our senior year with a flourish. In response to the Administration's rules, we had a walking caravan and after a summer of parties and Blossom concerts we began the fall quarter. Homecoming weekend was wet but fun for everyone as we cheered our football team to victory. However, victory was not ours, when the Senior Women's Football team lost a highly contested game to the Junior girls. Other difficulties arose in November such as too many rollers and not enough pumpkins which resulted in several confusing pumpkin rolls. Winter came, bringing with it an absence of snowdays and the presence of college application blues. We all began to worry about what was going to happen to us after graduation. Class spirit and unity was restored in January when Senior Cut Day was celebrated by 90% of our class. As spring arrived, so did job and college opportunities. Senioritis set in. We were all looking forward to O.A.B.R., Blossom Time and graduation.

As each of us moves forward individually, we look back and remember the times we've shared together as the Class of 1979. The events are over, but we will have the memories forever. We will never forget that "we're so great, we're so fine, we're the class of '79. Our senior year was a year of sadness and a year of joy, a year that we'll never forget.

Miralia, Ben, Pres.
Shelton, Peter, V-Pres.
Wise, Sue, Sec.
Schultz, Joanne, Treas.

This year's junior class has been busy raising money so that the seniors can have as spectacular a prom as they put on last year. The money they raised selling concessions at home football games and holding a disco dance with popular disco tunes went towards renting a really unique prom spot. The money they had worked so hard for was ready to be put to use. Rumors had it that the Host House (rent too high), Joe's Sohio station (lack of adequate parking), and Ben Miralia's house (Ben Miralia's mother), were all considered, but had to be abandoned for various reasons. The class officers this year were Ben Miralia, President, Pete Shelton, v.p., Sue Wise, secretary, and Joanne Shultz, treasurer. Credit must be given the whole class for their help on all projects.

SOPHOMORES

The highly spirited sophomores were led by their officers Brent Charlton, president; Kent Campbell, vice-president; Mary Kay Burke, secretary; and Steve Wu, Treasurer. The class of "81" boosted the morale of other classes by organizing a pep club which out cheered all others at pep assemblies and games.

Among the sponsored activities of the class was the sale of Homecoming mums and Valentine carnations, bake sales, and the sale of Tiger bumper stickers. The class ordered class rings and had narrowed its class colors down to either light and dark green or scarlet and gray.

Feeling a little jealous of the junior and senior girls' these innovative sophomore girls donned matching rugby shirts and were as rowdy as the upper-classmen.

FRESHMEN

Freshman cheerleading squad members Lee Philpott, Jana Boysen, Karen Neuman, Gillian Theis, Donna Wennerstrom, Amy Arthur, Sue Griswold, and Carla Cimorelli.

This dynamic freshman class was lead by president Mike Bistriz, assisted by v.p. Jane Gluf. Handling financial matters was treasurer Carla Cimorelli and Karen Johnson acted as secretary. The class of '82 suffered through the usual traumas of biology, commons applications, and were the butt of constant jokes such as: Four CFHS'ers were crossing a desert and each was allowed to bring one thing. The senior took a jug of wine to keep us his spirits. The junior took some spaghetti left over from the last spaghetti dinner in case he got hnngr. The sophomore took his girlfriend in case he got lonely. And the freshman took a car door so he could roll down the window in case he got hot. Seriously, though, the freshman had bake sales, concessions and did generate a lot of spirit.

CANDIDS...too good to forget

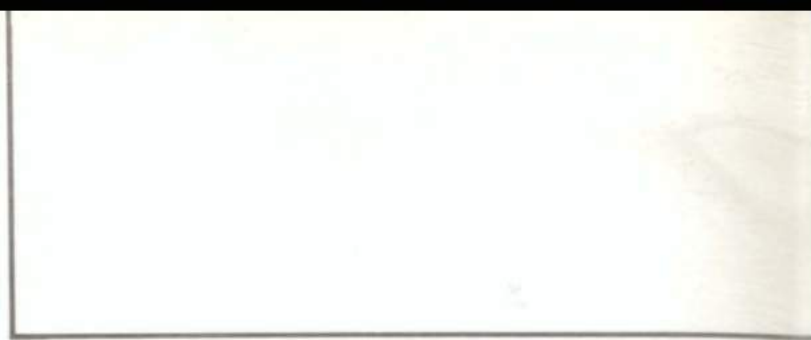

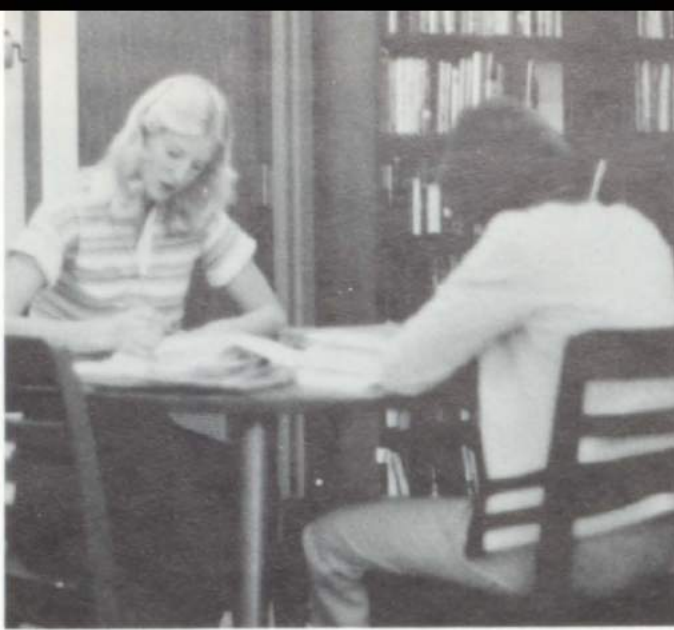

ZENITH

Memories from the 1978-79 Zenith staff. . . thanks to Brent, Jim, Jon, and Liz for all their pics. . . Boris's cooperation. . . weekends in room 323. . . oh, I love that song. . . drink coke much. . . please get some popcorn from coach. . . where the \$†%* is that pic. . . Just one more caption and I'll be totally done. . . oh, my virgin ears. . . can color be enlarged?. . . crop queen. . . what's for lunch?. . . John, John, the yearbook man. . . realizing we have no musical copy. . . only one cropper. . . We will get the book in May. . . foreign languages. . . all our many typists always showing up. . . Jill's bookkeeping. . . Colleen's underclassmen section. . . Kit's news section. . . Mary's senior section. . . hounding people about copy to write for us. . . can't wait to finish. . . we will survive. . . Mr. Ginatos' incredibly organized work room with all its work space. . . Herr Gerr's humor. . . identifying club pictures a bit more efficiently than last year. . . Totally dark bathrooms. . . trying to drive in back of the school but not quite succeeding. . . getting keys from the administration. . . take-outs. . . lettering strewn everywhere. . . all we need is one more 'F'. . . cut a leg off an 'E', okay?. . . I don't like my candid, please develop the other one. . . keeping beverages cold by the window. . . huge cartons of popcorn. . . quickly devoured. . . creeping into the school via the disgusting boiler room. . . Kathy's great lettering and headlining. . . I've GOT to be leaving. . . can I have a ride? . . just one last idea. . . comments on every picture. . . editing blurbs. . . okay. . . last minute senior changes. . . strike that from the record!
